#### Analysis

This ordinance makes changes to the ethics disclosure form requirements provided in Section 2.222.030 of the Metro Code. The Code provides that the following persons must file an annual ethics disclosure statement and benefit reporting statement: (1) the Mayor; (2) all employees in the Mayor's office; (3) the Metro Council Office; (4) the holders of all elected offices authorized or created by the Metropolitan Charter; and (5) all directors, executive directors, assistant directors, and associate directors of metropolitan government agencies, boards, and commissions, but not including Nashville Electric Service, the Metropolitan Nashville Airport Authority, the Metropolitan Development and Housing Agency and the Metropolitan Transit Authority. The Code provides that the purpose of the required disclosures is to "advance the favorable opinion of the public in the integrity of government."

First, the ordinance removes the requirement that a witness attest that the person entered the information on the electronic form in the presence of the witness. In place of the witnessing requirement, the person filing the disclosure form would attest under penalty of perjury that the information is accurate to the best of the person's knowledge.

Second, the ordinance also removes the requirement that a person's primary residence be listed as part of the disclosure of the person's or the person's spouse's direct or indirect financial interest in any real property located in Davidson County.
