Analysis

This resolution appropriates \$9,000,000 in American Rescue Plan Act ("ARPA") funds from Fund #30216 to the Metro Homeless Impact Division of Metro Social Services ("MHID"). MHID has proposed that the funding be used to support the Housing First administrative initiative, which is designed to provide case management support to those experiencing homelessness and to maintain housing opportunities.

The Housing First initiative supports Assertive Community Treatment Teams. Service providers include a rehabilitation/recovery and addiction specialist, medical professionals, psychiatrist, therapist, supported employment options, social workers, and other social service specialists. These services are mobile and available 24/7, which can cost between \$6,000 to \$12,000 annually per client. MHID would administer these funds through competitive grants in coordination with a nonprofit healthcare partner.

The COVID-19 Financial Oversight Committee has recommended this request be funded through ARPA funds.

Fiscal Note: This \$9,000,000 appropriation, along with the appropriations per Resolution No. RS2022-1696, Resolution No. RS2022-1698, and Resolution No. RS2022-1699 would be the 27th, 28th, 29th and 30th resolutions appropriating from the American Recovery Plan Act (ARP) Fund for a cumulative total of \$160,508,686. The total grant award is \$259,810,600. The first half of this amount was received in July 2021 and the second half was received in July 2022.
