Analysis

This resolution approves an application for an Assistance to Firefighters Grant from the U.S. Department of Homeland Security to the Metropolitan Nashville Fire Department. If approved, the grant award would be \$693,081 with a require local cash match of \$63,007.36. The objective of the Assistance to Firefighters Grant program is to provide funding directly to fire departments for the purpose of protecting the health and safety of the public and first responder personnel against fire and fire-hazards. This grant would provide chemical, biological, radiological, and nuclear equipment to replace existing equipment that is worn out or broken. It would also replace worn out or broken fitness equipment in each fire hall. The match for this grant would be funded through a future 4% Fund allocation.
