**GRANT CONTRACT
BETWEEN THE STATE OF TENNESSEE,
TENNESSEE ARTS COMMISSION
AND
Metropolitan Nashville Arts Commission**

WHEREAS, the Tennessee Arts Commission seeks to build communities by nurturing artists, arts organizations, and arts supporters in each of Tennessee's 95 counties; and

WHEREAS, to achieve this goal, the Tennessee Arts Commission works in partnership with one or more Designated Agency in each of Tennessee's nine development districts through a grant program category entitled "Arts Build Communities" (ABC); and

WHEREAS, Arts Build Communities is a decentralized decision-making and distribution process in which each Designated Agency receives a block grant of a per capita share of certain funds; and

WHEREAS, the Designated Agency, in turn, subgrants these funds through a competitive grant process for arts activities undertaken by not-for-profit and government organizations based in the geographic area being served by the Designated Agency, as well as providing technical assistance to artists, arts organizations and other not-for-profit groups to support development of each Tennessee county's cultural resources,

NOW THEREFORE, this grant contract ("Grant Contract"), by and between the State of Tennessee, Tennessee Arts Commission, hereinafter referred to as the "State" or the "Grantor State Agency" and Grantee Metropolitan Nashville Arts Commission, hereinafter referred to as the "Grantee," is for the provision of Arts Build Communities Designated Agency services, as further defined in the "SCOPE OF SERVICES AND DELIVERABLES."

Grantee Edison Vendor ID # 4

A. SCOPE OF SERVICES AND DELIVERABLES:

- A.1. The Grantee shall provide the scope of services and deliverables ("Scope") as required, described, and detailed in this Grant Contract.
- A.2. The Grantee shall plan and execute the process by which Arts Build Community (ABC) grants are made to sub-grantees in their geographic region for the purpose of creating a decentralized decision-making and distribution process for at least 85% of the funds made available under this grant. The program purpose is to build better communities by nurturing artists, arts organizations (including local arts agencies), and arts supporters in each of Tennessee's 95 counties and 9 development districts through sub-grantees. The Grantee shall work with the state to distribute the grant dollars to the designated counties it serves through sub-grants via a competitive merit selection process using application, advisory panel review, contract, fiscal and program reporting forms provided by the State. The Grantee may use up to 15% of its per capita share for administrative costs associated with the sub-grantee program implementation and for technical assistance activities designed to strengthen the cultural organizations in the areas served.
- A.3. The Grantee shall enforce the ABC Guideline/Application terms found online at <http://tnartscommission.org/grants/arts-build-communities-grant-2/>
- A.4. Required use of Tennessee Arts Commission logo and guidance on Specialty License Plate Program promotions. All notices, informational pamphlets, press releases, research reports, signs, and similar public notices prepared and released by the Grantee shall include the Tennessee Arts Commission logo image supplied by the State at <https://tnartscommission.org/about-us/tennessee-arts-commission-brand/>. Guidelines for proper

usage of the Commission logo can be found at https://tnartscommission.org/wp-content/uploads/2018/10/TNArts_2014BrandGuidelines.pdf

In addition, the Grantee is strongly encouraged to incorporate elements from the Arts Specialty License Plate Communications toolkit in agency communications including print advertising, websites, e-letters, social media, press releases, talking points and/or other mechanisms as may be determined effective by the Grantee. The toolkits can be found at <https://tnspecialtyplates.org/partners/>. If needed, the login password is tnspecialtyplates.

- A.5. The Grantee must require at least a one-to-one (1:1) cash match of all subgrantee funds either directly from the public (not the State) and or/private funds generated by the sub-grantees.
- A.6. The Grantee shall conduct a competitive funding allocation process approved by the State that will include proposals for eligible art projects in areas of Dance, Music, Opera/Musical Theater, Theater, Visual Arts, Design Arts, Crafts, Photography, Media Arts, Literature, Interdisciplinary, and Folk Arts. The Grantee will aggressively solicit applications from eligible non-profits or local government entities, conduct grants workshops, publicize the program (including press releases and public service announcements), and use an independent local panel to assess, review, evaluate, and recommend applications for funding.
- A.7. The Grantee will establish legal eligibility for all not-for-profit sub-grantee applicants, by executing the Charity Check service to confirm IRS nonprofit status, as well as by confirming receipt and inspecting required documents in the Tennessee Arts Commission's online grants system. Required documents include the most current organizational by-laws and the most recently filed corporation annual reports as required by the Secretary of State.
- A.8. The Grantee shall adhere to the ABC program schedule established by the Tennessee Arts Commission. Sub-grantee applications must be received, evaluated and awards announced by August 16, 2023. Projects conducted by the sub-grantee must be completed by June 15th of the current fiscal year for which they are funded.
- A.9. The Grantee will use an independent local panel (not integrated into any other review panel) comprised of arts professionals and/or knowledgeable arts supporters to review sub-grantee applications. The panel must include a representative of the Tennessee Arts Commission (either an area commission member or staff). Panels shall be comprised of no fewer than five (5) members, including the State representation.
- A.10. The Grantee shall avoid any conflicts of interest in establishing its regional grant review panel. Employees of the Grantee will not be part of the panel evaluation process. The Staff of the Grantee will facilitate the panel review process and in no way influence panelists in the evaluation process. Neither the Grantee nor any panelist should be directly associated with or the potential recipient of any funds provided by an organization seeking a sub-grant from the Grantee. If, however, a panelist does have a conflict-of-interest with an applicant, that panelist will indicate the conflict on the online evaluation form and will not participate in the discussion or evaluation of that application. Each panel must be geographically balanced with its members living in different parts of the county, multi-county area or development district being served. All applications will be reviewed at a public meeting with representatives from the applicant organizations invited to attend at least three weeks prior to the meeting date.
- A.11. The Grantee shall provide orientation to panelists on how to rate applications using a standardized evaluation form provided by the State. Upon completion of the review process, the panelists will review the final ratings. Panelists will not determine funding levels. The Grantee shall assign dollar amounts not to exceed \$5,000 to the sub-grantee based upon the merit ratings and State dollars available.

- A.12. The Grantee shall forward the preliminary funding recommendations to the State for compliance review and approval, or rejection, on a standardized form provided by the State. The recommended funding list will be reviewed by the State and the Grantee will be notified of approval or rejection. The Grantee shall award no sub-grants until State approval in writing of the proposed sub-grantees is received.
- A.13. The Grantee shall use contractual language for the sub-grants based on a template provided by the State.
- A.14. The Grantee shall secure from its sub-grantees all applicable required program and financial reports through the Tennessee Arts Commission's online grants system. In addition, the Grantee shall review all reports within 30 days of the sub-grantee's submission, comparing the list of specific payments requested for reimbursement and match to the approved budget. The Grantee shall question and resolve any material deviations with the sub-grantee and notify both the sub-grantee and the Tennessee Arts Commission of any financial report requiring change. The Grantee shall seek to review requests for payment, resolve any issues and make payments within 30 days of submission by the sub-grantee.
- A.15. Affirmative Duty to Report Major Organizational Change. Grantees shall promptly notify the State in writing of any significant changes in the organization's structure, leadership or financial circumstance that could affect services provided under the grant contract. For nonprofits, the loss of nonprofit status during the period of the contract is considered a significant change. Such loss must be reported and remedied within the contract period in order for the Grantee to qualify for reimbursement of allowable costs as provided in Section C.
- A.16. Required Training. The grantee shall comply with all requirements of Title VI of the Civil Rights Act 1964, including annual training of grantee or grantee organization employees utilizing materials provided by the State. Grantee will also confirm that each sub-grantee complies with all requirements of Title VI of the Civil Rights Act 1964, including annual training of grantee organization employees utilizing materials provided by the State. Grantee will not issue a sub-grant payment to an organization that has not documented completion of Title VI training. Written documentation of training shall be maintained for a period of three (3) full years from the date of the final payment under the grant and shall be subject to audit at any reasonable time and upon reasonable notice by the state agency, the Comptroller of the Treasury, or duly appointed representatives.
- A.17. Incorporation of Additional Documents. Each of the following documents is included as a part of this Grant Contract by reference or attachment.  - c. The State and the Grantee will sign documents, including but not limited to business associate agreements, as required by the Privacy Rules and that are reasonably necessary to keep the State and the Grantee in compliance with the Privacy Rules. This provision shall not apply if information received by the State under this Grant Contract is NOT "protected health information" as defined by the Privacy Rules, or if the Privacy Rules permit the State to receive such information without entering into a business associate agreement or signing another such document.
- D.12. Public Accountability. If the Grantee is subject to Tenn. Code Ann. § 8-4-401 *et seq.*, or if this Grant Contract involves the provision of services to citizens by the Grantee on behalf of the State, the Grantee agrees to establish a system through which recipients of services may present grievances about the operation of the service program. The Grantee shall also display in a prominent place, located near the passageway through which the public enters in order to receive Grant supported services, a sign at least eleven inches (11") in height and seventeen inches (17") in width stating:

NOTICE: THIS AGENCY IS A RECIPIENT OF TAXPAYER FUNDING. IF YOU OBSERVE AN AGENCY DIRECTOR OR EMPLOYEE ENGAGING IN ANY ACTIVITY WHICH YOU CONSIDER TO BE ILLEGAL, IMPROPER, OR WASTEFUL, PLEASE CALL THE STATE COMPTROLLER'S TOLL-FREE HOTLINE: 1-800-232-5454.

The sign shall be on the form prescribed by the Comptroller of the Treasury. The Grantor State Agency shall obtain copies of the sign from the Comptroller of the Treasury, and upon request from the Grantee, provide Grantee with any necessary signs.

- D.13. Public Notice. All notices, informational pamphlets, press releases, research reports, signs, and similar public notices prepared and released by the Grantee in relation to this Grant Contract shall include the statement, "This project is funded under a grant contract with the State of Tennessee." All notices by the Grantee in relation to this Grant Contract shall be approved by the State.

- D.14. Licensure. The Grantee, its employees, and any approved subcontractor shall be licensed pursuant to all applicable federal, state, and local laws, ordinances, rules, and regulations and shall upon request provide proof of all licenses.

- D.15. Records. The Grantee and any approved subcontractor shall maintain documentation for all charges under this Grant Contract. The books, records, and documents of the Grantee and any approved subcontractor, insofar as they relate to work performed or money received under this Grant Contract, shall be maintained in accordance with applicable Tennessee law. In no case shall the records be maintained for a period of less than five (5) full years from the date of the final payment. The Grantee's records shall be subject to audit at any reasonable time and upon reasonable notice by the Grantor State Agency, the Comptroller of the Treasury, or their duly appointed representatives.

The records shall be maintained in accordance with Governmental Accounting Standards Board (GASB) Accounting Standards or the Financial Accounting Standards Board (FASB) Accounting Standards Codification, as applicable, and any related AICPA Industry Audit and Accounting guides.

In addition, documentation of grant applications, budgets, reports, awards, and expenditures will be maintained in accordance with U.S. Office of Management and Budget's *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*.

Grant expenditures shall be made in accordance with local government purchasing policies and procedures and purchasing procedures for local governments authorized under state law.

The Grantee shall also comply with any recordkeeping and reporting requirements prescribed by the Tennessee Comptroller of the Treasury.

The Grantee shall establish a system of internal controls that utilize the COSO Internal Control - Integrated Framework model as the basic foundation for the internal control system. The Grantee shall incorporate any additional Comptroller of the Treasury directives into its internal control system.

Any other required records or reports which are not contemplated in the above standards shall follow the format designated by the head of the Grantor State Agency, the Central Procurement Office, or the Commissioner of Finance and Administration of the State of Tennessee.

- D.16. Monitoring. The Grantee's activities conducted and records maintained pursuant to this Grant Contract shall be subject to monitoring and evaluation by the State, the Comptroller of the Treasury, or their duly appointed representatives.

- D.17. Progress Reports. The Grantee shall submit brief, periodic, progress reports to the State as requested.

- D.18. Annual and Final Reports. The Grantee shall submit, within three (3) months of the conclusion of each year of the Term, an annual report. For grant contracts with a term of less than one (1) year, the Grantee shall submit a final report within three (3) months of the conclusion of the Term. For grant contracts with multiyear terms, the final report will take the place of the annual report for the final year of the Term. The Grantee shall submit annual and final reports to the Grantor State

Agency. At minimum, annual and final reports shall include: (a) the Grantee's name; (b) the Grant Contract's Edison identification number, Term, and total amount; (c) a narrative section that describes the program's goals, outcomes, successes and setbacks, whether the Grantee used benchmarks or indicators to determine progress, and whether any proposed activities were not completed; and (d) other relevant details requested by the Grantor State Agency. Annual and final report documents to be completed by the Grantee shall appear on the Grantor State Agency's website or as an attachment to the Grant Contract.

D.19. Audit Report. The Grantee shall be audited in accordance with applicable Tennessee law.

At least ninety (90) days before the end of its fiscal year, the Grantee shall complete the Information for Audit Purposes ("IAP") form online (accessible through the Edison Supplier portal) to notify the State whether or not Grantee is subject to an audit. The Grantee should submit only one, completed form online during the Grantee's fiscal year. Immediately after the fiscal year has ended, the Grantee shall fill out the End of Fiscal Year ("EOFY") (accessible through the Edison Supplier portal).

When a federal single audit is required, the audit shall be performed in accordance with U.S. Office of Management and Budget's *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*.

A copy of the audit report shall be provided to the Comptroller by the licensed, independent public accountant. Audit reports shall be made available to the public.

D.20. Procurement. If other terms of this Grant Contract allow reimbursement for the cost of goods, materials, supplies, equipment, or contracted services, such procurement shall be made on a competitive basis, including the use of competitive bidding procedures, where practical. The Grantee shall maintain documentation for the basis of each procurement for which reimbursement is paid pursuant to this Grant Contract. In each instance where it is determined that use of a competitive procurement method is not practical, supporting documentation shall include a written justification for the decision and for use of a non-competitive procurement. If the Grantee is a subrecipient, the Grantee shall comply with 2 C.F.R. §§ 200.317—200.326 when procuring property and services under a federal award.

The Grantee shall obtain prior approval from the State before purchasing any equipment under this Grant Contract.

For purposes of this Grant Contract, the term "equipment" shall include any article of nonexpendable, tangible, personal property having a useful life of more than one year and an acquisition cost which equals or exceeds five thousand dollars (\$5,000.00).

D.21. Strict Performance. Failure by any party to this Grant Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this Grant Contract is not a waiver or relinquishment of any term, covenant, condition, or provision. No term or condition of this Grant Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties.

D.22. Independent Contractor. The parties shall not act as employees, partners, joint venturers, or associates of one another in the performance of this Grant Contract. The parties acknowledge that they are independent contracting entities and that nothing in this Grant Contract shall be construed to create a principal/agent relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.

D.23. Limitation of State's Liability. The State shall have no liability except as specifically provided in this Grant Contract. In no event will the State be liable to the Grantee or any other party for any

lost revenues, lost profits, loss of business, loss of grant funding, decrease in the value of any securities or cash position, time, money, goodwill, or any indirect, special, incidental, punitive, exemplary or consequential damages of any nature, whether based on warranty, contract, statute, regulation, tort (including but not limited to negligence), or any other legal theory that may arise under this Grant Contract or otherwise. The State's total liability under this Grant Contract (including any exhibits, schedules, amendments or other attachments to the Contract) or otherwise shall under no circumstances exceed the Maximum Liability originally established in Section C.1 of this Grant Contract. This limitation of liability is cumulative and not per incident.

- D.24. Force Majeure. "Force Majeure Event" means fire, flood, earthquake, elements of nature or acts of God, wars, riots, civil disorders, rebellions or revolutions, acts of terrorism or any other similar cause beyond the reasonable control of the party except to the extent that the non-performing party is at fault in failing to prevent or causing the default or delay, and provided that the default or delay cannot reasonably be circumvented by the non-performing party through the use of alternate sources, workaround plans or other means. A strike, lockout or labor dispute shall not excuse either party from its obligations under this Grant Contract. Except as set forth in this Section, any failure or delay by a party in the performance of its obligations under this Grant Contract arising from a Force Majeure Event is not a default under this Grant Contract or grounds for termination. The non-performing party will be excused from performing those obligations directly affected by the Force Majeure Event, and only for as long as the Force Majeure Event continues, provided that the party continues to use diligent, good faith efforts to resume performance without delay. The occurrence of a Force Majeure Event affecting Grantee's representatives, suppliers, subcontractors, customers or business apart from this Grant Contract is not a Force Majeure Event under this Grant Contract. Grantee will promptly notify the State of any delay caused by a Force Majeure Event (to be confirmed in a written notice to the State within one (1) day of the inception of the delay) that a Force Majeure Event has occurred, and will describe in reasonable detail the nature of the Force Majeure Event. If any Force Majeure Event results in a delay in Grantee's performance longer than forty-eight (48) hours, the State may, upon notice to Grantee: (a) cease payment of the fees until Grantee resumes performance of the affected obligations; or (b) immediately terminate this Grant Contract or any purchase order, in whole or in part, without further payment except for fees then due and payable. Grantee will not increase its charges under this Grant Contract or charge the State any fees other than those provided for in this Grant Contract as the result of a Force Majeure Event.
- D.25. Tennessee Department of Revenue Registration. The Grantee shall comply with all applicable registration requirements contained in Tenn. Code Ann. §§ 67-6-601 – 608. Compliance with applicable registration requirements is a material requirement of this Grant Contract.
- D.26. Charges to Service Recipients Prohibited. The Grantee shall not collect any amount in the form of fees or reimbursements from the recipients of any service provided pursuant to this Grant Contract.
- D.27. No Acquisition of Equipment or Motor Vehicles. This Grant Contract does not involve the acquisition and disposition of equipment or motor vehicles acquired with funds provided under this Grant Contract.
- D.28. State and Federal Compliance. The Grantee shall comply with all applicable state and federal laws and regulations in the performance of this Grant Contract. The U.S. Office of Management and Budget's Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards is available here: http://www.ecfr.gov/cgi-bin/text-idx?SID=c6b2f053952359ba94470ad3a7c1a975&tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl
- D.29. Governing Law. This Grant Contract shall be governed by and construed in accordance with the laws of the State of Tennessee, without regard to its conflict or choice of law rules. The Grantee agrees that it will be subject to the exclusive jurisdiction of the courts of the State of Tennessee in actions that may arise under this Grant Contract. The Grantee acknowledges and agrees that

any rights or claims against the State of Tennessee or its employees hereunder, and any remedies arising there from, shall be subject to and limited to those rights and remedies, if any, available under Tenn. Code Ann. §§ 9-8-101 through 9-8-408.

- D.30. Completeness. This Grant Contract is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions agreed to by the parties. This Grant Contract supersedes any and all prior understandings, representations, negotiations, or agreements between the parties, whether written or oral.
- D.31. Severability. If any terms and conditions of this Grant Contract are held to be invalid or unenforceable as a matter of law, the other terms and conditions shall not be affected and shall remain in full force and effect. To this end, the terms and conditions of this Grant Contract are declared severable.
- D.32. Headings. Section headings are for reference purposes only and shall not be construed as part of this Grant Contract.
- D.33. Iran Divestment Act. The requirements of Tenn. Code Ann. § 12-12-101, *et seq.*, addressing contracting with persons as defined at Tenn. Code Ann. §12-12-103(5) that engage in investment activities in Iran, shall be a material provision of this Grant Contract. The Grantee certifies, under penalty of perjury, that to the best of its knowledge and belief that it is not on the list created pursuant to Tenn. Code Ann. § 12-12-106.
- D.34. Debarment and Suspension. The Grantee certifies, to the best of its knowledge and belief, that it, its current and future principals, its current and future subcontractors and their principals:
- a. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal or state department or agency;
 - b. have not within a three (3) year period preceding this Grant Contract been convicted of, or had a civil judgment rendered against them from commission of fraud, or a criminal offence in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or grant under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification, or destruction of records, making false statements, or receiving stolen property;
 - c. are not presently indicted or otherwise criminally or civilly charged by a government entity (federal, state, or local) with commission of any of the offenses detailed in section b. of this certification; and
 - d. have not within a three (3) year period preceding this Grant Contract had one or more public transactions (federal, state, or local) terminated for cause or default.

The Grantee shall provide immediate written notice to the State if at any time it learns that there was an earlier failure to disclose information or that due to changed circumstances, its principals or the principals of its subcontractors are excluded or disqualified, or presently fall under any of the prohibitions of sections a-d.

- D.35. Confidentiality of Records. Strict standards of confidentiality of records and information shall be maintained in accordance with applicable state and federal law. All material and information, regardless of form, medium or method of communication, provided to the Grantee by the State or acquired by the Grantee on behalf of the State that is regarded as confidential under state or federal law shall be regarded as "Confidential Information." Nothing in this Section shall permit Grantee to disclose any Confidential Information, regardless of whether it has been disclosed or made available to the Grantee due to intentional or negligent actions or inactions of agents of the State or third parties. Confidential Information shall not be disclosed except as required or permitted under state or federal law. Grantee shall take all necessary steps to safeguard the confidentiality of such material or information in conformance with applicable state and federal law.

The obligations set forth in this Section shall survive the termination of this Grant Contract.

E. SPECIAL TERMS AND CONDITIONS:

- E.1. Conflicting Terms and Conditions. Should any of these special terms and conditions conflict with any other terms and conditions of this Grant Contract, the special terms and conditions shall be subordinate to the Grant Contract's other terms and conditions.
