Dear Mike,

I wanted to let you know that The Community Foundation of Middle Tennessee will be providing funding to David Gardiner & Associates, with an estimated value of \$49,500, for Gardiner & Associates to help Nashville civic leaders develop recommendations of feasible climate actions within operating and capital budget constraints.

This funding will come from the Nashville Community Engagement Fund, thanks to the generosity of a private donor, and the payment will be made directly to David Gardiner & Associates, rather than to a department within Metro Government.

The Nashville Community Engagement Fund is one of several funds at The Community Foundation that support public/private partnerships and we are thrilled that this fund, which has been used to facilitate private funding to support public community projects and initiatives including the Barnes Fund, Diversity & Inclusion resources, and the Financial Empowerment Centers, is being used to advance important community goals.

Thank you for the opportunity to work together.

Sincerely,
