To: Mike Atchison Metro Water Services

**Re: Clifton Triangle (Revision)
Planning Commission Mandatory Referral 2023M-208ES-001
Council District #21 Brandon Taylor, Council Member**

On behalf of the Metropolitan Planning Commission, the following item, referred to the Commission as required by the Metro Charter, has been recommended for *approval* to the Metropolitan Council:

A request to amend Council ordinance BL2023-1746 and Proposal No. 2023M-003ES-001 for the purpose of accepting an additional 86 linear feet of 8-inch water main, 4 linear feet of six-inch water main, and one fire hydrant assembly (see sketch for details) to serve the Clifton Triangle development. Proposed construction will occur entirely with public rights-of-way.

The relevant Metro agencies (Metro Parks, Metro Public Works, Metro Water Services, Metro Emergency Communications, the Nashville Electric Service, Metro Finance – Public Property and the Metro Historical Commission) have reviewed the proposal and concur in the recommendation for approval. This request must be approved by the Metro Council to become effective. A sketch showing the location of the request is attached to this letter.

Conditions that apply to this approval: none

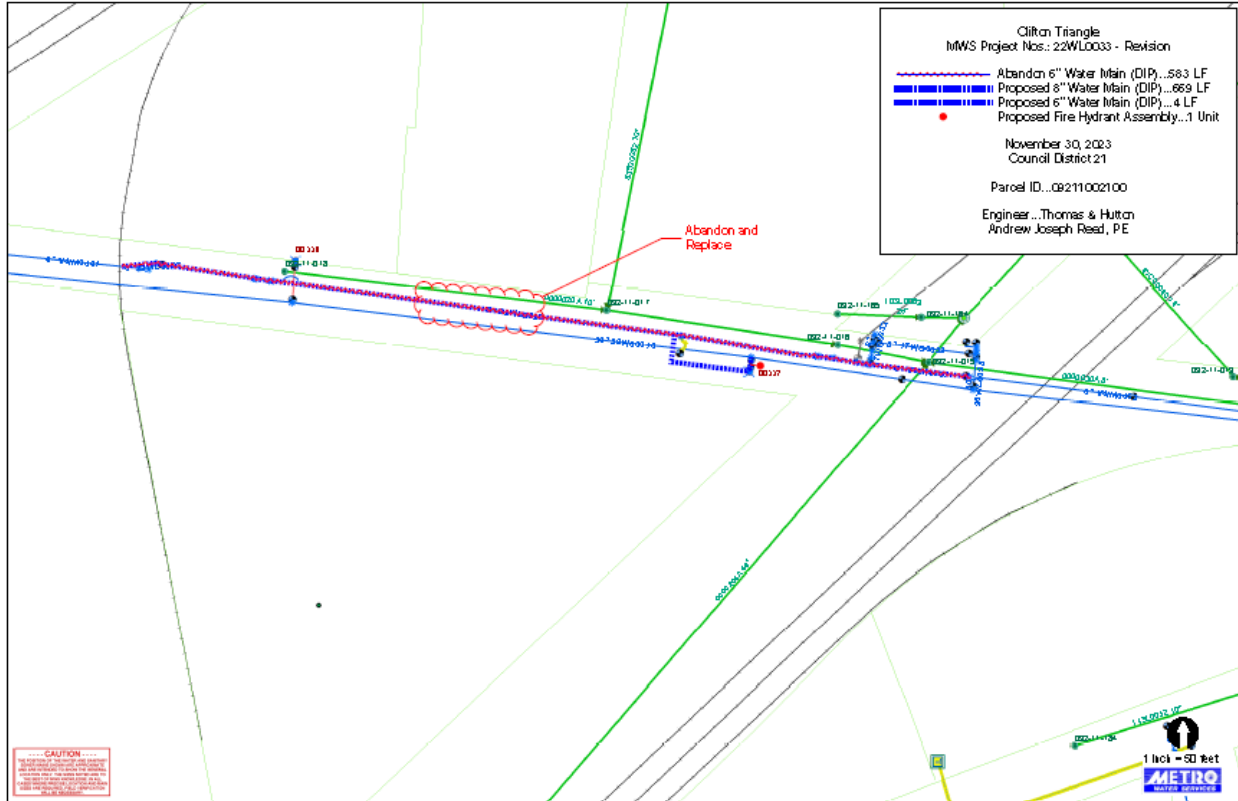

This recommendation for approval is given as set forth in the Metropolitan Planning Commission Rules and Procedures. If you have any questions about this matter, please contact Delilah Rhodes at Delilah.Rhodes@nashville.gov or 615-862-7208

Sincerely,

Lisa Milligan
Assistant Director Land Development
Metro Planning Department
cc: *Metro Clerk*
