### THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

# ADDITIONAL INSURED - PRIMARY AND NONCONTRIBUTORY - AUTOMATIC STATUS WHEN REQUIRED IN A WRITTEN CONTRACT OR AGREEMENT

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

A. Section II - Who Is An Insured is amended to include as an additional insured any person or organization when you and such person or organization have agreed in writing in a contract or agreement that such person or organization be added as an additional insured on your policy.

Such person or organization is an additional insured only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

- 1. Your acts or omissions; or
- 2. The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations for the additional insured, but only for "occurrences" or coverages not otherwise excluded in the Coverage Part to which this endorsement applies.

However, the insurance afforded to such additional insured:

- 1. Only applies to the extent permitted by law; and
- 2. Will not be broader than that which you are required by the contract or agreement to provide for such additional insured.
- **B.** Status as an additional insured for the person or organization to which this endorsement applies:
  - Commences during the policy period and after such written contract or agreement has been executed; and
  - 2. Ends when:
    - a. Your ongoing operations for that additional insured are completed;
    - **b.** The contractor's contract or agreement is terminated; or
    - c. Your policy cancels or expires;

whichever occurs first.

C. With respect to the insurance afforded to the additional insured, the following additional exclusions apply:

This insurance does not apply to:

- 1. "Bodily injury", "property damage", "personal and advertising injury" or medical payments arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:
  - **a.** The preparing, approving, or failure to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
  - b. Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of or the failure to render any professional architectural, engineering, or surveying services.

- 2. "Bodily injury" or "property damage" occurring after:
  - **a.** All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance, or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
  - **b.** That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.
- D. With respect to the insurance afforded to the additional insured, the following is added to Section III Limits Of Insurance:

The most we will pay on behalf of the additional insured is the amount of insurance:

- 1. Required by the contract or agreement you have entered into with the additional insured; or
- 2. Available under the applicable limits of insurance;

whichever is less.

This endorsement shall not increase the applicable limits of insurance.

E. The following is added to 4.a. of Other Insurance of Section IV - Commercial General Liability Conditions:

If required in a written contract, the Coverage Part to which this endorsement applies is primary and noncontributory in the event of an "occurrence" caused, in whole or in part, by your acts or omissions, or the acts or omissions of those acting on your behalf that occurs while performing ongoing operations for the additional insured.

All other terms and conditions remain unchanged.

Terri good day. I am attaching the COI, the checklist, the Notice Designation, and the Affidavit. Per our conversation the other day we do not carry workers comp (only 2 employees at Mid-South Recreation), auto (we will not be going on site or delivering any equipment), or product liability (we are not the manufacturer).

What else do you need? I think maybe the digital catalog or link and the 2023 price list? There is no discount offered. See attached pdf 2023 price list and below is the link to the website.

How do we adjust for annual price increase?

#### Metro Code: 4.12.060 Sole Source Procurement,

A contract may be awarded for a supply, service or construction item without competition when, under regulations promulgated by the standards board, the purchasing agent determines in writing that there is only one source for the required supply, service or construction item. The standards board may, by regulation, establish specific categories of supplies, services, or construction items as sole source items. (Ord. 92-210 § 1 (3-205), 1992)

#### R4.12.060.02 Conditions for Use of Sole Source Procurement.

#### Other, see explanation below

If Other, Explain Request: Mid south Recreation is a supplied vendor for Dumor and is the only vendor that is a local representative for Dumor Dumor has been our sole product throuhout Davidson county parks, with tables, benches, bollards, bike racks and trash recepticles. this is to keep all items the same brand and match all over the city. There products are patiented and we can not find them to match anywhere. When contacting Dumor directly Mid south was the contact for this area. Bynot using Dumor Brand would require a significant cost investment as the Dumor Brand is currently in use throughout the park system.

## Sole Source & Sole Brand Review

Reviewed By:	Zak Kelley		
Recommendation:	Approve – Sole Source & Sole Brand	Department:	Parks
Supplier:	Mid-South Recreation	Pricing:	\$2,000,000.00
Description:	DuMor Brand Site Furnishings	Method:	Multi-Year Contract

Department Justification: See request.

#### Review:

Under section R4.16.030.02.2(b)ii(d) a sole brand may be utilized when use of a brand name or equal specification is in the best interest of Metro.

This is a request to name DuMore the sole brand for site furnishings. The department has advised that DuMore is the exclusive brand of site furnishings currently in use across Metro Parks. The department maintains that utilizing any other brand would create an administrative burden. This is because furnishings are often replaced on a one-off basis as they break or near their end of life. Having multiple brands would lead to a lack of uniformity in both individual parks and across the wider parks system.

Given the above, the division of purchases fins that utilizing a brand name or equal specification is in the best interest of Metro. A sole brand is recommended.

Under section R4.12.060.05 of the procurement regulations, a contract may be awarded when only a single supplier is available for a good/service.

The proposed supplier asserts that they are the sole source for Dumor site furnishings in this region. This is confirmed by the manufacturer via the internet. A sole source is recommended.
