Re: Centennial Sportsplex Video Board In-Kind Grant – Equipment and Installation

Metro Parks Board Members:

Vanderbilt University, on behalf of its Athletics Department, requests the Park Board to accept an in-kind grant to replace the current video board at Centennial Sportsplex. The estimated cost of the project is \$152,596. The project will be paid for directly by Vanderbilt University Athletics with no match required by Metro Parks.

UBERdisplays is expected to provide the exact products detailed in the supplemental attachment. Vanderbilt University Athletics representatives will communicate with UBERdisplays directly and will coordinate installation details and scheduling with Metro Parks.

Following installation and implementation, Centennial Sportsplex and Metro Parks will be responsible for maintaining operation of the board during and following the specified warranty from UBERdisplays (see attached quote).

We are in communication with Metro Parks staff on this proposed project and will continue to work with them on the details of plans, materials, and schedule as the project moves forward.

Should you have any questions, please do not hesitate to contact Tom Howard, Associate Athletic Director for Facilities and Event Management. He can be reached at tom.howard@vanderbilt.edu and by phone at 845-750-7633.

Re: Centennial Sportsplex Video Board – Vanderbilt Athletics Signage

Metro Parks Board Members:

Vanderbilt University, on behalf of its Athletics Department, has submitted a separate request to the Park Board to accept an in-kind grant to replace the current video board at Centennial Sportsplex. The estimated cost of the project is \$152,596. The project will be paid for directly by Vanderbilt University Athletics with no match required by Metro Parks.

Additionally, and in consideration of this grant, Vanderbilt University Athletics is requesting permission to provide Vanderbilt Athletics branded signage at its expense, which will be submitted in advance to Metro Parks for approval (see attached mock-up). Signage will be installed on the structure of the board for as long as Vanderbilt University Athletics remains a tenant of the swimming facility. Upon approval, Vanderbilt University Athletics will have signage produced and then coordinate installation with Centennial Sportsplex representatives. Signage will be produced by a to be determined vendor.

We are in communication with Metro Parks staff on this proposed project and will continue to work with them on the details of plans, materials, and schedule as the project moves forward.

Should you have any questions, please do not hesitate to contact Tom Howard, Associate Athletic Director for Facilities and Event Management. He can be reached at tom.howard@vanderbilt.edu and by phone at 845-750-7633.

Re: Centennial Sportsplex Video Board – Vanderbilt Athletics Signage (Condition Rescinded)

Metro Parks Board Members:

This letter is to inform Metro Parks that Vanderbilt University Athletics is rescinding the original letter from May 4, 2023, which implies that approved Vanderbilt Athletics signage is a condition of the video board donation. Vanderbilt University Athletics would like to move forward with the donation of the new video board and signage is not a condition of this donation.

Should you have any questions, please do not hesitate to contact Tom Howard, Associate Athletic Director for Facilities and Event Management. He can be reached at tom.howard@vanderbilt.edu and by phone at 845-750-7633.

RMA AND WARRANTY SERVICE

Uber Displays warrants its LED displays to be free from defects in material and workmanship during the warranty period of 2 years from date of delivery. If any part within an Uber LED display proves to be defective in material or workmanship during the 2-year parts replacement warranty period, Uber Displays shall repair or replace that part with a functioning part to ensure proper operation of the display. Replacement parts may include remanufactured or refurbished parts or components. The repair cost shall be covered by Uber Displays throughout the lifetime of the original limited warranty.

If any part within an Uber LED display proves to be defective in material or workmanship after the 2-year parts replacement warranty period, Uber Displays shall provide a quote to repair, when at all possible, to bring the part to a correctly functioning state to ensure proper operation of the display. If the malfunctioning part can't be repaired, then a replacement part can be purchased by the customer.

During the warranty service period, Uber Displays shall:

1. Provide telephone and/or email support within one (1) business day of a call or email requesting service.
2. Onsite support and repair are based on technician availability and will cost 1,200.00 per day plus travel expenses. User Damage is not covered in this price and will be billed at 50.00 per module with the first three LED's included and 5.00 per additional LED. The product to be repaired will need to be pulled staged/ready for the repair work to begin upon.

Please refer to: "What the warranty does not cover" section below for additional details:

1. Any product on which the serial number has been defaced, modified or removed.
2. Damage, deterioration or malfunction resulting from:
 - a. Accident, misuse, neglect, fire, lightning, or other acts of nature, vandalism, unauthorized product modification, or failure to follow instructions supplied with the product.
 - b. Any repair or attempted repair by any party not authorized by Uber Displays.

To initiate an RMA or warranty service please email support@uberdisplays.com. This will alert us to your request, and we will provide an RMA Number and instructions on next steps. Information we will need to process your request include:

- a. Serial Number for item(s) being returned for repair
- b. Description and/or pictures of the issue(s)
- c. Company Name
- d. Contact Name
- e. Contact Phone Number
- f. Return Shipping Address

We have a warranty sheet, I have attached it.

With us being local, in the first 90 days (when we see most issues). You just call our 866.Uber,LED and get a service call scheduled.

We will come out and repair at no charge.

After that, we will cover all the replacement and repair of parts. So if they have an issue they can call us to walk them through changing it out or they can pay a service call.

After the warranty expires then they can call us for a service call.

As for warranty, we quoted you a 3 year warranty. So know that this warranty sheet shows 2 years, which is our basic warranty, we gave you an additional year upgraded for free.

Thanks,
J
