

To Whom It May Concern:

The WARN PAC and Solaren Risk Management are excited to donate this special vehicle to the Nashville Fire Department to show our appreciation to Nashville's fire and EMS responders. As members of this great Nashville community, we recognize that a safer, more resilient Nashville can develop by working closely with our public safety partners. One way that we wish to give back to the community that we all work, live, and play in is through the permanent donation of a 2020 Ford Transit - XLT 15 passenger van.

This special gift will be of great benefit in supporting the Nashville Fire Department's operational efforts to provide continuous support to public safety response and will further advance their initiative to achieve their servant mission.

The donation of the Ford Transit XLT 15 passenger van would provide the logistical and practical means for increasing capacity and more effective delivery of emergency and non-emergency services to Nashville's residents, visitors, and commuters.

Usage Plan:

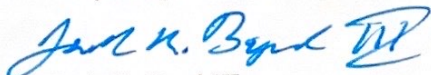

Nashville Fire Department's operations.

Vehicle Specs: *Oxford White RWD 2020 Ford Transit-350 XLT. Valued at \$62,000.00*

(a) factory warranty, (b) appearance package, (d) backup camera, (e) Bluetooth, SYNC communications & entertainment system, (f) technology package, (g) V6, (h) RWD, (i) ABS brakes, (j) Electronic Stability Control, (k) emergency communication system, (l) heated door mirrors, (m) illuminated entry, (n) low tire pressure warning, (o) remote keyless entry, (p) traction control.
