- Enrichments (e.g. arts education; STEAM engineering challenges, service learning, etc.) that reflect youth voice and choice and have a learning focus, either provided by program staff or external enrichment partners, and/or
- Field Trips to various institutions for educational/cultural/career exploration purposes to enhance youth learning, development and exposure.

Grant contract between the Metropolitan Government of Nashville and Davidson County and Pass the Beauty Inc, Contract # _____ April 28, 2023

**GRANT CONTRACT
BETWEEN THE METROPOLITAN GOVERNMENT
OF NASHVILLE AND DAVIDSON COUNTY
AND
PASS THE BEAUTY INC.**

This Grant Contract issued and entered into by and between the Metropolitan Government of Nashville and Davidson County, Nashville Public Library ("Metro") on behalf of Nashville After Zone Alliance (NAZA), and Pass the Beauty Inc ("Recipient"), is for the provision of high-quality enrichment activity support for summer program, as further defined in the "SCOPE OF PROGRAM". The Recipient's annual report and audit are incorporated herein by reference.

A. SCOPE OF PROGRAM:

A.1. Schedule and Content

This funding may be used between May –June 2023 for summer enrichment and field trip purposes for youth in the programs.

NAZA-funded summer enrichment activities should provide options to support youths' physical, social, emotional, cognitive and academic skills development, help them build purpose through learning, and have relevance to their real-life experiences. The enrichment activity should intentionally infuse opportunities for youth to participate in educational, cultural, career exploration opportunities. When possible, programs should consider encouraging youth to be part of activity design or leading to enable them practice leadership skills. Each day should begin with check-in and snack/meals (when in person). Additional activities may be offered by the NAZA funded partner outside of this timeframe at the partner's expense, with no cost to youth and their families.

A typical opportunity under this fund should be focused on providing:

- Enrichments (e.g. arts education; STEAM engineering challenges, service learning, etc.) that reflect youth voice and choice and have a learning focus, either provided by program staff or external enrichment partners, and/or
- Field Trips to various institutions for educational/cultural/career exploration purposes to enhance youth learning, development and exposure.

Requirements for Programming

By initialing each item below, Recipient agrees to the following:

- 1)  **Supervision:** Recipient commits to maintaining a staff: youth ratio not to exceed 1:15 at all times by establishing and maintaining a mechanism for substitutions. Youth will be supervised at all times by program staff.
- 2)  **Recruitment and Family Engagement:** Recipient is responsible for recruiting youth, leading program activities, and engaging in family outreach. Recipient will promote consistent participation/retention levels by contacting each family/youth before programming begins, whenever absences begin to develop a pattern, and to confirm an exit/withdrawal if appropriate. Recipient will serve at least 90% of the youth they projected to serve.
- 4)  **Attendance:** Recipient commits to maintain daily attendance, updating the NAZA attendance tracking tool (Salesforce) on a weekly basis (daily direct attendance taking in the Salesforce is strongly recommended); this requires a computer or any other device with internet access. Recipient staff will ensure that youth sign in with their given first and last name daily using the NAZA approved sign-in sheets to verify youth participation. The youth

Grant contract between the Metropolitan Government of Nashville and Davidson County and Pass the Beauty Inc, Contract # _____ April 28, 2023

attendance reflected on the sign-in sheet/daily attendance log must match the attendance entered into the Salesforce platform.

AND
TEAM CJ COLAS UTERINE CANCER FOUNDATION**

This Grant Contract issued and entered into by and between the Metropolitan Government of Nashville and Davidson County, Nashville Public Library ("Metro") on behalf of Nashville After Zone Alliance (NAZA), and Team CJ Colas Uterine Cancer Foundation, ("Recipient"), is for the provision of high-quality enrichment activity support for summer program, as further defined in the "SCOPE OF PROGRAM". The Recipient's annual report and audit are incorporated herein by reference.

A. SCOPE OF PROGRAM:

A.1. Schedule and Content

This funding may be used between May –June 2023 for summer enrichment and field trip purposes for youth in the programs.

NAZA-funded summer enrichment activities should provide options to support youths' physical, social, emotional, cognitive and academic skills development, help them build purpose through learning, and have relevance to their real-life experiences. The enrichment activity should intentionally infuse opportunities for youth to participate in educational, cultural, career exploration opportunities. When possible, programs should consider encouraging youth to be part of activity design or leading to enable them practice leadership skills. Each day should begin with check-in and snack/meals (when in person). Additional activities may be offered by the NAZA funded partner outside of this timeframe at the partner's expense, with no cost to youth and their families.

A typical opportunity under this fund should be focused on providing:

- Enrichments (e.g. arts education; STEAM engineering challenges, service learning, etc.) that reflect youth voice and choice and have a learning focus, either provided by program staff or external enrichment partners, and/or
- Field Trips to various institutions for educational/cultural/career exploration purposes to enhance youth learning, development and exposure.

OF NASHVILLE AND DAVIDSON COUNTY
AND
THE F.I.N.D. DESIGN**

This Grant Contract issued and entered into by and between the Metropolitan Government of Nashville and Davidson County, Nashville Public Library ("Metro") on behalf of Nashville After Zone Alliance (NAZA), and **The F.I.N.D. Design**, ("Recipient"), is for the provision of high-quality enrichment activity support for summer program, as further defined in the "SCOPE OF PROGRAM". The Recipient's annual report and audit are incorporated herein by reference.

A. SCOPE OF PROGRAM:

A.1. Schedule and Content

This funding may be used between May –June 2023 for summer enrichment and field trip purposes for youth in the programs.

NAZA-funded summer enrichment activities should provide options to support youths' physical, social, emotional, cognitive and academic skills development, help them build purpose through learning, and have relevance to their real-life experiences. The enrichment activity should intentionally infuse opportunities for youth to participate in educational, cultural, career exploration opportunities. When possible, programs should consider encouraging youth to be part of activity design or leading to enable them practice leadership skills. Each day should begin with check-in and snack/meals (when in person). Additional activities may be offered by the NAZA funded partner outside of this timeframe at the partner's expense, with no cost to youth and their families.

A typical opportunity under this fund should be focused on providing:

- Enrichments (e.g. arts education; STEAM engineering challenges, service learning, etc.) that reflect youth voice and choice and have a learning focus, either provided by program staff or external enrichment partners, and/or

Field Trips to various institutions for educational/cultural/career exploration purposes to enhance youth learning, development and exposure.

Recipient will promote consistent participation/retention levels by contacting each family/youth before programming begins, whenever absences begin to develop a pattern, and to confirm an exit/withdrawal if appropriate. Recipient will serve at least 90% of the youth they projected to serve.
- 4) K.S. **Attendance:** Recipient commits to maintain daily attendance, updating the NAZA attendance tracking tool (Salesforce) on a weekly basis (daily direct attendance taking in the Salesforce is strongly recommended); this requires a computer or any other device with internet access. Recipient staff will ensure that youth sign in with their given first and last name daily using the NAZA approved sign-in sheets to verify youth participation. The youth

Grant contract between the Metropolitan Government of Nashville and Davidson County and The F.I.N.D. Design, Contract # _____ April 28, 2023

attendance reflected on the sign-in sheet/daily attendance log must match the attendance entered into the Salesforce platform.

5)  **Meals/Snacks:** Recipient is required to provide healthy, prepackaged snack or meal options to youth every day of programming.

6)  **Experiential Activities:** Recipient is encouraged to engage external enrichment providers at least twice per semester to increase the diversity of appealing programming options for youth. Enrichment providers are individuals and organizations that offer enriching activities within the afterschool context. For example, they might include teaching artists, mentors, health educators, yoga and martial arts teachers, spoken word literacy teachers, or career exploration and life skills experts.
