Moorewood Drive Overpass Mural Project

Purpose:

To beautify the walls of the underpass within the Parkwood subdivision located nearest 3246 Moorewood Drive.

Reason: To discourage illegal dumping and littering in these areas.

Method:

Painting beautiful murals containing geometric shapes and bright colors onto the walls of the underpass.

To improve the ground surfaces of these areas by adding attractive gravel (stones).

To install lighting underneath the existing underpasses to increase visibility and safety.

Process:

To engage a local muralist to install the images (Namely Marge Art). To engage TDOT or NDOT to provide gravel and lighting.

Maintenance:

The residents of the Parkwood neighborhood including the members of the Parkwood community Association have committed to the upkeep of the project.

Images below show the dimensions:

Overall measurements 105' x 15'

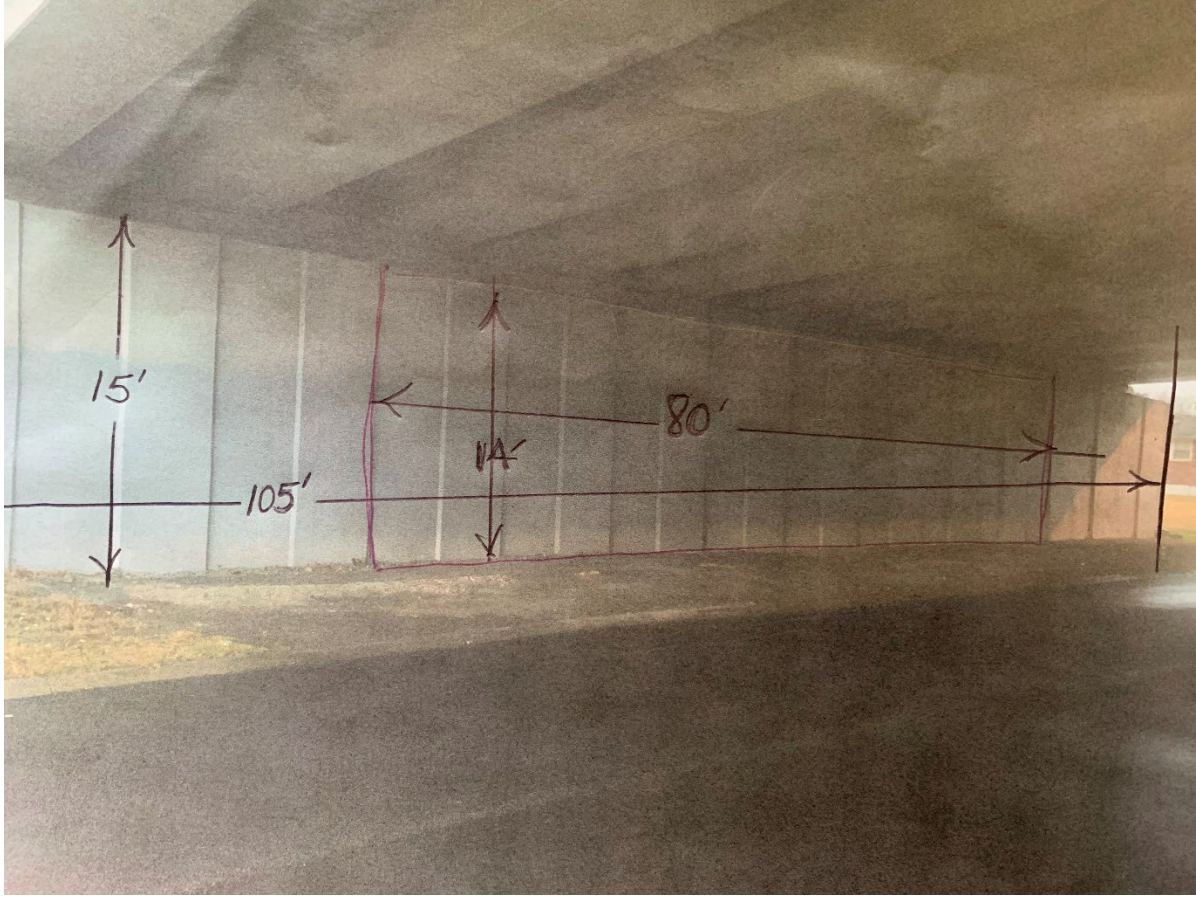

The mural design will be 80'x14'

The image below is not the actual design but is the concept of what is recommended.

Major funding for this project will come from The Beautification Commission of NDOT.

This fiscal year, NDOT made room in their budget specifically for Beautification Commissioner projects. Each commissioner has up to \$5,000.00 that can be used for a beautification project in their district. The Briley Parkway overpass that are located within the Parkwood Neighborhood on Moorewood Dr near 3246 Moorewood drive, have become a unsightly underpasses as well as places that have been subjected to illegal dumping. Neighborhood volunteers are constantly Removing litter and piles of illegally dumped waste in order to maintain cleanliness and safety of the areas proposed. The beautification commissioner has proposed to beautify these underpasses through painting a mural under the bridge and new gravel. The results would be to discourage littering and dumping, as well as beautify unsightly areas of the Parkwood Neighborhood. The project will be funded by the Nashville beautification Commission with supplements from private donors. The project will be maintained by volunteers of the community with Special assistance through HUB Nashville.
