Terms and Conditions

Failure to comply with the remarks, terms, conditions, or reporting requirements may result in a draw down restriction being placed on your Payment Management System account or denial of future funding.

Grant Specific Term(s)

1. By applying for or accepting federal funds from HHS, recipients certify compliance with all federal antidiscrimination laws and these requirements and that complying with those laws is a material condition of receiving federal funding streams. Recipients are responsible for ensuring subrecipients, contractors, and partners also comply.
2. Applicable Regulations – Prior to October 1, 2025, this award is subject to 45 CFR 75 except for eight flexibilities from 2 CFR 200 adopted by HHS on October 1, 2024, in Federal Register Notice 89 FR 80055. After October 1, 2025, this award will be subject to any applicable provisions of 2 CFR 200 and 2 CFR 300.
3. Any term or condition in this NOA, including those incorporated by reference, that HHS is enjoined by court order from imposing or enforcing shall not apply or be enforced as to any recipient or subrecipient to which that court order applies and while that court order is in effect.
4. Funding beyond this budget period is contingent upon the availability of appropriated funds for this program, recipient satisfactory performance, program authority, compliance with the Terms and Conditions of the award, and a decision that continued funding is in the best interest of the Federal government.
This award action is based on HRSA's approval of the recipient's application and any modifications at the time of this award. Continued support for this award may be subject to other programmatic considerations to the extent permitted by law, including, but not limited to, Administration priorities and court orders.
Should additional federal funds not be available and/or shifting priorities affect the programmatic objectives of this award, the recipient will work with HRSA to revise any workplan tasks and budget in accordance with 45 CFR 75.308 (Revision of budget and program plans).
5. This Notice of Award is issued based on HRSA's approval of the Non-Competing Continuation (NCC) Progress Report. All post-award requests, such as significant budget revisions or a change in scope, must be submitted as a Prior Approval action via the Electronic Handbooks (EHBs) and approved by HRSA prior to implementation. Grantees under "Expanded Authority," as noted in the Remarks section of the Notice of Award, have different prior approval requirements. See "Prior-Approval Requirements" in the DHHS Grants Policy Statement: <https://www.hhs.gov/sites/default/files/hhs-grants-policy-statement-october-2024.pdf>.
6. Prior to October 1, 2025, this award is subject to the termination provisions at 45 CFR 75.372. Starting on October 1, 2025, this award is subject to the termination provisions at 2 CFR 200.340. Pursuant to 2 CFR 200.340, the recipient agrees by accepting this award that continued funding for the award is contingent upon the availability of appropriated funds, recipient satisfactory performance, compliance with the Terms and Conditions of the award, and to the extent authorized by law, a decision by the agency that the award continues to effectuate program goals or agency priorities.
7. By accepting this award, including the obligation, expenditure, or drawdown of award funds, recipients, whose programs are covered by Title IX, certify as follows:
 - Recipient is compliant with Title IX of the Education Amendments of 1972, as amended, 20 U.S.C. §§ 1681 et seq., including the requirements set forth in Presidential Executive Order 14168 titled Defending Women From Gender Ideology Extremism and Restoring Biological Truth to the Federal Government, and Title VI of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000d et seq., and Recipient will remain compliant for the duration of the Agreement.
 - The above requirements are conditions of payment that go to the essence of the Agreement and are therefore material terms of the Agreement.
 - Payments under the Agreement are predicated on compliance with the above requirements, and therefore Recipient is not eligible for funding under the Agreement or to retain any funding under the Agreement absent compliance with the above requirements.
 - Recipient acknowledges that this certification reflects a change in the government's position regarding the materiality of the foregoing requirements and therefore any prior payment of similar claims does not reflect the materiality of the foregoing requirements to this

Agreement.

- Recipient acknowledges that a knowing false statement relating to Recipient's compliance with the above requirements and/or eligibility for the Agreement may subject Recipient to liability under the False Claims Act, 31 U.S.C. § 3729, and/or criminal liability, including under 18 U.S.C. §§ 287 and 1001.
8. The Recipient hereby agrees that it will comply with Title VI of the Civil Rights Act of 1964, as amended (codified at 42 U.S.C. 2000d *et seq.*), and all requirements imposed by or pursuant to the Regulation of the Department of Health and Human Services (45 C.F.R. Part 80); Section 504 of the Rehabilitation Act of 1973, as amended (codified at 29 U.S.C. 794), and all requirements imposed by or pursuant to the Regulation of the Department of Health and Human Services (45 C.F.R. Part 84); Title IX of the Education Amendments of 1972, as amended (codified at 20 U.S.C. § 1681 *et seq.*), and all requirements imposed by or pursuant to the Regulation of the Department of Health and Human Services (45 C.F.R. Part 86); The Age Discrimination Act of 1975, as amended (codified at 42 U.S.C. § 6101 *et seq.*), and all requirements imposed by or pursuant to the Regulation of the Department of Health and Human Services (45 C.F.R. Part 91); and Section 1557 of the Patient Protection and Affordable Care Act, as amended (codified at 42 U.S.C. § 18116), and all requirements imposed by or pursuant to the Regulation of the Department of Health and Human Services (45 CFR Part 92).
 9. This award reflects a reduced level of funding at 33.42%. In accordance with this reduction, funding has been adjusted proportionately across requested cost categories. Up to 25% of the total approved budget may be re-budgeted within approved categories, without prior approval.

Program Specific Term(s)

1. This award is governed by the post-award requirements cited in Subpart D-Post Federal Award Requirements, standards for program and fiscal management of 45 CFR Part 75 except when the Notice of Award indicates in the "Remarks" section that the grant is included under "Expanded Authority". These recipients may take the following actions without prior approval of the Grant Management Office:
 Section 75.308 c(2)(d)(1) Incur pre-award costs up to 90 calendar days before the award. See also 75.458.
 Section 75.308 c(2)(d)(2) Initiate a one-time extension of the period of performance by up to 12 months unless one or more of the conditions outlined in paragraphs (d)(2)(i) through (iii) of this section apply. For one-time extensions, the recipient must notify the HHS awarding agency in writing with the supporting reasons and revised period of performance at least 10 calendar days before the end of the period of performance specified in the Federal award. This notification must be submitted through the Electronic Handbooks (EHB). This one-time extension may not be exercised merely for the purpose of using unobligated balances.
 Section 75.308 c(2)(d)(3) Carry forward unobligated balances to subsequent periods of performance.
 Except for funds restricted on a Notice of Award, grantee organizations are authorized to carry over unobligated grant funds up to the lesser of 25% or \$250,000 of the amount awarded for that budget period remaining at the end of that budget period. If the unobligated balance is in excess of 25% of the total amount awarded, or \$250,000, whichever is less, and the grantee wishes to carry the funds forward, the grantee must obtain prior approval from the Grants Management Office.
 The grantee must notify the Grants Management Office when it has elected to carry over unobligated balances under Expanded Authority and the amount to be carried over. The notification must be provided under item 12, "Remarks", on the initial submission of the Federal Financial Report (FFR).
 For all other Post Award request refer Standard Term 5 below.
2. Each project is expected to establish a plan to recover, to the maximum extent feasible, third party revenues to which it is entitled for services provided; garner all other available Federal, state, local, and private funds; and charge beneficiaries according to their ability to pay for services without creating a barrier to those services. Where third-party payors, including Government agencies, are authorized or are under legal obligation to pay all or a portion of charges for health care services, "all such sources must be billed for covered services, and every effort must be made to obtain payment. Each service provider receiving Federal funds, either directly or indirectly, must have a procedure to identify all persons served who are eligible for third-party reimbursement."
3. All MCHB discretionary grant projects are expected to incorporate a carefully designed and well-planned evaluation protocol capable of demonstrating and documenting measurable progress toward achieving the stated goals. The measurement of progress toward goals should focus on systems, health and performance indicators, rather than solely on the intermediate process measures.
4. In accordance with the requirements of the "Government Performance and Results Act (GPRA) of 1993" (Public Law 103-62), MCHB has established measurable goals for Federal programs that can be reported as part of the budgetary process, thus linking funding decisions with performance. Performance measures and data elements for all MCHB-funded grant programs including Healthy Start have been finalized. As previously communicated all Healthy Start projects are expected to participate in the MCHB reporting requirements system.
5. Grantees must use the Healthy Start Data Collection Tools (i.e., the Demographic, Background, Prenatal, and Parent/Child forms) to collect standardized client-level data elements and must report the collected data on a quarterly basis to the Division Healthy Start and Perinatal Services (DHSPS) by uploading it to the Healthy Start Monitoring and Evaluation Data System (HSMED). Grantees must screen all Group-Based Health Education and Case Management/Care Coordination participants using the data collection tools and screening procedure/implementation guidance/form administration process provided by DHSPS.

6. Grantees must respond to requests for information from DHSPS and the Technical Assistance and Support Center (TASC). Grantees are required to participate in the National Healthy Start Evaluation activities, which may include, but is not limited to, grantee convenings, data collection, staff interviews, and program case studies.
7. HRSA reserves the right to reduce base awards for grantees that consistently maintain unobligated balance greater than \$100,000.
8. A grantee can propose to include an evidence-based home visiting model as part of their Healthy Start (HS) program if each component of the program addresses all Health Start (HS) program requirements, and the evidence-based model allows for the HS program to collect the data included in the HS screening tools. That is, the requirements of any curriculum or model chosen do not supersede the requirements of HS.
9. HRSA reserves the right to reduce funding if, after receiving technical assistance, grantee cannot fulfil the requirements of the grant. i.e. progress on benchmarks, number of participants served.
10. Grantees are to budget for up to 3 persons to attend all mandatory regional meetings and the Healthy Start convention.
11. A change in service area must be approved by HRSA and require a prior approval submission in HRSA's Electronic Handbook (EHB).

Standard Term(s)

1. Your organization must have policies, procedures, and financial controls to follow all the [General Terms and Conditions](#). HRSA awards are based on the application submitted and approved by HRSA. All awards are subject to the General Terms and Conditions, in addition to those included in the Notice of Award or referenced in documents and attachments.

Reporting Requirement(s)

1. Due Date: Within 90 Days of Award Issue Date

The grantee must submit a Performance Report within 90 days of receipt of the NoA. This report should include completing the financial forms, project abstract, grant summary and performance measures. The performance report must be submitted using the Electronic Handbook (EHB).

2. Due Date: Annually (Budget Period) Beginning: Budget Start Date Ending: Budget End Date, due 90 days after end of reporting period.

The recipient must submit, within 90 days after budget period end date, an annual Federal Financial Report (FFR). The report should reflect cumulative reporting within the project period of the document number. **All FFRs must be submitted through the Payment Management System (PMS).** Technical questions regarding the FFR, including system access should be directed to the PMS Help Desk by submitting a ticket through the self-service web portal ([PMS Self-Service Web Portal](#)), or calling 877-614-5533.

Failure to comply with these reporting requirements will result in deferral or additional restrictions of future funding decisions.

Ms. Renwick and Ms. Dixon,

The Metropolitan Government has received a Healthy Start Initiative Grant: Award Number 5 H49MC32719-08-00 (the "Award"). The Award purports to impose terms and conditions that have been enjoined as to certain plaintiffs by a Preliminary Injunction issued in *King County, et al. v. Turner, et al.*, 2:25-cv-00814 (W.D. Wash. Aug 12, 2025). The U.S. District court enjoined HHS and its operating divisions and agencies from "imposing or enforcing" the grant conditions referenced in the Preliminary Injunction Order or any materially similar new conditions at any stage of the grant-making process. It also enjoined HHS from requiring the plaintiffs to make any "certification" of other representation related to compliance with such conditions, among other conditions. On November 10, 2025, the Metropolitan Government moved the court to extend the Preliminary Injunction to cover its dealings with HHS. That motion was granted on January 21, 2026.

The Metropolitan Government withholds consent and objects to the inclusion of any terms and conditions enjoined pursuant to the Preliminary Injunction, including but not limited to the following:

- By accepting this award, including the obligation, expenditure, or drawdown of award funds, recipients, whose programs are covered by Title IX, certify as follows:
- Recipient is compliant with Title IX of the Education Amendments of 1972, as amended, 20 U.S.C. §§ 1681 et seq., including the requirements set forth in Presidential Executive Order 14168 titled Defending Women From

Gender Ideology Extremism and Restoring Biological Truth to the Federal Government, and Title VI of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000d et seq., and Recipient will remain compliant for the duration of the Agreement.

- The above requirements are conditions of payment that go the essence of the Agreement and are therefore material terms of the Agreement.
- Payments under the Agreement are predicated on compliance with the above requirements, and therefore Recipient is not eligible for funding under the Agreement or to retain any funding under the Agreement absent compliance with the above requirements.
- Recipient acknowledges that this certification reflects a change in the government's position regarding the materiality of the foregoing requirements and therefore any prior payment of similar claims does not reflect the materiality of the foregoing requirements to this Agreement.
- Recipient acknowledges that a knowing false statement relating to Recipient's compliance with the above requirements and/or eligibility for the Agreement may subject Recipient to liability under the False Claims Act, 31 U.S.C. § 3729, and/or criminal liability, including under 18 U.S.C. §§ 287 and 1001.

In reliance on the District Court's Preliminary Injunction, the Metropolitan Government is drawing down funds under the Award. The Metropolitan Government's acceptance of these funds, submission of invoices, and any future draw-downs in no way reflect acceptance of conditions enjoined in *King County*. The Metropolitan Government objects to such conditions as vague, unlawful, and unconstitutional and does not consent to such conditions.

Further, the Metropolitan Government objects to the recently added Section 5 (Alignment with HRSA funding priorities) of the FY 2026 HRSA General Terms and Conditions to the extent it seeks to impose a condition that is enjoined and/or is otherwise unconstitutional or unlawful.

Ms. Renwick and Ms. Dixon,

This letter serves as written notice regarding compliance with the Debarment and Suspension requirements. These require the grantee to certify that it "ha[s] not within a three (3) year period preceding this Grant Contract had one or more public transactions (federal, state, or local) terminated for cause or default." We provide this correspondence as a way of explanation. It does not constitute an amendment to the grant.

On March 25, 2025, the Health Department of the Metropolitan Government of Nashville and Davidson County ("Metro") received a notification from the Centers for Disease Control and Prevention ("CDC") that a Community Healthcare Workers grant was terminated "for cause" due to the end of the Covid-19 pandemic. The notification did not indicate any wrongdoing on the part of Metro that prompted the termination.

On April 24, 2025, Metro filed a lawsuit against the CDC challenging the illegal termination of the above-mentioned grant, including the "for cause" termination designation. On June 17, 2025, the Court granted a preliminary injunction preventing the CDC from enforcing the termination of the grant. Subsequently, the CDC paid all grants in full. Metro interprets that to be a rescission of the termination for cause.

If you require any further information, please let us know.

Sincerely,

A handwritten signature in blue ink, appearing to read "Wallace W. Dietz". The signature is fluid and cursive, with the first name "Wallace" being more prominent and the last name "Dietz" following in a similar style.
