Attn: Metro Parks and Recreation Board

Re: Tennessee Titans Foundation and Verizon - Digital Divide Grant

The Tennessee Titans (Tennessee Football, Inc.) request the Metro Nashville Board of Parks and Recreation accept a grant from the Tennessee Titans Foundation and Verizon in the amount of \$35,000 to provide technology and digital support to the following community centers - McFerrin Park Community Center and Coleman Park Community Center.

In an effort to address the impacts of digital division and the initiatives outlined through the Tennessee Titan's ONE Community platform under the neighborhoods and education pillars, this funding will provide laptops, printers, wi-fi, and other relevant technology to assist with existing and new programming, educational learning, and enrichment. The funding will also be used to enhance existing spaces within both community centers for a designated technology and/or learning lab.

This grant requires no match or other obligations from Metro Parks and Recreation or Metro Government. The contribution is a joint gift established by Verizon (\$20,000) and the Tennessee Titans Foundation (\$15,000) for a total of \$35,000. Each community center will receive \$17,500 towards technology, space restoration and furnishings. Verizon is a corporate partner of the Tennessee Titans. If approved, this grant and initiative will add to the growing list of communities receiving support and access to technology and digital services through the Tennessee Titans Foundation's ONE Community partnership with Metro Parks and Recreation. The first digital divide grant of \$15,000 was presented to Looby Community Center in 2023.
