DAVIDSON COUNTY JUVENILE COURT**

This Contract, by and between the State of Tennessee, Department of Human Services, hereinafter referred to as the "State" and Davidson County Juvenile Court, hereinafter referred to as the "Contractor," is for the provision of Title IV-D child support enforcement services, as further defined in the "SCOPE OF SERVICES."

Contractor Edison Registration ID # 4

A. SCOPE OF SERVICES:

A.1. The Contractor shall provide all service and deliverables as required, described, and detailed herein and shall meet all service and delivery timelines as specified by this Contract.

A.2. Definitions

- a. "Non-Title IV-D" means a child support order handled by a private attorney rather than the State or local child support enforcement agency.
- b. "Process Server" means an individual or entity authorized by the Contractor to perform Service of Process (defined below) in Davidson County, Tennessee.
- c. "SDU" means the Tennessee Department of Human Services' State Disbursement Unit, the processing center established in accordance with Tenn. Code Ann. § 36-5-114 which is responsible for collecting and processing payments for all child support cases enforced by the State of Tennessee's Child Support Enforcement Program pursuant to Title IV-D of the Social Security Act, 42 U.S.C. § 651 *et seq.*, as amended, and specifically, 42 U.S.C. § 654b.
- d. "Service of Process" means the method by which a Process Server provides any document issued by a court or tribunal of competent jurisdiction within Davidson County, Tennessee – including but not limited to pleadings, petitions, summonses, or subpoenas – to a non-custodial parent alleged to owe child support to a requesting parent, in accordance with the provisions set forth in Rule 4 of the Tennessee Rules of Civil Procedure.
- e. "Title IV-D" means Title IV-D of the Social Security Act, 42 U.S.C. § 651, *et seq.*

A.3. The Contractor shall provide services to adjudicate child support cases filed by the State or its contractors pursuant to Title IV-D and its implementing federal and state regulations.

A.4. The Contractor shall establish and maintain professional working relationships with the local Title IV-D child support enforcement office and the State.

A.5. The Contractor shall retain the number of magistrates necessary to perform the services specified in this Contract within the time frames required. All magistrates retained to perform services shall be attorneys licensed to practice in the State of Tennessee, in good standing and in compliance with all laws, rules and regulations applicable to licensed attorneys in Tennessee and under the Code of Judicial Conduct for the terms of service as a magistrate.

A.6. The Contractor agrees that 45 C.F.R. § 303.101 and 304.20–304.23, as amended, shall serve to designate those specific activities performed by magistrates for which reimbursement is available. The provisions of the above-cited regulations are hereby incorporated into this document by specific reference. Notwithstanding the foregoing, the State shall have sole and final discretion to determine whether any particular activity qualifies for reimbursement under these regulations.

- A.7. The Contractor agrees that the percentage of costs of salaries paid to magistrates will be solely based upon the percentage of cases heard pursuant to Title IV-D, or in which there has been an assignment under 42 U.S.C. § 602(a) or Tenn. Code Ann. § 71-3-124.
- A.8. The Contractor shall submit personnel activity reports for all employees working less than 100 percent (100%) of time on Title IV-D functions, and whose compensation is paid in part under this Contract, that:
- a. Provide after-the-fact distribution of actual activity;
 - b. Account for total compensated activity;
 - c. Are prepared at least monthly and coincide with one (1) or more pay periods;
 - d. Are signed by the employee; and
 - e. Are submitted as an attachment to billing invoices.
- A.9. The Contractor shall docket all Title IV-D cases as soon as possible. The Contractor shall, at a minimum, docket ninety percent (90%) of Title IV-D cases served within ninety (90) days from the date of service.
- A.10. The Contractor shall, at a minimum, ensure expedited judicial processes in Title IV-D child support cases by completing adjudication of actions to establish or enforce obligations in Title IV-D cases from the time of successful Service of Process to the time of disposition within the following time frames: a) seventy-five percent (75%) within six (6) months; and b) ninety percent (90%) within twelve (12) months.
- A.11. In cases heard by magistrates that involve complex issues requiring resolution beyond the scope of expedited processes, the Contractor shall establish a temporary support obligation and shall thereafter refer the unresolved issues for further adjudication through the appropriate judicial process.
- A.12. The Contractor shall ensure that the functions performed by the magistrate include at a minimum:
- a. taking testimony and establishing a record;
 - b. evaluating evidence and making recommendations or decisions to establish and enforce orders of paternity and support;
 - c. utilizing the State Child Support Award Guidelines (Tenn. Comp. R. & Regs. 1240-02-04 *et seq.*) to establish or modify orders or provide a written finding of the reason for deviation;
 - d. accepting voluntary acknowledgment of paternity liability;
 - e. accepting stipulated agreements setting the amount of support to be paid; and
 - f. entering default orders if the absent parent does not respond to notice or other legal processes within a reasonable period of time specified by the Contractor.
- A.13. The magistrate shall adjudicate paternity on a Title IV-D case without a jury trial. Paternity hearings shall be expedited on the court's civil docket. Upon proper motion, a default judgment shall be entered against the defendant following successful Service of Process when the defendant fails to answer or make an appearance within thirty (30) days after the date of Service

of Process. In cases where genetic testing has been obtained and the results indicate a rebuttable presumption of paternity of ninety-five percent (95%) or greater, the court shall, upon motion of the party, enter a temporary order of child support pending the final determination of paternity.

- A.14. The Contractor shall ensure that magistrates utilize all standard order forms required by the State on Title IV-D cases.
- A.15. The Contractor shall refer all cases of suspected statutory rape, rape of a child, or aggravated sexual battery of a child, and all crimes listed in Tenn. Code Ann. §§ 38-01-305 – 306, 39-13-504, 39-13-506, and 39-13-522 to the criminal division of the District Attorney's office with jurisdiction over the case.
- A.16. The Contractor shall ensure that all support payments from the obligor are made directly to the SDU, so that the State may comply with the child support distribution provisions of Title IV-D.
- A.17. The Contractor shall immediately respond to the State on any requests for case status or information.
- A.18. The Contractor shall advise the State of any significant changes in court filing procedures occurring within the district.
- A.19. The Contractor shall cooperate fully with any data collection and evaluation activities carried out by the State in connection with the services performed under this contract.

The Contractor shall use Attachment B to this Contract for the submission of these reports, and the reports shall be submitted within twenty (20) calendar days of the end of the reporting month. Upon determination by the State that the Contractor has failed to attain the requisite percentage specified in Section A.9. and A.10., the Contractor will be notified of such and will be given ninety (90) days in which to take all necessary corrective action to allow the Contractor to attain the threshold required. If, after the ninety (90) day corrective action period, the Contractor is still unable to properly perform its obligations under this Contract, the State may consider terminating the Contract as provided for in Section D.4.
- A.21. The Contractor shall, if requested, ensure that key personnel attend any meetings sponsored by the State.
- A.22. The Contractor shall comply fully with the aforementioned and all other provisions of Title IV-D, as amended; Title 45 of the Code of Federal Regulations; Tennessee Code Annotated; Department regulations, and the program instructions issued by the State.
- A.23. The Contractor shall submit for the State's approval an annual personnel plan and budget for the cost of services to be provided and secure advance approval for any changes in the budget.
- A.24. The Contractor shall, on a semi-annual basis, provide certification to the State of all employees devoting one hundred percent (100%) of their time to Title IV-D activities. Said certification must be signed by the employees or a supervisor with "firsthand" knowledge of work performed by the employee confirming that all work performed for the period is in conformity with provisions of Title IV-D. This certification is to be submitted no later than July 31st and January 31st of the Contract Year.
- A.25. The Contractor shall give priority to Title IV-D Cases. A Non-Title IV-D case shall not be scheduled on any Title IV-D docket. A Non-Title IV-D case placed on any Title IV-D docket in error, or any Non-Title IV-D issues arising in a Title IV-D case (including, without limitation, issues of visitation, custody and orders of protection), shall be transferred from the Title IV-D docket to the Non-Title IV-D docket. Each magistrate operating under this Contract shall complete 66 hours per month on Title IV-D cases. The Contractor shall pre-submit any plan to proceed with the

hiring of an additional Title IV-D magistrate to the State for approval and receive the State's written approval before proceeding. It is in the best interest of the State to have full-time Title IV-D magistrates.

- A.26. The Contractor shall perform Service of Process of all Title IV-D-related process papers and subpoenas properly issued by any court or tribunal in Davidson County, Tennessee, with appropriate jurisdiction to do so.
- A.27. The Contractor shall advise the local IV-D child support enforcement office in Davidson County, Tennessee, of the outcome of each attempt at Service of Process of papers or attachments within forty-eight (48) hours of the attempt.
- A.28. The Contractor shall ensure that work hours scheduled for Process Servers are sufficiently flexible so as to provide maximum potential for accomplishing Service of Process on the non-custodial parent.
- A.29. The Contractor shall, at a minimum, execute successful Service of Process on fifty-five (55%) of all court or tribunal-issued documents and attachments per month. The calculation for this percentage shall be based on all referrals received and all Service of Process documents and attachments successfully served during the reporting period, with no allowable exclusions.
- A.30. The State shall determine the Contractor's level of compliance with the performance measure specified in Section A.29. based upon monthly reports to be submitted by the Contractor using the form specified in Attachment C. Such reports shall include the total number of referrals received during the reporting month as well as the number of Service of Process documents and attachments successfully served during the same period. The reports shall be received by the State within fifteen (15) calendar days of the end of the reporting month. Upon determination by the State that the Contractor has failed to attain the requisite percentage specified in Section A.29., the Contractor will be notified of such and will be given ninety (90) days in which to take all necessary corrective action to allow the Contractor to attain the threshold required. If, after the ninety (90) day corrective action period, the Contractor is still unable to properly perform its obligations under this Contract, the State may consider terminating the Contract as provided for in Section D.4.

(To determine if the public has access to the compensation information, see the U.S. Security and Exchange Commission total compensation filings at <http://www.sec.gov/answers/execomp.htm>).

 - iv. Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.
 - v. Above-market earnings on deferred compensation which is not tax qualified.
 - vi. Other compensation, if the aggregate value of all such other compensation (e.g. severance, termination payments, value of life insurance paid on behalf of the employee, perquisites or property) for the executive exceeds \$10,000.
- b. The Contractor must report executive total compensation described above to the State by the end of the month during which this Contract is awarded.
 - c. If this Contract is amended to extend its term, the Contractor must submit an executive total compensation report to the State by the end of the month in which the amendment to this Contract becomes effective.
 - d. The Contractor will obtain a Unique Entity Identifier (SAM) and maintain its number for the term of this Contract. More information about obtaining a Unique Entity Identifier Number can be found at: <https://www.gsa.gov>.

The Contractor's failure to comply with the above requirements is a material breach of this Contract for which the State may terminate this Contract for cause. The State will not be obligated to pay any outstanding invoice received from the Contractor unless and until the Contractor is in full compliance with the above requirements.
