UC agrees to provide Supplier with prompt notice of any such claim or action and to permit Supplier to defend any claim or action, and that UC will cooperate fully in such defense. UC retains the right to participate in the defense against any such claim or action, and the right to consent to any settlement, which consent will not unreasonably be withheld.

In the event Appendix DS applies to this Agreement, Supplier shall reimburse or otherwise be responsible for any costs, fines or penalties imposed against UC as a result of Supplier's Breach of Institutional Information and/or failure to cooperate with UC's response to such Breach. As used herein, "Breach" means: (1) any disclosure of Institutional Information to an unauthorized party or in an unlawful manner; (2) unauthorized or unlawful acquisition of information that compromises the security, confidentiality or integrity of Institutional Information and/or IT Resources; and (3) the acquisition, access, use, or disclosure of Protected Health Information or medical information in a manner not permitted under the Health Insurance Portability and Accountability Act (HIPAA) or California law. "IT Resources" means IT infrastructure, cloud services, software, and/or hardware with computing and/or networking capability that is Supplier owned/managed, or UC-owned, or a personally owned device that stores Institutional Information, is connected to UC systems, is connected to UC networks, or is used for UC business.

NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, SUPPLIER'S LIABILITY (WHETHER BY REASON OF BREACH OF CONTRACT, TORT, INDEMNIFICATION, OR OTHERWISE, BUT EXCLUDING LIABILITY OF SUPPLIER FOR BREACH OF WARRANTY (THE SOLE REMEDY FOR WHICH SHALL BE AS PROVIDED UNDER SUPPLIER'S STANDARD WARRANTY PROVISIONS)) SHALL NOT EXCEED AN AMOUNT EQUAL TO THE LESSER OF (A) THE TOTAL PURCHASE PRICE PAID BY UC TO SUPPLIER FOR THE PRODUCT(S) OR SERVICES GIVING RISE TO SUCH LIABILITY OR (B) ONE MILLION DOLLARS (\$1,000,000). NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY INDIRECT, SPECIAL, CONSEQUENTIAL OR INCIDENTAL DAMAGES (INCLUDING WITHOUT LIMITATION DAMAGES FOR LOSS OF USE OF FACILITIES OR EQUIPMENT, LOSS OF REVENUE, LOSS OF DATA, LOSS OF PROFITS OR LOSS OF GOODWILL), REGARDLESS OF WHETHER SUPPLIER HAS BEEN INFORMED OF THE POSSIBILITY OF SUCH DAMAGES. OR (b) IS NEGLIGENT. HOWEVER, IN NO CASE SHALL THIS LIMIT OF LIABILITY APPLY TO SUPPLIER'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. THE FOREGOING INDEMNIFICATION PROVISION STATES A PARTY'S ENTIRE LIABILITY TO THE OTHER FOR THE CLAIMS DESCRIBED HEREIN.

Such certificates will:
1. Indicate that The Regents of the University of California has been endorsed as an additional insured for the coverage referred to under A and B of this Article. Where a purchase of items is for fulfillment of a specific U.S. Government prime or subcontract, additional information and/or terms and conditions may be included in an attached supplement. By submitting an invoice to UC, Supplier is representing to UC that, at the time of submission:
1. Neither Supplier nor its principals are presently debarred, suspended, or proposed for debarment by the U.S. government (see FAR 52.209-6);
 2. Supplier has filed all compliance reports required by the Equal Opportunity clause (see FAR 52.222-22); and

ARTICLE 12 – EQUAL OPPORTUNITY AFFIRMATIVE ACTION

Supplier will abide by the requirements set forth in Executive Orders 11246 and 11375. Where applicable, Supplier will comply with 41 CFR §§ 60-1.4(a), 60-300.5(a) and 60-741.5(a), incorporated by reference with this statement: **"This contractor and subcontractor shall abide by the requirements of 41 CFR §§ 60-1.4(a), 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities and prohibit discrimination against all individuals based on their race, color, religion, sex, sexual orientation, gender identity, or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, protected veteran status or disability."** With respect to activities occurring in the State of California, Supplier agrees to adhere to the California Fair Employment and Housing Act. Supplier will provide UC on request a breakdown of its labor force by groups as specified by UC and will discuss with UC its policies and practices relating to its affirmative action programs. Supplier will not maintain or provide facilities for employees at any establishment under its control that are segregated on a basis prohibited by federal law. Separate or single-user restrooms and necessary dressing or sleeping areas must be provided, however, to ensure privacy.

ARTICLE 13 – LIENS

Supplier agrees that upon UC's request, Supplier will submit a sworn statement setting forth the work performed or material furnished by sub-suppliers and material men, and the amount due and to become due to each, and that before the final payment called for under the Agreement, will upon UC's request submit to UC a complete set of vouchers showing what payments have been made for such work performed or material furnished. Supplier will promptly notify UC in writing, of any claims, demands, causes of action, liens or suits brought to its attention that arise out of the Agreement. UC will not make final payment until Supplier, if required, delivers to UC a complete release of all liens arising out of the Agreement, or receipts in full in lieu thereof, as UC may require, and if required in either case, an affidavit that as far as it has knowledge or information, the receipts include all the labor and materials for which a lien could be filed; but Supplier may,

if any sub-supplier refuses to furnish a release or receipt in full, furnish a bond satisfactory to UC to indemnify it against any claim by lien or otherwise. If any lien or claim remains unsatisfied after all payments are made, Supplier will refund to UC all monies that UC may be compelled to pay in discharging such lien or claim, including all costs and reasonable attorneys' fees.

ARTICLE 14 – PREMISES WHERE SERVICES ARE PROVIDED

- A. Cleaning Up. Supplier will at all times keep UC premises where the Services are performed and adjoining premises free from accumulations of waste material or rubbish caused by its employees or work of any of its sub-suppliers, and, at the completion of the Services; will remove all rubbish from and about the premises and all its tools, scaffolding, and surplus materials, and will leave the premises "broom clean" or its equivalent, unless more exactly specified. In case of dispute between Supplier and its sub-suppliers as to responsibility for the removal of the rubbish, or if it is not promptly removed, UC may remove the rubbish and charge the cost to Supplier.
- B. Environmental, Safety, Health and Fire Protection. Supplier will take all reasonable precautions in providing the Goods and Services to protect the health and safety of UC employees and members of the public and to minimize danger from all hazards to life and property, and will comply with all applicable environmental protection, health, safety, and fire protection regulations and requirements (including reporting requirements). In the event that Supplier fails to comply with such regulations and requirements, UC may, without prejudice to any other legal or contractual rights of UC, issue an order stopping all or any part of the provision of the Goods and/or Services; thereafter a start order for resumption of providing the Goods and/or Services may be issued at UC's discretion. Supplier will not be entitled to make a claim for extension of time or for compensation or damages by reason of or in connection with such stoppage. Supplier will have sole responsibility for the safety of all persons employed by Supplier and its sub-suppliers on UC premises, or any other person who enters upon UC premises for reasons relating to the Agreement. Supplier will at all times maintain good order among its employees and all other persons who come onto UC's premises at Supplier's request and will not engage any unfit or unskilled person to provide the Goods and/or Services. Supplier will confine its employees and all other persons who come onto UC's premises at Supplier's request or for reasons relating to the Agreement and its equipment to that portion of UC's premises where the Services are to be provided or to roads leading to and from such work sites, and to any other area which UC may permit Supplier to use. Supplier will take all reasonable measures and precautions at all times to prevent injuries to or the death of any of its employees or any other person who enters upon UC premises at Supplier's request. Such measures and precautions will include, but will not be limited to, all safeguards and warnings necessary to protect workers and others against any conditions on the premises that could be dangerous and to prevent accidents of any kind whenever the Goods and/or Services are being provided in proximity to any moving or operating machinery, equipment or facilities, whether such machinery, equipment or facilities are the property of or are being operated by, Supplier, its sub-suppliers, UC or other persons. To the extent compliance is required, Supplier will comply with all relevant UC safety rules and regulations when on UC premises.
- C. Tobacco-free Campus. UC is a tobacco-free institution. Use of cigarettes, cigars, oral tobacco, electronic cigarettes and all other tobacco products is prohibited on all UC owned or leased sites.

ARTICLE 15 – LIABILITY FOR UC - FURNISHED PROPERTY

Supplier assumes complete liability for any materials UC furnishes to Supplier in connection with the Agreement and Supplier agrees to pay for any UC materials Supplier damages or otherwise is not able to account for to UC's satisfaction. UC furnishing to Supplier any materials in connection with the Agreement will not, unless otherwise expressly provided in writing by UC, be construed to vest title thereto in Supplier.

ARTICLE 16 – COOPERATION

Supplier and its sub-suppliers, if any, will cooperate with UC and other suppliers and will so provide the Services that other cooperating suppliers will not be hindered, delayed or interfered with in the progress of their work, and so that all of such work will be a finished and complete job of its kind.

ARTICLE 17 – ADDITIONAL TERMS APPLICABLE TO THE FURNISHING OF GOODS

The terms in this Article have special application to the furnishing of Goods:

- A. Price Decreases. Price decreases shall be provided as part of the regular catalog updates.
- B. Declared Valuation of Shipments. Except as otherwise provided in the Agreement, all shipments by Supplier under the Agreement for UC's account will be made at the maximum declared value applicable to the Goods.

- D. Changes. Notwithstanding the terms in Article 34, Amendments, UC may make changes within the general scope of the Agreement in drawings and specifications for specially manufactured Goods, place of delivery, method of shipment or packing of the Agreement by giving notice to Supplier and subsequently confirming such changes in writing. If such changes affect the cost of or the time required for performance of the Agreement, UC and Supplier will agree upon an equitable adjustment in the price and/or delivery terms. Supplier may not make changes without UC's written approval. Any claim of Supplier for an adjustment under the Agreement must be made in writing within thirty (30) days from the date Supplier receives notice of such change unless UC waives this condition in writing. Nothing in the Agreement will excuse Supplier from proceeding with performance of the Agreement as changed hereunder. Supplier may not alter or misbrand, within the meaning of the applicable Federal and State laws, the Goods furnished.
- E. Forced, Convict and Indentured Labor. Supplier warrants that no foreign-made Goods furnished to UC pursuant to the Agreement will be produced in whole or in part by forced labor, convict labor, or indentured labor under penal sanction. If UC determines that Supplier knew or should have known that it was breaching this warranty, UC may, in addition to terminating the Agreement, remove Supplier from consideration for UC contracts for a period not to exceed one year. This warranty is in addition to any applicable warranties in Articles 6 and 11.
- F. Export Control. Supplier agrees to provide UC (the contact listed on the Purchase Order) with written notification that identifies the export-controlled Goods and such Goods' export classification if any of the Goods is export-controlled under the International Traffic in Arms Regulations (ITAR) (22 CFR §§ 120-130), the Export Administration Regulations (15 CFR §§ 730-774) 500 or 600 series, or controlled on a military strategic goods list. Supplier agrees to provide UC (the contact listed on the Purchase Order) with written notification if Supplier will be providing information necessary for the operation, installation (including on-site installation), maintenance (checking), repair, overhaul, and refurbishing of the Goods that is beyond a standard user manual (i.e. "Use" technology as defined under the EAR 15 CFR § 772.1), or "Technical Data" (as defined under the ITAR 22 CFR § 120.10).

ARTICLE 18 – CONFLICT OF INTEREST

Supplier affirms that, to the best of Supplier's knowledge, no UC employee who has participated in UC's decision-making concerning the Agreement has an "economic interest" in the Agreement or Supplier. A UC employee's "economic interest" means:

- A. An investment worth \$2,000 or more in Supplier or its affiliate;
- B. A position as director, officer, partner, trustee, employee or manager of Supplier or its affiliate;
- C. Receipt during the past 12 months of \$500 in income or \$440 in gifts from Supplier or its affiliate; or
- D. A personal financial benefit from the Agreement in the amount of \$250 or more.

In the event of a change in these economic interests, Supplier will provide written notice to UC within thirty (30) days after such change, noting such changes. Supplier will not be in a reporting relationship to a UC employee who is a near relative, nor will a near relative be in a decision making position with respect to Supplier.

ARTICLE 19 – AUDIT REQUIREMENTS

See section 23 of UC Statement of Work.

ARTICLE 20 – PROHIBITION ON UNAUTHORIZED USE OR DISCLOSURE OF INSTITUTIONAL INFORMATION

- A. Prohibition on Access, Use and Disclosure of Institutional Information. Supplier will not access, use or disclose Institutional Information, other than to carry out the purposes for which UC disclosed the Institutional Information to Supplier, except as required by applicable law, or as otherwise authorized in writing by UC prior to Supplier's disclosure. Supplier shall have the limited right to disclose Institutional Information to Supplier's employees provided that: (i) Supplier shall disclose only such Institutional Information as is necessary for the Supplier to perform its obligations under this Agreement, and (ii) Supplier informs such employees of the obligations governing the access, use and disclosure of Institutional Information prior to Supplier's disclosure. Supplier shall be liable for any breach of this Agreement by its employees. For avoidance of doubt, this provision prohibits Supplier from using for its own benefit Institutional Information and any information derived therefrom. For the avoidance of doubt, the sale of Institutional Information is expressly prohibited.
- B. Compliance with Applicable Laws and Industry Best Practices. Supplier agrees to comply with all applicable state, federal, and foreign laws, as well as industry best practices, governing the collection, access, use, disclosure, safeguarding and destruction of Institutional Information. Supplier agrees to protect the privacy and security of Institutional Information according to all applicable laws and industry best practices, and no less rigorously than it protects its own information, but in no case less than reasonable care.

- C. **Confidential Institutional Information.** Supplier agrees to hold UC's Confidential Institutional Information, and any information derived therefrom, in strict confidence. Confidential Institutional Information shall be defined as any Institutional Information which is (i) marked as "Confidential" at the time of disclosure; (ii) if disclosed orally, identified at the time of such oral disclosure as confidential, and reduced to writing as "Confidential" within thirty (30) days of such oral disclosure; and (iii) if not marked as "Confidential," information that would be considered by a reasonable person in the relevant field to be confidential given its content and the circumstances of its disclosure. Confidential Information will not be considered confidential to the extent that: (i) Supplier can demonstrate by written records was known to Supplier prior to the effective date of the Agreement; (ii) is currently in, or in the future enters, the public domain other than through a breach of the Agreement or through other acts or omissions of Supplier; (iii) is obtained lawfully from a third party; or (iv) is disclosed under the California Public Records Act or legal process. For the avoidance of doubt, as applicable to Supplier's Services, Confidential Institutional Information may include any information that identifies or is capable of identifying a specific individual, including but not limited to:
1. Personally, identifiable information,

 - f. Applicable international privacy laws, including, but not limited to the General Data Protection Regulation.
- D. **Required Disclosures of Institutional Information.** If Supplier is required by a court of competent jurisdiction or an administrative body to disclose Institutional Information, Supplier will notify UC in writing immediately upon receiving notice of such requirement and prior to any such disclosure (unless Supplier is prohibited by law from doing so), to give UC an opportunity to oppose or otherwise respond to such disclosure. To the extent Supplier still required to disclose Institutional Information, Supplier will furnish only that portion that is legally required and will exercise all reasonable efforts to obtain reliable assurance that confidential treatment will be afforded to any Confidential Institutional Information.
- E. **No Offshoring.** Supplier's transmission, transportation or storage of Institutional Information outside the United States, or access of Institutional Information from outside the United States, is prohibited except with prior written authorization by UC.
- F. **Conflict in Terms.** UC's Appendix – Data Security, Appendix – BAA, and/or Appendix GDPR will control in the event that one or more appendices is incorporated into the Agreement and conflicts with the provisions of this Article.
- G. **Acknowledgement.** Supplier acknowledges that remedies at law would be inadequate to protect UC against any actual or threatened breach of this Section by Supplier, and, without prejudice to any other rights and remedies otherwise available to UC, Supplier agrees to the granting of injunctive relief in UC's favor without proof of actual damages.

ARTICLE 21 – UC WHISTLEBLOWER POLICY

UC is committed to conducting its affairs in compliance with the law, and has established a process for reporting and investigating suspected improper governmental activities. Please visit <http://www.ucop.edu/uc-whistleblower/> for more information.

ARTICLE 22 – SUSTAINABLE PROCUREMENT GUIDELINES

Supplier will conduct business using environmentally, socially, and economically sustainable products and services (defined as products and services with a lesser or reduced effect on human health and the environment, and which generate benefits to the University as well as to society and the economy, while remaining within the carrying capacity of the environment), to the maximum possible extent consistent with the Agreement, and with the University of California Sustainable Practices Policy (<https://policy.ucop.edu/doc/3100155>) and the University of California Sustainable Procurement Guidelines:

(<https://www.ucop.edu/procurement-services/files/sustainableprocurementguidelines.pdf>).

In accordance with the University of California Sustainable Practices Policy, Supplier will adhere to the following requirements and standards, as applicable. Supplier acknowledges that failure to comply with any of the sustainability standards and requirements in the Agreement will constitute a material breach of the Agreement and UC will have the right to terminate the Agreement without damage, penalty, cost or further obligation.

- A. Sustainability Marketing Standards. Supplier sustainability related claims, where applicable, must meet UC recognized certifications and standards set forth in the UC Sustainable Procurement Guidelines and/or meet the standards of Federal Trade Commission's (FTC) Green Guides.
- B. Electronic Transfer of Supplier Information. Suppliers, when interacting with the UC, shall be prohibited from providing hard copies of presentations, marketing material, or other informational materials. Suppliers will be required to present all information in electronic format that is easily transferable to UC staff. Materials may be provided in hard copy or physical format if specifically required or requested by a UC representative.
- C. Packaging Requirements. All packaging must be compliant with the Toxics in Packaging Prevention Act (AB 455) and must meet all additional standards and requirements set forth in the UC Sustainable Practices Policy. In addition, UC requires that all packaging meet at least one of the criteria listed below:
 1. Intentionally Deleted;
 2. Uses reusable packaging (e.g. totes reused by delivery service for next delivery);
 3. Uses innovative packaging that reduces the weight of packaging, reduces packaging waste, or utilizes packaging that is a component of the product;
 4. Maximizes recycled content and/or meets or exceeds the minimum post-consumer content level for packaging in the U.S. Environmental Protection Agency Comprehensive Procurement Guidelines;
 5. Uses locally recyclable or certified compostable material.
- D. Foodservice Foam Ban. As of 2018, the University no longer allows packaging foam or expanded polystyrene (EPS) for takeaway containers or other food service items, in any University-owned or -operated food service facility.
- E. Product Packaging Foam Ban. Beginning January 1st, 2020, the University will prohibit all contracted and non-contracted suppliers from selling or distributing packaging foam (other than that utilized for laboratory supply or medical packaging) to UC campuses. Packaging foam is defined as any open or closed cell, solidified, polymeric foam used for cushioning or packaging, including but not limited to: low-density polyethylene foam, polypropylene foam, polystyrene foam (i.e. expanded polystyrene (EPS)), polyurethane foam, polyethylene foam, polyvinyl chloride (PVC) foam, and microcellular foam. Not included in this ban are easily biodegradable, plant-based foams such as those derived from corn or mushrooms.
- F. E-Waste Recycling Requirements. All recyclers of UC electronic equipment must be e-Steward certified by the Basel Action Network (BAN).
- G. Hosted and Punch-out Catalog Requirements. Suppliers enabled with eProcurement hosted catalog functionality must clearly identify products with UC-recognized certifications, as defined by the UC Sustainable Procurement Guidelines, in both hosted and punch-out catalog e-procurement environments. Upon reasonable request, Supplier can provide a data file of product attributes to assist in creating customized icons for clear identification of UC-recognized certifications.

ARTICLE 23 – PATIENT PROTECTION AND AFFORDABLE CARE ACT (PPACA) EMPLOYER SHARED RESPONSIBILITY

If the Services involve Supplier furnishing UC with temporary or supplementary staffing, Supplier warrants that:

- A. If Supplier is an Applicable Large Employer (as defined under Treasury Regulation Section 54.4980H-1(a)(4)):
 1. Supplier offers health coverage to its full-time employees who are performing Services for UC;
 2. Supplier's cost of enrolling such employees in Supplier's health plan is factored into the fees for the Services; and
 3. The fees for the Services are higher than what the Services would cost if Supplier did not offer health coverage to such full-time employees.

Attachment B:
 Terms and Conditions of Purchase
 Fisher Scientific, Agreement **2021002889**

- B. If Supplier is not an Applicable Large Employer (as defined above):
1. Supplier offers group health coverage to its full-time employees who are performing Services for UC and such coverage is considered Minimum Essential Coverage (as defined under Treasury Regulation Section 1-5000A-2) and is Affordable (as defined under Treasury Regulation Section 54.4980H-5(e)); or
 2. Supplier's full-time employees who are performing services for UC have individual coverage and such coverage satisfies the PPACA requirements for mandated individual coverage.

Supplier acknowledges that UC is relying on these warranties to ensure UC's compliance with the PPACA Employer Shared Responsibility provision.

ARTICLE 24 - PREVAILING WAGES

Unless UC notifies Supplier that the Services are not subject to prevailing wage requirements, Supplier will comply, and will ensure that all sub-suppliers comply, with California prevailing wage provisions, including but not limited to those set forth in Labor Code sections 1770, 1771, 1771.1, 1772, 1773, 1773.1, 1774, 1775, 1776, 1777.5, and 1777.6. For purposes of the Agreement, the term "sub-supplier" means a person or firm, of all tiers, that has a contract with Supplier or with a sub-supplier to provide a portion of the Services. The term sub-supplier will not include suppliers, manufacturers, or distributors. Specifically, and not by way of limitation, if apprenticeship occupations are involved in providing the Services, Supplier will be responsible for ensuring that Supplier and any sub-suppliers comply with Labor Code Section 1777.5. Supplier and sub-supplier may not provide the Services unless currently registered and qualified to perform public work pursuant to Labor Code Section 1725.5 and 1771.1. Notwithstanding the foregoing provisions, Supplier will be solely responsible for tracking and ensuring proper payment of prevailing wages regardless if Services are partially or wholly subject to prevailing wage requirements. In every instance, Supplier will pay not less than the UC Fair Wage (defined as \$13 per hour as of 10/1/15, \$14 per hour as of 10/1/16, and \$15 per hour as of 10/1/17) for Services being performed at a UC Location (defined as any location owned or leased by UC).

The California Department of Industrial Relations (DIR) has ascertained the general prevailing per diem wage rates in the locality in which the Services are to be provided for each craft, classification, or type of worker required to provide the Services. A copy of the general prevailing per diem wage rates will be on file at each UC Location's procurement office, and will be made available to any interested party upon request. Supplier will post at any job site:

- A. Notice of the general prevailing per diem wage rates, and
- B. Any other notices required by DIR rule or regulation.

By this reference, such notices are made part of the Agreement. Supplier will pay not less than the prevailing wage rates, as specified in the schedule and any amendments thereto, to all workers employed by Supplier in providing the Services. Supplier will cause all subcontracts to include the provision that all sub-suppliers will pay not less than the prevailing rates to all workers employed by such sub-suppliers in providing the Services. The Services are subject to compliance monitoring and enforcement by the DIR. Supplier will forfeit, as a penalty, not more than \$200 for each calendar day or portion thereof for each worker that is paid less than the prevailing rates as determined by the DIR for the work or craft in which the worker is employed for any portion of the Services provided by Supplier or any sub-supplier. The amount of this penalty will be determined pursuant to applicable law. Such forfeiture amounts may be deducted from the amounts due under the Agreement. If there are insufficient funds remaining in the amounts due under the Agreement, Supplier will be liable for any outstanding amount remaining due. Supplier will also pay to any worker who was paid less than the prevailing wage rate for the work or craft for which the worker was employed for any portion of the Services, for each day, or portion thereof, for which the worker was paid less than the specified prevailing per diem wage rate, an amount equal to the difference between the specified prevailing per diem wage rate and the amount which was paid to the worker. Review of any civil wage and penalty assessment will be made pursuant to California Labor Code section 1742.

ARTICLE 25 – FAIR WAGE/FAIR WORK

If the Agreement is for Services that will be performed at one or more UC Locations, does not solely involve furnishing Goods, and are not subject to extramural awards containing sponsor-mandated terms and conditions, Supplier warrants that it is in compliance with applicable federal, state and local working conditions requirements, including but not limited to those set forth in Articles 11, 12 and 14 herein, and that Supplier pays its employees performing the Services no less than the UC Fair Wage. Supplier agrees UC may conduct such UC Fair Wage/Fair Work interim compliance audits as UC reasonably requests, as determined in UC's sole discretion. Supplier agrees to post UC

For Services rendered (actual spend) not subject to prevailing wage requirements in excess of \$100,000 in a year (under the Agreement or any combination of agreements for the same service), Supplier will (i) at Supplier's expense, provide an annual independent verification (<https://www.ucop.edu/procurement-services/for-suppliers/fww-resources-suppliers.html>) performed by a licensed public accounting firm (independent accountant) or the Supplier's independent internal audit department (<http://na.theiia.org/standards-guidance/topics/Pages/Independence-and-Objectivity.aspx>) in compliance with UC's required verification standards and procedures (<https://www.ucop.edu/procurement-services/for-suppliers/fww-resources-suppliers.html>), concerning Supplier's compliance with this provision, and (ii) ensure that in the case of a UC interim audit, its independent accountant/independent internal auditor makes available to UC its UC Fair Wage/Fair Work work papers for the most recent verification period. Supplier agrees to provide UC with a UC Fair Wage/Fair Work verification annually, in a form acceptable to UC, no later than ninety days after the end of the 12-month period in which \$100,000 in spend is reached.

The Fair Wage Fair Work annual independent verification requirement does not extend to contracts for professional services or consulting for which pre-certification has been provided to UC (<https://www.ucop.edu/procurement-services/for-suppliers/fww-resources-suppliers.html>). ARTICLE 26 – MEDICAL DEVICES

This Article applies when the Goods and/or Services involve UC purchasing or leasing one or more medical devices from Supplier, or when Supplier uses one or more medical devices in providing Goods and/or Services to UC.

Medical Device as used herein will have the meaning provided by the U.S. Food and Drug Administration ("FDA") and means an instrument, apparatus, implement, machine, contrivance, implant, in vitro reagent, or other similar or related article, including a component part, or accessory which is: (i) recognized in the official National Formulary, or the United States Pharmacopoeia, or any supplement to them; (ii) intended for use in the diagnosis of disease or other conditions, or in the cure, mitigation, treatment, or prevention of disease, in humans or other animals, or (iii) intended to affect the structure or any function of the body of humans or other animals, and which does not achieve any of its primary intended purposes through chemical action within or on the body of humans or other animals and which is not dependent upon being metabolized for the achievement of any of its primary intended purposes.

Supplier warrants that prior to UC's purchase or lease of any Medical Device or Supplier's use of any Medical Device in providing Goods and/or Services hereunder, Supplier will: (i) perform security testing and validation for each such Goods and/or Services or Medical Device, as applicable; (ii) perform security scans to detect malware on any software embedded within any Goods and/or Services or Medical Device, as applicable, in order to verify that the software does not contain any known malware; (iii) conduct a vulnerability scan encompassing all ports and fuzz testing; and (iv) provide UC with reports for (i) – (iii). Supplier warrants that any Good or Medical Device is compliant with FDA's most current guidance or regulation for the quality system related to the cybersecurity and the Management of Cybersecurity in Medical Devices, and that Supplier will maintain compliance with any updates to such guidance or regulations.

Throughout Supplier's performance of this Agreement, Supplier will provide UC with reasonably up-to-date patches, firmware and security updates for any Medical Device provided to UC, and any other Medical Device used in the course of providing Services, as applicable. All such patches and other security updates will be made available to UC within thirty (30) days of its commercial release or as otherwise recommended by Supplier or Supplier's sub-supplier, whichever is earlier.

Supplier warrants that all software and installation media not specifically required for any Medical Device used by Supplier or Goods and/or Services delivered to UC under this Agreement as well as files, scripts, messaging services and data will be removed from all such Goods and/or Services or Medical Device following installation, and that all hardware ports and drivers not required for use or operation of such Goods and/or Services or Medical Device will be disabled at time of installation. In addition, Medical Devices must be configured so that only Supplier-approved applications will run on such Medical Devices.

Terms and Conditions of Purchase
Fisher Scientific, Agreement 2021002889

Supplier agrees that UC may take any and all actions that it, in its sole discretion, deems necessary to address, mitigate and/or rectify any real or potential security threat, and that no such action, to the extent such action does not compromise device certification, will impact, limit, reduce or negate Supplier's warranties or any of Supplier's other obligations hereunder.

Supplier warrants that any Medical Device provided to UC, and any other Medical Device used in the course of providing such Goods and/or Services, meet and comply with all cyber-security guidance and similar standards promulgated by the FDA and any other applicable regulatory body.

If the Goods and/or Services entail provision or use of a Medical Device, Supplier will provide UC with a completed Manufacturer Disclosure Statement for Medical Device Security (MDS2) form for each such Medical Device before UC is obligated to purchase or lease such Medical Device or prior to Supplier's use of such device in its performance of Services. If Supplier provides an MDS2 form to UC concurrently with its provision of Goods and/or Services, UC will have a reasonable period of time to review such MDS2 form, and if the MDS2 form is unacceptable to UC, then UC in its sole discretion may return the Goods or terminate the Agreement with no further obligation to Supplier.

ARTICLE 27 – FORCE MAJEURE

Where a failure to perform under this Agreement is caused by a Force Majeure event, Supplier shall have the right to either: (i) terminate, by written notice to UC, all or part of the Order without liability or (ii) extend the date of delivery or performance for a period equal to the duration of the delay. "Force Majeure" means fires; strikes; riots; pandemic or epidemic; embargoes; explosions; earthquakes; floods; wars; acts of terrorism; the elements; labor disputes; shortages of or inability to secure materials or transportation facilities; regulatory acts of government; or other causes or events beyond a party's control. ARTICLE 28 – ASSIGNMENT AND SUBCONTRACTING

Except as to any payment due hereunder, Supplier may not assign or subcontract the Agreement without UC's written consent. In case such consent is given, the assignee or subcontractor will be subject to all of the terms of the Agreement.

ARTICLE 29 – NO THIRD-PARTY RIGHTS

Nothing in the Agreement, express or implied, is intended to make any person or entity that is not a signer to the Agreement a third-party beneficiary of any right created by this Agreement or by operation of law.

ARTICLE 30 – OTHER APPLICABLE LAWS

Any provision required to be included in a contract of this type by any applicable and valid federal, state or local law, ordinance, rule or regulations will be deemed to be incorporated herein.

ARTICLE 31 – NOTICES

A Party must send any notice required to be given under the Agreement by overnight delivery or by certified mail with return receipt requested, to the other Party's representative at the address specified by such Party.

ARTICLE 32 – SEVERABILITY

If a provision of the Agreement becomes, or is determined to be, illegal, invalid, or unenforceable, that will not affect the legality, validity or enforceability of any other provision of the Agreement or of any portion of the invalidated provision that remains legal, valid, or enforceable.

ARTICLE 33 – WAIVER

Waiver or non-enforcement by either Party of a provision of the Agreement will not constitute a waiver or non-enforcement of any other provision or of any subsequent breach of the same or similar provision.

ARTICLE 37 – SUPPLIER TERMS

Any additional terms that Supplier includes in an order form or similar document will be of no force and effect, unless UC expressly agrees in writing to such terms.

Covered Services include, but are not necessarily limited to, the following services: cleaning, custodial, janitorial, or housekeeping services; food services; laundry services; grounds keeping; building maintenance (excluding skilled crafts); transportation and parking services; and security services.

Unless UC notifies Supplier that the Services are not Covered Services, Supplier warrants that it is in compliance with applicable federal, state and local working conditions requirements, including but not limited to those set forth in other Articles of the Agreement. In accordance with Regents Policy 5402 and AFSCME Collective Bargaining Agreement Article 5, Supplier also warrants that it pays its employees performing the Covered Services at UC locations the equivalent value of the wages and benefits – as determined in the Wage and Benefit Parity Appendix – received by UC employees providing similar services at the same, or nearest UC location.

Supplier agrees UC may conduct such compliance audits as UC reasonably requests, and determined at UC's sole discretion. Supplier agrees to post UC Contracting for Covered Services notices, in the template supplied by UC, in a prominent and accessible place (such as break rooms and lunch rooms) where it may be easily seen by workers who perform Covered Services. In addition, the University of California will accept proposals from high-volume manufacturers that employ distribution channels as a primary means of generating sales. Data and information contained in this solicitation are true and accurate to the best of UC's knowledge.

Offerors are required to acknowledge that their participation is based on their ability to meet the minimal requirements as outlined within the RFP and attached documents. For the purposes of transparency and consistency, the UC-provided Cover Letter (see last page on this document) must be included as page one (1) of Offeror's submission.

3. University of California and Omnia Partners

The University of California has partnered with OMNIA Partners, Public Sector (also known as OMNIA Partners) to make a resultant national cooperative agreement accessible to public agencies across the country and to obtain the best, most cost-effective goods & services while maintaining the highest quality standards and minimizing harmful impact of the products to the people and the environment throughout the supply chain. The offeror shall establish a multi-year business relationship with the UC and OMNIA Partners that maximizes resources to most effectively meet the UC's needs and those of national participating agencies.

4. OMNIA Partners

The University of California, as the Principal Procurement Agency, defined in the National Requirements Document (see OMNIA Partners Exhibit A within CalUSource), has partnered with

OMNIA Partners to make the resultant contract (also known as the “Master Agreement” in materials distributed by OMNIA Partners) from this solicitation available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit (“Public Agencies”), through OMNIA Partners’ cooperative purchasing program. The University of California is acting as the contracting agency for any other Public Agency that elects to utilize the resulting Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners (a “Participating Public Agency”). The National Requirements Documents (Exhibits A-H under Guidelines) contains additional information about OMNIA Partners and the cooperative purchasing agreement.

OMNIA Partners is the largest and most experienced purchasing organization for public and private sector procurement. Through the economies of scale created by OMNIA Partners public sector subsidiaries, National IPA and U.S. Communities, our participants now have access to more competitively solicited and publicly awarded cooperative agreements. The lead agency contracting process continues to be the foundation on which we are founded. OMNIA Partners is proud to offer more value and resources to state and local government, higher education, K-12 education and non-profits.

OMNIA Partners provides shared services and supply chain optimization to government, education and the private sector. As a channel partner with Vizient (formerly, Novation), OMNIA Partners leverages over \$100 billion in annual supply spend to command the best prices for products and services. With corporate pricing and sales commitments from the offeror, OMNIA Partners provides marketing and administrative support for the offeror that directly promotes the Offeror’s products and services to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis. Public Agencies benefit from pricing based on aggregate spend and the convenience of a contract that has already been advertised and publicly competed. The offeror benefits from a contract that allows Participating Public Agencies to directly purchase goods and services without the Offeror’s need to respond to additional competitive solicitations. As such, the offeror must be able to accommodate a nationwide demand for services and to fulfill obligations as a nationwide supplier and respond to the OMNIA Partners documents (The National Requirements Documents – see Exhibits A-H within Guidelines).

While no minimum or maximum volume is guaranteed to the Offeror, the University of California estimates spending up to \$125 million annually for General Lab Supplies and Distribution Services. The estimated annual volume of General Lab Supplies and Distribution Services purchased under the Master Agreement through OMNIA Partners Public Sector is approximately \$300 million, however, no minimum or maximum volume is guaranteed to Offeror under the OMNIA Partners Master Agreement. This projection is based on the current annual volumes among the University of California, other Participating Public Agencies anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between the offeror and OMNIA Partners.

5. University of California Procurement Policy

The Request for Proposal (or “RFP”) process is to invite qualified general lab product distributors and manufacturers to prepare and submit proposals to the University of California. All Seller(s) are subject to Federal Acquisition Regulations (FAR) where applicable, State of California laws & audit recommendations set forth in the California Public Contract Code, Part 2, Contracting by State Agencies, Chapter 2.1, University of California Competitive Bidding, Article 2, Materials, Goods, and Services (Public Contract Code Section 10507, et seq), and the UC Sustainable

Procurement Policy. The UC evaluates the RFP submissions based on Best Value as defined in the subdivision (d) of the Public Contract Code section 10507.8. UC utilizes objective performance criteria which may include but not limited to price, features & benefits, long-term functionality, life-cycle costs, social, corporate and environmental sustainability, value-added services, e-commerce, and the reduction of overall operating costs.

This solicitation does not prevent future solicitation or RFPs should it be required based on additional UC requirements such as the development of new laboratory buildings within the UC. This solicitation may serve to minimize further contractual terms & conditions negotiations and/or prequalify the Offeror in future UC specific RFX events.

If the Offeror has an existing agreement and is not awarded business as per this RFP solicitation, the University of California plans to cancel the existing agreement, including any ecommerce enablements, with no less than a 30-day advance notice. Any offeror that declines to submit a proposal, and has a current agreement, is subject to the same cancellation conditions as described above.

6. General Laboratory Supply Product Scope

The UC system and its affiliate locations currently contract with multiple distribution partners for product categories identified as General Lab Supply (GLS). The products are provided through a network of distributors who may be integrated with multiple UC eProcurement platforms for the purchase of products, services, and equipment maintenance contained in the general laboratory category.

Utilizing a multi-phased solicitation process, UC reserves the right make awards as UC sees fit. An offeror participating in the RFP process does not constitute a binding offer (implicit or explicit) from the UC to the Offeror. For avoidance of doubt, any agreement(s) resulting from this RFP will be awarded to the Offeror(s) whose proposal, in the opinion of the University, offers the greatest benefit to the UC based on the total value, including but not limited to, the quality of products, service level commitments, total cost of purchase, trade-in programs and upgrades, additional volume discounts, shipping and other miscellaneous waivers of charges.

Individual campuses reserve the right to implement any resulting agreement(s) based on the best value for that specific campus. Individual campuses may engage in further negotiations with Offeror(s) to establish more beneficial terms to expand potential partnership opportunities, or other such programs. These programs may provide mutually beneficial opportunities including but not limited to additional consolidation, potential exclusivity, additional marketing exposure, collaborative research and sustainability opportunities, scholarships fellowships, or internship opportunities.

7. eCommerce

UC procures standard, off-the-shelf products through various ecommerce systems and as such, a qualified distribution offeror must have ecommerce capabilities that are compatible with various UC ecommerce platform requirements, and the Offerors are required to be up-to-date on said technology.

UC reserves the right to curtail the ePRO content to support operational efficiencies, which may include limitation on the number of part numbers for the hosted catalog, limitations on the punch-out, or any combination thereof. UC reserves the right to enhance specific programs or policies that focuses on Sustainable Procurement opportunities. UC reserves the right to selectively use specific technological upgrades and Offerors are required to honor UC's decision regarding the

use of specific features.

For the purposes of this RFP, UC expects each offeror to offer a proposal covering its full line of products and services to both the UC AND the national program. Should the Offerors have UC or national restrictions but wish to participate in the national program where feasible or is unable to participate in a national program, offerors shall note the restrictions, limitations, or the Offeror's inability to participate in a national program with an explanation to the UC in writing with their response.

Note: There are no minimum or maximum guarantees associated with this RFP. UC certifies that the expenditure is based on UC's historical spend only.

8. Overall Scope of Work

This section reflects the needs and requirements of the UC, which may differ from OMNIA Partners Participating Public Agency requirements. OMNIA Partners Participating Public Agencies may sign a supplemental or usage agreement with the awarded offeror based on the terms and conditions of the UC Agreement. The participating agency or agencies may further negotiate certain terms and conditions to conform to their purchasing and contracting requirements. Any further negotiation is separate and independent than the agreement set for by the UC. All participating agencies are a stand-alone entity, and the UC is not responsible for any cost incurred by the participating agency, nor does the UC (implicitly or explicitly) act as a reference for those participating agencies.

9. National Expectation

Within the national program, each offeror awarded an item under this solicitation may offer their complete product and service offering/balance of line for General Lab Supplies and Distribution services. Pricing for complete product offering/balance of line items will be determined by a percentage discount reduced from the Offeror's retail price list. The pricing percentage discount offered must be entered on the Price Page in the Complete Product Offering/Balance of Line section/in the Offeror's response to the Price Proposal section of the Proposal Evaluation Requirements. The participating agency reserves the right to accept or reject any or all balance of line items offered.

10. Minimum qualifications requirement of the Offerors

Offeror should have verifiable successful experience in providing the range of products and services specified in this RFP as a key supplier.

Offeror should be able to demonstrate and show evidence of having the capability to provide the required products and/or services by possessing adequate available resources.

In addition to the information required above, UC may request additional information either from the Offeror or others, and may utilize site visits and offeror presentations, as reasonably required by UC to verify the Offeror's ability to successfully meet the requirements of this RFP. UC also reserves the right to obtain Dun & Bradstreet reports, or similar independent reports such as third-party assessment like EcoVadis, for further indications of the Offeror's ability. Should additional information be required from the Offeror's references, untimely responses or a lack of response by the references may impact the Offeror's RFP and may become subject to rejection in part or outright.

11. UC's expectation of Qualified Offerors

For the purpose of this RFP, Offerors are defined as those manufactures and/or distributes products and services which meet RFP specifications, including UC Sustainability goals as requested and/or required in the UC Sustainable Procurement document, and is capable of

supplying the required product and/or services in a consistent manner as a preferred distributor(s) and demonstrates sufficient breadth of product to support the UC.

This shall be evidenced by completion and acknowledgment of all documents including the Market Basket, Value-Added Services, Sustainability Questionnaire, Sustainability Market Basket, ePRO Questionnaire and National Program Questionnaire.

12. National Program

Offeror must complete and upload OMNIA Partners Exhibits A, F, & G, found within the Questionnaire Section within CalUsource and marked as National Program.

Include a detailed response to Exhibit A, OMNIA Partners Response for National Cooperative contract. Responses should highlight experience, demonstrate a strong national presence, describe how offeror will educate its national sales force about the contract, describe how products and services will be distributed nationwide, include a plan for marketing the products and services nationwide, and describe how volume will be tracked and reported to OMNIA Partners.

The successful Offeror will be required to sign Exhibit B, OMNIA Partners Administration Agreement, found within the Guidelines Section within CalUsource. Offerors should have any reviews required to sign the document prior to submitting a response. Offeror's response should include any proposed exceptions to the OMNIA Partners Administration Agreement.

13. Sustainability Requirement and Expectation

UC campuses and medical centers are nationally recognized living laboratories of sustainability, a commitment that began in 2003 through a student initiative that led to the UC Regents' adoption of the Presidential Policy on Green Building Design and Clean Energy Standards in 2004. The 'Sustainable Practices Policy' (pdf) includes climate protection, transportation, packaging, recycling and waste management, procurement, food and water. As part of this RFP, the University will allocate a minimum of 15% of the awarded points utilized in solicitation evaluations to sustainability criteria. Criteria may include, but is not limited to, sustainable product attributes, supplier diversity, supplier practices, contributions to health and well-being, and materials safety. UC's sustainability initiatives and policies that impact procurement can be found at:

<https://www.ucop.edu/procurement-services/for-ucstaff/sustainable-procurement/sustainableprocurementguidelines.pdf>

<https://policy.ucop.edu/doc/3100155/SustainablePractices>

UC expects contract awardees to complete a CSR Assessment with EcoVadis within 180 days of Agreement signatures for the purpose of establishing a baseline score and measure ongoing improvements utilizing new annual scores throughout the duration of the contract.

28. Potential Contract Terms and Guidelines

Awards may be made of the Manufacturer(s) as a single entity to the specified UC distribution partner for the purpose of supplying goods and services to the University. The term Offeror can therefore refer to the Offeror itself, Seller, Manufacturer, Distributor, OEM or any supply chain entity the Offeror utilizes to carry out its duties and obligations outlined in the RFP.

Upon the award and execution of this RFP, any awarded Agreement(s) will be available to all current and future locations of the University of California, UC Medical Centers and its Affiliates, along with the Community Colleges, and the California State Colleges. The University of California is responsible for discount structures, market basket pricing and other contractual agreements related to general laboratory business, equipment maintenance and services (within the RFP scope) for the UC's ten campuses and affiliates only. The UC is not responsible for fiduciary matters, administration, payments, performance, maintenance, e-procurement, and any other contractual operations arising from this RFP when the procuring customer is outside the University of California system.

The UC anticipates contracts (Agreements/Master Agreements), resulting from this RFP, to be long-term contracts of 8 years. Initial contract term, for resulting Agreements, shall be for a period of four (4) years dating from the contract signature date known as the original contract period. The contract provides for the possibility of up to two (2) two-year renewals that can be exercised

individually, in combination, a single block of four years, or not at all. The contract renewal is at the sole discretion of the UC, the OMNIA Partners, and communicated to the contracted supplier in writing.

29. No Mandatory Use

Offerors are advised that there is no mandatory use policy at the University of California for agreements. As a result, UC does not guarantee any specific amount of business forthcoming from this RFP. As an example, some of the campuses currently have a Small Business Program/DVBE in place for purchasing items, including Furniture, from Small Businesses or DVBE. The UC may continue or expand purchasing these items through its current Small Business Program/DVBE depending on the results of this RFP. A winning Offeror may still see some competition at any given UC location for any given service. In addition to the above, no amounts of purchase, either quantity, particular products, or dollar value, are guaranteed. The University reserves the right to separately bid any single procurement involving an expenditure of \$350,000 and any procurement that is part of a construction "project" (as that term is defined in California Public Contract Code section 10500) cannot be made under any contract resulting from this RFP. However, by providing outstanding prices, service, and the overall best total cost and quality to the UC system wide, the winning Offeror is expected to garner a very large percentage of the total available UC business.

30. Disclosure of Records/Confidentiality of Information

All Proposal responses and related documents submitted to the UC in response to this RFP will become the exclusive property of the UC upon receipt and will not be returned.

Proposal response(s), which are incorporated into any resulting contract(s) with the University of California, may be subject to the State of California Public Records Act (CA State Government Code 6250, et. seq.). This Request for Proposal, together with copies of all documents pertaining to any award, if issued, shall be kept for a period of five (5) years from date of contract expiration or termination and made part of a file or record which shall be open to public inspection. Certain private, trade secret or confidential information may be considered exempt from the California Public Records Act. Any trade secret or company confidential information submitted as a part of this proposal shall be clearly marked "Trade Secret Information" or "Confidential Information." Information that is readily obtainable in the public domain does not qualify as Trade Secret Information or Confidential Information, and therefore, the Offeror is advised to use the designation sparingly.

Should a request be made of the University of California for access to the information designated confidential or trade secret by the Offeror and, on the basis of that designation, UC denies the request, the Offeror may be responsible for all legal costs necessary to defend such action if the denial is challenged in a court of law.

31. Termination of the RFP

This RFP or any agreement resulting from this RFP may be canceled in whole or in part by University (for cause and/or for convenience) with a written ninety (90) day. UC may cancel the RFP or its subsequent Agreement should UC experience a material breach and is not resolved within an agreed upon cure period or 30 days as agreed upon between the UC and the Offeror.

32. Order of Precedence

For clarity the order of precedence shall be as follows:

- 1) Final Contract(s) awarded from the RFP and subsequent amendments to those whose offer has been accepted;
- 2) RFP Documents, and documents referenced in paragraph 21, and as found in CalUsource with

any addenda and any written communications evidencing agreement relative to the contract.

Should an Agreement be awarded to the Offeror, any and all amendments shall take precedence in the Order of Precedence.

33. Exceptions

The submission of a signed proposal will confirm understanding and acceptance of all requirements, terms and conditions of the RFP unless specific exceptions are taken and alternative language or provisions are offered and approved by the University (or OMNIA Partners, only if terms are OMNIA Partners specific). Please note, any exceptions to Minimum Mandatory Requirements (as explained below) or the Mandatory Product & Service Requirements (within the Guidelines/Prerequisites and within this document), may disqualify an Offeror's submittal.

34. Federal Funding Pricing

Due to products and services potentially being used in response to an emergency or disaster recovery situation in which federal funding may be used, alternative pricing must be provided that does not include cost plus a percentage of cost or pricing based on time and materials; if time and materials is necessary, a ceiling price that the contract exceeds at its own risk will be needed. Products and services provided in a situation where an agency is eligible for federal funding, Offeror is subject to and must comply with all federal requirements applicable to the funding including, but not limited to the FEMA Special Conditions section located in the Federal Funds Certifications - Exhibit F.

Surcharges and/or Tariffs – Any such charges must be substantiated through appropriate documentation prior to the application. Approved charges will be considered as temporary, with the expectation of removal or reduction in accordance with removal or decreases by the government.

35. Audit Requirements

Any potential agreement issued as a result of the RFP shall be subject to the examination and audit by the Auditor General of the State of California, Controller General of the United States, or UC authorized third-party as required to comply with Local, State or Federal regulations require. All offerors should expect that records may be requested by the UC, an authorized third-party, or by the Auditor General of the State of California for a period of seven (7) years after the RFP award or final payment under the agreement. The UC, UC's authorized third-party, Auditor General of the States of California, Controller General of the United States, or legal entities shall have the right to examine any pertinent books, documents, papers, and records of the Offerors (Bidders/Suppliers) involving transactions and work related to any such agreement until the expiration of seven (7) years after the final payment hereunder. All cost associated with the administration of the records retention requirement, administration of the RFP, or the management and work related with the Agreement is the sole responsibility of the Offeror (Supplier/Bidder).

36. Glossary of terms

Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners as a Participating Public Agency in OMNIA Partners’ cooperative purchasing program. Registration with OMNIA Partners as a Participating Public Agency is accomplished by Public Agencies entering into a Master Intergovernmental Cooperative Purchasing Agreement, an example of which is attached as Exhibit C, and by using the Master Agreement, any such Participating Public Agency agrees that it is registered with OMNIA Partners, whether pursuant to the terms of the Master Intergovernmental Purchasing Cooperative Agreement or as otherwise agreed to. The terms and pricing established in the resulting Master Agreement between the Supplier and the Principal Procurement Agency will be the same as that available to Participating Public Agencies through OMNIA Partners.

All transactions, purchase orders, invoices, payments etc., will occur directly between the Supplier and each Participating Public Agency individually, and neither OMNIA Partners, any Principal Procurement Agency nor any Participating Public Agency, including their respective agents, directors, employees or representatives, shall be liable to Supplier for any acts, liabilities, damages, etc., incurred by any other Participating Public Agency. Supplier is responsible for knowing the tax laws in each state.

This Exhibit A defines the expectations for qualifying Suppliers based on OMNIA Partners' requirements to market the resulting Master Agreement nationally to Public Agencies. Each section in this Exhibit A refers to the capabilities, requirements, obligations, and prohibitions of competing Suppliers on a national level in order to serve Participating Public Agencies through OMNIA Partners.

These requirements are incorporated into and are considered an integral part of this RFP. OMNIA Partners reserves the right to determine whether or not to make the Master Agreement awarded by the Principal Procurement Agency available to Participating Public Agencies, in its sole and absolute discretion, and any party submitting a response to this RFP acknowledges that any award by the Principal Procurement Agency does not obligate OMNIA Partners to make the Master Agreement available to Participating Procurement Agencies.

1.2 Marketing, Sales and Administrative Support

During the term of the Master Agreement OMNIA Partners intends to provide marketing, sales, partnership development and administrative support for Supplier pursuant to this section that directly promotes the Supplier's products and services to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis.

OMNIA Partners will assign the Supplier a Director of Partner Development who will serve as the main point of contact for the Supplier and will be responsible for managing the overall relationship between the Supplier and OMNIA Partners. The Director of Partner Development will work with the Supplier to develop a comprehensive strategy to promote the Master Agreement and will connect the Supplier with appropriate stakeholders within OMNIA Partners including, Sales, Marketing, Contracting, Training, and Operations & Support.

The OMNIA Partners marketing team will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through channels that may include:

- A. Marketing collateral (print, electronic, email, presentations)
- B. Website
- C. Trade shows/conferences/meetings
- D. Advertising
- E. Social Media

The OMNIA Partners sales teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through initiatives that may include:

- A. Individual sales calls
- B. Joint sales calls
- C. Communications/customer service
- D. Training sessions for Public Agency teams
- E. Training sessions for Supplier teams

The OMNIA Partners contracting teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through:

- A. Serving as the subject matter expert for questions regarding joint powers authority and state statutes and regulations for cooperative purchasing
- B. Training sessions for Public Agency teams
- C. Training sessions for Supplier teams
- D. Regular business reviews to monitor program success
- E. General contract administration

Suppliers are required to pay an administrative fee of three percent (3%) of the greater of the Contract Sales under the Master Agreement and Guaranteed Contract Sales under this Request for Proposal. Supplier will be required to execute the OMNIA Partners Administration Agreement (Exhibit B).

1.3 Estimated Volume

The dollar volume purchased under the Master Agreement is estimated to be approximately \$300 million annually. While no minimum volume is guaranteed to Supplier, the estimated annual volume is projected based on the current annual volumes among the Principal Procurement Agency, other Participating Public Agencies that are anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between Supplier and OMNIA Partners.

1.4 Award Basis

The basis of any contract award resulting from this RFP made by Principal Procurement Agency will, at OMNIA Partners' option, be the basis of award on a national level through OMNIA Partners. If multiple Suppliers are awarded by Principal Procurement Agency under the Master Agreement, those same Suppliers will be required to extend the Master Agreement to Participating Public Agencies through OMNIA Partners. Utilization of the Master Agreement by Participating Public Agencies will be at the discretion of the individual Participating Public

Agency. Certain terms of the Master Agreement specifically applicable to the Principal Procurement Agency (e.g. governing law) are subject to modification for each Participating Public Agency as Supplier, such Participating Public Agency and OMNIA Partners shall agree without being in conflict with the Master Agreement. Participating Agencies may request to enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in the Master Agreement (i.e. invoice requirements, order requirements, specialized delivery, diversity requirements such as minority and woman owned businesses, historically underutilized business, governing law, etc.). (“Supplemental Agreement”). It shall be the responsibility of the Supplier to comply, when applicable, with the prevailing wage legislation in effect in the jurisdiction of the Participating Agency. It shall further be the responsibility of the Supplier to monitor the prevailing wage rates as established by the appropriate department of labor for any increase in rates during the term of the Master Agreement and adjust wage rates accordingly. Any supplemental agreement developed as a result of the Master Agreement is exclusively between the Participating Agency and the Supplier (Contract Sales are reported to OMNIA Partners).

All signed Supplemental Agreements and purchase orders issued and accepted by the Supplier may survive expiration or termination of the Master Agreement. Participating Agencies’ purchase orders may exceed the term of the Master Agreement if the purchase order is issued prior to the expiration of the Master Agreement. Supplier is responsible for reporting all sales and paying the applicable administrative fee for sales that use the Master Agreement as the basis for the purchase order, even though Master Agreement may have expired.

1.5 Objectives of Cooperative Program

This RFP is intended to achieve the following objectives regarding availability through OMNIA Partners’ cooperative program:

- A. Provide a comprehensive competitively solicited and awarded national agreement offering the Products covered by this solicitation to Participating Public Agencies;
- B. Establish the Master Agreement as the Supplier’s primary go to market strategy to Public Agencies nationwide;
- C. Achieve cost savings for Supplier and Public Agencies through a single solicitation process that will reduce the Supplier’s need to respond to multiple solicitations and Public Agencies need to conduct their own solicitation process;
- D. Combine the aggregate purchasing volumes of Participating Public Agencies to achieve cost effective pricing.

2.0 REPRESENTATIONS AND COVENANTS

Supplier will identify an executive corporate sponsor and a separate national account manager within the RFP response that will be responsible for the overall management of the Master Agreement.

Supplier commits that all Master Agreement sales will be accurately and timely reported to OMNIA Partners in accordance with the OMNIA Partners Administration Agreement. FEDERAL FUNDS CERTIFICATIONS**

**FEDERAL CERTIFICATIONS
ADDENDUM FOR AGREEMENT FUNDED BY U.S. FEDERAL GRANT**

TO WHOM IT MAY CONCERN:

Participating Agencies may elect to use federal funds to purchase under the Master Agreement. This form should be completed and returned.

DEFINITIONS

Contract means a legal instrument by which a non-Federal entity purchases property or services needed to carry out the project or program under a Federal award. The term as used in this part does not include a legal instrument, even if the non-Federal entity considers it a contract, when the substance of the transaction meets the definition of a Federal award or subaward

Contractor means an entity that receives a contract as defined in Contract.

Cooperative agreement means a legal instrument of financial assistance between a Federal awarding agency or pass-through entity and a non-Federal entity that, consistent with 31 U.S.C. 6302-6305:

- (a) Is used to enter into a relationship the principal purpose of which is to transfer anything of value from the Federal awarding agency or pass-through entity to the non-Federal entity to carry out a public purpose authorized by a law of the United States (see 31 U.S.C. 6101(3)); and not to acquire property or services for the Federal government or pass-through entity's direct benefit or use;
- (b) Is distinguished from a grant in that it provides for substantial involvement between the Federal awarding agency or pass-through entity and the non-Federal entity in carrying out the activity contemplated by the Federal award.
- (c) The term does not include:
 - (1) A cooperative research and development agreement as defined in 15 U.S.C. 3710a; or
 - (2) An agreement that provides only:
 - (i) Direct United States Government cash assistance to an individual;
 - (ii) A subsidy;
 - (iii) A loan;
 - (iv) A loan guarantee; or
 - (v) Insurance.

Federal awarding agency means the Federal agency that provides a Federal award directly to a non-Federal entity

Federal award has the meaning, depending on the context, in either paragraph (a) or (b) of this section:

- (a)(1) The Federal financial assistance that a non-Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability; or
- (2) The cost-reimbursement contract under the Federal Acquisition Regulations that a non-Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability.
- (b) The instrument setting forth the terms and conditions. The instrument is the grant agreement, cooperative agreement, other agreement for assistance covered in paragraph (b) of § 200.40 Federal financial assistance, or the cost-reimbursement contract awarded under the Federal Acquisition Regulations.
- (c) Federal award does not include other contracts that a Federal agency uses to buy goods or services from a contractor or a contract to operate Federal government owned, contractor operated facilities (GOCOs).
- (d) See also definitions of Federal financial assistance, grant agreement, and cooperative agreement.

Non-Federal entity means a state, local government, Indian tribe, institution of higher education (IHE), or nonprofit organization that carries out a Federal award as a recipient or subrecipient.

Nonprofit organization means any corporation, trust, association, cooperative, or other organization, not including IHEs, that:

- (a) Is operated primarily for scientific, educational, service, charitable, or similar purposes in the public interest;
- (b) Is not organized primarily for profit; and
- (c) Uses net proceeds to maintain, improve, or expand the operations of the organization.

Obligations means, when used in connection with a non-Federal entity's utilization of funds under a Federal award, orders placed for property and services, contracts and subawards made, and similar transactions during a given period that require payment by the non-Federal entity during the same or a future period.

Pass-through entity means a non-Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program.

Recipient means a non-Federal entity that receives a Federal award directly from a Federal awarding agency to carry out an activity under a Federal program. The term recipient does not include subrecipients.

Simplified acquisition threshold means the dollar amount below which a non-Federal entity may purchase property or services using small purchase methods. Non-Federal entities adopt small purchase procedures in order to expedite the purchase of items costing less than the simplified acquisition threshold. The simplified acquisition threshold is set by the Federal Acquisition Regulation at 48 CFR Subpart 2.1 (Definitions) and in accordance with 41 U.S.C. 1908. As of the publication of this part, the simplified acquisition threshold is \$250,000, but this threshold is periodically adjusted for inflation. (Also see definition of § 200.67 Micro-purchase.)

Subaward means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract.

Subrecipient means a non-Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency.

Termination means the ending of a Federal award, in whole or in part at any time prior to the planned end of period of performance.

The following certifications and provisions may be required and apply when Participating Agency expends federal funds for any purchase resulting from this procurement process. Pursuant to 2 C.F.R. § 200.326, all contracts, including small purchases, awarded by the Participating Agency and the Participating Agency's subcontractors shall contain the procurement provisions of Appendix II to Part 200, as applicable.

In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. Conflicts of Interest

No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a FEMA award if he or she has a real or apparent conflict of interest. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of these parties, has a financial or other interest in or a tangible personal benefit from a firm considered for award. 2 C.F.R. § 200.318(c)(1); See also Standard Form 424D, ¶ 7; Standard Form 424B, ¶ 3. i. FEMA considers a "financial interest" to be the potential for gain or loss to the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of these parties as a result of the particular procurement. The prohibited financial interest may arise from ownership of certain financial instruments or investments such as stock, bonds, or real estate, or from a salary, indebtedness, job offer, or similar interest that might be affected by the particular procurement. ii. FEMA considers an "apparent" conflict of interest to exist where an actual conflict does not exist, but where a reasonable person with knowledge of the relevant facts would question the impartiality of the employee, officer, or agent participating in the procurement. c. Gifts. The officers, employees, and agents of the Participating Public Agency nor the Participating Public Agency ("NFE") must neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, NFE's may set standards for situations in which the financial interest is de minimus, not substantial, or the gift is an unsolicited item of nominal value. 2 C.F.R. § 200.318(c)(1). d. Violations. The NFE's written standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the NFE. 2 C.F.R. § 200.318(c)(1). For example, the penalty for a NFE's employee may be dismissal, and the penalty for a contractor might be the termination of the contract.

Contractor Integrity

A contractor must have a satisfactory record of integrity and business ethics. Contractors that are debarred or suspended as described in Chapter III, ¶ 6.d must be rejected and cannot receive contract awards at any level.

Public Policy

A contractor must comply with the public policies of the Federal Government and state, local government, or tribal government. This includes, among other things, past and current compliance with the:

- a. Equal opportunity and nondiscrimination laws
- b. Five affirmative steps described at 2 C.F.R. § 200.321(b) for all subcontracting under contracts supported by FEMA financial assistance; and FEMA Procurement Guidance June 21, 2016 Page IV- 7
- c. Applicable prevailing wage laws, regulations, and executive orders

Affirmative Steps

For any subcontracting opportunities, Contractor must take the following Affirmative steps:

1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

2. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; and
5. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

Bid Guarantee

For proposals that are to include construction/reconstruction/renovation and related services, bids must be accompanied by Certified or Cashier's Check or an approved Bid Bond in the amount of not less than five percent (5%) of the total bid. Surety shall provide a copy of the Power of Attorney authorizing the Executing Agent the authority to execute the bid bond documents and bind the Surety to the bid bond conditions. The bid bond shall have a corporate Surety that is licensed to conduct business in the state of the lead agency and authorized to underwrite bonds in the amount of the bid bond.

Commented [JG1]: Remove if solicitation is not for potential construction work

Prevailing Wage Requirements

When applicable, the awarded Contractor (s) and any and all subcontractor(s) agree to comply with all laws regarding prevailing wage rates including the Davis-Bacon Act, applicable to this solicitation and/or Participating Public Agencies. The Participating Public Agency shall notify the Contractor of the applicable pricing/prevailing wage rates and must apply any local wage rates requested. The Contractor and any subcontractor(s) shall comply with the prevailing wage rates set by the Participating Public Agency.

Federal Requirements

If products and services are issued in response to an emergency or disaster recovery the items below, located in this FEMA Special Conditions section of the Federal Funds Certifications, are activated and required when federal funding may be utilized.

2 C.F.R. § 200.326 and 2 C.F.R. Part 200, Appendix II, Required Contract Clauses

1. Termination for Convenience:

The right to terminate this Contract for the convenience of the Participating Public Agency is retained by the Participating Public Agency. In the event of a termination for convenience by the Participating Public Agency, the Participating Public Agency shall, at least ten (10) calendar days in advance, deliver written notice of the termination for convenience to Contractor. Upon Contractor's receipt of such written notice, Contractor immediately shall cease the performance of the Work and shall take reasonable and appropriate action to secure and protect the Work then in place. Contractor shall then be paid by the Participating Public Agency, in accordance with the terms and provisions of the Contract Documents, an amount not to exceed the actual labor costs incurred, the actual cost of all materials installed and the actual cost of all materials stored at the project site or away from the project site, as approved in writing by the Participating Public Agency but not yet paid for and which cannot be returned, and actual, reasonable and documented demobilization costs, if any, paid by Contractor and approved by the Participating Public Agency in connection with the Scope of Work in place which is completed as of the date of termination by the Participating Public Agency and that is in conformance with the Contract Documents, less all amounts previously paid for the Work. No amount ever shall be owed or paid to Contractor for lost or anticipated profits on any part of the Scope of Work not performed or for consequential damages of any kind.

2. Equal Employment Opportunity:

The Participating Public Agency highly encourages Contractors to implement Affirmative Action practices in their employment programs. This means Contractor should not discriminate against any employee or applicant for employment because of race, color, religion, sex, pregnancy, sexual orientation, political belief

or affiliation, age, disability or genetic information.

During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: *Provided*, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

3. “During the performance of this contract, the contractor agrees as follows:

- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
- (2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin.
- (3) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (4) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- (5) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- (6) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- (7) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means

of enforcing such provisions, including sanctions for noncompliance: Provided, however, That in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the contractor may request the United States to enter into such litigation to protect the interests of the United States.”

4. Davis Bacon Act and Copeland Anti-Kickback Act.

- a. Applicability of Davis-Bacon Act. The Davis-Bacon Act only applies to the emergency Management Preparedness Grant Program, Homeland Security Grant Program, Nonprofit Security Grant Program, Tribal Homeland Security Grant Program, Port Security Grant Program, and Transit Security Grant Program. **It does not apply to other FEMA grant and cooperative agreement programs, including the Public Assistance Program.**
- b. All prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. §§ 3141-3144 and 3146-3148) as supplemented by Department of Labor regulations at 29 C.F.R. Part 5 (Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction)). See 2 C.F.R. Part 200, Appendix II, ¶ D.
- c. In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week.
- d. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.
- e. In contracts subject to the Davis-Bacon Act, the contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations at 29 C.F.R. Part 3 (Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States). The Copeland Anti- Kickback Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to FEMA.
- f. The regulation at 29 C.F.R. § 5.5(a) does provide the required contract clause that applies to compliance with both the Davis-Bacon and Copeland Acts. However, as discussed in the previous subsection, the Davis-Bacon Act does not apply to Public Assistance recipients and subrecipients. **In situations where the Davis-Bacon Act does not apply, neither does the Copeland “Anti-Kickback Act.”** However, for purposes of grant programs where both clauses do apply, FEMA requires the following contract clause:

“Compliance with the Copeland “Anti-Kickback” Act.

- (1) Contractor. The contractor shall comply with 18 U.S.C. § 874, 40U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

- (2) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses
- (3) Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12."

5. Contract Work Hours and Safety Standards Act.

- a. Applicability: This requirement applies to all FEMA grant and cooperative agreement programs.
- b. Where applicable (see 40 U.S.C. § 3701), all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations at 29 C.F.R. Part 5. See 2 C.F.R. Part 200, Appendix II, ¶ E.
- c. Under 40 U.S.C. § 3702, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the workweek.
- d. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
- e. The regulation at 29 C.F.R. § 5.5(b) provides the required contract clause concerning compliance with the Contract Work Hours and Safety Standards Act:

"Compliance with the Contract Work Hours and Safety Standards Act.

- (1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.
- (2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of \$10 for each

calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.

- (3) Withholding for unpaid wages and liquidated damages. The (write in the name of the Federal agency or the loan or grant recipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.
- (4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this section."

6. Rights to Inventions Made Under a Contract or Agreement.

- a. Stafford Act Disaster Grants. This requirement **does not apply to the Public Assistance**, Hazard Mitigation Grant Program, Fire Management Assistance Grant Program, Crisis Counseling Assistance and Training Grant Program, Disaster Case Management Grant Program, and Federal Assistance to Individuals and Households – Other Needs Assistance Grant Program, as

FEMA awards under these programs do not meet the definition of "funding agreement."

- b. If the FEMA award meets the definition of "funding agreement" under 37 C.F.R. § 401.2(a) and the non-Federal entity wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the non-Federal entity must comply with the requirements of 37 C.F.R. Part 401 (Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements), and any implementing regulations issued by FEMA. See 2 C.F.R. Part 200, Appendix II, ¶ F.
- c. The regulation at 37 C.F.R. § 401.2(a) currently defines "funding agreement" as any contract, grant, or cooperative agreement entered into between any Federal agency, other than the Tennessee Valley Authority, and any contractor for the performance of experimental, developmental, or research work funded in whole or in part by the Federal government. This term also includes any assignment, substitution of parties, or subcontract of any type entered into for the performance of experimental, developmental, or research work under a funding agreement as defined in the first sentence of this paragraph.

7. Clean Air Act and the Federal Water Pollution Control Act. Contracts of amounts in excess of \$150,000 must contain a provision that requires the contractor to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 U.S.C. §§ 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. §§ 1251-1387). Violations must be reported to FEMA and the Regional Office of the Environmental Protection Agency. See 2 C.F.R. Part 200, Appendix II, ¶ G.

- a. The following provides a sample contract clause concerning compliance for contracts of amounts in excess of \$150,000:

"Clean Air Act

- (1) The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq.
- (2) The contractor agrees to report each violation to the (name of the state agency or local or Indian tribal government) and understands and agrees that the (name of the state agency or local or Indian tribal government) will, in turn, report each violation as required to assure notification to the (name of recipient), Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.
- (3) The contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with Federal assistance provided by FEMA.

Federal Water Pollution Control Act

- (1) The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq.
- (2) The contractor agrees to report each violation to the (name of the state agency or local or Indian tribal government) and understands and agrees that the (name of the state agency or local or Indian tribal government) will, in turn, report each violation as required to assure notification to the (name of recipient), Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.
- (3) The contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with Federal assistance provided by FEMA."

8. Debarment and Suspension.

- a. Applicability. This requirement applies to all FEMA grant and cooperative agreement programs.
- b. Non-federal entities and contractors are subject to the debarment and suspension regulations implementing Executive Order 12549, *Debarment and Suspension* (1986) and Executive Order 12689, *Debarment and Suspension* (1989) at 2 C.F.R. Part 180 and the Department of Homeland Security's regulations at 2 C.F.R. Part 3000 (Non procurement Debarment and Suspension).
- c. These regulations restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs and activities. See 2 C.F.R. Part 200, Appendix II, ¶ H; and *Procurement Guidance for Recipients and Subrecipients Under 2 C.F.R. Part 200 (Uniform Rules): Supplement to the Public Assistance Procurement Disaster Assistance Team (PDAT) Field Manual* Chapter IV, ¶ 6.d, and Appendix C, ¶ 2 [hereinafter *PDAT Supplement*]. A contract award must not be made to parties listed in the SAM Exclusions. SAM Exclusions is the list maintained by the General Services Administration that contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as

parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. SAM exclusions can be accessed at www.sam.gov. See 2 C.F.R. § 180.530; PDAT Supplement, Chapter IV, ¶ 6.d and Appendix C, ¶ 2.

- d. In general, an “excluded” party cannot receive a Federal grant award or a contract within the meaning of a “covered transaction,” to include subawards and subcontracts. This includes parties that receive Federal funding indirectly, such as contractors to recipients and subrecipients. The key to the exclusion is whether there is a “covered transaction,” which is any non-procurement transaction (unless excepted) at either a “primary” or “secondary” tier. Although “covered transactions” do not include contracts awarded by the Federal Government for purposes of the non-procurement common rule and DHS’s implementing regulations, it does include some contracts awarded by recipients and subrecipient.
- e. Specifically, a covered transaction includes the following contracts for goods or services:
 - (1) The contract is awarded by a recipient or subrecipient in the amount of at least \$25,000.
 - (2) The contract requires the approval of FEMA, regardless of amount.
 - (3) The contract is for federally required audit services.
 - (4) A subcontract is also a covered transaction if it is awarded by the contractor of a recipient or subrecipient and requires either the approval of FEMA or is in excess of \$25,000.
- d. The following provides a debarment and suspension clause. It incorporates an optional method of verifying that contractors are not excluded or disqualified:

“Suspension and Debarment

- (1) This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).
- (2) The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.
- (3) This certification is a material representation of fact relied upon by (insert name of subrecipient). If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to (name of state agency serving as recipient and name of subrecipient), the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.
- (4) The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.”

9. Byrd Anti-Lobbying Amendment.

- a. Applicability: This requirement applies to all FEMA grant and cooperative agreement programs.
- b. Contractors that apply or bid for an award of \$100,000 or more must file the required certification. See 2 C.F.R. Part 200, Appendix II, ¶ I; 44 C.F.R. Part 18; *PDAT Supplement*, Chapter IV, 6.c; Appendix C, ¶ 4.
- c. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. § 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. See *PDAT Supplement*, Chapter IV, ¶ 6.c and Appendix C, ¶ 4.
- d. The following provides a Byrd Anti-Lobbying contract clause:

"Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended)

Contractors who apply or bid for an award of \$100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient."

APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements (To be submitted with each bid or offer exceeding \$100,000)

The undersigned [Contractor] certifies, to the best of his or her knowledge, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form- LLL, "Disclosure

Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31, U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). 10. Procurement of Recovered Materials.

- a. Applicability: This requirement applies to all FEMA grant and cooperative agreement programs.
- b. A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, Pub. L. No. 89-272 (1965) (codified as amended by the Resource Conservation and Recovery Act at 42 U.S.C. § 6962). See 2 C.F.R. Part 200, Appendix II, ¶ J; 2 C.F.R. § 200.322; PDAT Supplement, Chapter V, ¶ 7.
- c. The requirements of Section 6002 include procuring only items designated in guidelines of the EPA at 40 C.F.R. Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired by the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.
- d. The following provides the clause that a state agency or agency of a political subdivision of a state and its contractors can include in contracts meeting the above contract thresholds:

(2) Information about this requirement, along with the list of EPA- designate items, is available at EPA's Comprehensive Procurement Guidelines web site, <https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program>."

11. Additional FEMA Requirements.

a. The Uniform Rules authorize FEMA to require additional provisions for non- Federal entity contracts. FEMA, pursuant to this authority, requires or recommends the following:

b. Changes.

To be eligible for FEMA assistance under the non-Federal entity's FEMA grant or cooperative agreement, the cost of the change, modification, change order, or constructive change must be allowable, allocable, within the scope of its grant or cooperative agreement, and reasonable for the completion of project scope. FEMA recommends, therefore, that a non-Federal entity include a changes clause in its contract that describes how, if at all, changes can be made by either party to alter the method, price, or schedule of the work without breaching the contract. The language of the clause may differ depending on the nature of the contract and the end-item procured.

c. Access to Records.

All non-Federal entities must place into their contracts a provision that all contractors and their successors, transferees, assignees, and subcontractors acknowledge and agree to comply with applicable provisions governing Department and FEMA access to records, accounts, documents, information, facilities, and staff. See DHS Standard Terms and Conditions, v 3.0, ¶ XXVI (2013).

d. The following provides a contract clause regarding access to records:

"Access to Records. The following access to records requirements apply to this contract:

(1) The contractor agrees to provide (insert name of state agency or local or Indian tribal government), (insert name of recipient), the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions.

(2) The Contractor agrees to permit any of the foregoing parties to reproduce by

any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

(3) The contractor agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the contract."

12. DHS Seal, Logo, and Flags.

- a. All non-Federal entities must place in their contracts a provision that a contractor shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre-approval. See DHS Standard Terms and Conditions, v 3.0, ¶ XXV (2013).
- b. The following provides a contract clause regarding DHS Seal, Logo, and Flags: "The contractor shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre-approval."

13. Compliance with Federal Law, Regulations, and Executive Orders.

- a. All non-Federal entities must place into their contracts an acknowledgement that FEMA financial assistance will be used to fund the contract along with the requirement that the contractor will comply with all applicable federal law, regulations, executive orders, and FEMA policies, procedures, and directives.
- b. The following provides a contract clause regarding Compliance with Federal Law, Regulations, and Executive Orders: "This is an acknowledgement that FEMA financial assistance will be used to fund the contract only. The contractor will comply will all applicable federal law, regulations, executive orders, FEMA policies, procedures, and directives."

14. No Obligation by Federal Government.

- a. The non-Federal entity must include a provision in its contract that states that the Federal Government is not a party to the contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.
- b. The following provides a contract clause regarding no obligation by the Federal Government: "The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract."

15. Program Fraud and False or Fraudulent Statements or Related Acts.

- a. The non-Federal entity must include a provision in its contract that the contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to its actions pertaining to the contract.

Additional contract clauses per 2 C.F.R. § 200.325

For applicable construction/reconstruction/renovation and related services: A payment and performance bond are both required for 100 percent of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract. A "payment bond" is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided in the contract.

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisement for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to attempt in good faith to employ minority and female workers trade consistent with the applicable county employment goal prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time.

The contractor or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the state of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

The contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM**Public Agency Instructions**

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). Please refer back to these instructions for the appropriate links, as the Local Finance Notices include links that are no longer operational.

1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
 - a. The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at <http://www.nj.gov/dca/divisions/dlgs/programs/lpcl.html#12>. They will be updated from time-to-time as necessary.
 - b. A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
 - c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
 - d. The form may be used “as-is”, subject to edits as described herein.
 - e. The “Contractor Instructions” sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
 - f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a “Stockholder Disclosure Certification.” This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract (See Local Finance Notice 2006-7 for additional information on this obligation at http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. NOTE: This section is not applicable to Boards of Education.

A. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a “fair and open” process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
 - of the public entity awarding the contract
 - of that county in which that public entity is located
 - of another public entity within that county
 - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

* N.J.S.A. 19:44A-3(s): “The term "legislative leadership committee" means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures.”

For instruction on how to bid, refer to the CalUsource Supplier Bidding Guide under the Guidelines section of the Public Bid Site.

B. Proposal Submittal and Evaluation

1. This solicitation, the evaluation of proposals, and the award of any resulting contract will be made in conformance with applicable UC policies and California law. UC reserves the right to withdraw this RFX at any time. All documents submitted to UC in response to this RFX will become the exclusive property of UC and will not be returned.
2. Supplier is strongly encouraged to complete and submit its proposal/bid (“Proposal”) in the Public Bid Site well before the RFX closing date and time. A late Proposal will not be accepted after the RFX closing date and time.
3. Proposals must follow the format specified in the RFX. The submission of a Proposal confirms that it has been issued and reviewed by an individual authorized to enter into contracts on behalf of Supplier.
4. Supplier must not provide superfluous materials such as marketing materials or website links in response to or in lieu of the Questionnaires Section, and may be disqualified for providing superfluous materials. Supplier may, however, use attachments or website links to respond to Cost Questions if Cost is directly referenced in the question and such materials respond specifically to the question without extraneous information.
5. Any contract(s) resulting from this RFX will be awarded to the responsive and responsible Supplier who’s Proposal, in UC’s opinion, offers the greatest benefit to UC. Proposals will be evaluated by the UC evaluation team using the methodology set forth in the RFX Evaluation document attached to this RFX. NOTE: This applies to RFPs, RFQs, and RFQs only. RFIs do not result in contracts.
6. UC may waive irregularities in a Proposal provided that, in UC’s judgment, such action will not negate fair competition and will permit proper comparative evaluation of proposals. UC’s waiver of an immaterial deviation or defect will not modify the RFX documents or excuse Supplier from full compliance with the RFX specifications in the event a contract is awarded to Supplier.

7. UC reserves the right to reject all proposals, make more than one award, or make no award. Based on the results of this RFX process, UC reserves the right to request one or more separate proposals for selected items, with a select group of suppliers, including direct manufacturers of these products. Based on the results of such requests, UC or its locations may enter into contracts with other suppliers to provide those products, while remaining UC locations may buy those products through this RFX. Any contract awarded pursuant to this RFX will incorporate the RFX requirements and specifications, as well the contents of the Proposal as accepted by UC, and will be in writing.
8. Supplier must operate within the guidelines of all federal, state, and local labor laws and codes. Supplier must possess all trade, professional or business licenses as may be required by the work contemplated by this RFX.
9. Supplier will bear all costs incurred in the preparation and submission of the Proposal and related documentation, including Supplier's presentations to UC. If Supplier is the apparent awardee, Supplier will bear its own costs in negotiating and finalizing an agreement with UC.
10. Several UC campuses have enabled e-commerce using hosted catalogs and punch-outs. Supplier may be asked to comply with campus e-commerce requirements on a campus by campus basis, but must adhere to UC system-wide policy for consistency in catalog loading, pricing, and product flagging. Suppliers must clearly identify products with UC-recognized certifications, as defined by the [UC Sustainable Procurement Guidelines](#), in both hosted and punch-out catalog e-procurement environments, where enabled.
11. UC may visit Supplier's site to verify that Supplier will meet the RFX specifications set forth in the Statement of Work ("RFX Specifications"). Additionally, in assessing Supplier's ability to perform, UC may consider factors including but not limited to Supplier's financial resources, past performance with UC, references from other customers, experience, organization, personnel, technical skills, operational controls, sustainable offerings and practices, supplier diversity, equipment, and quality control.

C. UC Sustainable Practices Policy

Recognizing the substantial impact that procurement decisions have on the environment, society, and the economy, the University of California will maximize its procurement of sustainable products and services, within the constraints of research needs and budgetary requirements and in compliance with all applicable rules, regulations and laws. The University values the health and wellbeing of its students, staff, faculty, visitors, and suppliers, and seeks to provide healthy and accessible conditions for the communities it serves, as well as those throughout its supply chain. As such, product, service, and supply chain impacts to health and wellbeing will be considered as fundamental factors when making procurement decisions. Where functional alternatives to harmful products and/or services exist, they will be strongly preferred.

1. **Packaging Requirements:** Packaging for all products procured by the University must be designed, produced, and distributed to the end user in a sustainable manner. The University requires that all packaging be compliant with the Toxics in Packaging Prevention Act (AB 455) as to be free of any intentionally introduced lead, cadmium, mercury or hexavalent chromium, and containing no incidental concentrations of these regulated metals greater than 100 parts per million (ppm) by weight. In addition, the University requires that all packaging meet at least one of the criteria listed below:
 - Uses bulk packaging;
 - Uses reusable packaging (e.g. totes reused by delivery service for next delivery);
 - Uses innovative packaging that reduces the weight of packaging, reduces packaging waste, or utilizes packaging that is a component of the product;
 - Maximizes recycled content and/or meets or exceeds the minimum post-consumer content

level for packaging in the U.S. Environmental Protection Agency Comprehensive Procurement Guidelines;

- Uses locally recyclable or certified compostable material.

The University has prohibited the use of Expanded Polystyrene (EPS) in foodservice facilities for takeaway containers. By 2020, the University will prohibit the sale, procurement, and distribution of expanded plastic foam materials [such as Expanded Polystyrene (EPS), Expanded Polyethylene (EPE), Expanded Polyurethane, and expanded plastic foam hybrids] at all UC locations other than that utilized for laboratory supply or medical packaging and products where there is no functional alternative.

2. Environmental Marketing Claims: The University requires all sustainability related purchasing claims to be supported with UC-recognized certifications and/or detailed information on proven benefits, durability, recycled content, and recyclability properties, in accordance with the Federal Trade Commission's (FTC) Green Guides for the use of environmental marketing claims.

D. California Public Records Act

All proposals, supporting materials and related documentation are subject to the California Public Records Act. Marking a document "confidential" or "proprietary" may not prevent its release.

E. Insurance Requirements

If awarded a contract, Supplier must name UC as an additional insured and furnish a certificate of insurance acceptable to UC as outlined in the Terms and Conditions set forth in the RFX.

F. Errors & Omissions

Supplier should immediately notify UC of any apparent discrepancy, error, omission, ambiguity or lack of clarity in this RFX, any attachments, references and amendments. Supplier will not be entitled to compensation for any error or discrepancy that appears in this RFX.

G. Federal and State Water and Air Pollution Laws

UC will not contract with entities in violation of Federal or State water or air pollution laws. To determine if the State of California has a record that Supplier is in violation of California pollution laws, Supplier may contact the California Air Resources Board and California Water Resources Control Board. Supplier must disclose on an addendum to its Proposal any open violations of water or air pollution laws, along with Supplier's action plans to remedy the violations.

H. Collusion among Suppliers

Collusion among Suppliers is not allowed. If there is proof of collusion among Suppliers, UC will reject all proposals involved in the collusive action.

I. Exclusions

Supplier is advised that some goods and/or services may be subject to pre-existing agreements with other Suppliers, or may be outside the scope of this RFX and may not be included in any awarded contract or may be included on a limited basis.

J. Disqualification

UC may disqualify any Supplier that does not adhere to the provisions in this Required Supplier Information.

K. Multiple Proposals

Supplier may not submit or be interested in more than one proposal for the same RFX; provided, however, that a person or firm that submitted a sub-proposal to a Supplier or who has quoted prices for goods and/or services to a Supplier is not thereby disqualified from submitting a sub-proposal quoting prices to other Suppliers.

L. Specifications and Exceptions

1. Unless documented as an Exception, the submission of a Proposal will confirm Supplier's acceptance of all RFX Specifications. In documenting an Exception to the RFX Specifications, Supplier must provide a detailed itemization and explanation for each deviation from the RFX Specifications, clearly describing any alternate goods and/or services that could be provided to satisfy those requirements. Supplier should list any items it wishes to exclude from its standard catalog. Absence of an itemization and explanation will mean that Supplier is willing and able to meet all RFX Specifications. If Supplier does not document an Exception regarding the RFX Specifications and it is found that goods and/or services delivered do not meet the RFX Specifications, Supplier will be required to correct same at Supplier's expense.
2. Unless documented as an Exception, Supplier's submission of a Proposal confirms acceptance of UC's Guidelines and Contract Documents. In documenting an Exception to the Guidelines or Contract Documents, Supplier must itemize in detail any exceptions taken to the Guidelines or Contract Documents and provide alternative language or provisions for UC to review. UC will not consider the submission of Supplier's terms and conditions to be documentation of an Exception. UC reserves the right to modify the Guidelines and Contract Documents as it deems necessary either before or during any negotiations with Supplier until mutual agreement is achieved.
3. Supplier is cautioned that if UC does not approve Supplier's request for Exception to the RFX Specifications and/or Guidelines and Contract Documents, and Supplier does not withdraw the request, the Proposal may be deemed non-responsive and ineligible for contract award.

M. Complaints and Protests

Controversies over the solicitation or award of a contract are covered by University of California Policy <https://www.ucop.edu/procurement-services/policies-forms/business-and-finance/index.html>, which is posted online. The policy requests that a party with a complaint regarding the solicitation or award of a contract first attempt to resolve the complaint with the University contracting officer involved in the transaction.

If the complaint cannot be resolved informally, the complainant may file a formal written protest with the University contracting officer who will escalate this protest to the proper authority. Complainants should use the phrase "Formal Bid Protest" in the communication's subject line to indicate the intent to escalate the complaint. Under UC policy, formal written protests must be filed promptly (and in any event within two calendar weeks after the complainant knows or should have known the facts giving rise to the protest).

N. Offshoring of Services

Supplier must do one of the following in its Proposal:

1. Certify *under penalty of perjury* that the services will be performed solely with workers within the United States, including any services that Supplier would provide using a sub-supplier; or
2. Describe in its bid any parts of the services that will be performed by workers outside of the United States.

Additionally, UC will not, as a part of the contract that will displace UC employees, pay to train workers located in foreign countries or who plan to relocate to a foreign country. Please note that a condition of awarding a contract will be that Supplier agree to the warranties in Article 6(I) of UC's Terms & Conditions of Purchase.

Appendix- Electronic Commerce

This Electronic Commerce Appendix specifies the electronic commerce requirements applicable to Supplier in providing the Goods and/or Services.

SECTION 1 - GENERAL TERMS

Each UC Location offers an electronic web-based purchasing and catalog system to facilitate the purchase of Goods and/or Services from UC suppliers. UC Locations' eProcurement systems currently are provided by multiple service providers. Eight of the ten UC campuses utilize the same platform but may require separate implementations, as will the remaining campuses and/or Medical Centers. This Appendix sets forth the terms and conditions that will govern Supplier's sale of Goods and/or Services through UC's eProcurement systems.

SECTION 2 - DEFINITIONS

Catalog(s) refers to the list of detailed product information, agreement pricing, manufacturer part numbers and/or service descriptions relating to the Goods and/or Services to be offered either as a Punch-out Catalog, a Hosted Catalog or in a combination. This may include the creation of multiple Hosted Catalogs.

eProcurement and eCommerce are used interchangeably to mean UC's electronic web-based purchasing and catalog systems. Each UC location has a branded eProcurement site.

Go Live Date means the date on which a Catalog will be active.

Hosted Catalog means a Catalog that is a properly formatted computer file supplied to all UC Locations through the Locations' respective eProcurement systems.

Order means a purchase order for Goods and/or Services placed by a User through an eProcurement system.

Order Data means all data and information relating to Orders, including, without limitation, the specifics of a given transaction.

Punch-out Catalog means a Catalog hosted by Supplier on Supplier's Site. Users may access this Punch-out Catalog via an Internet link provided by Supplier to UC that redirects a User from the Location's eProcurement system to Supplier Site.

Supplier Mark means Supplier's name, trade name and/or trademarks, service mark, or any derivation thereof.

Supplier Site means an internet site operated and maintained by Supplier that has been made subject to this Appendix.

UC Mark means UC's name, trade name and/or trademarks, service marks, or any derivation thereof.

User means an individual authorized by a UC location to use an eProcurement system.

SECTION 3 – RIGHT TO USE

UC grants to Supplier the right to sell Goods and/or Services to UC through the eProcurement systems, subject to the terms of this agreement. Supplier will be responsible for any cost of operation or dispute with regard to its interface with UC's eProcurement systems.

SECTION 4 – e-PROCUREMENT SYSTEM RESPONSIBILITIES; MAINTENANCE OF CATALOG(S); LICENSE

(a) e-Procurement System Responsibilities.

Except as otherwise set forth herein, each party will be responsible, at its own expense, for: (i) developing, operating and maintaining its relevant system(s); (ii) acquiring and maintaining its server hardware and software (or obtaining third-party hosting services) for its relevant system(s); and (iii) maintaining Internet connectivity.

The supplier will enable its catalog with any UC location that requests one, as long as it is not out of the scope of the terms of the agreement or this appendix. The parties agree to electronically link the functionality of their respective systems, using commercially reasonable efforts.

Purchase Order and Invoice/Credit Memo Data will be transmitted between the systems according to the appropriate method for each University location, cXML, xCBL or EDI standards being preferred. Other methods of PO or Invoice/Credit Memo transmission will only be allowed at the discretion of each University location.

A supplier's Punch-out site (if applicable) will permit: (a) Users to access the Supplier Site when a User selects the Punch-out Catalog; (b) Supplier site to send back user selected items to Location's eProcurement system; (c) User to create an Order through the Location's eProcurement system; and (d) UC eProcurement systems to forward an Order to Supplier for confirmation and Order processing along with Order status inquiry.

Supplier must be able to accommodate orders and invoices for multiple UC locations sharing a single eProcurement platform. Supplier must be able to identify the Punch-out session and transmitted PO as being from the individual locations. If providing a Punch-out catalog, Supplier must be able to accommodate multiple UC locations on a single platform using a single Punch-out site, unless requested otherwise by UC.

(b) Maintenance of Hosted and Punch-out Catalogs.

Supplier will provide its Catalog(s) to UC in a file format that will interface seamlessly with UC's eProcurement systems. These Catalog files will be in compliance with each UC Location's eProcurement system.

UC makes no guarantee of a Go Live Schedule for establishment of a new catalog Systemwide, as each Location is a separate enablement and subject to resource availability. Timelines will be estimated and adjusted by UC as needed for concurrent implementations.

For Hosted Catalogs, Supplier must provide UC with updated versions of the Catalog file with, at a minimum, full descriptions and images that Supplier currently utilizes for items offered in its proprietary websites and Punch-out Catalogs. The parties will update each other regarding eCommerce specifications as needed from time to time.

Supplier must notify UC's Contract Administrator at least three (3) weeks in advance of the proposed Go Live Date if it will be requesting additions, deletions, or modifications to the Catalogs. After such advance notification, Supplier must provide UC with Catalog files containing the requested additions, deletions, or modifications with no less than the lead time specified in Section 10 of this appendix. In addition, for price file updates with a mutually agreed upon activation of January 1, Supplier must submit proposed files at least five (5) weeks prior to the first working day in January. Upon UC's approval of the new Catalog file, UC and Supplier will confirm the Go Live Date; the updated version of the Catalog file will be made effective on that Go Live date. If UC rejects a Catalog more than once because it does not meet UC's acceptance criteria, the Contract Administrator will suspend Supplier's price/content change until the date of Supplier's next acceptable contracted change.

If there is a conflict between a price in a Hosted Catalog and a Punch-out Catalog, UC will be invoiced at the lower price. Supplier must notify UC in advance when substituting items, changing SKU numbers or changing the number of items in a package in any Catalog.

Content in Supplier catalog is limited to the categories specified in this agreement, with additional categories allowed at UC's discretion. Supplier agrees that UC may block Catalog items at the category and/or SKU level.

The University will require Supplier to clearly identify products as Hazardous Materials, Radioactive, and Controlled Substances in the Supplier's catalog, whether Hosted or Punch-out. For Punch-out the identifier will be returned to the cart of the Location's eProcurement system, in a manner/field acceptable to the Location.

The University will require Supplier to clearly identify products with UC-recognized sustainability/green certifications in both hosted and Punch-out catalogs. UC's Contract Administrator will work with Supplier to ensure that contract items that meet the UC criteria for Green/Sustainable products will be prioritized in all product searches. Products that do not meet UC's minimum criteria requirements may be blocked in all hosted catalogs and Punch-out catalogs at UC's discretion.

Supplier is responsible for providing UC with Catalogs that contain accurate pricing and data in accordance with the Agreement. If UC determines there are errors in the pricing or data attributes of a Catalog, UC will notify Supplier of those errors in writing and reject the Catalog. Supplier will have no more than ten (10) business days to review and correct the errors.

(c) License.

Supplier hereby grants to UC, at no additional cost, a limited, non-exclusive, royalty-free right to link to and access the Supplier Site from the eProcurement sites, subject to the terms and conditions herein and solely for the purpose of permitting Users to access the Services. All Supplier Marks will remain the sole property of Supplier.

(d) Accessibility Requirements.

Supplier agrees that Supplier will make available Goods/Services accessible to people with disabilities and conform to the technical requirements of the relevant Revised Standards of Section 508 of the federal Rehabilitation Act. In addition, Supplier warrants that:

- i. Any catalog content provided to UC will comply with the accessibility requirements of WCAG 2.0AA.
- ii. Supplier will promptly respond to and resolve any complaint regarding accessibility of any catalog content provided to UC.

SECTION 5 – USER SUPPORT

(a) UC Duties. Each UC Location will provide its Users with initial contact and system support assistance on all functionality and use issues for eProcurement (including links to the Supplier Site). When known, UC will promptly notify Supplier of any such issues relating to the Catalog, the Supplier Site, and/or other Supplier materials/systems.

(b) Supplier Duties. Supplier will provide all customer support relating to the Catalog, Supplier Goods and/or Services, Invoicing/Payment/Credits, and Supplier Sites in a manner consistent with the customer support that Supplier provides to other customers, and at least as good as the customer support that Supplier provides to customers who are purchasing through any other means.

SECTION 6 – PROPRIETARY RIGHTS

UC's Terms and Conditions of Purchase contains provisions regarding the parties' rights and responsibilities with respect to intellectual property relating to the Goods and Services. Without altering those provisions, the parties additionally agree as follows: UC may require Supplier to "brand" Supplier's Punch-out Catalog with one or more UC Marks. If UC requires Supplier to utilize one or more UC Marks on Supplier's Punch-out Catalog, UC will provide the appropriate artwork and such artwork will be deemed to have been provided with a limited, non-exclusive, non-sub-

licensable right for Supplier to use it solely for the purpose of a UC-branded Punch-out Catalog hosted by Supplier and subject to the following terms:

- (i) Supplier may not make any additional use of the UC Marks without UC's prior written approval.

Supplier's use of the UC Marks in the Punch-out Catalog must acknowledge UC's ownership of the UC Marks. Supplier will include all notices and legends with respect to UC trademarks, trade names, or copyrights as may be required by applicable trademark and copyright laws or which may be reasonably requested by UC. Supplier agrees not to claim any title to UC Marks or any right to use UC Marks except as permitted by this Appendix. Upon termination of this Appendix or the Agreement, all rights to UC Marks conveyed by UC to Supplier will cease and Supplier will destroy or return to UC all media with UC Marks. UC specifically reserves any and all rights to UC Marks not specifically granted to Supplier.

Supplier grants to UC the right to use Supplier's trademarks, logos, trade names, and service marks for the purpose of promoting UC eProcurement sites to the UC community. UC acknowledges Supplier's right, title, and interest in and to Supplier's Marks and Supplier's exclusive right to use and license the use of Supplier Marks and agrees not to claim any title to Supplier Marks or any right to use Supplier Marks except as permitted by this Appendix. UC will include all notices and legends with respect to Supplier trademarks, trade names, or copyrights as may be required by applicable trademark and copyright laws or which may be reasonably requested by Supplier. Upon termination of this Appendix, all rights to Supplier Marks conveyed by Supplier to UC will cease and UC will destroy or return to Supplier all media with Supplier Marks. Supplier specifically reserves any and all right to Supplier Marks not specifically granted to UC.

- (ii) The licenses granted in the previous paragraphs regarding UC Marks and Supplier Marks are subject to the ongoing approval of the party owning the respective trademarks, logos, trade names, or copyrights. Such ongoing approval includes the ability to terminate – at any time, for any reason, and in the sole discretion of the owner of the respective trademarks, logos, trade names, or copyrights – the trademark licenses provided in the preceding paragraphs for any particular trademark, logo, trade name, or copyrighted work without necessarily terminating this Appendix. Each party agrees not to take any action that will adversely reflect upon or damage the goodwill, reputation, or the brand value of the other party. Each party further agrees not to take any action that is inconsistent with the other party's ownership of the respective trademarks, trade names, or copyrights. At all times (including following termination of the Agreement), Supplier agrees to comply with Section 92000 of California's Education Code.

(a) Grant of License. Supplier hereby grants UC a non-exclusive, royalty-free: (i) license to use, copy, transmit, and display the Catalog, any information contained therein and the Supplier Marks for the purposes of permitting Customers to access information about and order Supplier Goods and/or Services from a Catalog and (ii) if Supplier is using a Punch-out Catalog, right to link to and access the Punch-out Catalog on the Supplier Site, for the purposes of permitting Customers to access the Supplier Website and permitting Customers to order Supplier Goods and/or Services.

(b) Modifications. UC will not modify or remove any of the proprietary rights markings in the Catalog. UC will not modify the content of the Catalog, except as indicated by Supplier, but may require Supplier to make and submit modifications if required as part of this agreement. However, for hosted catalogs, UC reserves the right to attach flags to catalog items as an aid to shoppers in selecting preferred items, such as green or recycled. UC will not make any representations or warranties, or provide any information, to any third party regarding any Supplier Goods and/or Services (including, but not limited to, any representations or warranties of any information regarding availability, delivery, pricing, characteristics, qualifications or specifications thereof). If UC believes in good faith that any Supplier information does not conform to the requirements of the associated UC Agreement or this Appendix, UC will be entitled to withdraw the Catalog from UC eProcurement sites. In such a case, UC will promptly notify the Supplier of the actions it has taken and will work with the Supplier promptly to resolve UC's concerns. When UC's

concerns are satisfactorily resolved UC will promptly restore the Catalog, if appropriate. UC will have no liability to the Supplier or anyone else for exercising these rights.

(c) Acknowledgment. Each party acknowledges that the technology embodied in the other party's Site may be based on patented or patentable inventions, trade secrets, copyrights or other intellectual property or proprietary rights ("Intellectual Property Rights") owned by the other party and its applicable licensors.

(d) UC Rights. As between the parties, UC will be the sole owner of – or, with respect to any items licensed by UC, will retain all rights to all Intellectual Property Rights associated with UC eProcurement sites, including any modifications, updates, enhancements or upgrades to any of the foregoing, as well as any Order Data generated or collected on such site (collectively, the "UC Materials"). Except as provided herein, Supplier may not copy or use in any way, in whole or in part, any UC Materials without UC's prior written approval. Any permitted copies of such property, in whole or in part, alone or as part of a derivative work, will remain UC's sole property. Supplier agrees to reproduce and include UC's copyright, trademark and other proprietary rights notices on any permitted copies of UC Materials including, without limitation, partial copies and copied materials in derivative works. Supplier will not copy or reproduce any third-party copyrighted or trademarked materials, which appear on or are otherwise associated with any UC eProcurement site without UC's prior written consent.

SECTION 7 – MULTIPLE SUPPLIERS

Supplier acknowledges that all UC eProcurement sites are intended to facilitate Users' ability to obtain Goods and/or Services from more than one supplier. Nothing in this Appendix will be construed to prevent UC from entering into similar agreements with any third parties including, without limitation, suppliers that may be in competition with Supplier.

SECTION 8 – WARRANTY DISCLAIMER

UC does not warrant that access to UC eProcurement sites will be uninterrupted or that the results obtained by use of UC eProcurement sites will be error-free.

SECTION 9 – DISPUTES AND CHANGES IN THE SERVICES

(a) UC and Supplier agree to negotiate in good faith to resolve problems, questions and disputes.

(b) Where improvements and clarifications can be made in the business processes related to eProcurement, both parties agree to incorporate such changes as long as they are mutually agreed upon.

SECTION 10 – ADDITIONAL CONTRACTUAL TERMS

In addition to the provisions of Section 4, Section 10 provisions will govern the Catalogs. If the provisions of Sections 4 and 10 conflict, Section 10 will govern.

Type(s) of Catalog(s): At UC's campus discretion, Supplier is allowed to implement a [**specify hosted, Punch-out, or both**] catalog in the UC eProcurement systems. FEMA CONTRACT ADDENDUM¹

This Agreement and/or Purchase Order is in response to the COVID-19 pandemic, and is eligible for FEMA reimbursement under section 501 (b) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. 5121-5207 (the "Stafford Act"). Accordingly, the following additional terms apply to this Agreement and/or Purchase Order. To the extent of any conflict between the terms set forth in this Addendum and other terms set forth in the Agreement and/or Purchase Order, the terms of this Addendum shall control.

1. Remedies. UC may by written notice terminate the Agreement for Supplier's breach of the Agreement, in whole or in part, at any time, if Supplier refuses or fails to comply with the provisions of the Agreement, or so fails to make progress as to endanger performance and does not cure such failure within five (5) business days, or fails to supply the Goods and/or Services within the time specified or any written extension thereof. In such event, UC may purchase or otherwise secure Goods and/or Services and, except as otherwise provided herein, Supplier will be liable to UC for any excess costs UC incurs thereby.
2. Termination for Cause or Convenience. UC may, by written notice stating the extent and effective date thereof, terminate the Agreement for convenience in whole or in part, at any time. The effective date of such termination shall be consistent with any requirements for providing notice specified in the Agreement, or immediate if no such terms are set forth in the Agreement. As specified in the termination notice, UC will pay Supplier as full compensation the pro rata Agreement price for performance through the later of the date that (i) UC provided Supplier with notice of termination or (ii) Supplier's provision of Goods and/or Services will terminate.
1. Clean Air Act and Federal Water Pollution Act. Supplier agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).
2. Suspension and Debarment.
 - a. This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such, the Supplier is required to verify that none of the Supplier's principals (defined at 2 C.F.R. § 180.995) or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).
 - b. The Supplier must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.
 - c. This certification is a material representation of fact relied upon by (insert name of recipient/subrecipient/applicant). If it is later determined that the Supplier did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to UC, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

¹ This addenda applies in the event UC seeks federal reimbursement from FEMA for procurements. Refer to the body of the Alert for guidance on inclusion of each term.

- d. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.
3. Byrd Anti-Lobbying Amendment. Suppliers who apply or bid for an award of \$100,000 or more shall file the required certification set forth in Appendix A to 44 C.F.R. Part 18. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, officer or employee of Congress, or an employee of a Member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient who in turn will forward the certification(s) to the awarding agency.
4. Procurement of Recovered Materials. (i) In the performance of this contract, Supplier shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired competitively within a timeframe providing for compliance with the contract performance schedule; meeting contract performance requirements; or at a reasonable price. (ii) Information about this requirement, along with the list of EPA designated items, is available at EPA's Comprehensive Procurement Guidelines web site, <https://www.epa.gov/smm/comprehensiveprocurement-guideline-cpg-program>. (iii) Supplier also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.
5. Access to Records. The Agreement, and any pertinent records involving transactions relating to this Agreement, is subject to the examination and audit of the Auditor General of the State of California or Comptroller General of the United States or designated Federal authority for a period of up to five (5) years after final payment under the Agreement. UC, and if the underlying grant, cooperative agreement or federal contract so provides, the other contracting Party or grantor (and if that be the United States or an instrumentality thereof, then the Comptroller General of the United States) will have access to and the right to examine Supplier's pertinent books, documents, papers, and records involving transactions and work related to the Agreement until the expiration of five (5) years after final payment under the Agreement. Terms and Conditions of Purchase

ARTICLE 1 – GENERAL

The equipment, materials, or supplies (“Goods”) and/or services (“Services”) furnished by Supplier (together, the “Goods and Services”) and covered by the UC Purchase Order (“PO”) and/or other agreement (which, when combined with these Terms and Conditions and any other documents incorporated by reference, will constitute the “Agreement”) are governed by the terms and conditions set forth herein. As used herein, the term “Supplier” includes Supplier and its sub-suppliers at any tier. As used herein, “UC” refers to The Regents of the University of California, a corporation described in California Constitution Art. IX, Sec. 9, on behalf of the UC Locations identified in the Agreement and/or the PO. UC and Supplier individually will be referred to as “Party” and collectively as “Parties.” Any defined terms not defined in these Terms and Conditions of Purchase will have the meaning ascribed to such term in any of the other documents incorporated in and constituting the Agreement. No other terms or conditions will be binding upon the Parties unless accepted by them in writing. Written acceptance or shipment of all or any portion of the Goods, or the performance of all or any portion of the Services, covered by the Agreement, will constitute Supplier’s unqualified acceptance of all of the Agreement’s terms and conditions. The terms of any proposal referred to in the Agreement are included and made a part of the Agreement only to the extent the proposal specifies the Goods and/or Services ordered, the price therefor, and the delivery thereof, and then only to the extent that such terms are consistent with the terms and conditions of the Agreement.

ARTICLE 2 – TERM AND TERMINATION

- A. As applicable, the term of the Agreement (“Initial Term”) will be stated in the Agreement. Following the Initial Term, the Agreement may be extended by written mutual agreement.
- B. UC’s obligation to proceed is conditioned upon the appropriation of state, federal and other sources of funds not controlled by UC (“Funding”). UC will have the right to terminate the Agreement without damage, penalty, cost or further obligation in the event that through no action or inaction on the part of UC, the Funding is withdrawn.
- C. UC may, by written notice stating the extent and effective date thereof, terminate the Agreement for convenience in whole or in part, at any time. The effective date of such termination shall be consistent with any requirements for providing notice specified in the Agreement, or immediate if no such terms are set forth in the Agreement. As specified in the termination notice, UC will pay Supplier as full compensation the pro rata Agreement price for performance through the later of the date that (i) UC provided Supplier with notice of termination or (ii) Supplier’s provision of Goods and/or Services will terminate.
- D. UC may by written notice terminate the Agreement for Supplier’s breach of the Agreement, in whole or in part, at any time, if Supplier refuses or fails to comply with the provisions of the Agreement, or so fails to make progress as to endanger performance and does not cure such failure within five (5) business days, or fails to supply the Goods and/or Services within the time specified or any written extension thereof. In such event, UC may purchase or otherwise secure Goods and/or Services and, except as otherwise provided herein, Supplier will be liable to UC for any excess costs UC incurs thereby.
- E. UC’s Appendix – Data Security, Appendix – BAA, and/or Appendix – GDPR will control in the event that one or more appendices are incorporated into the Agreement and conflicts with the provisions of this Article.

ARTICLE 3 – PRICING, INVOICING METHOD, AND SETTLEMENT METHOD AND TERMS.

Pricing is set forth in the Agreement or Purchase Order, and the amount UC is charged and responsible for shall not exceed the amount specified in the Agreement unless UC has given prior written approval. Unless otherwise agreed in writing by UC, Supplier will use the invoicing method and payment settlement method (and will extend the terms applicable to such settlement method) set forth in UC’s Supplier Invoicing, Terms & Settlement Matrix. UC will pay Supplier, upon submission of acceptable invoices, for Goods and/or Services provided and accepted. Invoices must be itemized and reference the Agreement or Purchase Order number. UC will not pay shipping, packaging or handling expenses, unless specified in the Agreement or Purchase Order. Unless otherwise provided, freight is to be FOB destination. Any of Supplier’s expenses that UC agrees to reimburse will be reimbursed under UC’s Travel Policy, which may be found at <http://www.ucop.edu/central-travel-management/resources/index.html>. Where applicable, Supplier will pay all taxes imposed on Supplier in connection with its performance under the Agreement, including any federal, state and local income, sales, use, excise and other taxes or assessments. Notwithstanding any other provision to the contrary, UC will not be responsible for any fees, interest or surcharges Supplier wishes to impose.

ARTICLE 4 – INSPECTION.

The Goods and/or Services furnished will be exactly as specified in the Agreement, free from all defects in Supplier's performance, design, skill and materials, and, except as otherwise provided in the Agreement, will be subject to inspection and test by UC at all times and places. If, prior to final acceptance, any Goods and/or Services furnished are found to be incomplete, or not as specified, UC may reject them, require Supplier to correct them at the sole cost of Supplier, or require provision of such Goods and/or Services at a reduction in price that is equitable under the circumstances. If Supplier is unable or refuses to correct such deficiencies within a time UC deems reasonable, UC may terminate the Agreement in whole or in part. Supplier will bear all risks as to rejected Goods and/or Services and, in addition to any costs for which Supplier may become liable to UC under other provisions of the Agreement, will reimburse UC for all transportation costs, other related costs incurred, or payments to Supplier in accordance with the terms of the Agreement for unaccepted Goods and/or Services and materials and supplies incidental thereto. Notwithstanding final acceptance and payment, Supplier will be liable for latent defects, fraud or such gross mistakes as amount to fraud.

Supplier will devote only its best-qualified personnel to work under the Agreement. Should UC inform Supplier that anyone providing the Services is not working to this standard, Supplier will immediately remove such personnel from providing Services and he or she will not Oagain, without UC's written permission, be assigned to provide Services. The Deliverables will be considered "work made for hire" under U.S. copyright law and all right, title, and interest to and in such Deliverables including, but not limited to, any and all copyrights or trademarks, will be owned by UC. In the event that it is determined that UC is not the owner of such Deliverables under the "work made for hire" doctrine of U.S. copyright law, Supplier hereby irrevocably assigns to UC all right, title, and interest to and in such Deliverables and any copyrights or trademarks thereto.
 2. The Deliverables must be new and original. Supplier must not use any pre-existing copyrightable or trademarked images, writings, or other proprietary materials (hereinafter "Pre-Existing Materials") in the Deliverables without UC's prior written permission. In the event that Supplier uses any Pre-Existing Materials in the Deliverables in which Supplier has an ownership interest, UC is hereby granted, and will have, a non-exclusive, royalty-free, irrevocable, perpetual, paid-up, worldwide license (with the right to sublicense) to make, have made, copy, modify, make derivative works of, use, perform, display publicly, sell, and otherwise distribute such Pre-Existing Materials in connection with the Deliverables.
 3. Whenever any invention or discovery is made or conceived by Supplier in the course of or in connection with the Agreement, Supplier will promptly furnish UC with complete information with respect thereto and UC will have the sole power to determine whether and where a patent application will be filed and to determine the disposition of title to and all rights under any application or patent that may result.
 4. Supplier is specifically subject to an obligation to, and hereby does, assign all right, title and interest in any such intellectual property rights to UC as well as all right, title and interest in tangible research products embodying any such inventions whether the inventions are patentable or not. Supplier agrees to promptly execute any additional documents or forms that UC may require in order to effectuate such assignment.
- B. Goods and/or Services Not Involving Work Made for Hire.

1. If the Goods and/or Services do not involve work made for hire, and in the event that Supplier uses any Pre-Existing Materials in the Deliverables in which Supplier has an ownership interest, UC is hereby granted, and will have, a non-exclusive, royalty-free, irrevocable, perpetual, paid-up, worldwide license (with the right to sublicense) to make, have made, copy, modify, make derivative works of, use, perform, display publicly, sell, and otherwise distribute such Pre-Existing Materials in connection with the Deliverables.
 2. The Deliverables must be new and original. Supplier must not use any Pre-Existing Materials in the Deliverables without UC's prior written permission.

- C. General. Should the Goods and/or Services become, or in Supplier's opinion be likely to become, the subject of a claim of infringement of any patent, copyright, trademark, trade name, trade secret, or other proprietary or contractual right of any third party, Supplier will provide written notice to UC of the circumstances giving rise to such claim or likely claim. In the event that UC receives notice of a claim of infringement or is made a party to or is threatened with being made a party to any claim of infringement related to the Goods and/or Services, UC will provide Supplier with notice of such claim or threat. Following receipt of such notice, Supplier will either (at Supplier's sole election) (i) procure for UC the right to continue to use the affected portion of the Goods and/or Services, or (ii) replace or otherwise modify the affected portion of the Goods and/or Services to make them non-infringing, or obtain a reasonable substitute product for the affected portion of the Goods and/or Services, provided that any replacement, modification or substitution under this paragraph does not effect a material change in the Goods and/or Services' functionality. If none of the foregoing options is reasonably acceptable to UC, UC will have the right to terminate the Agreement without damage, penalty, cost or further obligation.
- D. UC Rights to Institutional Information. Institutional Information shall belong exclusively to UC and unless expressly provided, this Agreement shall not be construed as conferring on Supplier any patent, copyright, trademark, license right or trade secret owned or obtained by UC. As used herein, "Institutional Information" means any information or data created, received, and/or collected by UC or on its behalf, including but not limited to application logs, metadata and data derived from such data.

The insurance will have a retroactive date of placement prior to or coinciding with the effective date of the Agreement. If the above insurance coverage is modified, changed or cancelled, Supplier will provide UC with not less than fifteen (15) days' advance written notice of such modification, change, or cancellation, and will promptly obtain replacement coverage that complies with this Article.
- I. The coverages referred to under A and B of this Article must include UC as an additional insured. It is understood that the coverage and limits referred to under A, B and C of this Article will not in any way limit Supplier's liability. Supplier will furnish UC with certificates

of insurance (and the relevant endorsement pages) evidencing compliance with all requirements prior to commencing work under the Agreement. Such certificates will:

1. Indicate that The Regents of the University of California has been endorsed as an additional insured for the coverage referred to under A and B of this Article. Terms and Conditions of Purchase

1. Rights to Inventions. If Supplier is a small business firm or nonprofit organization, and is providing experimental, development, or research work under this transaction, Supplier must comply with the requirements of 3 CFR Part 401, "Rights to Inventions Made by nonprofit Organizations and Small Business Firms Under Government Grants, Contracts, and Cooperative Agreements".

Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).
 3. Byrd Anti-Lobbying. Supplier certifies that it will not, and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352.
 4. Procurement of Recovered Materials. If Supplier is a state agency or agency of a political subdivision of a state, then Supplier must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act.
- D. In these provisions, the term "contractor" as used therein will refer to Supplier, and the terms "Government" or "Contracting Officer" as used therein will refer to UC. Where a purchase of items is for fulfillment of a specific U.S. Government prime or subcontract, additional information and/or terms and conditions may be included in an attached supplement. By submitting an invoice to UC, Supplier is representing to UC that, at the time of submission:
1. Neither Supplier nor its principals are presently debarred, suspended, or proposed for debarment by the U.S. government (see FAR 52.209-6);
 2. Supplier has filed all compliance reports required by the Equal Opportunity clause (see FAR 52.222-22); and
 3. Any Supplier representations to UC about U.S. Small Business Administration or state and local classifications, including but not limited to size standards, ownership, and control, are accurate and complete.

ARTICLE 12 – EQUAL OPPORTUNITY AFFIRMATIVE ACTION

Supplier will abide by the requirements set forth in Executive Orders 11246 and 11375. Where applicable, Supplier will comply with 41 CFR §§ 60-1.4(a), 60-300.5(a) and 60-741.5(a), incorporated by reference with this statement: **"This contractor and subcontractor shall abide by the requirements of 41 CFR §§ 60-1.4(a), 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, sexual orientation, gender identity, or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, protected veteran status or disability."** With respect to activities occurring in the State of California, Supplier agrees to adhere to the California Fair Employment and Housing Act. Supplier will provide UC on request a breakdown of its labor force by groups as specified by UC, and will discuss with UC its policies and practices relating to its affirmative action programs. Supplier will not maintain or provide facilities for employees at any establishment under its control that are segregated on a basis prohibited by federal law. Separate or single-user restrooms and necessary dressing or sleeping areas must be provided, however, to ensure privacy.

ARTICLE 13 – LIENS

Supplier agrees that upon UC's request, Supplier will submit a sworn statement setting forth the work performed or material furnished by sub-suppliers and material men, and the amount due and to become due to each, and that before the final payment called for under the Agreement, will upon UC's request submit to UC a complete set of vouchers showing what payments have been made for such work performed or material furnished. Supplier will promptly notify UC in writing, of any claims, demands, causes of action, liens or suits brought to its attention that arise out of the Agreement. UC will not make final payment until Supplier, if required, delivers to UC a complete release of all liens arising out of the Agreement, or receipts in full in lieu thereof, as UC may require, and if required in either case, an affidavit that as far as it has knowledge or information, the receipts include all the labor and materials for which a lien could be filed; but Supplier may, if any sub-supplier refuses to furnish a release or receipt in full, furnish a bond satisfactory to UC to indemnify it against any claim by lien or otherwise. If any lien or claim remains unsatisfied after all payments are made, Supplier will refund to UC all monies that UC may be compelled to pay in discharging such lien or claim, including all costs and reasonable attorneys' fees.

ARTICLE 14 – PREMISES WHERE SERVICES ARE PROVIDED

- A. Cleaning Up. Supplier will at all times keep UC premises where the Services are performed and adjoining premises free from accumulations of waste material or rubbish caused by its employees or work of any of its sub-suppliers, and, at the completion of the Services; will remove all rubbish from and about the premises and all its tools, scaffolding, and surplus materials, and will leave the premises "broom clean" or its equivalent, unless more exactly specified. In case of dispute between Supplier and its sub-suppliers as to responsibility for the removal of the rubbish, or if it is not promptly removed, UC may remove the rubbish and charge the cost to Supplier.
- B. Environmental, Safety, Health and Fire Protection. Supplier will take all reasonable precautions in providing the Goods and Services to protect the health and safety of UC employees and members of the public and to minimize danger from all hazards to life and property, and will comply with all applicable environmental protection, health, safety, and fire protection regulations and requirements (including reporting requirements). In the event that Supplier fails to comply with such regulations and requirements, UC may, without prejudice to any other legal or contractual rights of UC, issue an order stopping all or any part of the provision of the Goods and/or Services; thereafter a start order for resumption of providing the Goods and/or Services may be issued at UC's discretion. Supplier will not be entitled to make a claim for extension of time or for compensation or damages by reason of or in connection with such stoppage. Supplier will have sole responsibility for the safety of all persons employed by Supplier and its sub-suppliers on UC premises, or any other person who enters upon UC premises for reasons relating to the Agreement. Supplier will at all times maintain good order among its employees and all other persons who come onto UC's premises at Supplier's request and will not engage any unfit or unskilled person to provide the Goods and/or Services. Supplier will confine its employees and all other persons who come onto UC's premises at Supplier's request or for reasons relating to the Agreement and its equipment to that portion of UC's premises where the Services are to be provided or to roads leading to and from such work sites, and to any other area which UC may permit Supplier to use. Supplier will take all reasonable measures and precautions at all times to prevent injuries to or the death of any of its employees or any other person who enters upon UC premises at Supplier's request. Such measures and precautions will include, but will not be limited to, all safeguards and warnings necessary to protect workers and others against any conditions on the premises that could be dangerous and to prevent accidents of any kind whenever the Goods and/or Services are being provided in proximity to any moving or operating machinery, equipment or facilities, whether such machinery, equipment or facilities are the property of or are being operated by, Supplier, its sub-suppliers, UC or other persons. To the extent compliance is required, Supplier will comply with all relevant UC safety rules and regulations when on UC premises.
- C. Tobacco-free Campus. UC is a tobacco-free institution. Use of cigarettes, cigars, oral tobacco, electronic cigarettes and all other tobacco products is prohibited on all UC owned or leased sites.

ARTICLE 15 – LIABILITY FOR UC - FURNISHED PROPERTY

Supplier assumes complete liability for any materials UC furnishes to Supplier in connection with the Agreement and Supplier agrees to pay for any UC materials Supplier damages or otherwise is not able to account for to UC's satisfaction. UC furnishing to Supplier any materials in connection with the Agreement will not, unless otherwise expressly provided in writing by UC, be construed to vest title thereto in Supplier.

ARTICLE 16 – COOPERATION

Supplier and its sub-suppliers, if any, will cooperate with UC and other suppliers and will so provide the Services that other cooperating suppliers will not be hindered, delayed or interfered with in the progress of their work, and so that all of such work will be a finished and complete job of its kind.

ARTICLE 17 – ADDITIONAL TERMS APPLICABLE TO THE FURNISHING OF GOODS

The terms in this Article have special application to the furnishing of Goods:

- A. Price Decreases. Supplier agrees immediately to notify UC of any price decreases from its suppliers, and to pass through to UC any price decreases.
- B. Declared Valuation of Shipments. Except as otherwise provided in the Agreement, all shipments by Supplier under the Agreement for UC's account will be made at the maximum declared value applicable to the lowest transportation rate or classification and the bill of lading will so note.
- C. Title. Title to the Goods purchased under the Agreement will pass directly from Supplier to UC at the f.o.b. point shown, or as otherwise specified in the Agreement, subject to UC's right to reject upon inspection.

UNIVERSITY OF CALIFORNIA

Terms and Conditions of Purchase

- D. Changes. Notwithstanding the terms in Article 34, Amendments, UC may make changes within the general scope of the Agreement in drawings and specifications for specially manufactured Goods, place of delivery, method of shipment or packing of the Agreement by giving notice to Supplier and subsequently confirming such changes in writing. If such changes affect the cost of or the time required for performance of the Agreement, UC and Supplier will agree upon an equitable adjustment in the price and/or delivery terms. Supplier may not make changes without UC's written approval. Any claim of Supplier for an adjustment under the Agreement must be made in writing within thirty (30) days from the date Supplier receives notice of such change unless UC waives this condition in writing. Nothing in the Agreement will excuse Supplier from proceeding with performance of the Agreement as changed hereunder. Supplier may not alter or misbrand, within the meaning of the applicable Federal and State laws, the Goods furnished.
- E. Forced, Convict and Indentured Labor. Supplier warrants that no foreign-made Goods furnished to UC pursuant to the Agreement will be produced in whole or in part by forced labor, convict labor, or indentured labor under penal sanction. If UC determines that Supplier knew or should have known that it was breaching this warranty, UC may, in addition to terminating the Agreement, remove Supplier from consideration for UC contracts for a period not to exceed one year. This warranty is in addition to any applicable warranties in Articles 6 and 11.
- F. Export Control. Supplier agrees to provide UC (the contact listed on the Purchase Order) with written notification that identifies the export-controlled Goods and such Goods' export classification if any of the Goods is export-controlled under the International Traffic in Arms Regulations (ITAR) (22 CFR §§ 120-130), the Export Administration Regulations (15 CFR §§ 730-774) 500 or 600 series, or controlled on a military strategic goods list. Supplier agrees to provide UC (the contact listed on the Purchase Order) with written notification if Supplier will be providing information necessary for the operation, installation (including on-site installation), maintenance (checking), repair, overhaul, and refurbishing of the Goods that is beyond a standard user manual (i.e. "Use" technology as defined under the EAR 15 CFR § 772.1), or "Technical Data" (as defined under the ITAR 22 CFR § 120.10).

ARTICLE 18 – CONFLICT OF INTEREST

Supplier affirms that, to the best of Supplier's knowledge, no UC employee who has participated in UC's decision-making concerning the Agreement has an "economic interest" in the Agreement or Supplier. A UC employee's "economic interest" means:

- A. An investment worth \$2,000 or more in Supplier or its affiliate;
- B. A position as director, officer, partner, trustee, employee or manager of Supplier or its affiliate;
- C. Receipt during the past 12 months of \$500 in income or \$440 in gifts from Supplier or its affiliate; or
- D. A personal financial benefit from the Agreement in the amount of \$250 or more.

In the event of a change in these economic interests, Supplier will provide written notice to UC within thirty (30) days after such change, noting such changes. Supplier will not be in a reporting relationship to a UC employee who is a near relative, nor will a near relative be in a decision making position with respect to Supplier.

ARTICLE 19 – AUDIT REQUIREMENTS

The Agreement, and any pertinent records involving transactions relating to this Agreement, is subject to the examination and audit of the Auditor General of the State of California or Comptroller General of the United States or designated Federal authority for a period of up to five (5) years after final payment under the Agreement. UC, and if the underlying grant, cooperative agreement or federal contract so provides, the other contracting Party or grantor (and if that be the United States or an instrumentality thereof, then the Comptroller General of the United States) will have access to and the right to examine Supplier's pertinent books, documents, papers, and records involving transactions and work related to the Agreement until the expiration of five (5) years after final payment under the Agreement. The examination and audit will be confined to those matters connected with the performance of the Agreement, including the costs of administering the Agreement.

ARTICLE 20 – PROHIBITION ON UNAUTHORIZED USE OR DISCLOSURE OF INSTITUTIONAL INFORMATION

- A. Prohibition on Access, Use and Disclosure of Institutional Information. Supplier will not access, use or disclose Institutional Information, other than to carry out the purposes for which UC disclosed the Institutional Information to Supplier, except as required by applicable law, or as otherwise authorized in writing by UC prior to Supplier's disclosure. Supplier shall have the limited right to disclose Institutional Information to Supplier's employees provided that: (i) Supplier shall disclose only such Institutional Information as is necessary for the Supplier to perform its obligations under this Agreement, and (ii) Supplier informs such employees of the obligations governing the access, use and disclosure of Institutional Information prior to Supplier's disclosure. Supplier shall be liable

for any breach of this Agreement by its employees. For avoidance of doubt, this provision prohibits Supplier from using for its own benefit Institutional Information and any information derived therefrom. For the avoidance of doubt, the sale of Institutional Information is expressly prohibited.

- B. Compliance with Applicable Laws and Industry Best Practices. Supplier agrees to comply with all applicable state, federal, and foreign laws, as well as industry best practices, governing the collection, access, use, disclosure, safeguarding and destruction of Institutional Information. Supplier agrees to protect the privacy and security of Institutional Information according to all applicable laws and industry best practices, and no less rigorously than it protects its own information, but in no case less than reasonable care.
- C. Confidential Institutional Information. Supplier agrees to hold UC's Confidential Institutional Information, and any information derived therefrom, in strict confidence. Confidential Institutional Information shall be defined as any Institutional Information which is (i) marked as "Confidential" at the time of disclosure; (ii) if disclosed orally, identified at the time of such oral disclosure as confidential, and reduced to writing as "Confidential" within thirty (30) days of such oral disclosure; and (iii) if not marked as "Confidential," information that would be considered by a reasonable person in the relevant field to be confidential given its content and the circumstances of its disclosure. Confidential Information will not be considered confidential to the extent that: (i) Supplier can demonstrate by written records was known to Supplier prior to the effective date of the Agreement; (ii) is currently in, or in the future enters, the public domain other than through a breach of the Agreement or through other acts or omissions of Supplier; (iii) is obtained lawfully from a third party; or (iv) is disclosed under the California Public Records Act or legal process. For the avoidance of doubt, as applicable to Supplier's Services, Confidential Institutional Information may include any information that identifies or is capable of identifying a specific individual, including but not limited to:
1. Personally identifiable information,
 2. Protected Health Information as defined by the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the HIPAA regulations (including, but not limited to 45 C.F.R. § 160.103),
 3. Medical information as defined by California Civil Code § 56.05,
 4. Cardholder data,
 5. Student records, or
 6. Individual financial information that is subject to laws restricting the use and disclosure of such information, including but not limited to:
 - a. Article 1, Section 1 of the California Constitution; the California Information Practices Act (Civil Code § 1798 *et seq.*);
 - b. The federal Gramm-Leach-Bliley Act (15 U.S.C. §§ 6801(b) and 6805(b)(2));
 - c. The federal Family Educational Rights and Privacy Act (20 U.S.C. § 1232g);
 - d. The federal Fair and Accurate Credit Transactions Act (15 U.S.C. § 1601 *et seq.*);
 - e. The Fair Credit Reporting Act (15 U.S.C. § 1681 *et seq.*), and
 - f. Applicable international privacy laws, including, but not limited to the General Data Protection Regulation.
- D. Required Disclosures of Institutional Information. If Supplier is required by a court of competent jurisdiction or an administrative body to disclose Institutional Information, Supplier will notify UC in writing immediately upon receiving notice of such requirement and prior to any such disclosure (unless Supplier is prohibited by law from doing so), to give UC an opportunity to oppose or otherwise respond to such disclosure. To the extent Supplier still required to disclose Institutional Information, Supplier will furnish only that portion that is legally required and will exercise all reasonable efforts to obtain reliable assurance that confidential treatment will be afforded to any Confidential Institutional Information.
- E. No Offshoring. Supplier's transmission, transportation or storage of Institutional Information outside the United States, or access of Institutional Information from outside the United States, is prohibited except with prior written authorization by UC.
- F. Conflict in Terms. UC's Appendix – Data Security, Appendix – BAA, and/or Appendix GDPR will control in the event that one or more appendices is incorporated into the Agreement and conflicts with the provisions of this Article.
- G. Acknowledgement. Supplier acknowledges that remedies at law would be inadequate to protect UC against any actual or threatened breach of this Section by Supplier, and, without prejudice to any other rights and remedies otherwise available to UC, Supplier agrees to the granting of injunctive relief in UC's favor without proof of actual damages.

ARTICLE 21 – UC WHISTLEBLOWER POLICY

UC is committed to conducting its affairs in compliance with the law, and has established a process for reporting and investigating suspected improper governmental activities. Please visit <http://www.ucop.edu/uc-whistleblower/> for more information.

ARTICLE 22 – SUSTAINABLE PROCUREMENT GUIDELINES

Supplier will conduct business using environmentally, socially, and economically sustainable products and services (defined as products and services with a lesser or reduced effect on human health and the environment, and which generate benefits to the University as well as to society and the economy, while remaining within the carrying capacity of the environment), to the maximum possible extent consistent with the Agreement, and with the University of California Sustainable Practices Policy (<https://policy.ucop.edu/doc/3100155>) and the University of California Sustainable Procurement Guidelines:

(<https://www.ucop.edu/procurement-services/files/sustainableprocurementguidelines.pdf>).

In accordance with the University of California Sustainable Practices Policy, Supplier will adhere to the following requirements and standards, as applicable. Supplier acknowledges that failure to comply with any of the sustainability standards and requirements in the Agreement will constitute a material breach of the Agreement and UC will have the right to terminate the Agreement without damage, penalty, cost or further obligation.

- A. **Sustainability Marketing Standards.** Supplier sustainability related claims, where applicable, must meet UC recognized certifications and standards set forth in the UC Sustainable Procurement Guidelines and/or meet the standards of Federal Trade Commission's (FTC) Green Guides.
- B. **Electronic Transfer of Supplier Information.** Suppliers, when interacting with the UC, shall be prohibited from providing hard copies of presentations, marketing material, or other informational materials. Suppliers will be required to present all information in electronic format that is easily transferable to UC staff. Materials may be provided in hard copy or physical format if specifically required or requested by a UC representative.
- C. **Packaging Requirements.** All packaging must be compliant with the Toxics in Packaging Prevention Act (AB 455) and must meet all additional standards and requirements set forth in the UC Sustainable Practices Policy. In addition, UC requires that all packaging meet at least one of the criteria listed below:
 1. Uses bulk packaging;
 2. Uses reusable packaging (e.g. totes reused by delivery service for next delivery);
 3. Uses innovative packaging that reduces the weight of packaging, reduces packaging waste, or utilizes packaging that is a component of the product;
 4. Maximizes recycled content and/or meets or exceeds the minimum post-consumer content level for packaging in the U.S. Environmental Protection Agency Comprehensive Procurement Guidelines;
 5. Uses locally recyclable or certified compostable material.
- D. **Foodservice Foam Ban.** As of 2018, the University no longer allows packaging foam or expanded polystyrene (EPS) for takeaway containers or other food service items, in any University-owned or -operated food service facility.
- E. **Product Packaging Foam Ban.** Beginning January 1st, 2020, the University will prohibit all contracted and non-contracted suppliers from selling or distributing packaging foam (other than that utilized for laboratory supply or medical packaging) to UC campuses. Packaging foam is defined as any open or closed cell, solidified, polymeric foam used for cushioning or packaging, including but not limited to: low-density polyethylene foam, polypropylene foam, polystyrene foam (i.e. expanded polystyrene (EPS)), polyurethane foam, polyethylene foam, polyvinyl chloride (PVC) foam, and microcellular foam. Not included in this ban are easily biodegradable, plant-based foams such as those derived from corn or mushrooms.
- F. **E-Waste Recycling Requirements.** All recyclers of UC electronic equipment must be e-Steward certified by the Basel Action Network (BAN).
- G. **Hosted and Punch-out Catalog Requirements.** Suppliers enabled with eProcurement hosted catalog functionality must clearly identify products with UC-recognized certifications, as defined by the UC Sustainable Procurement Guidelines, in both hosted and punch-out catalog e-procurement environments.

ARTICLE 23 – PATIENT PROTECTION AND AFFORDABLE CARE ACT (PPACA) EMPLOYER SHARED RESPONSIBILITY

If the Services involve Supplier furnishing UC with temporary or supplementary staffing, Supplier warrants that:

- A. If Supplier is an Applicable Large Employer (as defined under Treasury Regulation Section 54.4980H-1(a)(4)):
 1. Supplier offers health coverage to its full-time employees who are performing Services for UC;
 2. Supplier's cost of enrolling such employees in Supplier's health plan is factored into the fees for the Services; and
 3. The fees for the Services are higher than what the Services would cost if Supplier did not offer health coverage to such full-time employees.

UNIVERSITY OF CALIFORNIA

Terms and Conditions of Purchase

- B. If Supplier is not an Applicable Large Employer (as defined above):
1. Supplier offers group health coverage to its full-time employees who are performing Services for UC and such coverage is considered Minimum Essential Coverage (as defined under Treasury Regulation Section 1-5000A-2) and is Affordable (as defined under Treasury Regulation Section 54.4980H-5(e)); or
 2. Supplier's full-time employees who are performing services for UC have individual coverage and such coverage satisfies the PPACA requirements for mandated individual coverage.

Supplier acknowledges that UC is relying on these warranties to ensure UC's compliance with the PPACA Employer Shared Responsibility provision.

ARTICLE 24 - PREVAILING WAGES

Unless UC notifies Supplier that the Services are not subject to prevailing wage requirements, Supplier will comply, and will ensure that all sub-suppliers comply, with California prevailing wage provisions, including but not limited to those set forth in Labor Code sections 1770, 1771, 1771.1, 1772, 1773, 1773.1, 1774, 1775, 1776, 1777.5, and 1777.6. For purposes of the Agreement, the term "sub-supplier" means a person or firm, of all tiers, that has a contract with Supplier or with a sub-supplier to provide a portion of the Services. The term sub-supplier will not include suppliers, manufacturers, or distributors. Specifically, and not by way of limitation, if apprenticeship occupations are involved in providing the Services, Supplier will be responsible for ensuring that Supplier and any sub-suppliers comply with Labor Code Section 1777.5. Supplier and sub-supplier may not provide the Services unless currently registered and qualified to perform public work pursuant to Labor Code Section 1725.5 and 1771.1. Notwithstanding the foregoing provisions, Supplier will be solely responsible for tracking and ensuring proper payment of prevailing wages regardless if Services are partially or wholly subject to prevailing wage requirements. In every instance, Supplier will pay not less than the UC Fair Wage (defined as \$13 per hour as of 10/1/15, \$14 per hour as of 10/1/16, and \$15 per hour as of 10/1/17) for Services being performed at a UC Location (defined as any location owned or leased by UC).

The California Department of Industrial Relations (DIR) has ascertained the general prevailing per diem wage rates in the locality in which the Services are to be provided for each craft, classification, or type of worker required to provide the Services. A copy of the general prevailing per diem wage rates will be on file at each UC Location's procurement office, and will be made available to any interested party upon request. Supplier will post at any job site:

- A. Notice of the general prevailing per diem wage rates, and
- B. Any other notices required by DIR rule or regulation.

By this reference, such notices are made part of the Agreement. Supplier will pay not less than the prevailing wage rates, as specified in the schedule and any amendments thereto, to all workers employed by Supplier in providing the Services. Supplier will cause all subcontracts to include the provision that all sub-suppliers will pay not less than the prevailing rates to all workers employed by such sub-suppliers in providing the Services. The Services are subject to compliance monitoring and enforcement by the DIR. Supplier will forfeit, as a penalty, not more than \$200 for each calendar day or portion thereof for each worker that is paid less than the prevailing rates as determined by the DIR for the work or craft in which the worker is employed for any portion of the Services provided by Supplier or any sub-supplier. The amount of this penalty will be determined pursuant to applicable law. Such forfeiture amounts may be deducted from the amounts due under the Agreement. If there are insufficient funds remaining in the amounts due under the Agreement, Supplier will be liable for any outstanding amount remaining due. Supplier will also pay to any worker who was paid less than the prevailing wage rate for the work or craft for which the worker was employed for any portion of the Services, for each day, or portion thereof, for which the worker was paid less than the specified prevailing per diem wage rate, an amount equal to the difference between the specified prevailing per diem wage rate and the amount which was paid to the worker. Review of any civil wage and penalty assessment will be made pursuant to California Labor Code section 1742.

ARTICLE 25 – FAIR WAGE/FAIR WORK

If the Agreement is for Services that will be performed at one or more UC Locations, does not solely involve furnishing Goods, and are not subject to extramural awards containing sponsor-mandated terms and conditions, Supplier warrants that it is in compliance with applicable federal, state and local working conditions requirements, including but not limited to those set forth in Articles 11, 12 and 14 herein, and that Supplier pays its employees performing the Services no less than the UC Fair Wage. Supplier agrees UC may conduct such UC Fair Wage/Fair Work interim compliance audits as UC reasonably requests, as determined in UC's sole discretion. Supplier agrees to post UC

Fair Wage/Fair Work notices, in the form supplied by UC, in public areas (such as break rooms and lunch rooms) frequented by Supplier employees who perform Services.

For Services rendered (actual spend) not subject to prevailing wage requirements in excess of \$100,000 in a year (under the Agreement or any combination of agreements for the same service), Supplier will (i) at Supplier's expense, provide an annual independent verification (<https://www.ucop.edu/procurement-services/for-suppliers/fww-resources-suppliers.html>) performed by a licensed public accounting firm (independent accountant) or the Supplier's independent internal audit department (<http://na.theiia.org/standards-guidance/topics/Pages/Independence-and-Objectivity.aspx>) in compliance with UC's required verification standards and procedures (<https://www.ucop.edu/procurement-services/for-suppliers/fww-resources-suppliers.html>), concerning Supplier's compliance with this provision, and (ii) ensure that in the case of a UC interim audit, its independent accountant/independent internal auditor makes available to UC its UC Fair Wage/Fair Work work papers for the most recent verification period. Supplier agrees to provide UC with a UC Fair Wage/Fair Work verification annually, in a form acceptable to UC, no later than ninety days after the end of the 12-month period in which \$100,000 in spend is reached.

The Fair Wage Fair Work annual independent verification requirement does not extend to contracts for professional services or consulting for which pre-certification has been provided to UC (<https://www.ucop.edu/procurement-services/for-suppliers/fww-resources-suppliers.html>). Please see the UC Procurement/Supply Chain Management Policy BUS-43 (<https://www.ucop.edu/procurement-services/policies-forms/business-and-finance/index.html>) for the definition of professional services and consulting.

ARTICLE 26 – MEDICAL DEVICES

This Article applies when the Goods and/or Services involve UC purchasing or leasing one or more medical devices from Supplier, or when Supplier uses one or more medical devices in providing Goods and/or Services to UC.

Medical Device as used herein will have the meaning provided by the U.S. Food and Drug Administration ("FDA") and means an instrument, apparatus, implement, machine, contrivance, implant, in vitro reagent, or other similar or related article, including a component part, or accessory which is: (i) recognized in the official National Formulary, or the United States Pharmacopoeia, or any supplement to them; (ii) intended for use in the diagnosis of disease or other conditions, or in the cure, mitigation, treatment, or prevention of disease, in humans or other animals, or (iii) intended to affect the structure or any function of the body of humans or other animals, and which does not achieve any of its primary intended purposes through chemical action within or on the body of humans or other animals and which is not dependent upon being metabolized for the achievement of any of its primary intended purposes.

Supplier warrants that prior to UC's purchase or lease of any Medical Device or Supplier's use of any Medical Device in providing Goods and/or Services hereunder, Supplier will: (i) perform security testing and validation for each such Goods and/or Services or Medical Device, as applicable; (ii) perform security scans to detect malware on any software embedded within any Goods and/or Services or Medical Device, as applicable, in order to verify that the software does not contain any known malware; (iii) conduct a vulnerability scan encompassing all ports and fuzz testing; and (iv) provide UC with reports for (i) – (iii). Supplier warrants that any Good or Medical Device is compliant with FDA's most current guidance or regulation for the quality system related to the cybersecurity and the Management of Cybersecurity in Medical Devices, and that Supplier will maintain compliance with any updates to such guidance or regulations.

Throughout Supplier's performance of this Agreement, Supplier will provide UC with reasonably up-to-date patches, firmware and security updates for any Medical Device provided to UC, and any other Medical Device used in the course of providing Services, as applicable. All such patches and other security updates will be made available to UC within thirty (30) days of its commercial release or as otherwise recommended by Supplier or Supplier's sub-supplier, whichever is earlier.

Supplier warrants that all software and installation media not specifically required for any Medical Device used by Supplier or Goods and/or Services delivered to UC under this Agreement as well as files, scripts, messaging services and data will be removed from all such Goods and/or Services or Medical Device following installation, and that all hardware ports and drivers not required for use or operation of such Goods and/or Services or Medical Device will be disabled at time of installation. In addition, Medical Devices must be configured so that only Supplier-approved applications will run on such Medical Devices.

UNIVERSITY OF CALIFORNIA

Terms and Conditions of Purchase

Supplier agrees that UC may take any and all actions that it, in its sole discretion, deems necessary to address, mitigate and/or rectify any real or potential security threat, and that no such action, to the extent such action does not compromise device certification, will impact, limit, reduce or negate Supplier's warranties or any of Supplier's other obligations hereunder.

Supplier warrants that any Medical Device provided to UC, and any other Medical Device used in the course of providing such Goods and/or Services, meet and comply with all cyber-security guidance and similar standards promulgated by the FDA and any other applicable regulatory body.

If the Goods and/or Services entail provision or use of a Medical Device, Supplier will provide UC with a completed Manufacturer Disclosure Statement for Medical Device Security (MDS2) form for each such Medical Device before UC is obligated to purchase or lease such Medical Device or prior to Supplier's use of such device in its performance of Services. If Supplier provides an MDS2 form to UC concurrently with its provision of Goods and/or Services, UC will have a reasonable period of time to review such MDS2 form, and if the MDS2 form is unacceptable to UC, then UC in its sole discretion may return the Goods or terminate the Agreement with no further obligation to Supplier.

ARTICLE 27 – FORCE MAJEURE

Neither Party will be liable for delays due to causes beyond the Party's control (including, but not restricted to, war, civil disturbances, earthquakes, fires, floods, epidemics, quarantine restrictions, freight embargoes, and unusually severe weather).

ARTICLE 28 – ASSIGNMENT AND SUBCONTRACTING

Except as to any payment due hereunder, Supplier may not assign or subcontract the Agreement without UC's written consent. In case such consent is given, the assignee or subcontractor will be subject to all of the terms of the Agreement.

ARTICLE 29 – NO THIRD-PARTY RIGHTS

Nothing in the Agreement, express or implied, is intended to make any person or entity that is not a signer to the Agreement a third-party beneficiary of any right created by this Agreement or by operation of law.

ARTICLE 30 – OTHER APPLICABLE LAWS

Any provision required to be included in a contract of this type by any applicable and valid federal, state or local law, ordinance, rule or regulations will be deemed to be incorporated herein.

ARTICLE 31 – NOTICES

A Party must send any notice required to be given under the Agreement by overnight delivery or by certified mail with return receipt requested, to the other Party's representative at the address specified by such Party.

ARTICLE 32 – SEVERABILITY

If a provision of the Agreement becomes, or is determined to be, illegal, invalid, or unenforceable, that will not affect the legality, validity or enforceability of any other provision of the Agreement or of any portion of the invalidated provision that remains legal, valid, or enforceable.

ARTICLE 33 – WAIVER

Waiver or non-enforcement by either Party of a provision of the Agreement will not constitute a waiver or non-enforcement of any other provision or of any subsequent breach of the same or similar provision.

ARTICLE 34 – AMENDMENTS

The Parties may make changes in the Goods and/or Services or otherwise amend the Agreement, but only by a writing signed by both Parties' authorized representatives. In the event there is a Material Change to the Agreement, the parties agree to meet and confer in good faith in order to modify the terms of the Agreement. A Material Change as used herein refers to:

- A. A change to the scope of Goods and/or Services to be provided by Supplier, as agreed to by UC;
- B. A change in the Institutional Information Supplier is required to create, receive, maintain or transmit in performance of the Agreement, such that the Protection Level Classification of such Institutional Information changes;
- C. Changes in the status of the parties;
- D. Changes in flow down terms from external parties; and
- E. Changes in law or regulation applicable to this Agreement.

Each party shall notify the other party upon the occurrence of a Material Change.

ARTICLE 35 – GOVERNING LAW AND VENUE

California law will control the Agreement and any document to which it is appended. The exclusive jurisdiction and venue for any and all actions arising out of or brought under the Agreement is in a state court of competent jurisdiction, situated in the county in the State of California in which the UC Location is located or, where the procurement covers more than one UC Location, the exclusive venue is Alameda County, California.

ARTICLE 36 – ASSISTANCE IN LITIGATION OR ADMINISTRATIVE PROCEEDINGS

Supplier will make itself and its employees, subcontractors, or agents assisting Supplier in the performance of its obligations reasonably available to UC at no cost to UC to testify as witnesses, or otherwise, in the event of investigations, or proceedings against UC, its directors, officers, agents, or employees relating to the Goods or Services.

ARTICLE 37 – SUPPLIER TERMS

Any additional terms that Supplier includes in an order form or similar document will be of no force and effect, unless UC expressly agrees in writing to such terms.

ARTICLE 38 – SURVIVAL CLAUSE

Upon expiration or termination of the Agreement, the following provisions will survive: WARRANTIES; INTELLECTUAL PROPERTY, COPYRIGHT, PATENTS, AND DATA RIGHTS; INDEMNITY AND LIABILITY; USE OF UC NAMES AND TRADEMARKS; LIABILITY FOR UC-FURNISHED PROPERTY; COOPERATION; TERMS APPLICABLE TO THE FURNISHING OF GOODS; AUDIT REQUIREMENTS; PROHIBITION ON UNAUTHORIZED USE OR DISCLOSURE OF INSTITUTIONAL INFORMATION; GOVERNING LAW AND VENUE, and, to the extent incorporated into the Agreement, the terms of the APPENDIX–DATA SECURITY, APPENDIX–BAA, and/or APPENDIX-GDPR.

ARTICLE 39 – CONTRACTING FOR COVERED SERVICES

Covered Services, for the purpose of this Agreement, are defined as work customarily performed by bargaining unit employees at the University in the categories of services described in Regents Policy 5402, and American Federation of State, County, and Municipal Employees (AFSCME) Collective Bargaining Agreement Article 5. Covered Services include, but are not necessarily limited to, the following services: cleaning, custodial, janitorial, or housekeeping services; food services; laundry services; grounds keeping; building maintenance (excluding skilled crafts); transportation and parking services; and security services.

Unless UC notifies Supplier that the Services are not Covered Services, Supplier warrants that it is in compliance with applicable federal, state and local working conditions requirements, including but not limited to those set forth in in other Articles of the Agreement. In accordance with Regents Policy 5402 and AFSCME Collective Bargaining Agreement Article 5, Supplier also warrants that it pays its employees performing the Covered Services at UC locations the equivalent value of the wages and benefits – as determined in the Wage and Benefit Parity Appendix – received by UC employees providing similar services at the same, or nearest UC location.

Supplier agrees UC may conduct such compliance audits as UC reasonably requests, and determined at UC's sole discretion. Supplier agrees to post UC Contracting for Covered Services notices, in the template supplied by UC, in a prominent and accessible place (such as break rooms and lunch rooms) where it may be easily seen by workers who perform Covered Services. The term "Supplier" includes Supplier and its Sub-Suppliers at any tier. Supplier also agrees to:

UNIVERSITY
OF
CALIFORNIA

Terms and Conditions of Purchase

- (a) upon UC's request, provide verification of an independent audit performed by Supplier's independent auditor or independent internal audit department (<http://na.theiia.org/standards-guidance/topics/Pages/Independence-and-Objectivity.aspx>) and at Supplier's expense; and
- (b) ensure that, in the case of a UC interim audit, Supplier's auditor makes available to UC its Contracting for Covered Services work papers for the most recently audited time period. Supplier agrees to provide UC requested verification, in a form acceptable to UC, no later than ninety days after receiving UC's request.

1. **ACCEPTANCE OF TERMS AND CONDITIONS** These Terms and Conditions govern your ("Subscriber" or "you") use of DocuSign's on-demand electronic signature service (the "Subscription Service"), as accessed either directly through DocuSign.com, DocuSign.net, or through a DocuSign affiliate's™ web page offering a Service Plan (collectively, the "Site"). By depositing any document into the System (as defined below), you accept these Terms and Conditions (including your corresponding Service Plan, the DocuSign.com Terms of Use, and all policies and guidelines referenced and hereby incorporated into these Terms and Conditions) and any modifications that may be made to the Terms and Conditions from time to time. If you do not agree to these Terms and Conditions, you should not use the Subscription Service or visit or browse the Site. These Terms and Conditions constitute a binding legal agreement between you and DocuSign, Inc. ("DocuSign," "we," "us," and "our"). Please read them carefully and print a copy for your future reference.

2. **MODIFICATION OF TERMS AND CONDITIONS** We reserve the right to modify these Terms and Conditions at any time and in any manner at our sole discretion by: (a) posting a revision on the Site; or (b) sending information regarding the amendment to the email address you provide to us. **YOU ARE RESPONSIBLE FOR REGULARLY REVIEWING THE SITE TO OBTAIN TIMELY NOTICE OF ANY AMENDMENTS. YOU SHALL BE DEEMED TO HAVE ACCEPTED SUCH AMENDMENTS BY CONTINUING TO USE THE SUBSCRIPTION SERVICE FOR MORE THAN 20 DAYS AFTER SUCH AMENDMENTS HAVE BEEN POSTED OR INFORMATION REGARDING SUCH AMENDMENTS HAS BEEN SENT TO YOU.** You agree that we shall not be liable to you or to any third party for any modification of the Terms and Conditions.

3. **DEFINITIONS** "Account" means a unique account established by Subscriber to enable its Authorized Users to access and use the Subscription Service. "Authorized User" means any employee or agent of Subscriber, identified by a unique email address and user name, who is registered under the Account, provided that no two persons may register, access or use the Subscription Service as the same Authorized User. "Contract" refers to a contract, notice, disclosure, or other record or document deposited into the System by Subscriber for processing using the Subscription Service. "Envelope" means an electronic record containing one or more eContracts consisting of a single page or a group of pages of data uploaded to the System. "Seat" means an active Authorized User listed in the membership of an Account at any one time. No two individuals may log onto or use the Subscription Service as the same Authorized User, but Subscriber may unregister or deactivate Authorized Users and replace them with other Authorized Users without penalty, so long as the number of active Authorized Users registered at any one time is equal to or less than the number of Seats purchased. "Service Plan" means the right to access and use the Subscription Service for a specified period in exchange for a periodic fee, subject to the Service Plan restrictions and requirements that are used to describe the selected Service Plan on the Site. Restrictions and requirements may include any or all of the following: (a) number of Seats and/or Envelopes that a Subscriber may use in a month or year for a fee; (b) fee for sent Envelopes in excess of the number of Envelopes allocated to Subscriber under the Service Plan; (c) per-seat or per-user restrictions; (d) the license to use DocuSign software products such as DocuSign Connect Express in connection with the Subscription Service; and (e) per use fees. "Specifications" means the technical specifications set forth in the "Subscription Service Specifications" available at <http://docusign.com/company/specifications>. "Subscription Service" means DocuSign's™ on-demand electronic signature service, as updated from time

to time, which provides on-line display, certified delivery, acknowledgement, electronic signature, and storage services for eContracts via the Internet. "System" refers to the software systems and programs, communication and network facilities, and hardware and equipment used by DocuSign or its agents to provide the Subscription Service. "Term" means the period of effectiveness of these Terms and Conditions, as specified in Section 12 below. "Transaction Data" means the metadata associated with an Envelope (such as transaction history, image hash value, method and time of Envelope deletion, sender and recipient names, email addresses and signature IDs) and maintained by DocuSign in order to establish the digital audit trail required by the Subscription Service.

4. SUBSCRIPTION SERVICE During the term of the Service Plan and subject to these Terms and Conditions, Subscriber will have the right to obtain an Account and register its Authorized Users, who may access and use the Subscription Service, and DocuSign will provide the Subscription Service in material conformance with the Specifications. You must be 18 years of age or older to register for an Account and use the Subscription Service. Subscriber's right to use the Subscription Service is limited to its Authorized Users, and Subscriber agrees not to resell or otherwise provide or assist with the provision of the Subscription Service to any third party. In addition, DocuSign's provision of the Subscription Service is conditioned on Subscriber's acknowledgement and agreement to the following: (a) The Subscription Service facilitates the execution of eContracts between the parties to those eContracts. Nothing in these Terms and Conditions may be construed to make DocuSign a party to any eContract processed through the Subscription Service, and DocuSign makes no representation or warranty regarding the transactions sought to be effected by any eContract; (b) Between DocuSign and Subscriber, Subscriber has exclusive control over and responsibility for the content, quality, and format of any eContract. All eContracts stored by DocuSign are maintained in an encrypted form, and DocuSign has no control of or access to their contents; (c) If Subscriber elects to use one or more of the optional features designed to verify the identity of the intended recipient of an eContract that DocuSign makes available to its subscribers ("Authentication Measures"), DocuSign will apply only those Authentication Measures selected by the Subscriber, but makes no representations or warranties about the appropriateness of any Authentication Measure. Further, DocuSign assumes no liability for: (A) the inability or failure by the intended recipient or other party to satisfy the Authentication Measure; or (B) the circumvention by any person (other than DocuSign) of any Authentication Measure; (d) Certain types of agreements and documents may be exempted from electronic signature laws (e.g. wills and agreements pertaining to family law), or may be subject to specific regulations promulgated by various government agencies regarding electronic signatures and electronic records. DocuSign is not responsible or liable to determine whether any particular eContract is subject to an exception to applicable electronic signature laws, or whether it is subject to any particular agency promulgations, or whether it can be legally formed by electronic signatures; (e) DocuSign is not responsible for determining how long any d to be retained or stored under any applicable laws, regulations, or legal or administrative agency processes. Further, DocuSign is not responsible for or liable to produce any of Subscriber's eContracts or other documents to any third parties; (f) Certain consumer protection or similar laws or regulations may impose special requirements with respect to electronic transactions involving one or more "consumers," such as (among others) requirements that the consumer consent to the method of contracting and/or that the consumer be provided with a copy, or access to a copy, of a paper or other non-electronic, written record of the transaction. DocuSign does not and is not responsible to: (A) determine whether any

particular transaction involves a "consumer;" (B) furnish or obtain any such consents or determine if any such consents have been withdrawn; (C) provide any information or disclosures in connection with any attempt to obtain any such consents; (D) provide legal review of, or update or correct any information or disclosures currently or previously given; (E) provide any such copies or access, except as expressly provided in the Specifications for all transactions, consumer or otherwise; or (F) otherwise to comply with any such special requirements; and (g) Subscriber undertakes to determine whether any "consumer" is involved in any eContract presented by Subscriber or its Authorized Users for processing, and, if so, to comply with all requirements imposed by law on such eContracts or their formation. (h) If the domain of the primary email address associated with the Account is owned by an organization and was assigned to Subscriber as an employee, contractor or member of such organization, and that organization wishes to establish a commercial relationship with DocuSign and add the Account to such relationship, then, if Subscriber does not change the email address associated with the Account, the Account may become subject to the commercial relationship between DocuSign and such organization and controlled by such organization.

5. RESPONSIBILITY FOR CONTENT OF COMMUNICATIONS As between Subscriber and DocuSign, Subscriber is solely responsible for the nature and content of all materials, works, data, statements, and other visual, graphical, video, and written or audible communications submitted by any Authorized User or otherwise processed through its Account, the Subscription Service, or under any Service Plan. Accordingly: (a) Subscriber will not use or permit the use of the Subscription Service to send unsolicited mass mailings outside its organization. The term "unsolicited mass mailings" includes all statutory or common definitions or understanding of those terms in the applicable jurisdiction, such as those set forth for "Commercial Electronic Mail Messages" under the U.S. CAN-SPAM Act, as an example only; and (b) Subscriber will not use or permit the use of the Subscription Service: (i) to communicate any message or material that is defamatory, harassing, libelous, threatening, or obscene; (ii) in a way that violates or infringes upon the intellectual property rights or the privacy or publicity rights of any person or entity or that may otherwise be unlawful or give rise to civil or criminal liability (other than contractual liability of the parties under eContracts processed through the Subscription Service); (iii) in any manner that is likely to damage, disable, overburden, or impair the System or the Subscription Service or interfere with the use or enjoyment of the Subscription Service by others; or (iv) in any way that constitutes or encourages conduct that could constitute a criminal offense. DocuSign does not monitor the content processed through the Subscription Service, but in accordance with DMCA (Digital Millennium Copyright Act) safe harbors, it may suspend any use of the Subscription Service, or remove or disable any content that DocuSign reasonably and in good faith believes violates this Agreement or applicable laws or regulations. DocuSign will use commercially reasonable efforts to notify Subscriber prior to any such suspension or disablement, unless DocuSign reasonably believes that: (A) it is prohibited from doing so under applicable law or under legal process, such as court or government administrative agency processes, orders, mandates, and the like; or (B) it is necessary to delay notice in order to prevent imminent harm to the System, Subscription Service, or a third party. Under circumstances where notice is delayed, DocuSign will provide the notice if and when the related restrictions in the previous sentence no longer apply.

6. PRICING AND PER USE PURCHASES The prices, features, and options of the Subscription Service available for an Account depend on the Service Plan selected by Subscriber. Subscriber may also purchase optional services on a periodic or per-use basis. DocuSign may add or change the prices, features or options available with a

Service Plan without notice. Subscriber's usage under a Service Plan is measured based on the actual number of Seats as described in the Service Plan on the Site. Once a per-Seat Service Plan is established, the right of the named Authorized User to access and use the Subscription Service is not transferable; any additional or differently named Authorized Users must purchase per-Seat Service Plans to send Envelopes. Extra seats, users and/or per use fees will be charged as set forth in Subscriber's Service Plan if allowed by such Service Plan. If a Services Plan defines a monthly Envelope Allowance (i.e. # Envelopes per month allowed to be sent), all Envelopes sent in excess of the Envelope Allowance will incur a per-Envelope charge. Any unused Envelope Allowances will expire and not carry over from one billing period to another under a Service Plan. Subscriber's Account will be deemed to have consumed an Envelope at the time the Envelope is sent by Subscriber, regardless of whether Envelopes were received by recipients, or whether recipients have performed any actions upon any eContract in the Envelope. Powerforms are considered Envelopes within an Envelope Allowance Service Plan, and will be deemed consumed at the time they are "clicked" by any end user regardless of whether or not any actions are subsequently performed upon such Envelope. For Service Plans that specify the Envelope Allowance is "Unlimited," Subscriber is allowed to send a reasonable number of Envelopes from the number of Seats purchased. If DocuSign suspects that the number of Envelopes sent from a particular Seat or a group of Seats is abusive and/or unduly burdensome, DocuSign will promptly notify Subscriber, discuss the use-case scenario with Subscriber and any continued monitoring, additional discussions and/or information required to make a final determination on the course of action based on such information. In the event Subscriber exceeds, in DocuSign's sole discretion, reasonable use restrictions under a Service Plan, DocuSign reserves the right to transfer Subscriber into a higher-tier Service Plan without notice. If you misrepresent your eligibility for any Service Plan, you agree to pay us the additional amount you would have been charged under the most favorable pricing structure for which you are eligible. DocuSign may discontinue a Service Plan at any time, and with prior notice to you, may migrate your Account to a similar Service Plan that may carry a different fee. You agree to allow us to charge your credit card for the fees associated with a substitute Service Plan, even if those fees are higher than those you agreed to when you registered your Account. Optional asures, are measured at the time of use, and such charges are specific to the number of units of the service(s) used during the billing period. Optional services subject to periodic charges, such as additional secure storage, are charged on the same periodic basis as the Service Plan fees for the Subscription Service.

7. SUBSCRIBER SUPPORT DocuSign will provide Subscriber support to Subscriber as specified in the Service Plan selected by Subscriber, and that is further detailed on DocuSign's website.

8. STORAGE DocuSign will store eContracts per the terms of the Service Plan selected by Subscriber. For Service Plans that specify the Envelope storage amount is "Unlimited," DocuSign will store an amount of Envelopes that is not abusive and/or unduly burdensome, in DocuSign's sole discretion. Subscriber may retrieve and store copies of eContracts for storage outside of the System at any time during the Term of the Service Plan when Subscriber is in good financial standing under these Terms and Conditions, and may delete or purge eContracts from the System at its own discretion. DocuSign may, at its sole discretion, delete an uncompleted eContract from the System immediately and without notice upon earlier of: (i) expiration of the Envelope (where Subscriber has established an expiration for such Envelope, not to exceed 365 days); or (ii) expiration of the Term. DocuSign assumes no liability or responsibility for a party's failure or inability to electronically sign any eContract within such a period of time. DocuSign may retain Transaction Data for as long as it has a

business purpose to do so. 9. BUSINESS AGREEMENT BENEFITS You may receive or be eligible for certain pricing structures, discounts, features, promotions, and other benefits (collectively, "Benefits") through a business or government Subscriber's agreement with us (a "Business Agreement"). Any and all such Benefits are provided to you solely as a result of the corresponding Business Agreement and such Benefits may be modified or terminated without notice. If you use the Subscription Service where a business or government entity pays your charges or is otherwise liable for the charges, you authorize us to share your account information with that entity and/or its authorized agents. If you are enrolled in a Service Plan or receive certain Benefits tied to a Business Agreement with us, but you are liable for your own charges, then you authorize us to share enough account information with that entity and its authorized agents to verify your continuing eligibility for those Benefits and the Service Plan. 10. FEES AND PAYMENT TERMS The Service Plan rates, charges, and other conditions for use are set forth in the Site. Subscriber will pay DocuSign the applicable charges for the Services Plan as set forth on the Site. If you add more Authorized Users than the number of Seats you purchased, we will add those Authorized Users to your Account and impose additional charges for such additional Seats on an ongoing basis. Charges for pre-paid Service Plans will be billed to Subscriber in advance. Charges for per use purchases and standard Service Plan charges will be billed in arrears. When you register for an Account, you will be required to provide DocuSign with accurate, complete, and current credit card information for a valid credit card that you are authorized to use. You must promptly notify us of any change in your invoicing address or changes related to the credit card used for payment. By completing your registration for the Services Plan, you authorize DocuSign or its agent to bill your credit card the applicable Service Plan charges, any and all applicable taxes, and any other charges you may incur in connection with your use of the Subscription Service, all of which will be charged to your credit card. Each time you use the Subscription Service, or allow or cause the Subscription Service to be used, you reaffirm that we are authorized to charge your credit card. You may terminate your Account and revoke your credit card authorization as set forth in the Term and Termination section of these Terms and Conditions. We will provide you with one invoice in a format we choose, which may change from time to time, for all Subscription Service associated with each Account and any charges of a third party on whose behalf we bill. Payment of all charges is due and will be charged to your credit card upon your receipt of an invoice. Billing cycle end dates may change from time to time. When a billing cycle covers less than or more than a full month, we may make reasonable adjustments and/or prorations. If your Account is a qualified business account and is approved by us in writing for corporate billing, charges will be accumulated, identified by Account identification number, and invoiced on a monthly basis. You agree that we may (at our option) accumulate charges incurred during your monthly billing cycle and submit them as one or more aggregate charges during or at the end of each cycle, and that we may delay obtaining authorization from your credit card issuer until submission of the accumulated charge(s). This means that accumulated charges may appear on the statement you receive from your credit card issuer. If DocuSign does not receive payment from your credit card provider, you agree to pay all amounts due upon demand. DocuSign reserves the right to correct any errors or mistakes that it makes even if it has already requested or received payment. Your credit card issuer's agreement governs your use of your credit card in connection with the Subscription Service, and you must refer to such agreement (not these Terms and Conditions) with respect to your rights and liabilities as a cardholder. You are solely responsible for any and all fees charged to your credit card by the issuer, bank, or financial institution including, but not limited to, membership,

overdraft, insufficient funds, and over the credit limit fees. You agree to notify us about any billing problems or discrepancies within 20 days after they first appear on your invoice. If you do not bring them to our attention within 20 days, you agree that you waive your right to dispute such problems or discrepancies. We may modify the price, content, or nature of the Subscription Service and/or your Service Plan at any time. If we modify any of the foregoing terms, you may cancel your use of the Subscription Service. We may provide notice of any such changes by e-mail, notice to you upon log-in, or by publishing them on the Site. Your payment obligations survive any termination of your use of the Subscription Service before the end of the billing cycle. Any amount not paid when due will be subject to finance charges equal to 1.5% of the unpaid balance per month or the highest rate permitted by applicable usury law, whichever is less, determined and compounded daily from the date due until the date paid. Subscriber will reimburse any costs or expenses (including, but not limited to, reasonable attorneys' fees) incurred by DocuSign to collect any amount that is not paid when due. DocuSign may accept any check or payment in any amount without prejudice to DocuSign's right to recover the balance of the amount due or to pursue any other right or remedy. Amounts due to DocuSign under these Terms and Conditions may not be withheld or offset by Subscriber for any reason against amounts due or asserted to be due to Subscriber from DocuSign. Unless otherwise noted and Conditions are denominated in United States dollars, and Subscriber will pay all such amounts in United States dollars. Other than federal and state net income taxes imposed on DocuSign by the United States, Subscriber will bear all taxes, duties, VAT and other governmental charges (collectively, "taxes") resulting from these Terms and Conditions or transactions conducted in relation to these Terms and Conditions. Subscriber will pay any additional taxes as are necessary to ensure that the net amounts received and retained by DocuSign after all such taxes are paid are equal to the amounts that DocuSign would have been entitled to in accordance with these Terms and Conditions as if the taxes did not exist. 11. DEPOSITS, SERVICE LIMITS, CREDIT REPORTS, AND RETURN OF BALANCES You authorize us to ask consumer reporting agencies or trade references to furnish us with employment and credit information, and you consent to our rechecking and reporting personal and/or business payment and credit history if, in our sole discretion, we so choose. If you believe that we have reported inaccurate information about your account to a consumer reporting agency, you may send a written notice describing the specific inaccuracy to the address provided in the Notices section below. For you to use the Subscription Service, we may require a deposit or set a service limit. The deposit will be held as a partial guarantee of payment. It cannot be used by you to pay your invoice or delayed payment. Unless otherwise required by law, deposits may be mixed with other funds and will not earn interest. We reserve the right to increase your deposit if we deem appropriate. You may request that we reevaluate your deposit on an annual basis, which may result in a partial or total refund of the deposit to you or credit to your account. If you default or these Terms and Conditions are terminated, we may, without notice to you, apply any deposit towards payment of any amounts you owe to us. After approximately 90 days following termination of these Terms and Conditions, any remaining deposit or other credit balance in excess of amounts owed will be returned without interest, unless otherwise required by law, to you at your last known address. You agree that any amounts under \$15 will not be refunded to cover our costs of closing your account. If the deposit balance is undeliverable and returned to us, we will hold it for you for one year from the date of return and, during that period, we may charge a service fee against the deposit balance. You hereby grant us a security interest in any deposit we require to secure the performance of your obligations under these Terms and

Conditions. 12. **TERM AND TERMINATION** The term of these Terms and Conditions for each Account begins on the date you register for an Account and continues for the term specified by the Service Plan you purchase (the "Term"). You may terminate your Account at any time upon 10 days advance written notice to DocuSign following the Notice procedures set forth in these Terms and Conditions. Unless you terminate your Account or you set your Account to not auto renew, your Service Plan will automatically renew at the end of its Term (each a "Renewal Term"), and you authorize us (without notice) to collect the then-applicable fee and any taxes for the renewed Service Plan, using any credit card we have on record for you. Service Plan fees and features may change over time. Your Service Plan for a Renewal Term will be the one we choose as being closest to your Service Plan from the prior Term. For any termination (including when you switch your Account), you will be responsible for payment of all fees and charges through the end of the billing cycle in which termination occurs. If you terminate your annual Service Plan Account within the first 30 days of the Term, you may submit written request to DocuSign following the Notice procedures set forth in these Terms and Conditions, for a full refund of the prepaid fees paid by you to DocuSign. You will be limited to one refund. You agree that termination of an annual Service Plan after the first 30 days will not entitle you to any refund of prepaid fees. You will be in default of these Terms and Conditions if you: (a) fail to pay any amount owed to us or an affiliate of ours or any amount appearing on your invoice; (b) have amounts still owing to us or an affiliate of ours from a prior account; (c) breach any provision of these Terms and Conditions; (d) violate any policy applicable to the Subscription Service; (e) are subject to any proceeding under the Bankruptcy Code or similar laws; or (f) if, in our sole discretion, we believe that your continued use of the Subscription Service presents a threat to the security of other users of the Subscription Service. If you are in default, we may, without notice to you, suspend your Account and use of the Subscription Service, withhold refunds and terminate your Account, in addition to all other remedies available to us. We may require reactivation charges to reactivate your Account after termination or suspension. The following provisions will survive the termination of these Terms and Conditions and your Account: Sections 3, 9-11, and 15-23. 13. **SUBSCRIBER WARRANTIES** You hereby represent and warrant to DocuSign that: (a) you have all requisite rights and authority to use the Subscription Service under these Terms and Conditions and to grant all applicable rights herein; (b) the performance of your obligations under these Terms and Conditions will not violate, conflict with, or result in a default under any other agreement, including confidentiality agreements between you and third parties; (c) you will use the Subscription Service for lawful purposes only and subject to these Terms and Conditions; (d) you are responsible for all use of the Subscription Service in your Account; (e) you are solely responsible for maintaining the confidentiality of your Account names and password(s); (f) you agree to immediately notify us of any unauthorized use of your Account of which you become aware; (g) you agree that DocuSign will not be liable for any losses incurred as a result of a third party's use of your Account, regardless of whether such use is with or without your knowledge and consent; (h) you will not use the Subscription Service in any manner that could damage, disable, overburden or impair the System, or interfere with another's use of the Subscription Service by others; (i) any information submitted to DocuSign by you is true, accurate, and correct; and (j) you will not attempt to gain unauthorized access to the System or the Subscription Service, other accounts, computer systems, or networks under the control or responsibility of DocuSign through hacking, cracking, password mining, or any other unauthorized means. 14. **DOCUSIGN WARRANTIES** DocuSign represents and warrants that: (a) the Subscription Service as delivered to Subscriber

and used in accordance with the Specifications will not infringe on any United States patent, copyright or trade secret; (b) the Subscription Service will be performed in accordance with the Specifications in their then-current form at the time of the provision of such Subscription Service; (c) any DocuSign Products that are software shall be free of harmful or illicit code, trapdoors, viruses, or other harmful features; (d) the proper use of the Subscription Service by Subscriber in accordance with the Specifications and applicable law in the formation of an eContract not involving any consumer will be sufficient under the Electronic Signatures in Global and National Commerce Act, 15 U.S.C. Â§Â§ 7001 et seq. (the "ESIGN Act") to ESIGN Act; (e) the proper use of the Subscription Service by Subscriber in accordance with the Specifications and applicable law in the formation of an eContract involving a consumer will be sufficient under the ESIGN Act to support the validity of such formation, to the extent provided in the ESIGN Act, so long as and provided that Subscriber complies with all special requirements for consumer eContracts, including and subject to those referenced in Section 4.(f) and (g) above; and (f) DocuSign has implemented information security policies and safeguards to preserve the security, integrity, and confidentiality of eContracts and to protect against unauthorized access and anticipated threats or hazards thereto, that meet the objectives of the Interagency Guidelines Establishing Standards for Safeguarding Subscriber Information as set forth in Section 501 (b) of the Gramm-Leach-Bliley Act.

15. DISCLAIMER OF WARRANTIES EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES EXPRESSLY PROVIDED IN SECTION 14 OF THESE TERMS AND CONDITIONS, THE SUBSCRIPTION SERVICE AND THE SITE ARE PROVIDED "AS IS," AND DOCUSIGN: (a) MAKES NO ADDITIONAL REPRESENTATION OR WARRANTY OF ANY KIND WHETHER EXPRESS, IMPLIED (EITHER IN FACT OR BY OPERATION OF LAW), OR STATUTORY, AS TO ANY MATTER WHATSOEVER; (b) EXPRESSLY DISCLAIMS ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, QUALITY, ACCURACY, AND TITLE; AND (c) DOES NOT WARRANT THAT THE SUBSCRIPTION SERVICE OR SITE ARE OR WILL BE ERROR-FREE, WILL MEET SUBSCRIBER'S REQUIREMENTS, OR BE TIMELY OR SECURE. SUBSCRIBER WILL BE SOLELY RESPONSIBLE FOR ANY DAMAGE RESULTING FROM THE USE OF THE SUBSCRIPTION SERVICE OR SITE. SUBSCRIBER WILL NOT HAVE THE RIGHT TO MAKE OR PASS ON ANY REPRESENTATION OR WARRANTY ON BEHALF OF DOCUSIGN TO ANY THIRD PARTY. USE OF THE SUBSCRIPTION SERVICE AND SITE ARE AT YOUR SOLE RISK. Because some states and jurisdictions do not allow limitations on implied warranties, the above limitation may not apply to you. In that event, such warranties are limited to the minimum warranty period allowed by the applicable law.

16. SUBSCRIBER INDEMNIFICATION OBLIGATIONS You will defend, indemnify, and hold us, our affiliates, officers, directors, employees, suppliers, consultants, and agents harmless from any and all third party claims, liability, damages, and costs (including, but not limited to, attorneys' fees) arising from or related to: (a) your use of the Subscription Service; (b) your violation of these Terms and Conditions; (c) your infringement, or infringement by any other user of your Account, of any intellectual property or other right of any person or entity; or (d) the nature and content of all materials, works, data, statements, and other visual, graphical, written, or audible communications of any nature submitted by any Authorized User of your Account or otherwise processed through your Account.

17. LIMITATIONS OF LIABILITY NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THESE TERMS AND CONDITIONS, DOCUSIGN WILL NOT, UNDER ANY CIRCUMSTANCES, BE LIABLE TO SUBSCRIBER

FOR ANY CONSEQUENTIAL, INCIDENTAL, SPECIAL, OR EXEMPLARY DAMAGES ARISING OUT OF OR RELATED TO THE TRANSACTIONS CONTEMPLATED UNDER THESE TERMS AND CONDITIONS, INCLUDING BUT NOT LIMITED TO LOST PROFITS OR LOSS OF BUSINESS, EVEN IF APPRISED OF THE LIKELIHOOD OF SUCH DAMAGES OCCURRING. UNDER NO CIRCUMSTANCES WILL DOCUSIGN'S TOTAL LIABILITY OF ALL KINDS ARISING OUT OF OR RELATED TO THESE TERMS AND CONDITIONS OR SUBSCRIBER'S USE OF THE SUBSCRIPTION SERVICE (INCLUDING BUT NOT LIMITED TO WARRANTY CLAIMS), REGARDLESS OF THE FORUM AND REGARDLESS OF WHETHER ANY ACTION OR CLAIM IS BASED ON CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, EXCEED THE TOTAL AMOUNT PAID BY SUBSCRIBER TO DOCUSIGN UNDER THESE TERMS AND CONDITIONS DURING THE 3 MONTHS PRECEDING THE DATE OF THE ACTION OR CLAIM. EACH PROVISION OF THESE TERMS AND CONDITIONS THAT PROVIDES FOR A LIMITATION OF LIABILITY, DISCLAIMER OF WARRANTIES, OR EXCLUSION OF DAMAGES REPRESENTS AN AGREED ALLOCATION OF THE RISKS OF THESE TERMS AND CONDITIONS BETWEEN THE PARTIES. THIS ALLOCATION IS REFLECTED IN THE PRICING OFFERED BY DOCUSIGN TO SUBSCRIBER AND IS AN ESSENTIAL ELEMENT OF THE BASIS OF THE BARGAIN BETWEEN THE PARTIES. EACH OF THESE PROVISIONS IS SEVERABLE AND INDEPENDENT OF ALL OTHER PROVISIONS OF THESE TERMS AND CONDITIONS, AND EACH OF THESE PROVISIONS WILL APPLY EVEN IF THE WARRANTIES IN THESE TERMS AND CONDITIONS HAVE FAILED OF THEIR ESSENTIAL PURPOSE. Because some states and jurisdictions do not allow limitation of liability in certain instances, portions of the above limitation may not apply to you.

18. CONFIDENTIALITY – "Confidential Information" means any trade secrets or other information of DocuSign, whether of a technical, business, or other nature (including, without limitation, DocuSign software and related information), that is disclosed to or made available to Subscriber. Confidential Information does not include any information that: (a) was known to Subscriber prior to receiving it from DocuSign; (b) is independently developed by Subscriber without use of or reference to any Confidential Information; (c) is acquired by Subscriber from another source without restriction as to use or disclosure; or (d) is or becomes part of the public domain through no fault or action of Subscriber. During and after the Term of these Terms and Conditions, Subscriber will: (i) use the Confidential Information solely for the purpose for which it is provided; (ii) not disclose such Confidential Information to a third party; and (iii) protect such Confidential Information from unauthorized use and disclosure to the same extent (but using no less than a reasonable degree of care) that it protects its own Confidential Information of a similar nature. If Subscriber is required by law to disclose the Confidential Information or the terms of these Terms and Conditions, Subscriber must give prompt written notice of such requirement before such disclosure and assist the DocuSign in obtaining an order protecting the Confidential Information from public disclosure. Subscriber acknowledges that, as between the parties, all Confidential Information it receives from DocuSign, including all copies thereof in Subscriber's possession or control, in any media, is proprietary to and exclusively owned by DocuSign. Nothing in these Terms and Conditions grants Subscriber any right, title, or interest in or to any of the Confidential Information. Subscriber's incorporation of the Confidential Information into any of its own materials shall not render Confidential Information non-confidential. Subscriber acknowledges that any actual or threatened violation of this confidentiality provision may cause

irreparable, non-monetary injury to the disclosing party, the extent of which may be difficult to ascertain, and therefore agrees that DocuSign shall be entitled to seek injunctive relief in addition to all remedies available to DocuSign at law and/or in equity. Absent written consent of DocuSign, the burden of proving that the Confidential Information is not, or is no longer, confidential or a trade secret shall be on Subscriber.

19. **PRIVACY** Personal information provided or collected through or in connection with this Site shall only be used in accordance with DocuSign's Privacy Policy and these Terms and Conditions are subject to the Privacy Policy on DocuSign's website which sets forth the terms and conditions governing DocuSign's collection and use of personal information from Authorized Users that is gathered through the Site.

20. **ACCESS LIMITS** Your use of the Site is at all times governed by our website Terms of Service. DocuSign is the owner of various intellectual property and technology rights associated with the Subscription Service, its document management, digital signature, and notary system, including patent, copyright, trade secret, and trademark and service mark rights. Except for the rights expressly granted in these Terms and Conditions, DocuSign does not transfer to Subscriber of any Authorized User any of DocuSign's technology or other intellectual property or technology rights. All right, title, and interest in and to DocuSign's technology and intellectual property will remain solely with the DocuSign. Subscriber agrees that it will not, directly or indirectly, reverse engineer, decompile, disassemble, or otherwise attempt to derive source code or other trade secrets from the Subscription Service or DocuSign's technology. DocuSign agrees that data and information provided by Subscriber under these Terms and Conditions shall remain, as between Subscriber and DocuSign, owned by Subscriber. DocuSign hereby grants to users and licensees of its products and services a limited, revocable, nonexclusive and nontransferable right to use DocuSign's regular trade names, trademarks, titles and logos ("Licensed Marks") solely for purposes of identifying DocuSign's products and services. Details of this trademark license are available at: <http://www.docusign.com/IP>.

22. **FEEDBACK** By submitting feedback to DocuSign: (a) Subscriber automatically grants to DocuSign a perpetual, irrevocable, transferable, royalty-free license to use Subscriber's feedback for any and all purposes without any compensation to Subscriber; and (b) Subscriber agrees that it will not publish, submit, or display feedback submitted by Subscriber or its Authorized Users to or on any other web site or in any other publicly accessible forum without DocuSign's prior written consent.

23. **GENERAL** Subscriber acknowledges that the Subscription Service and any related products, information, documentation, software, technology, technical data, and any derivatives thereof, that DocuSign makes available to its Subscribers (collectively "Excluded Data"), is subject to export control laws and regulations of the United States and other jurisdictions (collectively "Export Laws"). Subscriber represents and warrants that: (i) it is not located in, under the control of, or a national or resident of an embargoed country or prohibited end user under Export Laws; and (ii) it will not access, download, use, export or re-export, directly or indirectly, the Excluded Data to any location, entity, government or person prohibited by export laws, without first complying with all Export Laws that may be imposed by the U.S. Government and any country or organization of nations within whose jurisdiction it operates or does business. Subscriber is solely responsible for complying with Export Laws for all Excluded Data and any of its content transmitted through the Subscription Service. Subscriber shall advise DocuSign in the event the Excluded Data requires DocuSign to obtain additional licenses, permits and/or approvals from any government in the jurisdiction where Subscriber intends to use the Subscription Service. Upon being advised of such a requirement, DocuSign may at its sole discretion: (a) terminate

Subscriber's Account; (b) obtain such licenses, permits, and/or approvals as may be required; or (c) modify these Terms and Conditions such that additional licenses, permits, and/or approvals are no longer required to be obtained by DocuSign. The Subscription Service will be accessed and delivered via the internet. Subscriber is responsible for obtaining the necessary equipment and internet connection in order to access and use the Subscription Service. In order to fully utilize the Subscription Service, Subscriber will need to maintain certain minimum hardware and software requirements. These requirements are set forth in the Specifications. DocuSign will be and act as an independent contractor (and not as the agent or representative of Subscriber) in the performance of these Terms and Conditions. These Terms and Conditions will not be interpreted or construed as: (a) creating or evidencing any association, joint venture, partnership, or franchise between the parties; (b) imposing any partnership or franchise obligation or liability on either party; (c) prohibiting or restricting either party's performance of any services for any third party; or (d) establishing or as a foundation for any rights or remedies for any third party, whether as a third party beneficiary or otherwise. Subscriber must not represent to anyone that Subscriber is an agent of DocuSign or is otherwise authorized to bind or commit DocuSign in any way without DocuSign's prior authorization. Subscriber may not assign its rights, duties, or obligations under these Terms and Conditions without DocuSign's prior written consent. If consent is given, these Terms and Conditions will bind Subscriber's successors and assigns. Any attempt by Subscriber to transfer its rights, duties, or obligations under these Terms and Conditions except as expressly provided in these Terms and Conditions is void. DocuSign may freely assign its rights, duties, and obligations under these Terms and Conditions. DocuSign may utilize a subcontractor or other third party to perform its duties under these Terms and Conditions so long as: (a) DocuSign shall not be relieved of any responsibilities or obligations under these Terms and Conditions that are performed by the subcontractor or third party; and (b) DocuSign shall remain Subscriber's sole point of contact and sole contracting party. We may provide, or third parties may provide, links to other Web sites or resources that are beyond our control. We make no representations as to the quality, suitability, functionality, or legality of any sites to which links may be provided, and you hereby waive any claim you might have against us with respect to such sites. **DOCUSIGN IS NOT RESPONSIBLE FOR THE CONTENT ON THE INTERNET OR WEB PAGES THAT ARE CONTAINED OUTSIDE THE SITE.** Your correspondence or business dealings with, or participation in promotions of, advertisers or partners found on or through the Site, including payment and delivery of related goods or services, and any other terms, conditions, warranties, or representations associated with such dealings, are solely between you and such advertiser or partner. You agree that we are not responsible or liable for any loss or damage of any sort incurred as the result of any such dealings or as the result of the presence of such advertisers or partners on the Site. Any notice required or permitted to be given in accordance with these Terms and Conditions will be effective if it is in writing and sent using the certified delivery function of the Subscription Service, by email, certified or registered mail, or insured courier, return receipt requested, to the appropriate party at the address set forth in Subscriber's registration information for Subscriber or on the Site for DocuSign. Either party may change its address for receipt of notice by notice to the other party in accordance with this Section. Notices are deemed given upon receipt if delivered using the Subscription Service or email, two business days following the date of mailing, or one business day following delivery to a courier. Written notification to terminate an Account shall be sent by email to support@docuSign.com from the Subscriber's email address set forth in Subscriber's registration information for Subscriber, or by calling

1.866.219.4318. Neither party will be liable for, or be considered to be in breach of or default on account of, any delay or failure to perform as required by these Terms and Conditions as a result of any cause or condition beyond such party's reasonable control, so long as such party uses all commercially reasonable efforts to avoid or remove such causes of non-performance or delay. These Terms and Conditions are governed in all respects by the laws of the State of Washington as such laws are applied to agreements entered into and to be performed entirely within Washington between Washington residents. Any controversy or claim arising out of or relating to these Terms and Conditions, the Hosted Service, or the Site will be settled by binding arbitration in accordance with the commercial arbitration rules of the American Arbitration Association. Any such controversy or claim shall be arbitrated on an individual basis, and shall not be consolidated in any arbitration with any claim or controversy of any other party. The arbitration will be conducted in King County, Washington, and judgment on the arbitration award may be entered into any court having jurisdiction thereof. The award of the arbitrator shall be final and binding upon the parties without appeal or review except as permitted by Washington law. Notwithstanding the foregoing, either party may seek any interim or preliminary injunctive relief from any court of competent jurisdiction, as necessary to protect the party's rights or property pending the completion of arbitration. By using the Site or the Subscription Service, you consent and submit to the exclusive jurisdiction and venue of the state and federal courts located in King County, Washington. Any legal action by Subscriber arising under these Terms and Conditions must be initiated within two years after the cause of action arises. The waiver by either party of any breach of any provision of these Terms and Conditions does not waive any other breach. The failure of any party to insist on strict performance of any covenant or obligation in accordance with these Terms and Conditions will not be a waiver of such party's right to demand strict compliance in the future, nor will the same be construed as a novation of these Terms and Conditions. If any part of these Terms and Conditions is found to be illegal, unenforceable, or invalid, the remaining portions of these Terms and Conditions will remain in full force and effect. If any material limitation or restriction on the grant of any license to Subscriber under these Terms and Conditions is found to be illegal, unenforceable, or invalid, the license will immediately terminate. Except as set forth in Section 2 of these Terms and Conditions, these Terms and Conditions may not be amended except in writing signed by both you and us. In the event that we make such a change that has a material adverse impact on your rights or use of the Service, you may terminate these Terms and Conditions by giving us notice within 20 days of the date we notify you, and you will not be charged any cancellation fee. These Terms and Conditions are the final and complete expression of the agreement between these parties regarding the Subscription Service. These Terms and Conditions supersede, and the terms of these Terms and Conditions govern, all previous oral and written communications regarding these matters.

Electronic Record and Signature Disclosure		

1. ACCEPTANCE OF TERMS AND CONDITIONS These Terms and Conditions govern your ("Subscriber" or "you") use of DocuSign's on-demand electronic signature service (the "Subscription Service"), as accessed either directly through DocuSign.com, DocuSign.net, or through a DocuSign affiliate's™ web page offering a Service Plan (collectively, the "Site"). By depositing any document into the System (as defined below), you accept these Terms and Conditions (including your corresponding Service Plan, the DocuSign.com Terms of Use, and all policies and guidelines referenced and hereby incorporated into these Terms and Conditions) and any modifications that may be made to the Terms and Conditions from time to time. If you do not agree to these Terms and Conditions, you should not use the Subscription Service or visit or browse the Site. These Terms and Conditions constitute a binding legal agreement between you and DocuSign, Inc. ("DocuSign," "we," "us," and "our"). Please read them carefully and print a copy for your future reference.

2. MODIFICATION OF TERMS AND CONDITIONS We reserve the right to modify these Terms and Conditions at any time and in any manner at our sole discretion by: (a) posting a revision on the Site; or (b) sending information regarding the amendment to the email address you provide to us. **YOU ARE RESPONSIBLE FOR REGULARLY REVIEWING THE SITE TO OBTAIN TIMELY NOTICE OF ANY AMENDMENTS. YOU SHALL BE DEEMED TO HAVE ACCEPTED SUCH AMENDMENTS BY CONTINUING TO USE THE SUBSCRIPTION SERVICE FOR MORE THAN 20 DAYS AFTER SUCH AMENDMENTS HAVE BEEN POSTED OR INFORMATION REGARDING SUCH AMENDMENTS HAS BEEN SENT TO YOU.** You agree that we shall not be liable to you or to any third party for any modification of the Terms and Conditions.

3. DEFINITIONS "Account" means a unique account established by Subscriber to enable its Authorized Users to access and use the Subscription Service. "Authorized User" means any employee or agent of Subscriber, identified by a unique email address and user name, who is registered under the Account, provided that no two persons may register, access or use the Subscription Service as the same Authorized User. "Contract" refers to a contract, notice, disclosure, or other record or document deposited into the System by Subscriber for processing using the Subscription Service. "Envelope" means an electronic record containing one or more eContracts consisting of a single page or a group of pages of data uploaded to the System. "Seat" means an active Authorized User listed in the membership of an Account at any one time. No two individuals may log onto or use the Subscription Service as the same Authorized User, but Subscriber may unregister or deactivate Authorized Users and replace them with other Authorized Users without penalty, so long as the number of active Authorized Users registered at any one time is equal to or less than the number of Seats purchased. "Service Plan" means the right to access and use the Subscription Service for a specified period in exchange for a periodic fee, subject to the Service Plan restrictions and requirements that are used to describe the selected Service Plan on the Site. Restrictions and requirements may include any or all of the following: (a) number of Seats and/or Envelopes that a Subscriber may use in a month or year for a fee; (b) fee for sent Envelopes in excess of the number of Envelopes allocated to Subscriber under the Service Plan; (c) per-seat or per-user restrictions; (d) the license to use DocuSign software products such as DocuSign Connect Express in connection with the Subscription Service; and (e) per use fees. "Specifications" means the technical specifications set forth in the "Subscription Service Specifications" available at <http://docusign.com/company/specifications>. "Subscription Service" means DocuSign's™ on-demand electronic signature service, as updated from time

to time, which provides on-line display, certified delivery, acknowledgement, electronic signature, and storage services for eContracts via the Internet. "System" refers to the software systems and programs, communication and network facilities, and hardware and equipment used by DocuSign or its agents to provide the Subscription Service. "Term" means the period of effectiveness of these Terms and Conditions, as specified in Section 12 below. "Transaction Data" means the metadata associated with an Envelope (such as transaction history, image hash value, method and time of Envelope deletion, sender and recipient names, email addresses and signature IDs) and maintained by DocuSign in order to establish the digital audit trail required by the Subscription Service.

4. SUBSCRIPTION SERVICE

During the term of the Service Plan and subject to these Terms and Conditions, Subscriber will have the right to obtain an Account and register its Authorized Users, who may access and use the Subscription Service, and DocuSign will provide the Subscription Service in material conformance with the Specifications. You must be 18 years of age or older to register for an Account and use the Subscription Service. Subscriber's right to use the Subscription Service is limited to its Authorized Users, and Subscriber agrees not to resell or otherwise provide or assist with the provision of the Subscription Service to any third party. In addition, DocuSign's provision of the Subscription Service is conditioned on Subscriber's acknowledgement and agreement to the following: (a) The Subscription Service facilitates the execution of eContracts between the parties to those eContracts. Nothing in these Terms and Conditions may be construed to make DocuSign a party to any eContract processed through the Subscription Service, and DocuSign makes no representation or warranty regarding the transactions sought to be effected by any eContract; (b) Between DocuSign and Subscriber, Subscriber has exclusive control over and responsibility for the content, quality, and format of any eContract. All eContracts stored by DocuSign are maintained in an encrypted form, and DocuSign has no control of or access to their contents; (c) If Subscriber elects to use one or more of the optional features designed to verify the identity of the intended recipient of an eContract that DocuSign makes available to its subscribers ("Authentication Measures"), DocuSign will apply only those Authentication Measures selected by the Subscriber, but makes no representations or warranties about the appropriateness of any Authentication Measure. Further, DocuSign assumes no liability for: (A) the inability or failure by the intended recipient or other party to satisfy the Authentication Measure; or (B) the circumvention by any person (other than DocuSign) of any Authentication Measure; (d) Certain types of agreements and documents may be exempted from electronic signature laws (e.g. wills and agreements pertaining to family law), or may be subject to specific regulations promulgated by various government agencies regarding electronic signatures and electronic records. DocuSign is not responsible or liable to determine whether any particular eContract is subject to an exception to applicable electronic signature laws, or whether it is subject to any particular agency promulgations, or whether it can be legally formed by electronic signatures; (e) DocuSign is not responsible for determining how long any d to be retained or stored under any applicable laws, regulations, or legal or administrative agency processes. Further, DocuSign is not responsible for or liable to produce any of Subscriber's eContracts or other documents to any third parties; (f) Certain consumer protection or similar laws or regulations may impose special requirements with respect to electronic transactions involving one or more "consumers," such as (among others) requirements that the consumer consent to the method of contracting and/or that the consumer be provided with a copy, or access to a copy, of a paper or other non-electronic, written record of the transaction. DocuSign does not and is not responsible to: (A) determine whether any

particular transaction involves a “consumer”; (B) furnish or obtain any such consents or determine if any such consents have been withdrawn; (C) provide any information or disclosures in connection with any attempt to obtain any such consents; (D) provide legal review of, or update or correct any information or disclosures currently or previously given; (E) provide any such copies or access, except as expressly provided in the Specifications for all transactions, consumer or otherwise; or (F) otherwise to comply with any such special requirements; and (g) Subscriber undertakes to determine whether any “consumer” is involved in any eContract presented by Subscriber or its Authorized Users for processing, and, if so, to comply with all requirements imposed by law on such eContracts or their formation. (h) If the domain of the primary email address associated with the Account is owned by an organization and was assigned to Subscriber as an employee, contractor or member of such organization, and that organization wishes to establish a commercial relationship with DocuSign and add the Account to such relationship, then, if Subscriber does not change the email address associated with the Account, the Account may become subject to the commercial relationship between DocuSign and such organization and controlled by such organization.

5. RESPONSIBILITY FOR CONTENT OF COMMUNICATIONS As between Subscriber and DocuSign, Subscriber is solely responsible for the nature and content of all materials, works, data, statements, and other visual, graphical, video, and written or audible communications submitted by any Authorized User or otherwise processed through its Account, the Subscription Service, or under any Service Plan. Accordingly: (a) Subscriber will not use or permit the use of the Subscription Service to send unsolicited mass mailings outside its organization. The term “unsolicited mass mailings” includes all statutory or common definitions or understanding of those terms in the applicable jurisdiction, such as those set forth for “Commercial Electronic Mail Messages” under the U.S. CAN-SPAM Act, as an example only; and (b) Subscriber will not use or permit the use of the Subscription Service: (i) to communicate any message or material that is defamatory, harassing, libelous, threatening, or obscene; (ii) in a way that violates or infringes upon the intellectual property rights or the privacy or publicity rights of any person or entity or that may otherwise be unlawful or give rise to civil or criminal liability (other than contractual liability of the parties under eContracts processed through the Subscription Service); (iii) in any manner that is likely to damage, disable, overburden, or impair the System or the Subscription Service or interfere with the use or enjoyment of the Subscription Service by others; or (iv) in any way that constitutes or encourages conduct that could constitute a criminal offense. DocuSign does not monitor the content processed through the Subscription Service, but in accordance with DMCA (Digital Millennium Copyright Act) safe harbors, it may suspend any use of the Subscription Service, or remove or disable any content that DocuSign reasonably and in good faith believes violates this Agreement or applicable laws or regulations. DocuSign will use commercially reasonable efforts to notify Subscriber prior to any such suspension or disablement, unless DocuSign reasonably believes that: (A) it is prohibited from doing so under applicable law or under legal process, such as court or government administrative agency processes, orders, mandates, and the like; or (B) it is necessary to delay notice in order to prevent imminent harm to the System, Subscription Service, or a third party. Under circumstances where notice is delayed, DocuSign will provide the notice if and when the related restrictions in the previous sentence no longer apply.

6. PRICING AND PER USE PURCHASES The prices, features, and options of the Subscription Service available for an Account depend on the Service Plan selected by Subscriber. Subscriber may also purchase optional services on a periodic or per-use basis. DocuSign may add or change the prices, features or options available with a

Service Plan without notice. Subscriber's usage under a Service Plan is measured based on the actual number of Seats as described in the Service Plan on the Site. Once a per-Seat Service Plan is established, the right of the named Authorized User to access and use the Subscription Service is not transferable; any additional or differently named Authorized Users must purchase per-Seat Service Plans to send Envelopes. Extra seats, users and/or per use fees will be charged as set forth in Subscriber's Service Plan if allowed by such Service Plan. If a Services Plan defines a monthly Envelope Allowance (i.e. # Envelopes per month allowed to be sent), all Envelopes sent in excess of the Envelope Allowance will incur a per-Envelope charge. Any unused Envelope Allowances will expire and not carry over from one billing period to another under a Service Plan. Subscriber's Account will be deemed to have consumed an Envelope at the time the Envelope is sent by Subscriber, regardless of whether Envelopes were received by recipients, or whether recipients have performed any actions upon any eContract in the Envelope. Powerforms are considered Envelopes within an Envelope Allowance Service Plan, and will be deemed consumed at the time they are "clicked" by any end user regardless of whether or not any actions are subsequently performed upon such Envelope. For Service Plans that specify the Envelope Allowance is "Unlimited," Subscriber is allowed to send a reasonable number of Envelopes from the number of Seats purchased. If DocuSign suspects that the number of Envelopes sent from a particular Seat or a group of Seats is abusive and/or unduly burdensome, DocuSign will promptly notify Subscriber, discuss the use-case scenario with Subscriber and any continued monitoring, additional discussions and/or information required to make a final determination on the course of action based on such information. In the event Subscriber exceeds, in DocuSign's sole discretion, reasonable use restrictions under a Service Plan, DocuSign reserves the right to transfer Subscriber into a higher-tier Service Plan without notice. If you misrepresent your eligibility for any Service Plan, you agree to pay us the additional amount you would have been charged under the most favorable pricing structure for which you are eligible. DocuSign may discontinue a Service Plan at any time, and with prior notice to you, may migrate your Account to a similar Service Plan that may carry a different fee. You agree to allow us to charge your credit card for the fees associated with a substitute Service Plan, even if those fees are higher than those you agreed to when you registered your Account. Optional asures, are measured at the time of use, and such charges are specific to the number of units of the service(s) used during the billing period. Optional services subject to periodic charges, such as additional secure storage, are charged on the same periodic basis as the Service Plan fees for the Subscription Service.

7. SUBSCRIBER SUPPORT DocuSign will provide Subscriber support to Subscriber as specified in the Service Plan selected by Subscriber, and that is further detailed on DocuSign's website.

8. STORAGE DocuSign will store eContracts per the terms of the Service Plan selected by Subscriber. For Service Plans that specify the Envelope storage amount is "Unlimited," DocuSign will store an amount of Envelopes that is not abusive and/or unduly burdensome, in DocuSign's sole discretion. Subscriber may retrieve and store copies of eContracts for storage outside of the System at any time during the Term of the Service Plan when Subscriber is in good financial standing under these Terms and Conditions, and may delete or purge eContracts from the System at its own discretion. DocuSign may, at its sole discretion, delete an uncompleted eContract from the System immediately and without notice upon earlier of: (i) expiration of the Envelope (where Subscriber has established an expiration for such Envelope, not to exceed 365 days); or (ii) expiration of the Term. DocuSign assumes no liability or responsibility for a party's failure or inability to electronically sign any eContract within such a period of time. DocuSign may retain Transaction Data for as long as it has a

business purpose to do so. 9. BUSINESS AGREEMENT BENEFITS You may receive or be eligible for certain pricing structures, discounts, features, promotions, and other benefits (collectively, "Benefits") through a business or government Subscriber's agreement with us (a "Business Agreement"). Any and all such Benefits are provided to you solely as a result of the corresponding Business Agreement and such Benefits may be modified or terminated without notice. If you use the Subscription Service where a business or government entity pays your charges or is otherwise liable for the charges, you authorize us to share your account information with that entity and/or its authorized agents. If you are enrolled in a Service Plan or receive certain Benefits tied to a Business Agreement with us, but you are liable for your own charges, then you authorize us to share enough account information with that entity and its authorized agents to verify your continuing eligibility for those Benefits and the Service Plan. 10. FEES AND PAYMENT TERMS The Service Plan rates, charges, and other conditions for use are set forth in the Site. Subscriber will pay DocuSign the applicable charges for the Services Plan as set forth on the Site. If you add more Authorized Users than the number of Seats you purchased, we will add those Authorized Users to your Account and impose additional charges for such additional Seats on an ongoing basis. Charges for pre-paid Service Plans will be billed to Subscriber in advance. Charges for per use purchases and standard Service Plan charges will be billed in arrears. When you register for an Account, you will be required to provide DocuSign with accurate, complete, and current credit card information for a valid credit card that you are authorized to use. You must promptly notify us of any change in your invoicing address or changes related to the credit card used for payment. By completing your registration for the Services Plan, you authorize DocuSign or its agent to bill your credit card the applicable Service Plan charges, any and all applicable taxes, and any other charges you may incur in connection with your use of the Subscription Service, all of which will be charged to your credit card. Each time you use the Subscription Service, or allow or cause the Subscription Service to be used, you reaffirm that we are authorized to charge your credit card. You may terminate your Account and revoke your credit card authorization as set forth in the Term and Termination section of these Terms and Conditions. We will provide you with one invoice in a format we choose, which may change from time to time, for all Subscription Service associated with each Account and any charges of a third party on whose behalf we bill. Payment of all charges is due and will be charged to your credit card upon your receipt of an invoice. Billing cycle end dates may change from time to time. When a billing cycle covers less than or more than a full month, we may make reasonable adjustments and/or prorations. If your Account is a qualified business account and is approved by us in writing for corporate billing, charges will be accumulated, identified by Account identification number, and invoiced on a monthly basis. You agree that we may (at our option) accumulate charges incurred during your monthly billing cycle and submit them as one or more aggregate charges during or at the end of each cycle, and that we may delay obtaining authorization from your credit card issuer until submission of the accumulated charge(s). This means that accumulated charges may appear on the statement you receive from your credit card issuer. If DocuSign does not receive payment from your credit card provider, you agree to pay all amounts due upon demand. DocuSign reserves the right to correct any errors or mistakes that it makes even if it has already requested or received payment. Your credit card issuer's agreement governs your use of your credit card in connection with the Subscription Service, and you must refer to such agreement (not these Terms and Conditions) with respect to your rights and liabilities as a cardholder. You are solely responsible for any and all fees charged to your credit card by the issuer, bank, or financial institution including, but not limited to, membership,

overdraft, insufficient funds, and over the credit limit fees. You agree to notify us about any billing problems or discrepancies within 20 days after they first appear on your invoice. If you do not bring them to our attention within 20 days, you agree that you waive your right to dispute such problems or discrepancies. We may modify the price, content, or nature of the Subscription Service and/or your Service Plan at any time. If we modify any of the foregoing terms, you may cancel your use of the Subscription Service. We may provide notice of any such changes by e-mail, notice to you upon log-in, or by publishing them on the Site. Your payment obligations survive any termination of your use of the Subscription Service before the end of the billing cycle. Any amount not paid when due will be subject to finance charges equal to 1.5% of the unpaid balance per month or the highest rate permitted by applicable usury law, whichever is less, determined and compounded daily from the date due until the date paid. Subscriber will reimburse any costs or expenses (including, but not limited to, reasonable attorneys' fees) incurred by DocuSign to collect any amount that is not paid when due. DocuSign may accept any check or payment in any amount without prejudice to DocuSign's right to recover the balance of the amount due or to pursue any other right or remedy. Amounts due to DocuSign under these Terms and Conditions may not be withheld or offset by Subscriber for any reason against amounts due or asserted to be due to Subscriber from DocuSign. Unless otherwise noted and Conditions are denominated in United States dollars, and Subscriber will pay all such amounts in United States dollars. Other than federal and state net income taxes imposed on DocuSign by the United States, Subscriber will bear all taxes, duties, VAT and other governmental charges (collectively, "taxes") resulting from these Terms and Conditions or transactions conducted in relation to these Terms and Conditions. Subscriber will pay any additional taxes as are necessary to ensure that the net amounts received and retained by DocuSign after all such taxes are paid are equal to the amounts that DocuSign would have been entitled to in accordance with these Terms and Conditions as if the taxes did not exist. 11. DEPOSITS, SERVICE LIMITS, CREDIT REPORTS, AND RETURN OF BALANCES You authorize us to ask consumer reporting agencies or trade references to furnish us with employment and credit information, and you consent to our rechecking and reporting personal and/or business payment and credit history if, in our sole discretion, we so choose. If you believe that we have reported inaccurate information about your account to a consumer reporting agency, you may send a written notice describing the specific inaccuracy to the address provided in the Notices section below. For you to use the Subscription Service, we may require a deposit or set a service limit. The deposit will be held as a partial guarantee of payment. It cannot be used by you to pay your invoice or delayed payment. Unless otherwise required by law, deposits may be mixed with other funds and will not earn interest. We reserve the right to increase your deposit if we deem appropriate. You may request that we reevaluate your deposit on an annual basis, which may result in a partial or total refund of the deposit to you or credit to your account. If you default or these Terms and Conditions are terminated, we may, without notice to you, apply any deposit towards payment of any amounts you owe to us. After approximately 90 days following termination of these Terms and Conditions, any remaining deposit or other credit balance in excess of amounts owed will be returned without interest, unless otherwise required by law, to you at your last known address. You agree that any amounts under \$15 will not be refunded to cover our costs of closing your account. If the deposit balance is undeliverable and returned to us, we will hold it for you for one year from the date of return and, during that period, we may charge a service fee against the deposit balance. You hereby grant us a security interest in any deposit we require to secure the performance of your obligations under these Terms and

Conditions. 12. TERM AND TERMINATION The term of these Terms and Conditions for each Account begins on the date you register for an Account and continues for the term specified by the Service Plan you purchase (the "Term"). You may terminate your Account at any time upon 10 days advance written notice to DocuSign following the Notice procedures set forth in these Terms and Conditions. Unless you terminate your Account or you set your Account to not auto renew, your Service Plan will automatically renew at the end of its Term (each a "Renewal Term"), and you authorize us (without notice) to collect the then-applicable fee and any taxes for the renewed Service Plan, using any credit card we have on record for you. Service Plan fees and features may change over time. Your Service Plan for a Renewal Term will be the one we choose as being closest to your Service Plan from the prior Term. For any termination (including when you switch your Account), you will be responsible for payment of all fees and charges through the end of the billing cycle in which termination occurs. If you terminate your annual Service Plan Account within the first 30 days of the Term, you may submit written request to DocuSign following the Notice procedures set forth in these Terms and Conditions, for a full refund of the prepaid fees paid by you to DocuSign. You will be limited to one refund. You agree that termination of an annual Service Plan after the first 30 days will not entitle you to any refund of prepaid fees. You will be in default of these Terms and Conditions if you: (a) fail to pay any amount owed to us or an affiliate of ours or any amount appearing on your invoice; (b) have amounts still owing to us or an affiliate of ours from a prior account; (c) breach any provision of these Terms and Conditions; (d) violate any policy applicable to the Subscription Service; (e) are subject to any proceeding under the Bankruptcy Code or similar laws; or (f) if, in our sole discretion, we believe that your continued use of the Subscription Service presents a threat to the security of other users of the Subscription Service. If you are in default, we may, without notice to you, suspend your Account and use of the Subscription Service, withhold refunds and terminate your Account, in addition to all other remedies available to us. We may require reactivation charges to reactivate your Account after termination or suspension. The following provisions will survive the termination of these Terms and Conditions and your Account: Sections 3, 9-11, and 15-23. 13. SUBSCRIBER WARRANTIES You hereby represent and warrant to DocuSign that: (a) you have all requisite rights and authority to use the Subscription Service under these Terms and Conditions and to grant all applicable rights herein; (b) the performance of your obligations under these Terms and Conditions will not violate, conflict with, or result in a default under any other agreement, including confidentiality agreements between you and third parties; (c) you will use the Subscription Service for lawful purposes only and subject to these Terms and Conditions; (d) you are responsible for all use of the Subscription Service in your Account; (e) you are solely responsible for maintaining the confidentiality of your Account names and password(s); (f) you agree to immediately notify us of any unauthorized use of your Account of which you become aware; (g) you agree that DocuSign will not be liable for any losses incurred as a result of a third party's use of your Account, regardless of whether such use is with or without your knowledge and consent; (h) you will not use the Subscription Service in any manner that could damage, disable, overburden or impair the System, or interfere with another's use of the Subscription Service by others; (i) any information submitted to DocuSign by you is true, accurate, and correct; and (j) you will not attempt to gain unauthorized access to the System or the Subscription Service, other accounts, computer systems, or networks under the control or responsibility of DocuSign through hacking, cracking, password mining, or any other unauthorized means. 14. DOCUSIGN WARRANTIES DocuSign represents and warrants that: (a) the Subscription Service as delivered to Subscriber

and used in accordance with the Specifications will not infringe on any United States patent, copyright or trade secret; (b) the Subscription Service will be performed in accordance with the Specifications in their then-current form at the time of the provision of such Subscription Service; (c) any DocuSign Products that are software shall be free of harmful or illicit code, trapdoors, viruses, or other harmful features; (d) the proper use of the Subscription Service by Subscriber in accordance with the Specifications and applicable law in the formation of an eContract not involving any consumer will be sufficient under the Electronic Signatures in Global and National Commerce Act, 15 U.S.C. Â§Â§ 7001 et seq. (the "ESIGN Act") to ESIGN Act; (e) the proper use of the Subscription Service by Subscriber in accordance with the Specifications and applicable law in the formation of an eContract involving a consumer will be sufficient under the ESIGN Act to support the validity of such formation, to the extent provided in the ESIGN Act, so long as and provided that Subscriber complies with all special requirements for consumer eContracts, including and subject to those referenced in Section 4.(f) and (g) above; and (f) DocuSign has implemented information security policies and safeguards to preserve the security, integrity, and confidentiality of eContracts and to protect against unauthorized access and anticipated threats or hazards thereto, that meet the objectives of the Interagency Guidelines Establishing Standards for Safeguarding Subscriber Information as set forth in Section 501 (b) of the Gramm-Leach-Bliley Act.

15. DISCLAIMER OF WARRANTIES EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES EXPRESSLY PROVIDED IN SECTION 14 OF THESE TERMS AND CONDITIONS, THE SUBSCRIPTION SERVICE AND THE SITE ARE PROVIDED "AS IS," AND DOCUSIGN: (a) MAKES NO ADDITIONAL REPRESENTATION OR WARRANTY OF ANY KIND WHETHER EXPRESS, IMPLIED (EITHER IN FACT OR BY OPERATION OF LAW), OR STATUTORY, AS TO ANY MATTER WHATSOEVER; (b) EXPRESSLY DISCLAIMS ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, QUALITY, ACCURACY, AND TITLE; AND (c) DOES NOT WARRANT THAT THE SUBSCRIPTION SERVICE OR SITE ARE OR WILL BE ERROR-FREE, WILL MEET SUBSCRIBER'S REQUIREMENTS, OR BE TIMELY OR SECURE. SUBSCRIBER WILL BE SOLELY RESPONSIBLE FOR ANY DAMAGE RESULTING FROM THE USE OF THE SUBSCRIPTION SERVICE OR SITE. SUBSCRIBER WILL NOT HAVE THE RIGHT TO MAKE OR PASS ON ANY REPRESENTATION OR WARRANTY ON BEHALF OF DOCUSIGN TO ANY THIRD PARTY. USE OF THE SUBSCRIPTION SERVICE AND SITE ARE AT YOUR SOLE RISK. Because some states and jurisdictions do not allow limitations on implied warranties, the above limitation may not apply to you. In that event, such warranties are limited to the minimum warranty period allowed by the applicable law.

16. SUBSCRIBER INDEMNIFICATION OBLIGATIONS You will defend, indemnify, and hold us, our affiliates, officers, directors, employees, suppliers, consultants, and agents harmless from any and all third party claims, liability, damages, and costs (including, but not limited to, attorneys' fees) arising from or related to: (a) your use of the Subscription Service; (b) your violation of these Terms and Conditions; (c) your infringement, or infringement by any other user of your Account, of any intellectual property or other right of any person or entity; or (d) the nature and content of all materials, works, data, statements, and other visual, graphical, written, or audible communications of any nature submitted by any Authorized User of your Account or otherwise processed through your Account.

17. LIMITATIONS OF LIABILITY NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THESE TERMS AND CONDITIONS, DOCUSIGN WILL NOT, UNDER ANY CIRCUMSTANCES, BE LIABLE TO SUBSCRIBER

FOR ANY CONSEQUENTIAL, INCIDENTAL, SPECIAL, OR EXEMPLARY DAMAGES ARISING OUT OF OR RELATED TO THE TRANSACTIONS CONTEMPLATED UNDER THESE TERMS AND CONDITIONS, INCLUDING BUT NOT LIMITED TO LOST PROFITS OR LOSS OF BUSINESS, EVEN IF APPRISED OF THE LIKELIHOOD OF SUCH DAMAGES OCCURRING. UNDER NO CIRCUMSTANCES WILL DOCUSIGN'S TOTAL LIABILITY OF ALL KINDS ARISING OUT OF OR RELATED TO THESE TERMS AND CONDITIONS OR SUBSCRIBER'S USE OF THE SUBSCRIPTION SERVICE (INCLUDING BUT NOT LIMITED TO WARRANTY CLAIMS), REGARDLESS OF THE FORUM AND REGARDLESS OF WHETHER ANY ACTION OR CLAIM IS BASED ON CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, EXCEED THE TOTAL AMOUNT PAID BY SUBSCRIBER TO DOCUSIGN UNDER THESE TERMS AND CONDITIONS DURING THE 3 MONTHS PRECEDING THE DATE OF THE ACTION OR CLAIM. EACH PROVISION OF THESE TERMS AND CONDITIONS THAT PROVIDES FOR A LIMITATION OF LIABILITY, DISCLAIMER OF WARRANTIES, OR EXCLUSION OF DAMAGES REPRESENTS AN AGREED ALLOCATION OF THE RISKS OF THESE TERMS AND CONDITIONS BETWEEN THE PARTIES. THIS ALLOCATION IS REFLECTED IN THE PRICING OFFERED BY DOCUSIGN TO SUBSCRIBER AND IS AN ESSENTIAL ELEMENT OF THE BASIS OF THE BARGAIN BETWEEN THE PARTIES. EACH OF THESE PROVISIONS IS SEVERABLE AND INDEPENDENT OF ALL OTHER PROVISIONS OF THESE TERMS AND CONDITIONS, AND EACH OF THESE PROVISIONS WILL APPLY EVEN IF THE WARRANTIES IN THESE TERMS AND CONDITIONS HAVE FAILED OF THEIR ESSENTIAL PURPOSE. Because some states and jurisdictions do not allow limitation of liability in certain instances, portions of the above limitation may not apply to you.

18. CONFIDENTIALITY – "Confidential Information" means any trade secrets or other information of DocuSign, whether of a technical, business, or other nature (including, without limitation, DocuSign software and related information), that is disclosed to or made available to Subscriber. Confidential Information does not include any information that: (a) was known to Subscriber prior to receiving it from DocuSign; (b) is independently developed by Subscriber without use of or reference to any Confidential Information; (c) is acquired by Subscriber from another source without restriction as to use or disclosure; or (d) is or becomes part of the public domain through no fault or action of Subscriber. During and after the Term of these Terms and Conditions, Subscriber will: (i) use the Confidential Information solely for the purpose for which it is provided; (ii) not disclose such Confidential Information to a third party; and (iii) protect such Confidential Information from unauthorized use and disclosure to the same extent (but using no less than a reasonable degree of care) that it protects its own Confidential Information of a similar nature. If Subscriber is required by law to disclose the Confidential Information or the terms of these Terms and Conditions, Subscriber must give prompt written notice of such requirement before such disclosure and assist the DocuSign in obtaining an order protecting the Confidential Information from public disclosure. Subscriber acknowledges that, as between the parties, all Confidential Information it receives from DocuSign, including all copies thereof in Subscriber's possession or control, in any media, is proprietary to and exclusively owned by DocuSign. Nothing in these Terms and Conditions grants Subscriber any right, title, or interest in or to any of the Confidential Information. Subscriber's incorporation of the Confidential Information into any of its own materials shall not render Confidential Information non-confidential. Subscriber acknowledges that any actual or threatened violation of this confidentiality provision may cause

irreparable, non-monetary injury to the disclosing party, the extent of which may be difficult to ascertain, and therefore agrees that DocuSign shall be entitled to seek injunctive relief in addition to all remedies available to DocuSign at law and/or in equity. Absent written consent of DocuSign, the burden of proving that the Confidential Information is not, or is no longer, confidential or a trade secret shall be on Subscriber.

19. **PRIVACY** Personal information provided or collected through or in connection with this Site shall only be used in accordance with DocuSign's Privacy Policy and these Terms and Conditions are subject to the Privacy Policy on DocuSign's website which sets forth the terms and conditions governing DocuSign's collection and use of personal information from Authorized Users that is gathered through the Site.

20. **ACCESS LIMITS** Your use of the Site is at all times governed by our website Terms of Service. DocuSign is the owner of various intellectual property and technology rights associated with the Subscription Service, its document management, digital signature, and notary system, including patent, copyright, trade secret, and trademark and service mark rights. Except for the rights expressly granted in these Terms and Conditions, DocuSign does not transfer to Subscriber of any Authorized User any of DocuSign's technology or other intellectual property or technology rights. All right, title, and interest in and to DocuSign's technology and intellectual property will remain solely with the DocuSign. Subscriber agrees that it will not, directly or indirectly, reverse engineer, decompile, disassemble, or otherwise attempt to derive source code or other trade secrets from the Subscription Service or DocuSign's technology. DocuSign agrees that data and information provided by Subscriber under these Terms and Conditions shall remain, as between Subscriber and DocuSign, owned by Subscriber. DocuSign hereby grants to users and licensees of its products and services a limited, revocable, nonexclusive and nontransferable right to use DocuSign's regular trade names, trademarks, titles and logos ("Licensed Marks") solely for purposes of identifying DocuSign's products and services. Details of this trademark license are available at: <http://www.docusign.com/IP>.

23. **GENERAL** Subscriber acknowledges that the Subscription Service and any related products, information, documentation, software, technology, technical data, and any derivatives thereof, that DocuSign makes available to its Subscribers (collectively "Excluded Data"), is subject to export control laws and regulations of the United States and other jurisdictions (collectively "Export Laws"). Subscriber represents and warrants that: (i) it is not located in, under the control of, or a national or resident of an embargoed country or prohibited end user under Export Laws; and (ii) it will not access, download, use, export or re-export, directly or indirectly, the Excluded Data to any location, entity, government or person prohibited by export laws, without first complying with all Export Laws that may be imposed by the U.S. Government and any country or organization of nations within whose jurisdiction it operates or does business. Subscriber is solely responsible for complying with Export Laws for all Excluded Data and any of its content transmitted through the Subscription Service. Subscriber shall advise DocuSign in the event the Excluded Data requires DocuSign to obtain additional licenses, permits and/or approvals from any government in the jurisdiction where Subscriber intends to use the Subscription Service. Upon being advised of such a requirement, DocuSign may at its sole discretion: (a) terminate

Subscriber's Account; (b) obtain such licenses, permits, and/or approvals as may be required; or (c) modify these Terms and Conditions such that additional licenses, permits, and/or approvals are no longer required to be obtained by DocuSign. The Subscription Service will be accessed and delivered via the internet. Subscriber is responsible for obtaining the necessary equipment and internet connection in order to access and use the Subscription Service. In order to fully utilize the Subscription Service, Subscriber will need to maintain certain minimum hardware and software requirements. These requirements are set forth in the Specifications. DocuSign will be and act as an independent contractor (and not as the agent or representative of Subscriber) in the performance of these Terms and Conditions. These Terms and Conditions will not be interpreted or construed as: (a) creating or evidencing any association, joint venture, partnership, or franchise between the parties; (b) imposing any partnership or franchise obligation or liability on either party; (c) prohibiting or restricting either party's performance of any services for any third party; or (d) establishing or as a foundation for any rights or remedies for any third party, whether as a third party beneficiary or otherwise. Subscriber must not represent to anyone that Subscriber is an agent of DocuSign or is otherwise authorized to bind or commit DocuSign in any way without DocuSign's prior authorization. Subscriber may not assign its rights, duties, or obligations under these Terms and Conditions without DocuSign's prior written consent. If consent is given, these Terms and Conditions will bind Subscriber's successors and assigns. Any attempt by Subscriber to transfer its rights, duties, or obligations under these Terms and Conditions except as expressly provided in these Terms and Conditions is void. DocuSign may freely assign its rights, duties, and obligations under these Terms and Conditions. DocuSign may utilize a subcontractor or other third party to perform its duties under these Terms and Conditions so long as: (a) DocuSign shall not be relieved of any responsibilities or obligations under these Terms and Conditions that are performed by the subcontractor or third party; and (b) DocuSign shall remain Subscriber's sole point of contact and sole contracting party. We may provide, or third parties may provide, links to other Web sites or resources that are beyond our control. We make no representations as to the quality, suitability, functionality, or legality of any sites to which links may be provided, and you hereby waive any claim you might have against us with respect to such sites. **DOCUSIGN IS NOT RESPONSIBLE FOR THE CONTENT ON THE INTERNET OR WEB PAGES THAT ARE CONTAINED OUTSIDE THE SITE.** Your correspondence or business dealings with, or participation in promotions of, advertisers or partners found on or through the Site, including payment and delivery of related goods or services, and any other terms, conditions, warranties, or representations associated with such dealings, are solely between you and such advertiser or partner. You agree that we are not responsible or liable for any loss or damage of any sort incurred as the result of any such dealings or as the result of the presence of such advertisers or partners on the Site. 1.866.219.4318. Neither party will be liable for, or be considered to be in breach of or default on account of, any delay or failure to perform as required by these Terms and Conditions as a result of any cause or condition beyond such party's reasonable control, so long as such party uses all commercially reasonable efforts to avoid or remove such causes of non-performance or delay. These Terms and Conditions are governed in all respects by the laws of the State of Washington as such laws are applied to agreements entered into and to be performed entirely within Washington between Washington residents. Any controversy or claim arising out of or relating to these Terms and Conditions, the Hosted Service, or the Site will be settled by binding arbitration in accordance with the commercial arbitration rules of the American Arbitration Association. Any such controversy or claim shall be arbitrated on an individual basis, and shall not be consolidated in any arbitration with any claim or controversy of any other party. The arbitration will be conducted in King County, Washington, and judgment on the arbitration award may be entered into any court having jurisdiction thereof. The award of the arbitrator shall be final and binding upon the parties without appeal or review except as permitted by Washington law. Notwithstanding the foregoing, either party may seek any interim or preliminary injunctive relief from any court of competent jurisdiction, as necessary to protect the party's rights or property pending the completion of arbitration. By using the Site or the Subscription Service, you consent and submit to the exclusive jurisdiction and venue of the state and federal courts located in King County, Washington. Any legal action by Subscriber arising under these Terms and Conditions must be initiated within two years after the cause of action arises. The waiver by either party of any breach of any provision of these Terms and Conditions does not waive any other breach. The failure of any party to insist on strict performance of any covenant or obligation in accordance with these Terms and Conditions will not be a waiver of such party's right to demand strict compliance in the future, nor will the same be construed as a novation of these Terms and Conditions. If any part of these Terms and Conditions is found to be illegal, unenforceable, or invalid, the remaining portions of these Terms and Conditions will remain in full force and effect. If any material limitation or restriction on the grant of any license to Subscriber under these Terms and Conditions is found to be illegal, unenforceable, or invalid, the license will immediately terminate. Except as set forth in Section 2 of these Terms and Conditions, these Terms and Conditions may not be amended except in writing signed by both you and us. In the event that we make such a change that has a material adverse impact on your rights or use of the Service, you may terminate these Terms and Conditions by giving us notice within 20 days of the date we notify you, and you will not be charged any cancellation fee. These Terms and Conditions are the final and complete expression of the agreement between these parties regarding the Subscription Service. These Terms and Conditions supersede, and the terms of these Terms and Conditions govern, all previous oral and written communications regarding these matters.
