Dear Davie,

I wanted to present this letter to you as official notification that the Metro Human Relations Commission Support Fund of the Community Foundation of Middle Tennessee is providing a gift of \$13,104.10 to the Metro Human Relations Commission (MHRC). This funding is made possible by a generous gift from Iris Buhl, a generous private donor who established this fund before her death, and informed by her previous service as a Metro Human Relations Commissioner. The Fund was established to further the mission and vision of the MHRC and enable the MHRC to provide the best and most innovative programs in the areas of education and training to promote tolerance and understanding among all groups living in Metropolitan Nashville.

Metro Human Relations Commission Support Fund is one of several funds at the Community Foundation that supports public/private partnerships with Metro Nashville. In this instance, we are pleased to provide funds that coordinate support for the Metro Human Relations Commission and its vital efforts to promote the safety, health, security, peace, and general welfare of Davidson County residents.

Thank you for the opportunity to work together.

Sincerely,  
DocuSigned by:
