Street / Alley Located Between?

Section of Lincoln St. ROW located between intersection of W Trinity Ln and the unimproved McKinley St.

Reason for Closure:

This is unimproved ROW for a road that was planned before the construction of W Trinity Ln, which rendered the section of this road useless. I own property at 810 McKinley St, which fronts the unimproved McKinley St ROW to the East and is bordered by the unimproved Lincoln St. ROW to the North, which is then bordered to the North by W Trinity Ln. Closure of this ROW would allow my property to have frontage and access off of W Trinity Ln. All existing utility easements may be kept.
