The Honorable Freddie O'Connell, City Mayor
Metropolitan Government of Nashville and Davidson County
1 Public Square, Suite 100
Nashville, Tennessee 37201

Dear Mayor O'Connell:

This letter concerns the clause included in the VCIF Zip Code contract for Metropolitan Government of Nashville and Davidson County (Metro).

The Office of Criminal Justice Programs (OCJP) acknowledges that the section of A.5 regarding 287(g) compliance only applies to Sheriff's Offices and would not apply to the contract in question between OCJP and the Metro-Nashville Police Department.

We intend to rectify this with an amendment in early calendar year 2026.

Thank you for your attention to this matter and we look forward to working with you.

Sincerely,

A handwritten signature in black ink that reads "Jennifer Brinkman".

Director, Office of Criminal Justice Programs
