Re: **813 – 1230 Watts SP – Phase 1**
Planning Commission Mandatory Referral 2025M-070ES-001
Council District # 20 Rollin Horton, Council Member

On behalf of the Metropolitan Planning Commission, the following item, referred to the Commission as required by the Metro Charter, has been recommended for *approval* to the Metropolitan Council:

A request for the acceptance of approximately 818 linear feet of new eight-inch water main (DIP), approximately 562 linear feet of new eight-inch sanitary sewer main (PVC), two fire hydrant assembly, five sanitary sewer manholes, the relocation of one fire hydrant assembly, and replacement of one sanitary sewer manhole and any associated easements to serve the 813-1230 Watts SP – Phase 1 development.

The relevant Metro agencies (Metro Parks, Nashville Department of Transportation, Metro Water Services, Metro Emergency Communications, the Nashville Electric Service, General Services-Public Property and the Metro Historical Commission) have reviewed the proposal and concur in the recommendation for approval. This request must be approved by the Metro Council to become effective. A sketch showing the location of the request is attached to this letter.

Conditions that apply to this approval: none

This recommendation for approval is given as set forth in the Metropolitan Planning Commission Rules and Procedures. If you have any questions about this matter, please contact Delilah Rhodes at Delilah.Rhodes@nashville.gov or 615-862-7208

Sincerely,

A handwritten signature in blue ink that reads "Lisa Milligan". The signature is stylized with a large "L" and "M".

Lisa Milligan
Assistant Director Land Development
Metro Planning Department
cc: Metro Clerk
