On behalf of the Metropolitan Planning Commission, the following item, referred to the Commission as required by the Metro Charter, has been recommended for *approval* to the Metropolitan Council:

*A request for the abandonment of approximately 1,250 linear feet of eight-inch water main and two fire hydrant assemblies, and the acceptance of approximately two fire hydrant assemblies and any associated easements to serve the Belle Meade Plaza development.*

The relevant Metro agencies (Metro Parks, Nashville Department of Transportation, Metro Water Services, Metro Emergency Communications, the Nashville Electric Service, General Services-Public Property and the Metro Historical Commission) have reviewed the proposal and concur in the recommendation for approval. This request must be approved by the Metro Council to become effective. A sketch showing the location of the request is attached to this letter.

**Conditions that apply to this approval: none**

This recommendation for approval is given as set forth in the Metropolitan Planning Commission Rules and Procedures. If you have any questions about this matter, please contact Delilah Rhodes at [Delilah.Rhodes@nashville.gov](mailto:Delilah.Rhodes@nashville.gov) or 615-862-7208

Sincerely,
