On behalf of the Metropolitan Planning Commission, the following item, referred to the Commission as required by the Metro Charter, has been recommended for *approval* to the Metropolitan Council:

A request for the abandonment of public utility and drainage easement rights shown on the plat of record in Deed Book 5190, Page 725, Davidson County Register of Deeds. Requesting for those easement rights for this parcel to be abandoned except a 30-foot area of public utility and drainage easement lying north of the road right-of-way boundary. Also, this includes the proposed abandonment of easement rights for a former stormwater drainage feature shown at the southwest corner of the property lying just east of Monticello Drive.

The relevant Metro agencies (Metro Parks, Metro Public Works, Metro Water Services, Metro Emergency Communications, the Nashville Electric Service, Metro Finance – Public Property and the Metro Historical Commission) have reviewed the proposal and concur in the recommendation for approval. This request must be approved by the Metro Council to become effective. A sketch showing the location of the request is attached to this letter.

Conditions that apply to this approval: none

This recommendation for approval is given as set forth in the Metropolitan Planning Commission Rules and Procedures. If you have any questions about this matter, please contact Delilah Rhodes at Delilah.Rhodes@nashville.gov or 615-862-7208

Sincerely,
