Re: **CCB Phase 1A**
Planning Commission Mandatory Referral 2025M-040ES-001
Council District # 19 Jacob Kupin, Council Member

On behalf of the Metropolitan Planning Commission, the following item, referred to the Commission as required by the Metro Charter, has been recommended for *approval* to the Metropolitan Council:

A request for the abandonment of approximately 189 linear feet of existing eight-inch sanitary sewer main and 589 linear feet of 10-inch sanitary sewer main (unknown material), five sanitary sewer manholes and any associated easements, and the acceptance of approximately 17 linear feet of new eight-inch sanitary sewer main (PVC), 404 linear feet of new 10-inch sanitary sewer main (PVC), and six new sanitary sewer manholes, to serve the CCB Phase 1A Development. Construction of new sewer/manholes will occur inside public right of way.

The relevant Metro agencies (Metro Parks, Nashville Department of Transportation, Metro Water Services, Metro Emergency Communications, the Nashville Electric Service, General Services-Public Property and the Metro Historical Commission) have reviewed the proposal and concur in the recommendation for approval. This request must be approved by the Metro Council to become effective. A sketch showing the location of the request is attached to this letter.

Conditions that apply to this approval: none

This recommendation for approval is given as set forth in the Metropolitan Planning Commission Rules and Procedures. If you have any questions about this matter, please contact Delilah Rhodes at Delilah.Rhodes@nashville.gov or 615-862-7208

Sincerely,

A handwritten signature in blue ink that reads "Lisa Milligan". The signature is fluid and cursive.

Lisa Milligan
Assistant Director Land Development
Metro Planning Department
cc: *Metro Clerk*
