Darrell Lane,

The Cumberland River Compact Stream Restoration will use unrestricted funds for the purpose of removing underutilized parking spaces at the North Nashville Farmers' Market to beautify the property. Its restoration will help establish native trees and vegetation to support environmental resilience, including the restoration of water quality in Nashville. The services rendered by the Cumberland River Compact for the purposes of removing asphalt, remediating soil, and planting native trees is valued at \$20,726.45.

Thank you,

Jason Sprouls
