Hello all,

We have had several meetings with both the Nashville Fire Department and with the Metro Nashville Police Department, and asked them to share equipment needs that would help in their public safety service delivery downtown. The following items were discussed:

NFD

2-Polaris UTV Northstar @ \$26,538.87 each = \$53,077.74

2-FDH-203 @ \$7,300.00 each = \$14,600.00

1-24' Trailer @ \$5,300.00 each = \$5,300.00

Total = \$72,977.74

MNPDP

1-Polaris Ranger Crew XP 1000 NorthStar Premium- \$27,099.00

2-Solar Panel Sky Cop- @ \$35,000.00 each = \$70,000.00

Total = \$97,099.00

We believe the equipment would enhance public safety downtown, and are pleased to offer to fund the purchases on behalf of business owners and property owners downtown. Please let us know what is needed to move this forward.

As always, thank you for all that you do.

Best,
Tom
