

AMENDMENT NO. ____
TO
RESOLUTION NO. RS2021-1102

Mr. President –

I hereby move to amend Resolution No. RS2021-1102 as follows:

I. By deleting the seventh recital and replacing it with the following:

WHEREAS, it is the desire of Metro Parks, the Greenways Commission, and the Metro Council along with community partners to ensure that all users of the Greenways have a safe experience on the Greenways and to take into consideration that there is an existing e-bike community in Nashville that has been riding on the Greenways ~~with no known incidents or problems~~; and

II. By deleting the ninth recital and replacing it with the following:

WHEREAS, with the understanding that e-bikes are being ridden on Greenways now ~~with no known incidents or problems~~ and that more e-bikes will be in Nashville in the future including shared use fleets of e-bikes, it would be beneficial to follow a similar framework as Nashville adapts to the emergence of new technologies like e-bikes, and time is needed to implement the steps and make thoughtful, informed decisions about how best to use our Greenways and about whether it is appropriate to limit the use of e-bikes in ~~Nashville beyond~~ Metro Parks as permitted under existing state law.
