This project had a one year term because this was the first time partnering with this service provider. As a funder, the of accountability lies with us. OHS entered this partnership to fill a need in the Nashville community, but viewed this first year as a pilot program to ensure that the program would be able to meet the proposed deliverables. This service provider has done that and the need for homeless respite bed services provision will continue to grow in the years ahead. We'd like to renew this grant agreement for another year, with the option to renew each year for up to 5 years total.

,Reviewed By:	Terri Ray	Department:	Office of Homeless Services
Contract #:	6563187	Unique ID No.	A2025079
Contractor Name:	Village at Glendcliff	Contract Description:	Homelessness Medical Respite Services
Amendment No:	1	Amendment Amount:	\$237,600
Recommendation:	Approve		

Review:

Amendment 1 for Contract 6563187 does the following:

- Extends the term by 12 months.
- Amends the estimated contract value to add funding for additional 12 months.
- Amendment is within the scope of the contract.
- Amendment will require council approval since contract resulted from a sole source and the amendment increases the value above \$250,000.00.

Based on the above, amendment is recommended.

Amendment 1 Justification for Contract 6563187

Department wishes to extend the partnership with the service provider since the respite beds are still needed. The amendment amount is \$237,600.00 which is calculated by the following:

3 respite beds
X \$220.00 per diem
X 90-day average stay
X 4 clients per bed per year
= \$237,600

There could be future amendments based on funding availability and the departmental need.

The unauthorized access, modification, deletion, or disclosure of any METRO information may compromise the integrity and security of METRO, violate individual rights of privacy, and/or constitute a criminal act.

Upon the request of METRO, CONTRACTOR shall return all information in whatever form in a format chosen by METRO. In the event of any disclosure or threatened disclosure of METRO information, METRO is further authorized and entitled to immediately seek and obtain injunctive or other similar relief against CONTRACTOR, including but not limited to emergency and ex parte relief where available.

Upon METRO's request, CONTRACTOR shall supply METRO with an inventory of METRO information that CONTRACTOR stores and/or backs up.

This information is not to be used for marketing or commercial purposes and the CONTRACTOR asserts no rights to this information outside of fulfilling the contracted services. Storage of this information is not allowed outside United States' jurisdiction.

8.6. Information Security Breach Notification

CONTRACTOR shall, at its own expense, be entitled to and shall have the duty to defend any suit that may be brought against METRO to the extent that it is based on a claim that the products or services furnished infringe a Copyright, Trademark, Service Mark, or Patent. CONTRACTOR shall further indemnify and hold harmless METRO against any award of damages and costs made against METRO by a final judgment of a court of last resort in any such suit. METRO shall provide CONTRACTOR immediate notice in writing of the existence of such claim and full right and opportunity to conduct the defense thereof, together with all available information and reasonable cooperation, assistance and authority to enable CONTRACTOR to do so. No costs or expenses shall be incurred for the account of CONTRACTOR without its written consent. METRO reserves the right to participate in the defense of any such action. CONTRACTOR shall have the right to enter into negotiations for and the right to effect settlement or compromise of any such action, but no such settlement or compromise shall be binding upon METRO unless approved by the METRO Department of Law Settlement Committee and, where required, the METRO Council.

If the products or services furnished under this Contract are likely to, or do become, the subject of such a claim of infringement, then without diminishing CONTRACTOR's obligation to satisfy the final award, CONTRACTOR may at its option and expense:

- Procure for METRO the right to continue using the products or services
- Replace or modify the alleged infringing products or services with other equally suitable products or services that are satisfactory to METRO, so that they become non-infringing
- Remove the products or discontinue the services and cancel any future charges pertaining thereto provided; however, that CONTRACTOR will not exercise the Remove option above until CONTRACTOR and METRO have determined that the Procure and/or Replace options are impractical. CONTRACTOR shall have no liability to METRO; however, if any such infringement or claim thereof is based upon or arises out of:
 - The use of the products or services in combination with apparatus or devices not supplied or else approved by CONTRACTOR;
 - The use of the products or services in a manner for which the products or services were neither designated nor contemplated; or,
 - The claimed infringement in which METRO has any direct or indirect interest by license or otherwise, separate from that granted herein.

8.9. Maintenance of Records

CONTRACTOR shall maintain documentation for all charges against METRO. The books, records, and documents of CONTRACTOR, insofar as they relate to work performed or money received under this Contract, shall be maintained for a period of three (3) full years from the date of final payment and will be subject to audit, at any reasonable time and upon reasonable notice by METRO or its duly appointed representatives. The records shall be maintained in accordance with generally accepted accounting principles. In the event of litigation, working papers and other documents shall be produced in accordance with applicable laws and/or rules of discovery. Breach of the provisions of this paragraph is a material breach of this Contract.

All documents and supporting materials related in any manner whatsoever to this Contract or any designated portion thereof, which are in the possession of CONTRACTOR or any subcontractor or subconsultant shall be made available to METRO for inspection and copying upon written request from METRO. Said documents shall also be made available for inspection and/or copying by any state, federal or other regulatory authority, upon request from METRO. Said records include, but are not limited to, all drawings, plans, specifications, submittals, correspondence, minutes, memoranda, tape recordings, videos, or other writings or things which document the procurement and/or performance of this Contract. Said records expressly include those documents reflecting the cost, including all subcontractors' records and payroll records of CONTRACTOR and subcontractors.

8.10. Monitoring

CONTRACTOR's activities conducted and records maintained pursuant to this Contract shall be subject to monitoring and evaluation by METRO, the Department of Finance, the Division of Internal Audit, or their duly appointed representatives.

METRO shall have the option of reviewing and performing a security assessment of the information security management practices of CONTRACTOR. METRO shall have the right, at its expense, during normal business hours and with reasonable advance notice, to evaluate, test, and review at CONTRACTOR's premises the Products and/or Services to ensure compliance with the terms and conditions of this Contract. METRO shall have the right to conduct such audits by use of its own employees and internal audit staff, or by use of outside consultants and auditors.

8.11. METRO Property

Any METRO property, including but not limited to books, records, and equipment that is in CONTRACTOR's possession shall be maintained by CONTRACTOR in good condition and repair, and shall be returned to METRO by CONTRACTOR upon termination of this Contract. All goods, documents, records, and other work product and property produced during the performance of this Contract are deemed to be METRO property. METRO property includes, but is not limited to, all documents which make up this Contract; all other documents furnished by METRO; all conceptual drawings, design documents, closeout documents, and other submittals by CONTRACTOR; and, all other original works of authorship, whether created by METRO or CONTRACTOR embodied in any tangible medium of expression, including, without limitation, pictorial, graphic, sculptural works, two (2) dimensional works, and three (3) dimensional works. Any of Contractor's or its subcontractors' works of authorship comprised within the Work Product (whether created alone or in concert with Metro or a third party) shall be deemed to be "works made for hire" and made in the course of services rendered and, whether pursuant to the provisions of Section 101 of the U.S. Copyright Act or other Applicable Law, such Work Product shall belong exclusively to Metro. Contractor and its subcontractors grant Metro a non-exclusive, perpetual, worldwide, fully paid up, royalty Free license, with rights to sublicense through multiple levels of sublicenses, to reproduce, make, have made, create derivative works of, distribute, publicly perform and publicly display by all means, now known or later developed, such rights.

Except as to Contracts involving sensitive information, CONTRACTOR may keep one (1) copy of the aforementioned documents upon completion of this Contract; provided, however, that in no event shall CONTRACTOR use, or permit to be used, any portion of the documents on other projects without METRO's prior written authorization. CONTRACTOR shall maintain sensitive information securely and if required by METRO, provide secured destruction of said information. Distribution and/or reproduction of METRO sensitive information outside of the intended and approved use are strictly prohibited unless permission in writing is first received from the METRO Chief Information Security Officer. The storage of METRO sensitive information to third-party hosted network storage areas, such as Microsoft Skydrive, Google Docs, Dropbox, or other cloud storage mechanisms, shall not be allowed without first receiving permission in writing from the METRO Chief Information Security Officer.

RE: The Village at Glencliff Sole Source Grant for Medical Respite Services

Dear April,

This letter is to confirm that The Village at Glencliff (TVG) wishes to enter into an agreement with the Office of Homeless Services (OHS) as a sole source agency providing medical respite services for individuals discharging from a hospital who are experiencing homelessness and require post-acute care. TVG is unique in its ability to offer recuperative care with comprehensive wrap-around services, inclusive of medical and housing navigation plus on-site bridge housing with continued housing navigation until permanent or supportive housing is obtained.

Contract Summary:

- TVG will allocate three (3) beds on its campus for one year
- TVG will provide medical respite housing, food, transportation, reasonable access to primary healthcare, medical and housing navigation
- TVG will accept appropriate referrals from Nashville General Hospital and Mobile Housing Navigation Center (MHNC) residents discharging from a hospital who are unable to return to their MHNC
- OHS and TVG will coordinate CE, data tracking, and each organization's responsibilities
- Total consideration of \$237,000 to be billed by quarterly invoices

As there is no other comparable organization in the Nashville area providing this necessary service, The Village at Glencliff sees this contract as an opportunity to partner with OHS to forge a first-of-its-kind in the nation medical respite program for individuals experiencing homelessness. As a healthcare capital for the US, Nashville is poised to lead the way in demonstrating how medical respite can provide better health outcomes while reducing long-term costs for the city and healthcare systems.

Please contact me at 615-668-7441 or julia@villageatglencliff.org to discuss any details or concerns. Thank you for your interest in our services.

Sincerely,

Julia Sutherland
Executive Director, The Village at Glencliff
