## Waiver/Approval Director of Finance for Public Property Administration Action

Regarding the property located at 0 Old Hickory Boulevard  
this form shall serve as notice of the Director of Finance's:

- Waiver of
- Approval of

the following actions:

- Appraisal Order
- Environmental Assessment Order
- Acquisition of the above-referenced property on behalf of \_\_\_\_\_
- Negotiation of lease agreement for above-referenced property on behalf of \_\_\_\_\_
- Disposition of above-referenced property on behalf of \_\_\_\_\_
- Mandatory Referral process

If applicable, please provide a brief explanation for waiver of action: The subject property is one of two parcels previously used by Metro as a landfill. The property was sold as a back tax lot to the current owner in 2010. The property consists of 7.47 acres and was acquired for \$5,000. TDEC is requiring the clean up of this property and the adjoining tract to remediate the solid waste currently existing on these properties. In order to insure that the remediation is done correctly and because the property owner bought this as a back tax property, Metro Public Works desires to repurchase the property prior to any work being done on the site. The current owner has offered to sell the tract back to Metro for \$12,000. This price would reimburse the owner for the initial purchase price of \$5,000, property taxes paid during the time of ownership totaling \$5,057, and legal fees and miscellaneous expenses incurred during his ownership totaling \$1,943. An appraisal waiver is being requested due, in part, to TDEC's requirement that the deed be amended to reflect the location of solid waste on the property which would make comparables difficult to come by, as well as, having to incur the cost of the appraisal. This action

is being requested by Public Works in order to insure full compliance with TDEC regulations. \_\_\_\_\_
