MNPD JAG 2022 Program Narrative

Nashville is a large, fast growing metropolitan area located in Middle Tennessee. Approximately 650,000 people live within the 533 square miles that make up Metropolitan Nashville / Davidson County. On any given day, the actual population could reach well over 1 million people due to commuters from the surrounding area who work in Nashville, and the large number of tourists who visit Music City, USA throughout the year. Due to its vast network of interstate highways and airports, Nashville is often referred to as the "Gateway to the South." Such access lends itself to an ever growing and vastly diverse mixture of cultures and community issues.

The MNPD takes pride in its community policing initiatives, and continues to pledge its devotion to building community partnerships and trust throughout its richly diverse population. Community policing concepts are truly integrated into every aspect of the department's mission of crime prevention and public service. The goal of the Metropolitan Government of Nashville and Davidson County is to provide the public with the most effective and efficient police services so that people within the Metropolitan Nashville and Davidson County area can experience a safe and peaceful community.

The MNPD will utilize funding from the 2022 JAG Grant to enhance the following initiatives:

1. Ensure MNPD personnel maintain needed skills and certifications by attending professional and mandatory specialized training;
2. Provide MNPD personnel with equipment to ensure crime reduction and community satisfaction with MNPD services; and
3. Furnish MNPD personnel with supplies for existing equipment to ensure crime reduction and community satisfaction with MNPD services.

As requested in the 2022 Solicitation: The following Project Identifiers are associated with the above project activities:

1. Community Policing
2. Equipment – General
3. Equipment – Tactical
4. Training and Technical Assistance

A significant portion of JAG Grant funding (\$178,338.00) will be utilized for mandatory training required to ensure MNPD personnel maintain needed certifications for criminal investigation and crime reduction initiatives.

Additionally, JAG Grant funding will be utilized to purchase the following equipment: exercise equipment for the Training Academy, night vision goggles to replace existing

night vision goggles utilized by SWAT, new document scanners to make our recruitment and Human Resource section more efficient, equipment for community engagement, computer forensics, aviation and investigations.

Current Issues

1. The MNPd, like most other law enforcement agencies across the country, are faced with the vilification of the profession throughout the media and by various special interest groups. The MNPd combats this phenomenon by working closely with community groups, neighborhood watch groups and businesses to promote trust and communication.

Similar to police departments throughout the nation, the MNPd is challenged by finding and recruiting qualified applicants to fill its' Training Academy. With a limited number of applicants and current view of law enforcement in the media, the MNPd Recruitment Section and Human Resource Unit are in the process of updating scanning system to better manage new applicants to streamline the hiring process.

2. As more and more is being required from sworn personnel in the MNPd, it is vital for personnel to stay physically healthy to handle all of the stresses in the current environment.

Funding from the 2022 JAG Grant will also be utilized to purchase exercise equipment for Training Academy to replace outdated and antiquated equipment. By purchasing this exercise equipment, this enables police personnel to go to a convenient location and exercise without the cost of a gym membership.

3. With the current volatile environment, police departments are continuously looking for ways to reach and serve the community. Police Departments recognize that partnerships between themselves and the community are vital to create a safer community.

MNPd will purchase a utility trailer and projector with sound system to assist in community engagement by taking police officers out of vehicles and making them more accessible.

4. Finally, training costs to maintain mandatory certifications in various law enforcement areas by attending needed training and or conferences has continued to be an issue for MNPd. The Metropolitan Government's Office of Management and Budget no longer provides a central account for governmental departments to utilize for training. Training costs must now be funded utilizing the department's operating budget alone.

Those unfunded training costs will be covered by funding from the 2022 JAG Grant.

Budget Category Descriptions:	
<i>Personnel</i>	List each position by title and name of employee, if available. Show the annual salary rate and the percentage of time to be devoted to the project. Compensation paid for employees engaged in grant activities must be consistent with that paid for similar work within the applicant organization. In the budget narrative, include a description of the responsibilities and duties of each position in relationship to fulfilling the project goals and objectives. All requested information must be included in the budget detail worksheet and budget narrative.
<i>Fringe Benefits</i>	Fringe benefits should be based on actual known costs or an approved negotiated rate by a Federal agency. If not based on an approved negotiated rate, list the composition of the fringe benefit package. Fringe benefits are for the personnel listed in the budget category (A) and only for the percentage of time devoted to the project. All requested information must be included in the budget detail worksheet and budget narrative.
<i>Travel</i>	Itemize travel expenses of staff personnel (e.g. staff to training, field interviews, advisory group meeting, etc.). Describe the purpose of each travel expenditure in reference to the project objectives. Show the basis of computation (e.g., six people to 3-day training at \$X airfare, \$X lodging, \$X subsistence). In training projects, travel and meals for trainees should be listed separately. Show the number of trainees and the unit costs involved. Identify the location of travel, if known; or if unknown, indicate "location to be determined." Indicate whether applicant's formal written travel policy or the Federal Travel Regulations are followed. Note: Travel expenses for consultants should be included in the "Consultant Travel" data fields under the "Subawards (Subgrants)/Procurement Contracts" category.
<i>Equipment</i>	List non-expendable items that are to be purchased (Note: Organization's own capitalization policy for classification of equipment should be used). <u>Expendable</u> items should be included in the "Supplies" category. Applicants should analyze the cost benefits of purchasing versus leasing equipment, especially high cost items and those subject to rapid technological advances. Rented or leased equipment costs should be listed in the "Contracts" data fields under the "Subawards (Subgrants)/Procurement Contracts" category. In the budget narrative, explain how the equipment is necessary for the success of the project, and describe the procurement method to be used. All requested information must be included in the budget detail worksheet and budget narrative.

Budget Sheet Instructions

<i>Supplies</i>	List items by type (office supplies, postage, training materials, copy paper, and expendable equipment items costing less than \$5,000, such as books, hand held tape recorders) and show the basis for computation. Generally, supplies include any materials that are expendable or consumed during the course of the project. All requested information must be included in the budget detail worksheet and budget narrative.
<i>Construction</i>	Provide a description of the construction project and an estimate of the costs. Minor repairs or renovations may be allowable and should be classified in the "Other" category. <i>Subawards (Subgrants), Procurement Contracts, & Consultant Fees</i>	Subawards (see "Subaward" definition at 2 CFR 200.92): Provide a description of the Federal award activities proposed to be carried out by any subrecipient and an estimate of the cost (include the cost per subrecipient, to the extent known prior to application submission). For each subrecipient, enter the subrecipient entity name, if known. Please indicate any subaward information included under budget category G. Subawards (Subgrants)/Procurement Contracts by including the label "(subaward)" with each subaward entry. Procurement contracts (see "Contract" definition at 2 CFR 200.22): Provide a description of the product or service to be procured by contract and an estimate of the cost. Indicate whether the applicant's formal, written Procurement Policy or the Federal Acquisition Regulation is followed. Applicants are encouraged to promote free and open competition in awarding procurement contracts. A separate justification must be provided for sole source procurements in excess of the Simplified Acquisition Threshold set in accordance with 41 U.S.C. 1908 (currently set at \$150,000). Consultant Fees: For each consultant enter the name, if known, service to be provided, hourly or daily fee (8-hour day), and estimated time on the project. Consultant fees in excess of the DOJ grant-making component's maximum rate for an 8-hour day (currently \$650) require additional justification and prior approval from the respective DOJ grant-making component. All requested information must be included in the budget detail worksheet and budget narrative.
<i>Other Costs</i>	List items (e.g., rent, reproduction, telephone, janitorial or security services, and investigative or confidential funds) by type and the basis of the computation. For example, provide the square footage and the cost per square foot for rent, or provide a monthly rental cost and how many months to rent. All requested information must be included in the budget detail worksheet and budget narrative.

Budget Sheet Instructions

Indirect Costs	Indirect costs are allowed only if: a) the applicant has a current, federally approved indirect cost rate; or b) the applicant is eligible to use and elects to use the “de minimis” indirect cost rate described in 2 C.F.R. 200.414(f). (See paragraph D.1.b. in Appendix VII to Part 200—States and Local Government and Indian Tribe Indirect Cost Proposals for a description of entities that may not elect to use the “de minimis” rate.) An applicant with a current, federally approved indirect cost rate must attach a copy of the rate approval, (a fully-executed, negotiated agreement. If the applicant does not have an approved rate, one can be requested by contacting the applicant’s cognizant Federal agency, which will review all documentation and approve a rate for the applicant organization, or if the applicant’s accounting system permits, costs may be allocated in the direct costs categories. (Applicant Indian tribal governments, in particular, should review Appendix VII to Part 200—States and Local Government and Indian Tribe Indirect Cost Proposals regarding submission and documentation of indirect cost proposals.) Narrative for any indirect costs should clearly state which direct costs the indirect cost agreement is being applied to. All requested information must be included in the budget detail worksheet and budget narrative. In order to use the “de minimis” indirect rate an applicant would need to attach written documentation to the application that advises DOJ of both the applicant’s eligibility (to use the “de minimis” rate) and its election. If the applicant elects the de minimis method, costs must be consistently charged as either indirect or direct costs, but may not be double charged or inconsistently charged as both. In addition, if this method is chosen then it must be used consistently for all federal awards until such time as the applicant entity chooses to negotiate a federally approved indirect cost rate.
