Council District #2 Kyonzté Toombs, Council Member

On behalf of the Metropolitan Planning Commission, the following item, referred to the Commission as required by the Metro Charter, has been recommended for *approval* to the Metropolitan Council:

A request for portion of right-of-way and easement abandonment of the existing Lemuel Road at the intersection of Dickerson Pike and Lemuel Road after the completion of the realignment of Lemuel Road at that intersection.

The relevant Metro agencies (Metro Parks, Metro Public Works, Metro Water Services, Metro Emergency Communications, the Nashville Electric Service, Metro Finance – Public Property and the Metro Historical Commission) have reviewed the proposal and concur in the recommendation for approval. This request must be approved by the Metro Council to become effective. A sketch showing the location of the request is attached to this letter.

Conditions that apply to this approval: none

This recommendation for approval is given as set forth in the Metropolitan Planning Commission Rules and Procedures. If you have any questions about this matter, please contact Christopher Paulsen at Christopher.paulsen@nashville.gov or 615-880-2452.

Sincerely,
