WHEREAS, Article 6 of the Metropolitan Charter provides for the preparation of the Annual Operating Budget of the Metropolitan Government and for its submission to the Council by the Mayor not later than May 1 of each year.

BE IT ENACTED BY THE COUNCIL OF THE METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY:

**ARTICLE I**

The amounts hereinafter set out in Section I and Section II shall constitute the estimated revenues and applicable prorating provisions for property taxes, and the Operating Budget for The Metropolitan Government of Nashville and Davidson County, and the said sums specified herein are hereby appropriated for the purpose of meeting the expenses for the General Services District (GSD) and the Urban Services District (USD), respectively, for the various departments, institutions, offices, and agencies of the Metropolitan Government, and for meeting the payments of principal and interest on the Metropolitan Government debt maturing during the fiscal year beginning July 1, 2026 and ending June 30, 2027 (hereinafter referred to as Fiscal Year 2027 and FY 2027).

The informational summary sheets immediately following are summaries of the detailed estimated revenue sources and budget appropriations by funds for purposes and in amounts numerically itemized by departmental accounts in subsequent schedules of Section I and Section II.

In order to facilitate proper grant accounting, the Director of Finance is hereby authorized to transfer grant-related appropriations and estimated revenues from the general funds to existing or new grant-related special revenue funds at her discretion.

For the purpose of maintaining authorized position counts in Metro's enterprise business system, the Director of Finance is hereby authorized to adjust budgeted positions and full-time equivalents of the various departments and agencies of the Metropolitan Government within authorized budget allocations established in this ordinance.

The Director of Finance is hereby authorized to transfer funds as necessary to implement the Guaranteed Payment Plan program previously approved by the Metropolitan Council.

The Director of Finance is hereby authorized to carry forward and allocate in FY 2027 any unencumbered and unexpended funds at June 30, 2026 for General Government Administration, Employee Benefits and Contingency, Economic Development, and Community Support.

The Director of Finance is hereby authorized to carry forward and allocate in FY 2027 any unencumbered and unexpended funds at June 30, 2026 for appropriations made from benefit trust fund accounts.

The Director of Finance is hereby authorized to adjust the interest earnings of each account in the Metro Investment Pool to recover a pro-rata share of the costs of the Treasurer's investment and cash management programs.

All hereafter-collected revenues accruing to a respective special revenue, grant, internal service, or enterprise fund identified in Section I, Schedule D that are in excess of the revenues and fund balances as provided for in this ordinance are hereby appropriated to such respective fund unless otherwise provided for by this ordinance or applicable law. Any appropriation made pursuant to the foregoing sentence shall be subject to allotment by the Director of Finance, and no expenditure nor encumbrance shall be made until such allotment has been made.

For the purpose of providing funds in anticipation of various grant and other revenues, the Director of Finance is hereby authorized to enter into interfund loans between funds of the Metropolitan Government and between the Metropolitan Government and related but separate legal entities that are included in the Metropolitan Government's reporting entity, as may be permitted under the laws of the State of Tennessee.

The Director of Finance is authorized to adjust internal service fund budgets for purposes of incorporating pay plan adjustments as authorized by the Metro Council.

From the funds appropriated to the Hospital Authority, an amount not to exceed \$3,600,000 shall be allocated and used exclusively for the reimbursement of costs incurred by the Hospital Authority associated with the provisioning of medical care at Nashville General Hospital for inmates in the care and custody of the Davidson County Sheriff. This provision will be administered by the Department of Health who shall verify eligible costs to be expended against such allocation, in consultation with the Sheriff's office and the Hospital Authority. Upon certification to the Director of Finance by the Department of Health that any portion of the allocation is no longer needed for the provision of inmate medical care, the Director of Finance is authorized to release such portion for expenditure by the Hospital Authority for any other lawful purpose.

Nashville General Hospital (NGH) serves as a safety net facility for the provision of acute medical care services to residents of Davidson County, Tennessee. An appropriation of \$67,879,500 is to be provided to the Hospital Authority, all of which is provided as part of this Fiscal Year 2027 operating budget. A portion of the \$67,879,500 appropriation shall be established for safety net expansion purposes based upon state determined guidelines. This safety net expansion appropriation shall be in the form of an intergovernmental transfer to the State of Tennessee as a match to secure federal funding. Such federal funding requires the approval of the Centers for Medicare and Medicaid Services (CMS). If CMS fails to approve the federal funding match, then the appropriation will be paid directly to the Hospital Authority. The Mayor is authorized to execute any and all documents necessary to complete the above-referenced transaction with the Federal and State governments.

As an express condition of the receipt of the Hospital Authority appropriation set forth herein, monthly, within 5 days of Hospital Authority Board review but no later than 45 days after the end of each month, the Hospital Authority shall provide electronic copies of the following:
