USDOT ADMINISTRATIVE INFORMATION

5.1 Office for Subaward and Contract Authorization.

USDOT Office for Subaward and Contract Authorization: FHWA Office of Acquisition and Grants Management

SUBAWARDS AND CONTRACTS APPROVAL

Note: See 2 CFR § 200.331, Subrecipient and contractor determinations, for definitions of subrecipient (who is awarded a subaward) versus contractor (who is awarded a contract).

Note: Recipients with a procurement system deemed approved and accepted by the Government or by the Agreement Officer (the “**AO**”) are exempt from the requirements of this clause. See 2 CFR 200.317 through 200.327. Note: This clause is only applicable to grants that do not include construction.

In accordance with 2 CFR 200.308(f)(6), the recipient or subrecipient shall obtain prior written approval from the USDOT agreement officer for the subaward, if the subaward activities were not proposed in the application or approved in the Federal award. This provision is in accordance with 2 CFR 200.308 (f) (6) and does not apply to procurement transactions for goods and services. Approval will be issued through written notification from the AO or a formal amendment to the Agreement.

The following subawards and contracts are currently approved under the Agreement by the AO. This list does not include supplies, material, equipment, or general support services which are exempt from the pre-approval requirements of this clause.

5.2 Reimbursement Requests

- (a) The Recipient may request reimbursement of costs incurred within the budget period of this agreement if those costs do not exceed the amount of funds obligated and are allowable under the applicable cost provisions of 2 C.F.R. Part 200, Subpart E. The Recipient shall not request reimbursement more frequently than monthly.
- (b) The Recipient shall use the DELPHI iSupplier System to submit requests for reimbursement to the payment office. When requesting reimbursement of costs incurred or credit for cost share incurred, the Recipient shall electronically submit supporting cost details with the SF-270 (Request for Advance

or Reimbursement) or SF-271 (Outlay Report and Request for Reimbursement for Construction Programs) to clearly document all costs incurred.

- (c) The Recipient's supporting cost detail shall include a detailed breakout of all costs incurred, including direct labor, indirect costs, other direct costs, travel, etc., and the Recipient shall identify the Federal share and the Recipient's share of costs. If the Recipient does not provide sufficient detail in a request for reimbursement, the Agreement Officer's Representative (the "AOR") may withhold processing that request until the Recipient provides sufficient detail.
- (d) The USDOT shall not reimburse costs unless the AOR reviews and approves the costs to ensure that progress on this agreement is sufficient to substantiate payment.
- (e) In the rare instance the Recipient is unable to receive electronic funds transfers (EFT), payment by EFT would impose a hardship on the Recipient because of their inability to manage an account at a financial institution, and/or the Recipient is unable to use the DELPHI iSupplier System to submit their requests for disbursement, the FHWA may waive the requirement that the Recipient use the DELPHI iSupplier System. The Recipient shall contact the Division Office Lead Point of Contact for instructions on, and requirements related to pursuing a waiver.
- (f) The requirements set forth in these terms and conditions supersede previous financial invoicing requirements for Recipients.

ARTICLE 6 SPECIAL GRANT TERMS

- 6.1** SS4A funds must be expended within five years after the grant agreement is executed and DOT obligates the funds, which is the budget period end date in section 10.3 of the Terms and Conditions and section 2.4 in this agreement.
- 6.2.** The Recipient demonstrates compliance with civil rights obligations and nondiscrimination laws, including Titles VI of the Civil Rights Act of 1964, the Americans with Disabilities Act (ADA), and Section 504 of the Rehabilitation Act, and accompanying regulations. Recipients of Federal transportation funding will also be required to comply fully with regulations and guidance for the ADA, Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, and all other civil rights requirements.
- 6.3** SS4A Funds will be allocated to the Recipient and made available to the Recipient in accordance with FHWA procedures.
- 6.4** The Recipient of a Planning and Demonstration Grant that involves a demonstration activity agrees to provide an assessment of each demonstration activity and update the existing Action Plan, which will incorporate the information gathered in the Action Plan's list of projects or strategies and/or inform another part of the existing Action Plan. The Recipient also agrees that demonstration activities are temporary in nature and must be removed and/or ended following the conclusion of the project if the assessment of the demonstration activities does not affirm that the activities provide safety benefits.
- 6.5** The Recipient of an Implementation Grant agrees to update its Action Plan within two years of the date of this agreement to: align with all Comprehensive Safety Action Plan components in Table 1 of the SS4A FY 2023 NOFO corresponding with any "no" responses in the Self-Certification Eligibility Worksheet; ensure that the Action Plan's safety focus includes all road users, including

pedestrians, bicyclists, and motor vehicle safety; and ensure that the Action Plan was last updated not more than three years prior.

- 6.6** The Recipient acknowledges that it is required to conduct certain environmental analyses and to prepare and submit to FHWA, or State with applicable NEPA Assignment authority, documents required under NEPA, and other applicable environmental statutes and regulations before the Government will obligate funds for Option Phase 1 under this agreement and provide the Recipient with a written notice to proceed with Option Phase 1.
- 6.7** The Government's execution of this agreement does not in any way constitute pre-approval or waiver of any of the regulations imposed upon Recipient under the applicable Federal rules, regulations and laws regarding SS4A projects undertaken in accordance with the terms and conditions of this agreement. The Recipient shall comply with all applicable Federal requirements before incurring any costs under this agreement.
- 6.8** Pursuant to the court's preliminary injunction order in King County v. Turner, 2:25-cv-814-BJR (W.D. Wash.), ECF No. 169 (June 3, 2025), DOT will not be imposing or enforcing the challenged conditions,* or any materially similar terms and conditions, to any grant funds awarded, directly or indirectly, to DOT Plaintiffs and subrecipients, or otherwise rescinding, withholding, cancelling, not processing, pausing, freezing, impeding, blocking, cancelling, terminating, delaying, or conditioning DOT funds based on such conditions to the DOT Plaintiffs or their subrecipients while subject to an injunction. Further, DOT will not require DOT Plaintiffs or their subrecipients to make any certification or other representation related to compliance with such terms and conditions nor will DOT refuse to issue, process, or sign grant agreements based on DOT Plaintiffs' participation in this litigation. Should DOT prevail in the District Court or on appeal, then DOT will require that recipients agree to the original terms and conditions if they wish to continue with the grant in place.

*The challenged conditions are:

1. "Pursuant to section (3)(b)(iv)(A), Executive Order 14173, Ending Illegal Discrimination and Restoring Merit-Based Opportunity, the Recipient agrees that its compliance in all respects with all applicable Federal anti-discrimination laws is material to the government's payment decisions for purposes of [the False Claims Act, 31 U.S.C. § 3729(b)(4)]";
2. "Pursuant to section (3)(b)(iv)(B), Executive Order 14173, Ending Illegal Discrimination and Restoring Merit-Based Opportunity, by entering into this Agreement, Recipient certifies that it does not operate any programs promoting diversity, equity, and inclusion (DEI) initiatives that violate any applicable Federal anti-discrimination laws";
3. "[T]he Recipient will cooperate with Federal officials in the enforcement of Federal law, including cooperating with and not impeding U.S. Immigration and Customs Enforcement (ICE) and other Federal offices and components of the Department of Homeland Security in the enforcement of Federal immigration law"; and
4. A requirement that the recipient comply with "executive orders."

- 6.9** There are no other special grant requirements.

Mr. Buck,

This letter serves as written notice to the United States Department of Transportation, Federal Highway Administration regarding compliance with the Debarment and Suspension requirements of 2 CFR § 180.335. That regulation requires the grantee notify the Federal agency office if the participant "ha[s] had one or more public transactions (Federal, State, or local) terminated within the preceding three years for cause or default." We provide this correspondence as a way of explanation. It does not constitute an amendment to the grant.

On March 25, 2025, the Health Department of the Metropolitan Government of Nashville and Davidson County ("Metro") received a notification from the Centers for Disease Control and Prevention ("CDC") that a Community Healthcare Workers grant was terminated "for cause" due to the end of the Covid-19 pandemic. The notification did not indicate any wrongdoing on the part of Metro that prompted the termination.

On April 24, 2025, Metro filed a lawsuit against the CDC challenging the illegal termination of the above-mentioned grant, including the "for cause" termination designation. On June 17, 2025, the Court granted a preliminary injunction preventing the CDC from enforcing the termination of the grant.

If you require any further information, please let us know.

Sincerely,

Washington, DC 20590

Dear Mr. Buck:

The Safe Streets and Roads for All Grant Agreement, Federal Award No. 693JJ32640018, (the "Agreement"), purports to impose terms and conditions enjoined as to the Metropolitan Government of Nashville and Davidson County by the Preliminary Injunction issued in *King County, et al. v. Turner, et al.*, 2:25-cv-00814 (W.D. Wash. June 3, 2025). These prohibited terms and conditions remain in the Agreement, and the Metropolitan Government is unable to modify the text of the Agreement to excise them.

The Metropolitan Government withholds consent and objects to the inclusion of any terms and conditions enjoined pursuant to the Preliminary Injunction, including but not limited to the following, which are legally unenforceable:

- Recipient will cooperate with Federal officials in the enforcement of Federal law, including cooperating with and not impeding U.S. Immigration and Customs Enforcement (ICE) and other Federal offices and components of the Department of Homeland Security in the enforcement of Federal immigration law.
- Pursuant to Executive Order 14173, Ending Illegal Discrimination And Restoring Merit-Based Opportunity, the Recipient agrees that its compliance in all respects with all applicable Federal anti-discrimination laws is material to the government's payment decisions for purposes of section 3729(b)(4) of title 31, United States Code.
- Pursuant to Executive Order 14173, Ending Illegal Discrimination And Restoring Merit-Based Opportunity, by entering into this agreement, the Recipient certifies that it does not operate any programs promoting diversity, equity, and inclusion (DEI) initiatives that violate any applicable Federal anti-discrimination laws.

- The following references found in Exhibit A to the Safe Streets and Roads for All Grant agreement:
 - Bringing in and harboring certain aliens – 8 U.S.C. 1324
 - Aiding or assisting certain aliens to enter – 8 U.S.C. 1327
 - Executive Order 14168 Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government
 - Executive Order 14173, Ending Illegal Discrimination and Restoring Merit-Based Opportunity
- Any materially similar terms or conditions to those referenced above.

By virtue of the Preliminary Injunction, and for so long as it or a subsequent order remains in effect, any such nominal reference to the restrained conditions shall not result in those conditions being imposed or enforced against the Metropolitan Government even if the text of those inoperative conditions remains in the documents executed by the Metropolitan Government, or incorporated by reference via any digital signature platform, or via any submittal portal, of any kind whatsoever, that may be operated or utilized by the United States Department of Transportation. Further, the United States Department of Transportation acknowledges that it will not impose or enforce any terms of conditions enjoined by court order as long as the order remains in place.

The Metropolitan Government's consent is contingent on the challenged terms and conditions being restrained. In the event the Preliminary Injunction expires, the restrained terms and conditions will not be imposed or enforced against the Metropolitan Government of Nashville and Davidson County as to the period that the Preliminary Injunction was in effect. Should the Preliminary Injunction expire, the relevant terms and conditions will not apply unless and until the Metropolitan Government agrees to such terms and conditions at that time.

Sincerely,

A handwritten signature in black ink, appearing to read "Wallace W. Dietz", with a stylized, cursive script.
