Section 2. That Section 9.30.030 of the Metropolitan Code of Laws is hereby amended by deleting the section in its entirety and replacing it with the following:

9.30.030 - Variances.

A. Any person seeking to perform construction activities which would be in violation of Section 9.30.010 must, prior to engaging in activities prohibited under Section 9.30.010, make an application to the director of the department of codes administration and obtain a permit to perform such activities. 1. Any outdoor construction will not interfere with normal activities conducted within the zoning district during the hours of the proposed construction activities; and
2. The applicant has obtained all other approvals and permits for said construction activities as required by the metropolitan code of laws; or
3. B. Notice of an application for a variance shall be given by the director of the department of codes administration to persons who may be adversely affected by the granting of the variance and to the district councilmember. Any person who claims to be adversely affected by such a variance, if allowed, may file a written statement with the director. Such statement shall contain sufficient factual information to support the claim.

C. Variances shall be granted by notice to the applicant containing any necessary conditions, including a time limit on the permitted activity. The variance shall not become effective until all conditions are agreed to by the applicant. Noncompliance with any condition of the variance shall terminate it and subject the person holding it to the requirements of Section 9.30.010.

Section 3. That this ordinance shall take effect from and after its adoption, the welfare of The Metropolitan Government of Nashville and Davidson County requiring it.
