Part III. Grant Management Part IV. Applicant Contact Info Part V. Attachments

As the result of Governor Lee's School Safety Initiative, the funding for the State of Tennessee's Statewide School Resource Officer Program was appropriated by the Tennessee General Assembly with the intent to provide funding for the purpose of placing one full-time School Resource Officer (SRO) in each K-12 public school and public charter school.

The Tennessee Office of Homeland Security has developed policies for administration of this grant in accordance with legislative guidelines and in consultation with the Tennessee Comptroller's Office. Failure to complete this application in its entirety, to include the Tennessee Department of Finance and Administration Supplier Direct Deposit Authorization and the U.S. Department of Treasury Internal Revenue Service W-9 forms, and in the prescribed format could potentially result in the rejection of the application.

Applications shall be submitted to the Tennessee Office of Homeland Security through the Tennessee Department of Safety and Homeland Security's website at [https: TBD](https://tbd).

Conditions of the grant

Eligible law enforcement agencies are those which have the responsibility to provide SROs to K-12 public and/or public charter schools within their jurisdiction. The Department of Safety and Homeland Security shall make grant funds available to the local law enforcement agencies after that local law enforcement agency presents to the Department of Safety and Homeland Security an executed memorandum of understanding (MOU) between the agency and the local education agency or the public charter school, pursuant to which the local law enforcement agency shall provide one full-time SRO to every school in the local education agency or to a public charter school. The MOU shall be in the form prescribed by the Department of Safety and Homeland Security. A MOU template is included in the grant application.

Local law enforcement agencies are eligible to apply for funding not to exceed \$75,000 per year, per SRO, per school for which they are responsible for providing SRO services. Funding shall not be awarded for more than one SRO per K-12 public or public charter school. Funding may only be used for expenses directly related to placing an SRO in a school (i.e., salary, benefits, training, and equipment). SROs are required to receive 40 hours of specialized training within the first year of their assignment and must obtain 16 hours of specialized training annually thereafter.

Awardee's management of this grant is subject to periodic audit and must submit reports as deemed necessary by the Department of Safety and Homeland Security. Each recipient of this grant must provide quarterly information to the Department in the following format:

- The number of local education agencies and public charter schools that have executed an MOU with a law enforcement agency as part of the program.
- The number of local education agencies and public charter schools that have executed an MOU with a law enforcement agency as part of the program and have been provided a full-time SRO.
- The percentage of public elementary schools that have an executed MOU and the percentage of those that have been provided a full-time SRO.
- The percentage of public secondary schools that have an executed MOU and the percentage of those that have been provided a full-time SRO.
- The number of SRO's assigned to each school and the name of each SRO assigned to each school.

MEMORANDUM OF UNDERSTANDING
BETWEEN
Nashville and Davidson Co
AND
Metropolitan Nashville Police Department
AND
Metropolitan Nashville Public Schools

THIS MEMORANDUM OF UNDERSTANDING ("MOU") is entered into by and between the above-named parties. Each individually as "Party" or collectively as "Parties".

WHEREAS, well developed School Resource Officer ("SRO") programs provide the crucial link between schools and law enforcement agencies in their continued efforts to establish and maintain safe and secure learning environments. An SRO, as part of his/her day-to-day operations, will be responsible for responding to all criminal acts committed at the school.

WHEREAS, the term School Resource Officer ("SRO") has the same meaning as in Tennessee Code Annotated § 49-6-4202(6). "School resource officer" means a law enforcement officer, as defined under § 39-11-106, who is in compliance with all laws, rules, and regulations of the peace officers standards and training commission and who has been assigned to a school in accordance with a memorandum of understanding between the chief of the appropriate law enforcement agency and the LEA." The term "law enforcement officer" as defined under § 39-11-106 means an "officer, employee, or agent of government who has a duty imposed by law to (a) maintain public order; or (b) make arrests for offenses, whether that duty extends to all offenses or is limited to specific offenses; and (c) investigate the commission or suspected commission of offenses." An SRO acts as a liaison between the police agency, the school, and the community. This does not include a School Safety Officer or a School Security Officer.

WHEREAS, the term Local Education Agency ("LEA") has the same meaning as in Tennessee Code Annotated § 49-1-103(2). "Local education agency (LEA)", "school system", "public school system", "local school system", "school district", or "local school district" means any county school system, city school system, special school district, unified school system, metropolitan school system, or any other local public school system or school district created or authorized by the general assembly."

NOW THEREFORE, in consideration of the mutual promises contained herein, the sufficiency of which is hereby acknowledged, the Parties agree as follows:

- I. **PURPOSE OF MOU.** The purpose of this MOU is to set forth the obligations of the Parties with respect to the placement of School Resource Officers ("SROs") in schools and with respect to planning and funding related thereto for the purpose of providing a law enforcement presence at each school. For the purposes of selecting and assigning SROs, the term "Sheriff" shall include

**THIS IS A CONFIDENTIAL DOCUMENT AND IS NOT SUBJECT TO RELEASE OR DISTRIBUTION
AS A PUBLIC RECORD PURSUANT TO TENN. CODE ANN. § 10-7-504(p)**

the duly elected Sheriff or an authorized Sheriff Deputy designated by the Sheriff to oversee the SRO program. The term "Chief of Police" shall include the appointed Chief of Police or an authorized Officer designated by the Chief of Police to oversee the SRO program.

- II. AUTHORITY. This MOU is to serve as the template MOU for the SRO grant funded program authorized by Public Chapter 418 of the 113th Tennessee General Assembly and shall be executed between a local law enforcement entity and the LEA or public charter school and presented to the Tennessee Department of Safety and Homeland Security as part of the application process for grant funding.

This MOU is also made and entered into pursuant to the authority contemplated by Tennessee Code Annotated Sections 49-6-4201 et seq., and specifically the authority granted to the Parties under Tennessee Code Annotated Section 12-9-101 et seq., which provides that one (1) or more public agencies may contract with any one (1) or more public agencies to perform any governmental service, activity, or undertaking which each public agency entering into is authorized by law to perform; provided that such MOU shall be authorized by the governing body of each Party. Contracts entered into pursuant to Tennessee Code Annotated § 12-9-108 need not conform to the requirements set forth in this chapter for joint undertakings.

III. GENERAL RESPONSIBILITIES OF LOCAL EDUCATION AGENCY (LEA) or PUBLIC CHARTER SCHOOL.

- A. Shall provide materials and facilities at each school location as are necessary for the SRO's performance of his/her function as an SRO at the assigned schools including, but not limited to the following:
- i. A secured climate-controlled and properly lighted office large enough, at a minimum, to adequately accommodate a desk, two (2) chairs, a gun safe, and a lockable file cabinet and be located as reasonably possible near the main office;
 - ii. A landline telephone to be located in the office;
 - iii. Access to a computer work station; and
 - iv. Secretarial assistance when needed by the SRO.
- B. Shall allow the SRO assigned to schools untethered access to the school facilities as required for the SRO to perform his/her duties on school property.
- C. Shall be responsible for all aspects and costs of operation of its schools and nothing herein shall place any monetary obligation on the County or City unless specifically provided for herein.

- D. Shall assist the SRO in the provision of his/her duties and responsibilities if requested by the Sheriff's Office or the assigned SRO.

IV. GENERAL RESPONSIBILITIES OF SHERIFF'S OFFICE or POLICE DEPARTMENT. The Sheriff or Chief of Police, on behalf of the County or City, shall have the following responsibilities:

- A. The Sheriff or Chief of Police shall have the sole authority to conduct background checks, hire, select, discharge, discipline, outfit, provide equipment, and determine (within the parameters established by state law) the qualifications of SROs. The Sheriff or Chief of Police may involve school administrators in the selection process at his/her discretion.
- B. Assign supervisors to oversee the SRO program and to perform non-scheduled visits to schools in which an SRO has been assigned.
- C. Assign SROs to the schools within the jurisdiction of the Local Education Agency (LEA) or Public Charter School pursuant to a full-time schedule. The grant funding is for a full-time SRO to be dedicated to each particular school.
- D. The sole authority to determine the duty hours of the SRO and the qualifications thereof, subject to the provision of IV.E. below.
- E. To the degree required by applicable law, ensure that all SROs maintain qualifications and satisfactorily accomplish continuing training and continuing education required for the SROs to maintain state required qualifications as provided in Tennessee Code Annotated § 49-6-4217. The County or City will remain responsible for the costs associated with the obligations contained in this Section IV.E.

V. QUALIFICATIONS OF AN SRO.

- A. An SRO must be a POST-certified, sworn officer of a law enforcement agency within the jurisdiction that includes the school community being served.
- B. An SRO is recommended to have at least two (2) years' experience as a police officer or the equivalent in order to be able to draw upon the expertise and experience of traditional police work when performing their duties in a school setting.
- C. An SRO should not only be selected based on specific qualifications, but on a genuine desire to work with youth. Due to the nature of the SRO position, the majority of the time is spent interacting with youth. The ability of an SRO to connect with students and provide positive and enriching relationships is a very important trait that will have a positive effect on the school's overall climate.

VI. TRAINING FOR AN SRO AND SCHOOL PERSONNEL.

- A. An SRO should receive forty (40) hours of specialized training provided by the Department of Justice, the National Association of School Resource Officers, Tennessee Association of School Resource Officers, Tennessee Law Enforcement Training Academy (TLETA), or other appropriate and recognized entity within one (1) year of being hired or assigned to a school, whichever is earlier. Due to the nature of the role of an SRO, it being significantly different than that of a traditional patrol officer, the SRO position requires skills and knowledge that may not be addressed in traditional law enforcement training. Therefore, it is important for an SRO to receive specialized training that will prepare him/her to work in a school setting.
- B. After the initial forty (40) hours of specialized training, an SRO should attend sixteen (16) hours per year of training specific to his/her SRO duties in addition to the twenty-four (24) hours of POST-certified training that is annually required. Annual training ensures an SRO remains up-to-date with school related issues, trends, and best practices and provides the SRO with the knowledge and ongoing professional development necessary to perform the duties of an SRO.
- C. Planning and training for emergencies and school safety should be conducted collaboratively by SROs and school personnel. Both should take an active role in training school personnel regarding emergency management issues. The development and implementation of school safety plans should be a collaborative effort, and school personnel should include and engage other first responders in the community.

VII. INFORMATION EXCHANGE. To best serve both the school and the law enforcement agency, it is important that lasting, long-term collaborations take place. The school and the law enforcement agency should participate in an open exchange of information and resources to better serve the students and the community. It may be necessary to formalize information-sharing procedures in order to address student confidentiality concerns.

VIII. GENERAL DUTIES OF AN SRO.

- A. The SRO shall not act as school disciplinarians, nor make decisions regarding school discipline. The SRO shall not be involved in the enforcement of disciplinary infractions that do not constitute violations of the law. The SRO shall retain full law enforcement authority and will take law enforcement action as appropriate. As soon as practical, the SRO will notify the head of the school of any such action. The SRO will comply with applicable state and federal law as they apply to SROs regarding special education students.

- B. The basic duties of SROs include monitoring those who visit schools, providing assistance for disruptive students, and enforcing applicable laws.
- C. An SRO may assist in any class as a guest speaker if requested by the head of the school in which the SRO is assigned.
- D. To the extent that the SRO may do so under the authority of law, the SRO will take appropriate law enforcement action as the SRO deems is appropriate including, but not limited to action against intruders and unwanted guests who may appear at the school and related school functions. As practical, the SRO will advise the head of the school before requesting additional police assistance on campus.
- E. The SRO may establish new programs relating to security and safety of the students and faculty but only after permission is granted by the Sheriff or Chief of Police and the head of the school in which the SRO is assigned.
- F. The SRO will assist other law enforcement officers in matters regarding his/her school assignment whenever necessary.
- G. The SRO shall make examination of all exterior doors to ensure they are locked or secured.
- H. SROs may have other specific duties and responsibilities as defined by the Sheriff's Office or Police Department.

IX. ADDITIONAL DUTIES OF AN SRO FOR MIDDLE AND HIGH SCHOOLS.

- A. The SRO will become familiar with all community agencies that offer assistance to youth and their families including, but not limited to school-based behavioral health liaisons, mental health clinics, mental health liaisons, and drug treatment centers. The SRO may recommend referrals to such agencies once the SRO notifies the head of the school.
- B. If requested by the head of the school and upon approval of the Sheriff or Chief of Police, the SRO may attend parent/faculty meetings to promote support and understanding of the SRO program.
- C. If an SRO determines it necessary, the SRO may, in accordance with applicable state and federal laws regarding the questioning of juveniles, conduct formal police interviews with students and faculty. The interviews shall also be conducted in conformance with the SRO's employing agency's policies and procedures, the LEA or Public Charter School policies, and all applicable laws.

- D. The SRO may act as an instructor for the Drug Abuse Resistance Education ("D.A.R.E.") and for other related short-term programs at the assigned school if requested by the head of the school and approved by the Sheriff or Chief of Police.
- E. Upon approval of the Sheriff or Chief of Police, an SRO may be assigned to investigate incidents relating to thefts, alcohol or drug use, or any other crime occurring at the school in which the SRO is assigned.
- X. DISMISSAL AND REASSIGNMENT OF AN SRO. In the event the head of the school to which an SRO is assigned determines that the assigned SRO has failed to perform his/her duties and responsibilities, he/she may make a written request to the Superintendent or Director to request reassignment of the SRO including the reasons supporting the request. If the Superintendent or Director determines the request is valid, the Superintendent or Director shall promptly forward the written request to the Sheriff or Chief of Police for his/her consideration. The Sheriff or Chief of Police may, in his/her complete discretion, request a meeting with the head of the school to which an SRO is assigned and the SRO to determine whether reassignment is appropriate. The Sheriff or Chief of Police may request the Superintendent or Director to attend the meeting. If a meeting is held, the Sheriff or Chief of Police shall take the comments and written request into consideration in determining whether the SRO will be reassigned. Should the Sheriff or Chief of Police determine a meeting with the head of the school to which an SRO is assigned would not be advantageous, the Sheriff or Chief of Police shall determine whether the SRO shall be reassigned based on the information provided to him/her. The authority to reassign an SRO shall be in the complete discretion of the Sheriff or Chief of Police.
- XI. RECORDS. The SRO will maintain detailed and accurate records of all actions taken by the SRO and general operations relating to the SRO program and shall submit those records to the Sheriff's Office or Police Department.
- XII. TERM. The initial term of this MOU shall commence on the date this MOU is fully executed by the Parties and shall continue until June 30, 2024. The grant funding program requires an annual application for funding and an annual execution of an MOU.

Termination for lack of funding shall not be deemed termination for breach.
