On behalf of the Metropolitan Planning Commission, the following item, referred to the Commission as required by the Metro Charter, has been recommended for *approval* to the Metropolitan Council:

*A request to allow permanent easements to construct Project 25-SWC-249, Connare Drive Improvement Project. These easements are to be acquired through negotiations, condemnation, and acceptance in order to complete this project.*

The relevant Metro agencies (Metro Parks, Nashville Department of Transportation, Metro Water Services, Metro Emergency Communications, the Nashville Electric Service, General Services-Public Property and the Metro Historical Commission) have reviewed the proposal and concur in the recommendation for approval. This request must be approved by the Metro Council to become effective. A sketch showing the location of the request is attached to this letter.

**Conditions that apply to this approval: none**

This recommendation for approval is given as set forth in the Metropolitan Planning Commission Rules and Procedures. If you have any questions about this matter, please contact Delilah Rhodes at [Delilah.Rhodes@nashville.gov](mailto:Delilah.Rhodes@nashville.gov) or 615-862-7208

Sincerely,
