Grant Name: Community Health Workers for Public Health Response & Resilient 21-22 Amend 3 & 4

Department: HEALTH DEPARTMENT

Grantor: CENTERS FOR DISEASE CONTROL

**Pass-Through Grantor
(If applicable):**

Total Award this Action: \$0.00

Cash Match Amount \$0.00

Department Contact: Brad Thompson
340-0407

Status: AMENDMENT

Program Description:

The grant from Centers for Disease Control and Prevention is to address disparities in access to COVID related services, testing, contact tracing and immunization services and health outcomes and factors that increase risk of severe COVID illness by scaling up and sustaining a nation-wide program of Community Health Workers who will support COVID response and prevention in populations in high-risk communities. The IDC appears artificially low, it is because almost 80% of award is to be contracted out. Amend1 adds an additional \$1,000,000.00 to the previous amount for a new total of \$2,000,000.00 and also extends the end date from 8/30/2022 to 8/30/2023. Amend 2 adds an additional amount of \$1,000,000.00 to the previous amount for a new total of \$3,000,000.00, extends the end date to 8/30/2024, provide program specific terms & conditions for Year 3, to approve the Authorizing Official Representative changes, to approve revised budget changes as requested and to state Missing Contractual Elements to be submitted. Amendment 3 approves a request to fund a community health worker at the Metro Office of Homelessness Services and Amend 4 approves funding for a contractor.

Plan for continuation of services upon grant expiration:

Award Number 5 NU58DP006999-02-00

NOFO Number: CDC-RFA-DP21-2109, Community Health Workers for COVID Response and Resilient Communities (CCR)

Dear Grant Management Specialist:

This letter is in support of a revised year 2 budget in the amount of **\$196,170**. Use of **year 2 unspent funds in the contractual line** is requested to meet the following goals/objectives/targets: Train and deploy community health workers and integrate them into care teams to support the public health response to COVID-19 among priority populations.

A new implementation activity is proposed. We propose to contract with the Metropolitan Government of Nashville & Davidson County Office of Homeless Services (OHS) to hire and deploy community health workers. The proposed request remains within the scope of the NOFO, and the funds will be used to support the implementation of the new activity. See enclosed justifications.

While the overall contractual line does not change in the summary budget table below, existing contracts for Matthew Walker and for Evaluation services are reduced by \$196,170 to create the new proposed contract with OHS.

Award Number 5 NU58DP006999-02-00;

Personnel – No change

Fringe Benefits – No change

Travel – No change

Equipment – No change

Supplies – No change

Contractual – Reduce unspent contractual funds for existing contractors Matthew Walker and for Evaluation Services by \$203,640 to create new partnership with the Metropolitan Government of Nashville and Davidson County Office of Homeless Services (OHS).

Indirect- No change

1. **Period of Performance:** 8/30/2023 to 8/30/2024

2. **Scope of Work:** The Metro Office of Homeless Services is a new department (effective July 1, 2023) in Metropolitan Government charged with addressing the city's homeless crisis and preventing chronic homelessness. OHS is currently responsible for executing the city's encampment closure strategy, supporting residents move from outdoor encampments to supportive housing. The city and residents have identified the need for community health workers to support recently rehoused residents' navigation of medical and social services as well as the need for individuals with the lived experience of homelessness to support the city's COVID prevention and mitigation strategies for chronically homeless individuals. OHS will hire and deploy a minimum of five (5) CHWs with the lived experience of homelessness to serve as peer support navigators for recently rehoused individuals. The OHS CHWs will use the PRAPARE tool to assess recently rehoused individual needs, provide information and education on COVID mitigation, testing and vaccination to rehoused individuals and assist individuals with navigating health and social service resources in the priority populations.

3. **Itemized Budget and Justification**

		social determinants of health, use of personal protective equipment, COVID mitigation strategies and community resource navigation. Training also includes associated certification costs for CHWs who want to pursue the Substance Abuse and Mental Health Services Administration Peer Recovery Specialist certification to expand work with individuals who have experienced chronic homelessness due to recovery support needs.
Other	\$24,000	\$20/hour compensation for CHWs. The five (5) OHS Community Health Workers are available to work up to 10 hours per week through the project period.

4. **Name of Contractor:** Metropolitan Government of Nashville and Davidson County Office of Homeless Services

5. **Method of Selection:** Sole Source

The contractor will be selected via a sole source Memorandum of Understanding (MOU). The Office of Homeless Services is the only Metropolitan Government agency that is charged with providing services to residents experiencing homelessness and OHS has the capacity to hire and support the immediate deployment of CHWs with the lived experience of homelessness.

An MOU is utilized for contractual agreements within Metropolitan Government departments.

6. **Method of Accountability:** The CCR Project Director, Chemyeeka Tumblin, is responsible for supervising the OHS contract. Progress and performance will be monitored via monthly reports, monthly meetings with OHS staff and quarterly site visits to ensure technical assistance is provided to mitigate any challenges.

Year 2 Budget Revision, New Activity Justification

Metropolitan Government of Nashville and Davidson County (Metro Public Health Department)
Award Number 5 NU58DP006999-02-00

The Metro Public Health Department (MPHD) requests approval to initiate a new activity for the remaining period of year 3 (March 1, 2024, to August 30, 2024). The new activity is a partnership with the Metro Office of Homeless Services (OHS) to train, deploy and engage 5 additional Community Health Workers to work with recently rehoused residents leaving outdoor encampments in the North and Southeast Davidson County areas. The Metro Office of Homeless Services is a new department (effective July 1, 2023) in Metropolitan Government charged with addressing the city's homeless crisis and preventing chronic homelessness. OHS is currently responsible for executing the city's encampment closure strategy, supporting residents move from outdoor encampments to supportive housing. The city and residents have identified the need for CHWs to support recently rehoused residents' navigation of medical and social services as well as the need for individuals with the lived experience of homelessness to support the city's COVID prevention and mitigation strategies for chronically homeless individuals.

OHS is an entity of the Nashville Metropolitan Government and to form a partnership of interdisciplinary work, would not require a contract but instead a Memorandum of Understanding (MOU). MPHD can avoid long delays due to contracting process by partnering with OHS via an MOU. The MOU process is significantly more efficient, taking approximately 2 months for execution versus 9 to 12 months for contract execution processes. OHS also has capacity to potentially sustain compensation to the Community Health Workers beyond the end of the project period.

Through working with OHS on shared goals, MPHD will be able to reach a larger audience of community members within identified zip codes that may not have access to care due to lack of transportation, inability to establish continuity of care due to moving often and have higher risk of COVID due to environmental factors. Through providing community education, peer support in a 1:1 setting and using the PRAPARE tool to assess needs and provide resource navigation, OHS CHWs allow increased capacity of reaching the original grant goals of Training, Deploying and Engaging CHWs within the Davidson County area. Monitoring of skills, knowledge and community needs will be provided through monthly reports building a case for sustainability of CHWs within OHS. OHS and MPHD have been in monthly communication about this proposed partnership since August 2023 to ensure immediate start if approved. If prior approval is granted for the new proposed activity, the proposed timeline of activities and deliverables includes:

January

- MPHD submits appropriate prior approval documentation in Grants Solutions and CDC AMP
- MPHD notifies OHS once CDC approval is granted
- OHS and MPHD finalize MOU terms
- MPHD Finance team receives update of new activity and payee account

Year 2 Budget Revision, New Activity Justification

Metropolitan Government of Nashville and Davidson County (Metro Public Health Department)
Award Number 5 NU58DP006999-02-00

February

- Metro MOU approvals (Board of Health and Metro Council)
- Existing OHS staff identify and recruit potential CHWs from the existing Homelessness Continuum of Care Community Advisory Board, Homeless Planning Council and from homelessness provider agencies

March 1, 2024, through August 30, 2024

- MPHD works with OHS to provide initial on-boarding of CHW team members
- MPHD provides PRAPARE tool training and COVID mitigation training to OHS CHW team members
- Upon completion of initial training, OHS CHWs begin engagement with recently rehoused residents/residents to be rehoused to include:
 - Assess health and social service needs via PRAPARE tool
 - Distribute COVID test kits at each encounter with residents
 - Provide residents with personal protective equipment kits (masks, hand sanitizer, gloves, etc.)
 - Assist residents with navigating health insurance access and discuss benefits of COVID vaccination to prevent severe symptoms and hospitalizations
 - Document resident encounters, needs assessed, and resources provided
 - May serve on the Continuum of Care (CoC) Community Advisory Board and have a standing report to the Homeless Planning Council (individuals elected by the voting body of the CoC and appointed by the Mayor of Metropolitan Nashville)

Role and Activities (highlight COVID prevention, mitigation, and response efforts)

Community Health Workers (CHWs) with OHS will utilize the designated PRAPARE tool to assess the needs of the recently housed community and resources available that are able to meet those needs. OHS community health workers also have a shared lived experience with the community they serve allowing them to serve with empathy, understanding and cultural humility that often cannot be taught.

Training for OHS CHWs will consist of:

1. At least three trainings per quarter (**Emergency Preparedness, PPE, Motivational Interviewing, Social Determinants of Health, Advocacy, PRAPARE, Cultural Competency, Capacity Building, Care Coordination, Professional Development**)
2. An OHS personalized training of the PRAPARE tool
3. Bi-monthly trainings with all 2109 CHWs for professional development, networking and shared understanding of Davidson County residents' needs

Year 2 Budget Revision, New Activity Justification

Metropolitan Government of Nashville and Davidson County (Metro Public Health Department)
Award Number 5 NU58DP006999-02-00

Activities for OHS CHWs will include those of the other 2109 CHWs such as attending community events to provide COVID education, provide test kits and provide PPE and education of their proper usage. Activities specific to the work of OHS consist of providing COVID and VHW messaging at OHS events and community meetings, provide COVID test kits and PPEs to individuals and families that are recently housed and those in the process of being housed, as well as, using the PRAPARE tool as the main identifier of clients' needs.

Other activities will consist of a minimum of two listening sessions focused on program integration and capacity of CHWs to meet community needs, field trips to community specific resources to learn of ways to best help clients navigate resources, as well as advocate for them, and attend the Sustainability Summit in April.

Alignment with the NOFO:

A partnership with Metro Health and OHS for year 3 of the CCR-2109 grant year aligns with the original NOFO through aiding with emergency preparedness of COVID response through utilizing community health workers to aid with:

1. Access to Covid education, test kits and resources through 1:1 service, community programming and accessible health messaging
2. Directly serving a vulnerable population which is disproportionately impacted by COVID and negatively impacted by social determinants of health and health disparities such as:
 - a. High susceptibility for Covid due to previously existing conditions
 - b. High risk of Covid due to crowded living conditions, lack of access to properly working PPEs and lack of safe, stable, and secure housing
 - c. Lack of access to quality care and continuity of care
 - d. Low community rates of Health Literacy
 - e. High hospitalization needs with lack of insurance and ambulatory care
3. Providing training and support to community health workers in a New Division that allows for greater capacity for CHW sustainability post grant award years
4. Increase community resilience to respond to future Public Health Emergencies through use of PRAPARE tool to:
 - a. Identify community needs and available resources
 - b. Identify gaps in resources and areas where community partnerships can aid in accessible care
 - c. Engage community members in self-advocacy and health literacy education
 - d. Engage community partners in expanding accessible care, education, and funding for those most vulnerable to Covid

Through the above identified points this partnership directly impacts the long-term outcomes of the NOFO:

Year 2 Budget Revision, New Activity Justification

Metropolitan Government of Nashville and Davidson County (Metro Public Health Department)
Award Number 5 NU58DP006999-02-00

1. Decreased impact of COVID-19 on those at highest risk (priority populations) and settings.

2. Increased community resilience to respond to COVID-19 and future public health emergencies.

Financial support needed/budget/carry over amount

The Metro Public Health Department requests to use **\$196,170 in carry over funds** from March 1 to August 30, 2024, to support this proposed partnership. In general, the funds are allocated as follows:

a). Personnel - \$35,500

Includes an existing 1.0 FTE position to coordinate CHW activities, report to monthly activity reports, supervise CHW engagements and liaison with MPHD for the pilot project period (March 1, 2024, to August 30, 2024). Position includes salaries and benefits at 42% fringe rate.

b). Supplies - \$62,300

The CHW team will be equipped with cell phones with wireless internet service as well as tablets for data entry and documentation purposes. General office supplies include postage, print/copy, folders, binders, etc. Finally, \$50 restrictive supply vouchers will be available for recently rehoused residents to obtain necessary move in items such paper towels and cleaning supplies as well as PPE to maintain sanitary living environment to reduce the risk of COVID transmission

c). Travel - \$40,170

Local travel includes mileage reimbursement for CHW team members using their personal vehicle for resident engagement. Local travel also includes bus passes and ride share vouchers for CHW team members who do not have access to personal vehicle to support resident engagement. Bus pass and ride share vouchers also available to residents working with a CHW to obtain COVID related testing, vaccination and to meet medical and/or social needs for stability.

Out of county travel is available to CHW team members for training purposes and to attend the CDC CHW sustainability conference (as appropriate)

d). Training - \$34,200

Training includes professional development opportunities for the CHW team members including completion of the PRAPARE tool training, training on the social determinants of health, use of personal protective equipment, COVID mitigation strategies and community resource navigation.

Year 2 Budget Revision, New Activity Justification

Metropolitan Government of Nashville and Davidson County (Metro Public Health Department)
Award Number 5 NU58DP006999-02-00

e). Other - \$24,000

Hourly compensation for OHS Community Health Workers. The hourly compensation model allows team members to have maximum flexibility to serve recently rehoused resident's needs, including night and weekend hours. The compensation rate is \$20 per hour. The five (5) OHS Community Health Workers are available to work up to 10 hours per week through the project period.

Award Number 5 NU58DP006999-02-00

NOFO Number: CDC-RFA-DP21-2109, Community Health Workers for COVID Response and Resilient Communities (CCR)

Dear Grant Management Specialist:

This letter is to request prior approval for a new contractor which indicates a new scope of work for the Notice of Award listed above.

1. **Period of Performance:** March 1, 2024 – August 31, 2024
2. **Scope of Work:** The goal of this contract is to support the Metro Public Health Department evaluation of the CCR-2109 initiative. The evaluation outputs include updated EDMP, evaluation questions, design and facilitation of at least 2 CHW listening sessions and qualitative and quantitative analysis of the CHW PRAPARE tool data.
3. **Itemized Budget and Justification:** \$22,800.00

Description of Expense	Justification	Description of Work	Cost
Personnel and supplies needed to meet the scope of the contract. This includes Qualitative data collection and analysis supplies. *Personnel cost shall not exceed \$380/hour of labor. It is anticipated there will be an average of 10 hours of labor/month.	Provide required support to develop and implement the materials to collect, assess, track, and report on process and outcomes indicators to determine areas of project success and for improvement. Provide information to managers and staff as needed for data driven decision making to assure meeting project goals.	Evaluation Question Development	\$3,800.00
		Listening Session Design & Facilitation	\$4,400.00
		Evaluation Design & Implementation	\$6,000.00
		Analysis of CHW PRAPARE Data	\$6,000.00
		Project Management & Meetings	\$2,600.00
		Software & Technology	Included

4. **Name of Contractor:** Elevate Consulting, LLC
5. **Method of Selection:** Procurement Purchase
*Note: Per Metro's guidelines, this contractor is selected via delegated purchasing processes which allows the grantee to avoid the long delays associated with Metro's 9 to 12-month competitive bid process.
6. **Method of Accountability:** Monthly Reports, Monthly Monitoring Meeting. Contractor will also attend the Evaluation Technical Assistance meetings with the Envision Center.

If you have any questions regarding this request, please contact Chemyeeka Tumblin, MSPH, CCR Project Director, chemyeeka.tumblin@nashville.gov, or 615-340-0057.

Sincerely,
