"Government property" includes electronic information processing systems, telecommunication systems, or other communications systems of a governmental entity subject to this chapter. Such records include: (A) Plans, security codes, passwords, combinations, or computer programs used to protect electronic information and government property; (B) Information that would identify those areas of structural or operational vulnerability that would permit unlawful disruption to, or interference with, the services provided by a governmental entity; and (C) Information that could be used to disrupt, interfere with, or gain unauthorized access to electronic information or government property.

The foregoing listing is not intended to be comprehensive, and any information which METRO marks or otherwise designates as anything other than "Public Information" will be deemed and treated as sensitive information, which is defined as any information not specifically labeled as "Public Information". Information which qualifies as "sensitive information" may be presented in oral, written, graphic, and/or machine-readable formats. Regardless of presentation format, such information will be deemed and treated as sensitive information.

CONTRACTOR, and its Agents, for METRO, may have access to sensitive information. CONTRACTOR, and its Agents, are required to maintain such information in a manner appropriate to its level of sensitivity. All sensitive information must be secured at all times including, but not limited to, the secured destruction of any written or

electronic information no longer needed. The unauthorized access, modification, deletion, or disclosure of any METRO information may compromise the integrity and security of METRO, violate individual rights of privacy, and/or constitute a criminal act.

Upon the request of METRO, CONTRACTOR shall return all information in whatever form in a format chosen by METRO. In the event of any disclosure or threatened disclosure of METRO information, METRO is further authorized and entitled to immediately seek and obtain injunctive or other similar relief against CONTRACTOR, including but not limited to emergency and ex parte relief where available.

8.4. Information Ownership

All METRO information is and shall be the sole property of METRO. CONTRACTOR hereby waives any and all statutory and common law liens it may now or hereafter have with respect to METRO information. Nothing in this Contract or any other agreement between METRO and CONTRACTOR shall operate as an obstacle to such METRO's right to retrieve any and all METRO information from CONTRACTOR or its agents or to retrieve such information or place such information with a third party for provision of services to METRO, including without limitation, any outstanding payments, overdue payments and/or disputes, pending legal action, or arbitration. Upon METRO's request, CONTRACTOR shall supply METRO with an inventory of METRO information that CONTRACTOR stores and/or backs up.

Any information provided to the CONTRACTOR, including information provided by METRO customers or citizens, is only to be used to fulfill the contracted services. Any additional information that is inferred or determined based on primary information that is provided to the CONTRACTOR, i.e., "second-order data", is only to be used to fulfill the contracted services. This information is not to be used for marketing or commercial purposes and the CONTRACTOR asserts no rights to this information outside of fulfilling the contracted services. Storage of this information is not allowed outside United States' jurisdiction.

8.5. Information Security Breach Notification

In addition to the notification requirements in any Business Associate Agreement with METRO, when applicable, CONTRACTOR shall notify METRO of any data breach within 24 hours of CONTRACTOR's knowledge or reasonable belief (whichever is earlier) that such breach has occurred ("Breach Notice") by contacting the METRO ITS Help Desk. The Breach Notice should describe the nature of the breach, the scope of the information compromised, the date the breach occurred, and the identities of the individuals affected or potentially affected by the breach as well as specific information about the data compromised so that METRO can properly notify those individuals whose information was compromised. CONTRACTOR shall periodically update the information contained in the Breach Notice to METRO and reasonably cooperate with METRO in connection with METRO's efforts to mitigate the damage or harm of such breach.

8.6. Virus Representation and Warranty

CONTRACTOR represents and warrants that Products and/or Services, or any media upon which the Products and/or Services are stored, do not have, nor shall CONTRACTOR or its Agents otherwise introduce into METRO's systems, network, or infrastructure, any type of software routines or element which is designed to or capable of unauthorized access to or intrusion upon, disabling, deactivating, deleting, or otherwise damaging or interfering with any system, equipment, software, data, or the METRO network. In the event of a breach of this representation and warranty, CONTRACTOR shall compensate METRO for any and all harm, injury, damages, costs, and expenses incurred by METRO resulting from the breach.

- Anti-virus signatures are current and no less recent than two versions/releases behind the most current

version/release of the Anti-virus signatures for the Anti-virus Software

8.7. Copyright, Trademark, Service Mark, or Patent Infringement

CONTRACTOR shall, at its own expense, be entitled to and shall have the duty to defend any suit that may be brought against METRO to the extent that it is based on a claim that the products or services furnished infringe a Copyright, Trademark, Service Mark, or Patent. CONTRACTOR shall further indemnify and hold harmless METRO against any award of damages and costs made against METRO by a final judgment of a court of last resort in any such suit. METRO shall provide CONTRACTOR immediate notice in writing of the existence of such claim and full right and opportunity to conduct the defense thereof, together with all available information and reasonable cooperation, assistance and authority to enable CONTRACTOR to do so. No costs or expenses shall be incurred for the account of CONTRACTOR without its written consent. METRO reserves the right to participate in the defense of any such action. CONTRACTOR shall have the right to enter into negotiations for and the right to effect settlement or compromise of any such action, but no such settlement or compromise shall be binding upon METRO unless approved by the METRO Department of Law Settlement Committee and, where required, the METRO Council.

If the products or services furnished under this Contract are likely to, or do become, the subject of such a claim of infringement, then without diminishing CONTRACTOR's obligation to satisfy the final award, CONTRACTOR may at its option and expense:

- Procure for METRO the right to continue using the products or services
- Replace or modify the alleged infringing products or services with other equally suitable products or services that are satisfactory to METRO, so that they become non-infringing
- Remove the products or discontinue the services and cancel any future charges pertaining thereto provided; however, that CONTRACTOR will not exercise the Remove option above until CONTRACTOR and METRO have determined that the Procure and/or Replace options are impractical. CONTRACTOR shall have no liability to METRO; however, if any such infringement or claim thereof is based upon or arises out of:
 - The use of the products or services in combination with apparatus or devices not supplied or else approved by CONTRACTOR;
 - The use of the products or services in a manner for which the products or services were neither designated nor contemplated; or,
 - The claimed infringement in which METRO has any direct or indirect interest by license or otherwise, separate from that granted herein.

8.8. Maintenance of Records

CONTRACTOR shall maintain documentation for all charges against METRO. The books, records, and documents of CONTRACTOR, insofar as they relate to work performed or money received under this Contract, shall be maintained for a period of three (3) full years from the date of final payment and will be subject to audit, at any reasonable time and upon reasonable notice by METRO or its duly appointed representatives. The records shall be maintained in accordance with generally accepted accounting principles. In the event of litigation, working papers and other documents shall be produced in accordance with applicable laws and/or rules of discovery. Breach of the provisions of this paragraph is a material breach of this Contract.

All documents and supporting materials related in any manner whatsoever to this Contract or any designated portion thereof, which are in the possession of CONTRACTOR or any subcontractor or subconsultant shall be made available to METRO for inspection and copying upon written request from METRO. Said documents shall also be made available for inspection and/or copying by any state, federal or other regulatory authority, upon request from METRO. Said records include, but are not limited to, all drawings, plans, specifications, submittals, correspondence, minutes, memoranda, tape recordings, videos, or other writings or things which document the procurement and/or performance of this Contract. Said records expressly include those documents reflecting the cost, including all subcontractors' records and payroll records of CONTRACTOR and subcontractors.

8.9. Monitoring

CONTRACTOR's activities conducted and records maintained pursuant to this Contract shall be subject to monitoring

and evaluation by METRO, the Department of Finance, the Division of Internal Audit, or their duly appointed representatives.

METRO shall have the option of reviewing and performing a security assessment of the information security management practices of CONTRACTOR. METRO shall have the right, at its expense, during normal business hours and with reasonable advance notice, to evaluate, test, and review at CONTRACTOR's premises the Products and/or Services to ensure compliance with the terms and conditions of this Contract. METRO shall have the right to conduct such audits by use of its own employees and internal audit staff, or by use of outside consultants and auditors.

8.10. METRO Property

Any METRO property, including but not limited to books, records, and equipment that is in CONTRACTOR's possession shall be maintained by CONTRACTOR in good condition and repair, and shall be returned to METRO by CONTRACTOR upon termination of this Contract. All goods, documents, records, and other work product and property produced during the performance of this Contract are deemed to be METRO property. METRO property includes, but is not limited to, all documents which make up this Contract; all other documents furnished by METRO; all conceptual drawings, design documents, closeout documents, and other submittals by CONTRACTOR; and, all other original works of authorship, whether created by METRO or CONTRACTOR embodied in any tangible medium of expression, including, without limitation, pictorial, graphic, sculptural works, two (2) dimensional works, and three (3) dimensional works. Any of Contractor's or its subcontractors' works of authorship comprised within the Work Product (whether created alone or in concert with Metro or a third party) shall be deemed to be "works made for hire" and made in the course of services rendered and, whether pursuant to the provisions of Section 101 of the U.S. Copyright Act or other Applicable Law, such Work Product shall belong exclusively to Metro. Contractor and its subcontractors grant Metro a non-exclusive, perpetual, worldwide, fully paid up, royalty Free license, with rights to sublicense through multiple levels of sublicenses, to reproduce, make, have made, create derivative works of, distribute, publicly perform and publicly display by all means, now known or later developed, such rights.

Except as to Contracts involving sensitive information, CONTRACTOR may keep one (1) copy of the aforementioned documents upon completion of this Contract; provided, however, that in no event shall CONTRACTOR use, or permit to be used, any portion of the documents on other projects without METRO's prior written authorization. CONTRACTOR shall maintain sensitive information securely and if required by METRO, provide secured destruction of said information. Distribution and/or reproduction of METRO sensitive information outside of the intended and approved use are strictly prohibited unless permission in writing is first received from the METRO Chief Information Security Officer. The storage of METRO sensitive information to third-party hosted network storage areas, such as Microsoft Skydrive, Google Docs, Dropbox, or other cloud storage mechanisms, shall not be allowed without first receiving permission in writing from the METRO Chief Information Security Officer.

No Party shall become liable for any representation, act, or omission of any other Party contrary to the terms of this Contract.

Sole Source Review

Reviewed By:	Zak Kelley	Reviewed:	07/26/2024
Received for Review:	07/26/2024	Department:	Water
Recommendation:	Approve for Contract – 60 Months	Pricing:	\$2,000,000.00
Supplier:	Burnette Lime Company	Method:	Multi-Year Contract
Description:	Cal-flo lime slurry.		
Council Approval	Required.		

Procurement Code: MC 4.12.060

Procurement Regulations: R4.12.060.02 – Requirement Available from Single Supplier

Department Justification: MWS utilizes Cal-Flo lime feed systems. These systems require the use of Cal-Flo lime slurry to maximize performance and minimize maintenance + repairs. Burnette Lime Company is the manufacturer and sole provider.

Review: Under section R4.12.060.02 of the procurement regulations, a contract may be awarded without competition when a requirement is available from a single source.

This is a request to sole source Cal-Flo lime slurry from the manufacturer, Burnette Lime Company (BLC). BLC confirms via letter that they are the sole supplier for Cal-Flo lime slurry and that Cal-flo lime slurry is the only product suitable for use in the Cal-flo system. Utilizing another product risks increased maintenance and repair due to higher levels of silica in other products.

Based on the description provided by the department, a sole source is recommended pursuant to R4.12.060.02.
