

AMENDMENT NO. ____
TO
SUBSTITUTE ORDINANCE NO. BL2026-1391

Madam President –

I hereby move to amend Substitute Ordinance No. BL2026-1391 as follows:

I. By amending Section 3, by amending proposed Subsection C.4.d as follows:

- d. Excluding generator testing or commissioning activities, emissions producing electrical generation shall be for backup and emergency use only. ~~Outside of emergencies or without the permission of Nashville Electric Service (NES),~~ Operation of such generators shall be limited to testing only no more than seventy-two hours consecutively. This subsection shall not apply to the use of renewable energy sources including, but not limited to solar panels, small wind energy facilities, and waste heat recovery.

II. By amending Section 3, by amending proposed Subsection D.4.f as follows:

- f. Excluding generator testing or commissioning activities, emissions producing electrical generation shall be for backup and emergency use only. ~~Outside of emergencies or without the permission of Nashville Electric Service (NES),~~ Operation of such generators shall be limited to testing only no more than seventy-two hours consecutively. This subsection shall not apply to the use of renewable energy sources including, but not limited to solar panels, small wind energy facilities, and waste heat recovery.

III. By amending Section 4, by amending proposed Subsection A.4.f as follows:

- f. Excluding generator testing or commissioning activities, emissions producing electrical generation shall be for backup and emergency use only. ~~Outside of emergencies or without the permission of Nashville Electric Service (NES),~~ Operation of such generators shall be limited to testing only no more than seventy-two hours consecutively. This subsection shall not apply to the use of renewable energy sources including, but not limited to solar panels, small wind energy facilities, and waste heat recovery.

VI. By amending Section 5, by amending proposed Subsection A.2.c as follows:

- c. Excluding generator testing or commissioning activities, emissions producing electrical generation shall be for backup and emergency use only. ~~Outside of emergencies or without the permission of Nashville Electric Service (NES),~~ Operation of such generators shall be limited to testing only no more than seventy-two hours consecutively. This subsection shall not apply to the use of renewable energy sources

including, but not limited to solar panels, small wind energy facilities, and waste heat recovery.
