**Re: 1420 Adams Street Greenway Improvements
Planning Commission Mandatory Referral 2024M-055AG-001
Council District # 19 Jacob Kupin, Council Member**

On behalf of the Metropolitan Planning Commission, the following item, referred to the Commission as required by the Metro Charter, has been recommended for *approval* to the Metropolitan Council:

An ordinance approving a greenway conservation easement between the Metropolitan Government of Nashville and Davidson County, through the Metropolitan Board of Parks and Recreation, and Germantown JV, LLC for greenway improvements at 1420 Adams Street (Parcel No. 08205017700) (Proposal No. 2024M-055AG-001).

The relevant Metro agencies (Metro Parks, Nashville Department of Transportation, Metro Water Services, Metro Emergency Communications, the Nashville Electric Service, Metro Finance – Public Property and the Metro Historical Commission) have reviewed the proposal and concur in the recommendation for approval. This request must be approved by the Metro Council to become effective. A sketch showing the location of the request is attached to this letter.

Conditions that apply to this approval: none

This recommendation for approval is given as set forth in the Metropolitan Planning Commission Rules and Procedures. If you have any questions about this matter, please contact Delilah Rhodes at Delilah.Rhodes@nashville.gov or 615-862-7208

Sincerely,

A handwritten signature in blue ink, appearing to read "Lisa Milligan".

Council District # 19 Jacob Kupin, Council Member

An ordinance approving a greenway conservation easement between the Metropolitan Government of Nashville and Davidson County, through the Metropolitan Board of Parks and Recreation, and Germantown JV, LLC for greenway improvements at 1420 Adams Street (Parcel No. 08205017700) (Proposal No. 2024M-055AG-001).

Upon recording, return to:

AGREEMENT FOR GRANT OF EASEMENT

for

CONSERVATION GREENWAY

THIS AGREEMENT, made and entered into this the 8 day of November, 2024, by and between **The Metropolitan Government of Nashville and Davidson County**, acting by and through its Board of Parks and Recreation (herein referred to as "Metro"), and **GERMANTOWN JV LLC**, a Delaware limited liability company, property owner (herein referred to as "Grantor").

WHEREAS, Metro recognizes the increasing benefit of protecting open spaces within the Metropolitan Government area; and

WHEREAS, greenways provide the general public with recreational opportunities in natural areas, preserve, and protect native plant and animal species and their habitat, and provide low-impact transportation routes for pedestrian and bicycle traffic; and

WHEREAS, Metro, by Ordinance No. 091-13, created a Greenways Commission to assist Metro in the development of a system of open space greenways; and

WHEREAS, Grantor is the sole owner in fee simple of certain real property in Davidson County, Tennessee, more particularly described in Exhibit A attached hereto and incorporated by this reference (herein referred to as "the Property"); **and**

WHEREAS, the Property possesses natural, open space, and recreational values (collectively, "conservation values") of great importance to Grantor and the people of Nashville and Davidson County; and

WHEREAS, Grantor intends that the conservation values of the Property be preserved and made more accessible for public enjoyment by the anticipated

incorporation and maintenance of the Easement (as defined below) as part of the Metro greenways system; and

WHEREAS, Grantor further intends, as owner of the Property, to convey to Metro the right to preserve and protect the conservation values of the Property in perpetuity; and

WHEREAS, Metro has the authority to accept this grant pursuant to Tennessee Code Annotated, Section 66-9-305(d), and Section 11.1002 of the Metropolitan Charter; and

WHEREAS, Metro agrees by accepting this grant to honor the intentions of Grantor stated herein, and to preserve and protect, in perpetuity, the conservation values of the Property for the benefit of the people of Tennessee and the public-at-large.

NOW, THEREFORE, in consideration of the above and the mutual covenants, terms, conditions, and restrictions contained herein, Grantor hereby voluntarily grants and conveys to Metro, its successors and assigns, an easement in perpetuity over that certain portion of the Property of the Grantor (herein referred to as the "Easement") to be located as more particularly shown on Exhibit A attached hereto and incorporated by this reference.

1. Purpose. It is the purpose of this grant to allow Metro to utilize the Easement area for one or more of the following: a pathway for pedestrian or bicycle travel, nature trail, and/or natural area. It is the intention of the parties hereby expressed that the granting of the Easement will not significantly interfere with the conservation values of the Property. Grantor intends that the Easement will confine the use of the Property to such activities as are consistent with the purpose of the Easement.

2. Rights of Metro. To accomplish the purpose of the Easement, the following rights are conveyed to Metro by this grant:

- a. To preserve and protect the conservation values of the Property; and
- b. Upon a default by Grantor pursuant to Section 7 below and the expiration of applicable notice and cure periods, to construct and maintain a pathway to be located on the Easement, including, at the discretion of Metro, necessary trailheads, signage, benches, and other improvements consistent with the recreational and educational uses of the pathway and other conservation values; and

c. To prevent any activity on or use of the Property that is inconsistent with the purpose of the Easement and to require the restoration of such areas or features of the Property that may be damaged by any inconsistent activity or use.

3. **Rights and Obligations of Grantor.**

a. Grantor shall construct, as part of its construction of a multifamily project on the Property, a pathway approximately twelve feet (12') wide in accordance with the requirements set forth on Grantor's site plan for the development of the Property. Metro acknowledges that it has approved such requirements.

b. Grantor shall maintain the pathway at all times in good condition and repair, consistent with the maintenance and repair of similar outdoor recreational areas in Class A type residential projects in Nashville and Davidson County that are open for public use and otherwise in accordance with all local laws. Grantor shall have the right to close off access to all or a part of the pathway from time to time for as long as is reasonably necessary for Grantor to maintain and repair the pathway.

4. **Metro Covenants.** Metro, by accepting this grant, covenants and agrees, on behalf of itself, its successors and assigns, that the following shall constitute real covenants that shall attach to and run with the Easement hereby granted and shall be binding upon anyone who may hereafter come into ownership of such Easement, whether by purchase, devise, descent, or succession, or to be authorized to use said Easement area:

- a. It will make the Easement area available for use by all members of the general public without distinction or illegal discrimination on the grounds of race, color, national origin, handicap, or age.
- b. It will adopt rules and regulations governing the use of the Easement area so as not to permit or suffer any use of the Easement by Grantor or others in violation of such rules and regulations. At a minimum, the rules and regulations will provide as follows:
 - i. That the hours of public access of the Easement shall be from dawn to 11:00 PM.
 - ii. That all persons utilizing the Easement area must remain on the pathway.

- iii. That all pets of persons utilizing the pathway must be on a leash at all times.
- iv. That motorized vehicles including, but not limited to, Class 3 electronic bicycles (as defined herein), motorcycles, mopeds, all-terrain or off-road vehicles and motorized scooters shall be strictly prohibited, unless operated by Metro. Class 3 electronic bicycles are pedal assisted only, with no throttle, and have a maximum assisted speed of 28 mph. The prohibitions in this subparagraph iv shall not include Class 1 and Class 2 electronic bicycles, which are addressed in subparagraph vii below;
- v. That the following activities shall be strictly prohibited:
 - 1. consumption or possession of alcoholic beverages;
 - 2. horseback riding;
 - 3. collecting or distributing plants, animals or other natural features;
 - 4. littering or dumping;
 - 5. possession of firearms, weapons or projected objects, unless and to the extent permitted by Tennessee law;
 - 6. playing of radios, musical instruments or other devices in a manner that might disturb others;
 - 7. vending or other concessions without proper permits;
 - 8. advertising or posting of bills;
 - 9. Smoking or vaping; and
 - 10. trespassing on adjacent property of Grantor.
- vi. That non-motorized bicycles, non-motorized scooters and roller skates are permitted so long as the other users of the pathway are not disturbed.
- vii. That Class 1 and Class 2 electronic bicycles (as defined herein) are permitted so long as the other users of the pathway are not disturbed. Class 1 electronic bicycles are pedal assisted

only, with no throttle, and have a maximum assisted speed of 20 mph. Class 2 electronic bicycles are throttle-assisted, and have a maximum assisted speed of 20 mph.

5. Other Prohibited Uses. Any activity on or use of the Property inconsistent with the purpose of the Easement is prohibited. The aforementioned express prohibitions shall not limit the generality of this paragraph.

6. Reserved Rights. Grantor reserves to itself, and to its personal representatives, heirs, successors, and assigns, all rights accruing from their ownership of the Property, including the right to engage in or permit or invite others to engage in all uses of the Property that are not expressly prohibited herein and are not inconsistent with the purpose of the Easement.

7. Metro's Remedies. If Metro determines that Grantor is in violation of the terms of this Agreement or that a violation is threatened, Metro shall give written notice to Grantor of such violation and demand corrective action sufficient to cure the violation and, where the violation involves injury to the Property resulting from any use or activity inconsistent with the purpose of the Easement, to restore the portion of the Property so injured. If Grantor fails to cure the violation within thirty (30) days after receipt of notice thereof from Metro or, under circumstances where the violation cannot reasonably be cured within a thirty (30) day period, fails to continue diligently to cure such violation until finally cured, Metro may bring an action in a court of competent jurisdiction to enforce the terms of this Agreement to enjoin the violation by temporary or permanent injunction, and to recover any damages to which it may be entitled for violation of the terms of this Agreement or for injury to any conservation values protected by the Easement, including damages for the loss of scenic, aesthetic, or environmental values, and to require the restoration of the Property to the condition that existed prior to any such injury. Metro's remedies described in this paragraph shall be cumulative and shall be in addition to all remedies now or hereafter existing at law or in equity.

8. Metro's Discretion. Enforcement of the terms of this Agreement shall be at the discretion of Metro, and any forbearance by Metro to exercise its rights under this Agreement in the event of any breach of any terms of this Agreement by Grantor shall not be deemed or construed to be a waiver by Metro of such term, or of any subsequent

breach of the same, or any other term of this Agreement, or of any of Metro's rights under this Agreement. No delay or omission by Metro in the exercise of any right or remedy upon any breach by Grantor shall impair such right or remedy or be construed as a waiver.

9. Waiver of Certain Defenses. Grantor hereby waives any defense of laches, estoppel, or prescription.

10. Acts Beyond Grantor's Control. Nothing contained in this Agreement shall be construed to entitle Metro to bring any action against Grantor for any injury to or change in the Property resulting from causes beyond Grantor's control, including, without limitation, fire, flood, storm, and earth movement, or from any prudent action taken by Grantor under emergency conditions to prevent, abate, or mitigate significant injury to the Property resulting from such causes.

11. Amendment; Extinguishment. If circumstances arise under which an amendment to or modification or extinguishment of this Agreement is appropriate, the Grantor, or the then current owner of the Property, and Metro are free to jointly amend or extinguish this Agreement without prior notice to any other party; provided that any amendment or extinguishment shall be in writing; shall be consistent with the purpose of the Easement as to any amendment; shall not affect its perpetual duration as to any amendment; and shall have the unanimous consent of the Metro Greenways Commission.

12. Assignment. The Easement is transferable, but Metro may assign its rights and obligations under this Agreement only to an organization that is a qualified organization at the time of transfer under Section 170(h) of the Internal Revenue Code of 1954, as amended, and the applicable regulations promulgated thereunder and authorized to acquire and hold conservation easements. As a condition of such transfer, Metro shall require that the conservation purposes which this grant is intended to advance continue to be carried out.

13. Subsequent Transfers. Grantor agrees to incorporate the terms of this Agreement in any deed or other legal instrument by which it divests itself of any interest in all or a portion of the Property, including, without limitation, a leasehold interest. Grantor further agrees to give written notice to Metro of the transfer of any interest at least thirty (30) days prior to the date of such transfer. The failure of Grantor to perform any

act required by this paragraph shall not impair the validity of the Easement or limit its enforceability in any way.

14. **Estoppel Certificate.** Each party agrees to execute and deliver to a requesting party, within fifteen (15) days after receipt of any written request therefor by the requesting party, a certificate addressed as indicated by the requesting party and stating: (a) whether this Agreement is in full force and effect; (b) whether this Agreement has been modified or amended in any respect, and if so, the substance of the modification or amendment; (c) whether there are any existing defaults hereunder known to the party executing such certificate, and if so, specifying the nature thereof; and (d) such other matters as may reasonably be requested. Estoppel certificates shall be binding upon the party issuing same and may be relied upon by the recipient party. Failure by a party to so execute and provide such estoppel certificate within the specified period shall be deemed an admission on such party's part that the party requesting the estoppel certificate is current and not in default in the performance of such party's obligations under this Agreement.

15. **General Provisions.**

a. **Controlling Law.** The interpretation and performance of this Agreement shall be governed by the laws of the State of Tennessee.

b. **Liberal Construction.** Any general rule of construction to the contrary notwithstanding, this Agreement shall be liberally construed in favor of the grant to effect the purpose of the Easement and the policy and purpose of Tenn. Code Ann. §§ 66-9-301 to 309. If any provision in this instrument is found to be ambiguous, an interpretation consistent with the purpose of the Easement that would render the provision valid shall be favored over any interpretation that would render it invalid.

c. **Severability.** If any provision of this Agreement, or the application thereof to any person or circumstance, is found to be invalid, the remainder of the provisions of this Agreement, or the application of such provision to persons or circumstances other than those as to which it is found to be invalid, shall not be affected thereby.

d. **Entire Agreement.** This instrument sets forth the entire agreement of the parties with respect to the Easement and supersedes all prior discussions,

negotiations, understandings, or agreements relating to the Easement, all of which are merged herein. No alteration or variation of this instrument shall be valid or binding unless contained in an amendment that complies with paragraph ten (10).

e. Successors. The covenants, terms, conditions, and restrictions of this Agreement shall be binding upon, and inure to the benefit of, the parties hereto and their respective personal representatives, heirs, successors, and assigns, and shall continue as a servitude running in perpetuity with the Property.

TO HAVE AND TO HOLD said Easement unto Metro, its successors, and assigns, forever.
