BETWEEN THE
GREATER NASHVILLE REGIONAL COUNCIL AND
METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY**

This Contract, by and between the Greater Nashville Regional Council, hereinafter referred to as the "GNRC," and Metropolitan Government of Nashville and Davidson County, hereinafter referred to as the "Contractor," is for the provision of certain home and community based services based on state funds made available by the state legislature and federal funds, under the CARES Act, through the Tennessee Commission on Aging and Disability, as further defined in the "SCOPE OF SERVICES."

Contractor Federal Employer Identification # 62-0637710

A. SCOPE OF SERVICES:

- A.1. The Contractor shall provide all service and deliverables as required, described, and detailed herein and shall meet all service and delivery timelines as specified by this Contract.
- A.2. The GNRC through its Area Agency on Aging and Disability will provide authorization for home and community based services. The GNRC will compensate the Contractor at the rates established in Section C.3. for authorized services. The GNRC will screen and assess individuals to determine their need for home and community based long-term care services. Approved services are delineated in the Scope of Work, Attachment 1, which is attached and made a part of this Contract. Services will be provided by the Contractor in accordance with this Contract and the program guidelines contained in the Tennessee Commission on Aging and Disability "Program and Policy Manual"; said program guidelines are hereby made a part of this Contract by reference.

B. TERM OF CONTRACT:

The parties agree this Contract shall be effective on 8/1/2020 ("Effective Date"), and ending 9/30/2021 ("Term"). The GNRC shall have no obligation for fulfillment of the Scope outside the term.

C. PAYMENT TERMS AND CONDITIONS:

- C.1. Maximum Liability. In no event shall the maximum liability of the GNRC under this Contract exceed Six Hundred Ninety One Thousand Eight Hundred Five Dollars (\$691,805). The payment rates in section C.3 shall constitute the entire compensation due the Contractor for all service and Contractor obligations hereunder regardless of the difficulty, materials, or equipment required. The payment rates include, but are not limited to, all applicable taxes, fees, overheads, and all other direct and indirect costs incurred or to be incurred by the Contractor.

The Contractor is not entitled to be paid the maximum liability for any period under the Contract or any extensions of the Contract for work not requested by the GNRC. The maximum liability represents available funds for payment to the Contractor and does not guarantee payment of any such funds to the Contractor under this Contract unless the GNRC requests work and the Contractor performs said work. In which case, the Contractor shall be paid in accordance with the payment rates detailed in section C.3. The GNRC is under no obligation to request work from the Contractor in any specific dollar amounts or to request any work at all from the Contractor during any period of this Contract.

- C.2. Compensation Firm. The payment rates and the maximum liability of the GNRC under this Contract are firm for the duration of the Contract and are not subject to escalation for any reason unless amended.
- C.3. Payment Methodology. The Contractor shall be compensated based on the payment rates herein for units of service authorized by the GNRC in a total amount not to exceed the Contract Maximum Liability established in section C.1.

- a. The Contractor's compensation shall be contingent upon the satisfactory completion of units, milestones, or increments of service defined in section A.
- b. The Contractor shall be compensated for said units, milestones, or increments of service based upon the following payment rates:

Service Unit	Amount (per compensable increment)	Funding Source	CFDA#

- C.4. Travel Compensation. The Contractor shall not be compensated or reimbursed for travel, meals, or lodging.
- C.5. Invoice Requirements. The Contractor shall invoice the GNRC only for completed units of service and for the amount stipulated in Section C.3., above. Contractor shall submit invoices with all necessary supporting documentation no more often than once per month, submitted no later than the 8th day of each month for units of service provided the previous month to:

- d. The Contractor understands and agrees that any invoice submitted for services after fifteen (15) days of the end date of this Contract will be deemed ineligible for payment under this Contract.
- C.6. Payment of Invoice. A payment by the GNRC shall not prejudice the GNRC's right to object to or question any payment, invoice, or matter in relation thereto. A payment by the GNRC shall not be construed as acceptance of any part of the work or service provided or as approval of any amount invoiced.
- C.7. Invoice Reductions. The Contractor's invoice shall be subject to reduction for amounts included in any invoice or payment theretofore made which are determined by the GNRC, on the basis of audits conducted in accordance with the terms of this Contract, not to constitute proper remuneration for compensable services.

Failure to enter data properly, timely, and completely pursuant to this section may result in the foregoing penalty being assessed for each applicable month following the first initial offense.
 - Meals data must be entered into SAMS by the 14th of the following month.
 - Nutrition Education data must be entered into SAMS by the 14th of the following month.

If Grantee fails to properly, timely, and completely input nutrition data according to the requirements and dates specified above, Grantee will have a one-time grace period of five (5) days to submit required data and a compliance plan detailing corrective action to the GNRC AAAD.

- C.11. Notwithstanding the foregoing penalties as described in C.10., no penalty will be assessed against Grantee in the event that such failure to enter and/or submit data is the result of a minor error such as a typographical error as determined by the GNRC. Failure to enter and/or submit data in the required fields will not constitute a minor error.

D. STANDARD TERMS AND CONDITIONS:

- D.1. Required Approvals. The GNRC is not bound by this Contract until it is signed by the contract parties and approved by appropriate officials in accordance with applicable Tennessee laws and regulations and GNRC bylaws.

- D.2. Modification and Amendment. This Contract may be modified only by a written amendment signed by all parties hereto and approved by both the officials who approved the base contract, and in accordance with applicable Tennessee laws, regulations, and GNRC bylaws.
- D.3. Termination for Convenience. The GNRC may terminate this Contract without cause for any reason. Said termination shall not be deemed a breach of contract by the GNRC. The GNRC shall give the Contractor at least thirty (30) days written notice before the effective termination date. The Contractor shall be entitled to compensation for satisfactory, authorized service completed as of the termination date, but in no event shall the GNRC be liable to the Contractor for compensation for any service which has not been rendered. Upon such termination, the Contractor shall have no right to any actual general, special, incidental, consequential, or any other damages whatsoever of any description or amount.
- D.4. Termination for Cause. If the Contractor fails to properly perform its obligations under this Contract in a timely or proper manner, or if the Contractor violates any terms of this Contract, the GNRC shall have the right to immediately terminate the Contract and withhold payments in excess of fair compensation for completed services. Notwithstanding the above, the Contractor shall not be relieved of liability to the GNRC for damages sustained by virtue of any breach of this Contract by the Contractor.
- D.5. Subcontracting. The Contractor shall not assign this Contract or enter into a subcontract for any of the services performed under this Contract without obtaining the prior written approval of the GNRC. If such subcontracts are approved by the GNRC, each shall contain, at a minimum, sections of this Contract below pertaining to "Conflicts of Interest," "Nondiscrimination," and "Records" (as identified by the section headings). Notwithstanding any use of approved subcontractors, the Contractor shall be the prime contractor and shall be responsible for all work performed.
- D.6. Conflicts of Interest. The Contractor warrants that no part of the total Contract Amount shall be paid directly or indirectly to an employee or official of the State of Tennessee or the GNRC as wages, compensation, or gifts in exchange for acting as an officer, agent, employee, subcontractor, or consultant to the Contractor in connection with any work contemplated or performed relative to this Contract.
- D.7. Nondiscrimination. The Contractor hereby agrees, warrants, and assures that no person shall be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of this Contract or in the employment practices of the Contractor on the grounds of handicap or disability, age, race, color, religion, sex, national origin, or any other classification protected by Federal, Tennessee State constitutional, or statutory law. The Contractor shall, upon request, show proof of such nondiscrimination and shall post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.
- D.8. Records. The Contractor shall maintain documentation for all charges under this Contract. The books, records, and documents of the Contractor, insofar as they relate to work performed or money received under this Contract, shall be maintained for a period of five (5) full years from the date of the final payment and shall be subject to audit at any reasonable time and upon reasonable notice by the State of Tennessee Commission on Aging and Disability, the GNRC, the Comptroller of the Treasury, or their duly appointed representatives. The financial statements shall be prepared in accordance with generally accepted accounting principles.
- D.9. Prevailing Wage Rates. All contracts for construction, erection, or demolition or to install goods or materials that involve the expenditure of any funds derived from the State require compliance with the prevailing wage laws as provided in *Tennessee Code Annotated*, Section 12-4-401 *et seq.*
- D.10. Monitoring. The Contractor's activities conducted and records maintained pursuant to this Contract shall be subject to monitoring and evaluation by the State of Tennessee Commission on Aging and Disability, GNRC, the Comptroller of the Treasury, or their duly appointed representatives.

- D.11. Progress Reports. The Contractor shall submit brief, periodic, progress reports to the GNRC as requested.
- D.12. Strict Performance. Failure by any party to this Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this Contract shall not be construed as a waiver or relinquishment of any such term, covenant, condition, or provision. No term or condition of this Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties hereto.
- D.13. Independent Contractor. The parties hereto, in the performance of this Contract, shall not act as employees, partners, joint venturers, or associates of one another. It is expressly acknowledged by the parties hereto that such parties are independent contracting entities and that nothing in this Contract shall be construed to create a employer/employee relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.
- The Contractor, being a Tennessee governmental entity, is governed by the provisions of the Tennessee Government Tort Liability Act, *Tennessee Code Annotated*, Sections 29-20-101 *et seq.*, for causes of action sounding in tort. Further, no contract provision requiring a Tennessee political entity to indemnify or hold harmless the GNRC beyond the liability imposed by law is enforceable because it appropriates public money and nullifies governmental immunity without the authorization of the General Assembly.
- D.14. GNRC Liability. The GNRC shall have no liability except as specifically provided in this Contract.
- D.15. Force Majeure. The obligations of the parties to this Contract are subject to prevention by causes beyond the parties' control that could not be avoided by the exercise of due care including, but not limited to, natural disasters, riots, wars, epidemics, or any other similar cause.

To this end, the terms and conditions of this Contract are declared severable.
- D.20. Headings. Section headings of this Contract are for reference purposes only and shall not be construed as part of this Contract.

Such confidential information shall not be disclosed, and all necessary steps shall be taken by the Contractor to safeguard the confidentiality of such material or information in conformance with applicable state and federal law, state and federal rules and regulations, departmental policy, and ethical standards.

The Contractor's obligations under this section do not apply to information in the public domain; entering the public domain but not from a breach by the Contractor of this Contract; previously possessed by the Contractor without written obligations to the GNRC to protect it; acquired by the Contractor without written restrictions against disclosure from a third party which, to the Contractor's knowledge, is free to disclose the information; independently developed by the Contractor without the use of the GNRC information; or, disclosed by the GNRC to others without restrictions against disclosure.  - c. The GNRC and the Contractor will sign documents required by the Privacy Rules and that are reasonably necessary to keep the GNRC and Contractor in compliance with the Privacy Rules. This provision shall not apply if information received or delivered by the parties under this Contract is NOT "protected health information" as defined by the Privacy Rules, or if the Privacy Rules permit the parties to receive or deliver the information without entering into a business associate agreement or signing another document. The Business Associate Agreement between the parties to this Contract attached to this Contract as Attachment 2, is deemed a part of this Contract and is incorporated therein, and upon the Parties signing this Contract, the Parties shall also be bound by the attached Business Associate Agreement as fully as if signed as a separate document.
- E.7. **Public Accountability.** If the Contractor is subject to *Tennessee Code Annotated*, Title 8, Chapter 4, Part 4 or if this Contract involves the provision of services to citizens by the Contractor on behalf of the GNRC, the Contractor agrees to establish a system through which recipients of services may present grievances about the operation of the service program, and the Contractor shall display in a prominent place, located near the passageway through which the public enters in order to receive services pursuant to this Contract, a sign at least eleven inches (11") in height and eighteen inches (17") in width stating:

- b. If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this contract, grant, loan, or cooperative agreement, the Contractor shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- c. The Contractor shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into and is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, *U.S. Code*.

BUSINESS ASSOCIATE AGREEMENT**

This Business Associate Agreement (Agreement) is a part of and is incorporated into the Contract between the Greater Nashville Regional Council (GNRC) and Metropolitan Government of Nashville and Davidson County (Contractor) in accordance with Section E.5 of the Contract. This Agreement shall be effective as of the date of the last of the Parties to sign on the signature page of the Contract. This Business Associate Agreement is entered into by and between the **Greater Nashville Regional Council** (hereinafter referred to as "GNRC") and **Metropolitan Government of Nashville and Davidson County** (hereinafter referred to as "Business Associate").

In the course of executing the Contract, Business Associate may come into contact with, use, or disclose "protected health information" as that term is used in the Federal Health Insurance Portability and Accountability Act of 1996, as amended, hereinafter referred to as "HIPAA". In accordance with the federal privacy regulations set forth at 45 C.F.R. Part 160, Part 162 and Part 164, which require GNRC to have a written contract known as a Business Associate Agreement with persons or entities that help GNRC (as a covered entity under HIPAA) carry out its health care activities and functions, the Parties to the Contract wish to establish satisfactory assurances that will appropriately safeguard "protected health information" and comply with all relevant HIPAA rules and regulations. Therefore the Parties to the Contract and this Agreement, GNRC and Business Associate, agree as follows:

1. Definitions:

Terms used, but not otherwise defined, in this Business Associate Agreement shall have the same meaning as those terms in 45 CFR §§ 160.103 and 164.501. Specially defined terms in this Agreement are as follows:

(c) **Contract.** "Contract" shall mean the Contract between GNRC and the Business Associate of which this Agreement is made a part.

(d) **Covered Entity.** "Covered Entity" shall generally have the same meaning as the term "covered entity" at 45 CFR 160.13, and in reference to the party to this Agreement, shall mean GNRC, whose principal address is 220 Athens Way, STE 20, Nashville, TN 37228.

(e) **HIPAA Rules.** "HIPAA Rules" shall mean the Privacy, Security, Breach Notification, and Enforcement Rules at 45 CFR Part 160 and Part 164 in effect and as amended. The "HIPAA Privacy Rule" is at 45 CFR, part 160 and part 164, subparts A and E. The "HIPAA Security Rule" is at 45 CFR Parts 160 and 164. The "HIPAA Breach Notification Rule" is at 45 CFR Part 164, Subpart D.

(f) **Parties.** "Parties" shall mean the parties to the Contract and Agreement, both Business Associate and Covered Entity. "Party" shall mean one of the two Parties.

2. Obligations of Business Associate

Business Associate Agrees to:

- (b) Use appropriate safeguards, and comply with Subpart C of 45 CFR Part 164 with respect to electronic protected health information, to prevent use or disclosure of protected health information other than as provided for by this Agreement, and to use appropriate procedural, physical, and electronic safeguards to prevent use or disclosure of protected health information other than as provided for by this Agreement. Said safeguards shall include, but are not limited to, requiring employees to agree to use or disclose protected health information only as permitted or required by this Agreement and taking related disciplinary actions for inappropriate use or disclosure as necessary.

Additionally, business associate shall notify GNRC in the same manner of any suspected or potential breach of its obligation to not disclose protected health information in violation of this Agreement and the HIPAA Rules. Any notification under this subsection shall include, to the extent possible, the identification of each individual whose protected health information has been or is reasonably believed by the business associate to have been accessed, acquired, used, or disclosed during the breach and shall include all available information that is required to be in the notification to the individual under 45 CFR 164.404(c).

If business associate receives a request for protected health information in the possession of GNRC, or receives a request to exercise other individual rights as set forth in the privacy rule, business associate shall notify GNRC of such request and forward the request to GNRC. Business associate shall then assist GNRC in responding to the request.
- (h) Make any amendment(s) to protected health information in a designated record set as directed or agreed to by GNRC pursuant to 45 CFR 164.526 or take other measures as necessary to satisfy covered entity's obligations under 45 CFR 164.526;
- (i) Provide to GNRC or an individual, in time and manner designated by GNRC, information collected and maintained in accordance with this Contract, to permit GNRC to respond to a

request by an individual for an accounting of disclosures of protected health information in accordance with 45 CFR 164.528, provided that business associate shall have at least thirty (30) days from GNRC's notice to provide access to or deliver such information which shall include, at minimum, (a) date of the disclosure; (b) name of the third party to whom the protected health information was disclosed and, if known, the address of the third party; (c) brief description of the disclosed information; and (d) brief explanation of the purpose and basis for such disclosure.

- (j) To the extent the business associate is to carry out one or more of covered entity's obligation(s) under Subpart E of 45 CFR Part 164, comply with the requirements of Subpart E that apply to the covered entity in the performance of such obligation(s); and
- (k) Make its internal practices, books, and records available to GNRC and the Secretary of the U.S. Department of Health and Human Services, or the Secretary's designee, for purposes of determining compliance with the HIPAA Rules.
- (l) Mitigate, to the extent practicable, any harmful effect that is known to the business associate of a use or disclosure of protected health information by the business associate in violation of the requirements of this Agreement.
- (m) Document disclosures of protected health information and information related to such disclosures as would be required for GNRC to respond to a request by an individual for an accounting of disclosure of protected health information in accordance with 45 CFR 164.528.
- (n) Limit any use, disclosure, or request for use or disclosure of protected health information to the minimum amount necessary to accomplish the intended purpose of the use, disclosure, or request in accordance with the requirements of the privacy rule and other HIPAA Rules.

3. Permitted Uses and Disclosures by Business Associate

- (a) Business associate may only use or disclose protected health information as necessary to perform the services set forth in the Contract.
- (b) Business associate may use or disclose protected health information as required by law.
- (c) Except as otherwise limited herein, business associate may use or disclose protected health information to perform functions, activities, or services for or on behalf of GNRC as specified in the Contract, provided that such use or disclosure would not violate the privacy rule or other HIPAA Rules if done by GNRC.
- (d) Business associate agrees to make uses and disclosures and requests for protected health information consistent with covered entity's minimum necessary policies and procedures.
- (e) Except for the specific uses and disclosures set forth herein, business associate may not use or disclose protected health information in a manner that would violate Subpart E of 45 CFR Part 164 if done by covered entity.
- (f) Business associate may disclose protected health information for the proper management and administration of business associate or to carry out the legal responsibilities of the business associate, provided the disclosures are required by law, or business associate obtains reasonable assurances from the person to whom the information is disclosed that the information will remain confidential and used or further disclosed only as required by law or for the purposes for which it was disclosed to the person, and the person notifies business associate of any instances of which it is aware in which the confidentiality of the information has been breached.
- (g) Except as otherwise limited herein, business associate may use protected health information to provide Data Aggregation services to GNRC as permitted by 42 CFR 164.504(e)(2)(i)(B).

- (h) Limit any use, disclosure, or request for use or disclosure of protected health information to the minimum amount necessary to accomplish the intended purpose of the use, disclosure, or request in accordance with the requirements of the privacy rule.

4. Term and Termination

- (a) Term. This Agreement shall be effective as of the date on which this Agreement is signed by the last of the two parties to sign the Contract to which this Agreement is attached and made a part of, and shall terminate when all of the protected health information provided by GNRC to business associate or created or received by business associate on behalf of GNRC, is destroyed or returned to GNRC, or, if it is infeasible to return or destroy protected health information, Section 6 herein shall apply.
- (b) Termination for Cause. The Contract authorizes and business associate acknowledges and agrees GNRC shall have the right to immediately terminate the Contract in the event business associate fails to comply with, or violates a material provision of, requirements of the HIPAA Rules or this Agreement. Upon GNRC's knowledge of a material breach by business associate, GNRC shall, whenever practicable, provide a reasonable opportunity for business associate to cure the breach or end the violation. If business associate has breached a material term of this Agreement and cure is not possible or if business associate does not cure a curable breach or end the violation within a reasonable time as specified by, and at the sole discretion of, GNRC, GNRC may immediately terminate the Contract.
- (c) Reporting. If neither cure nor termination is feasible, GNRC shall report the violation to the Secretary of the United States Department of Health and Human Services or the Secretary's designee.

5. Obligations of GNRC.

GNRC Agrees to:

- (a) Provide business associate with the notice of privacy practices that GNRC produces in accordance with 45 CFR 164.520, as well as any changes to such notice.
- (b) Provide business associate with any changes in, or revocation of, permission by an Individual to use or disclose protected health information, if such changes affect business associate's permitted or required uses.
- (c) Notify business associate of any restriction to the use or disclosure of protected health information that GNRC has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect business associate's use of protected health information.
- (d) Not request business associate to use or disclose protected health information in any manner that would not be permissible under the privacy rule if done by GNRC.

6. Obligations of Business Associate Upon Termination.

- (a) Except as provided in subsection (b) below, upon termination of the Contract, for any reason, business associate shall, at direction of the GNRC, return or destroy all protected health information received from GNRC, or created or received by business associate on behalf of GNRC. This provision shall apply to protected health information that is in the possession of sub-contractors or agents of business associate. Business associate shall retain no copies of the protected health information.
- (b) In the event that business associate determines that returning or destroying the protected health information is not feasible, business associate shall provide to GNRC notification of

the conditions that make return or destruction unfeasible. Upon mutual agreement of the Parties that return or destruction of protected health information is unfeasible, business associate shall extend the protections of this Agreement to such protected health information and limit further uses and disclosures of such protected health information to those purposes that make the return or destruction unfeasible, for so long as business associate maintains such protected health information.

- (c) In the event that business associate continues to maintain protected health information after termination of this Contract, business associate shall continue to use appropriate safeguards and comply with Subpart C of 45 CFR Part 164 with respect to electronic protected health information to prevent use or disclosure of the protected health information, other than as provided for in this Agreement, for as long as business associate retains the protected health information;
- (d) The obligations of business associate under this Section shall survive the termination of this Agreement.

7. **Miscellaneous**

- (b) Amendment. The Parties agree to take such action as is necessary to amend this Agreement from time to time as is necessary for compliance with the requirements of the HIPAA Rules and any other applicable law. Nevertheless, business associate and GNRC shall comply with any amendment to the Health Insurance Portability and Accountability Act, Public Law 104-191, and amendment to the HIPAA Rules upon the effective date of such amendment, regardless of whether this Agreement has been formally amended.
- (c) Interpretation. Any ambiguity in this Agreement shall be interpreted to permit compliance with the HIPAA Rules.
- (d) Notices and Communications. All instructions, notices, consents, demands, or other communications required or contemplated by this Agreement shall be in writing and shall be delivered by hand, by facsimile transmission, by overnight courier service, or by first class mail, postage prepaid, addressed to the respective party at the appropriate facsimile number or address as set forth in Section E.2. All instructions, notices, consents, demands, or other communications shall be considered effectively given as of the date of hand delivery; as of the date specified for overnight courier service delivery; as of three (3) business days after the date of mailing; or on the day the facsimile transmission is received mechanically by the facsimile machine at the receiving location and receipt is verbally confirmed by the sender.
- (f) Strict Compliance. No failure by any Party to insist upon strict compliance with any term or provision of this Agreement, to exercise any option, to enforce any right, or to seek any remedy upon any default of any other Party shall affect, or constitute a waiver of, any Party's right to insist upon such strict compliance, exercise that option, enforce that right, or seek that remedy with respect to that default or any prior, contemporaneous, or subsequent default. No custom or practice of the Parties at variance with any provision of this Agreement shall affect, or constitute a waiver of, any Party's right to demand strict compliance with all provisions of this Agreement.
- (g) Severability. With respect to any provision of this Agreement finally determined by a court of competent jurisdiction to be unenforceable, such court shall have jurisdiction to reform such provision so that it is enforceable to the maximum extent permitted by applicable law, and the

Parties shall abide by such court's determination. In the event that any provision of this Agreement cannot be reformed, such provision shall be deemed to be severed from this Agreement, but every other provision of this Agreement shall remain in full force and effect.

- (h) Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Tennessee and of the United States of America.
