**GRANT CONTRACT  
BETWEEN THE STATE OF TENNESSEE,  
DEPARTMENT OF FINANCE AND ADMINISTRATION,  
OFFICE OF CRIMINAL JUSTICE PROGRAMS  
AND  
METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY**

This grant contract ("Grant Contract"), by and between the State of Tennessee, Department of Finance and Administration, Office of Criminal Justice Programs, hereinafter referred to as the "State" or the "Grantor State Agency" and Grantee Metropolitan Government of Nashville and Davidson County, hereinafter referred to as the "Grantee," is for the provision of the reduction of violent crime by administering the Project Safe Neighborhoods funds, as further defined in the "SCOPE OF SERVICES AND DELIVERABLES."

Grantee Edison Vendor ID # 4

**A. SCOPE OF SERVICES AND DELIVERABLES:**

- A.1. The Grantee shall provide the scope of services and deliverables ("Scope") as required, described, and detailed in this Grant Contract.
- A.2. The Grantee shall comply with and perform all services, functions, and/or requirements as stated in the grantee's application under which this Grant Contract is awarded, and that is hereby incorporated into this Grant Contract as Attachment A, attached hereto.
- A.3. The Grantee shall comply with all reporting requirements described in the Grantee's application, in the Office of Criminal Justice Programs Administrative Manual located on the website at <https://www.tn.gov/finance/office-of-criminal-justice-programs/ocjp/ocjp-grants-manual.html> and in any correspondence from the Office of Criminal Justice Programs (OCJP).
- A.4. The Grantee shall comply with all other requirements described in the Grantee's application and in the Office of Criminal Justice Programs Administrative Manual located on the website at <https://www.tn.gov/finance/office-of-criminal-justice-programs/ocjp/ocjp-grants-manual.html>. The Grantee agrees to comply with any changes in requirements made in the manual and/or identified in correspondence from the Office of Criminal Justice Programs.
- A.5. Project Safe Neighborhoods (PSN) is designed to create and foster safer neighborhoods through a sustained reduction in violent crime, including, but not limited to, addressing criminal gangs and the felonious possession and use of firearms. The program's effectiveness depends upon the ongoing coordination, cooperation, and partnerships of local, state, tribal, and federal law enforcement agencies and the communities they serve-engaged in a unified approach led by the U.S. Attorney Office (USAO) in all 94 districts. Acting decisively in a coordinated manner at all levels-federal, state, local, and tribal-will help reverse a rise in violent crime and keep American citizens safe. PSN provides the critical funding, resources, and training for law enforcement, prosecutors, and their PSN teams to combat violent crime and make their communities safer through a comprehensive approach to public safety that marries targeted law enforcement efforts with community engagement, prevention, and reentry efforts.

With PSN, each USAO is responsible for establishing a collaborative PSN team of federal, state, local, and tribal (where applicable) law enforcement and other community members to implement a strategic plan for investigating, prosecuting, and preventing violent crime. Through the PSN team (referred to as the "PSN task force"), each district will implement the five design features of PSN-leadership, partnership, targeted and prioritized enforcement, prevention, and accountability-to address violent crime in their respective districts.

- a. The Grantee will gather and maintain data relating to grant project activities and program performance as required by the Office of Criminal Justice Programs. The data collected should support the information submitted on required reports. The data should show an improvement in the criminal justice system in that jurisdiction.
  - b. The Grantee is responsible for quarterly and annual reporting on their projects to OCJP using the report forms available for their particular project.
- A.6. Incorporation of Additional Documents. Each of the following documents is included as a part of this Grant Contract by reference or attachment. Any changes in the approved indirect cost rate must have prior approval of the cognizant federal agency or the cognizant state agency, as applicable. If the indirect cost rate is provisional during the Term, once the rate becomes final, the Grantee agrees to remit any overpayment of funds to the State, and subject to the availability of funds the State agrees to remit any underpayment to the Grantee.
- C.9. Cost Allocation. If any part of the costs to be reimbursed under this Grant Contract are joint costs involving allocation to more than one program or activity, such costs shall be allocated and reported in accordance with the provisions of Department of Finance and Administration Policy Statement 03 or any amendments or revisions made to this policy statement during the Term.
- C.10. Payment of Invoice. A payment by the State shall not prejudice the State's right to object to or question any reimbursement, invoice, or related matter. A payment by the State shall not be construed as acceptance of any part of the work or service provided or as approval of any amount as an allowable cost.
- C.11. Non-allowable Costs. Any amounts payable to the Grantee shall be subject to reduction for amounts included in any invoice or payment that are determined by the State, on the basis of audits or monitoring conducted in accordance with the terms of this Grant Contract, to constitute unallowable costs.
- C.12. State's Right to Set Off. The State reserves the right to set off or deduct from amounts that are or shall become due and payable to the Grantee under this Grant Contract or under any other agreement between the Grantee and the State of Tennessee under which the Grantee has a right to receive payment from the State.

At minimum, annual and final reports shall include: (a) the Grantee's name; (b) the Grant Contract's Edison identification number, Term, and total amount; (c) a narrative section that describes the program's goals, outcomes, successes and setbacks, whether the Grantee used benchmarks or indicators to determine progress, and whether any proposed activities were not completed; and (d) other relevant details requested by the Grantor State Agency. Annual and final report documents to be completed by the Grantee shall appear on the Grantor State Agency's website or as an attachment to the Grant Contract.
- D.19. Audit Report. The Grantee shall be audited in accordance with applicable Tennessee law. If the Grantee is subject to an audit under this provision, then the Grantee shall complete Attachment C.

When a federal single audit is required, the audit shall be performed in accordance with U.S. Office of Management and Budget's *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*.

A copy of the audit report shall be provided to the Comptroller by the licensed, independent public accountant. Audit reports shall be made available to the public.

- D.20. Procurement. If other terms of this Grant Contract allow reimbursement for the cost of goods, materials, supplies, equipment, or contracted services, such procurement shall be made on a competitive basis, including the use of competitive bidding procedures, where practical. The Grantee shall maintain documentation for the basis of each procurement for which reimbursement is paid pursuant to this Grant Contract. In each instance where it is determined that use of a competitive procurement method is not practical, supporting documentation shall include a written justification for the decision and for use of a non-competitive procurement. If the Grantee is a subrecipient, the Grantee shall comply with 2 C.F.R. §§ 200.317—300.326 when procuring property and services under a federal award.

The Grantee shall obtain prior approval from the State before purchasing any equipment under this Grant Contract.

For purposes of this Grant Contract, the term "equipment" shall include any article of nonexpendable, tangible, personal property having a useful life of more than one year and an acquisition cost which equals or exceeds five thousand dollars (\$5,000.00).

- D.21. Strict Performance. Failure by any party to this Grant Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this Grant Contract is not a waiver or relinquishment of any term, covenant, condition, or provision. No term or condition of this Grant Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties.
- D.22. Independent Contractor. The parties shall not act as employees, partners, joint venturers, or associates of one another in the performance of this Grant Contract. The parties acknowledge that they are independent contracting entities and that nothing in this Grant Contract shall be construed to create a principal/agent relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.
- D.23. Limitation of State's Liability. The State shall have no liability except as specifically provided in this Grant Contract. In no event will the State be liable to the Grantee or any other party for any lost revenues, lost profits, loss of business, loss of grant funding, decrease in the value of any securities or cash position, time, money, goodwill, or any indirect, special, incidental, punitive, exemplary or consequential damages of any nature, whether based on warranty, contract, statute, regulation, tort (including but not limited to negligence), or any other legal theory that may arise under this Grant Contract or otherwise. The State's total liability under this Grant Contract (including any exhibits, schedules, amendments or other attachments to the Contract) or otherwise shall under no circumstances exceed the Maximum Liability originally established in Section C.1 of this Grant Contract. This limitation of liability is cumulative and not per incident.
- D.24. Force Majeure. "Force Majeure Event" means fire, flood, earthquake, elements of nature or acts of God, wars, riots, civil disorders, rebellions or revolutions, acts of terrorism or any other similar cause beyond the reasonable control of the party except to the extent that the non-performing party is at fault in failing to prevent or causing the default or delay, and provided that the default or delay cannot reasonably be circumvented by the non-performing party through the use of alternate sources, workaround plans or other means. A strike, lockout or labor dispute shall not excuse either party from its obligations under this Grant Contract. Except as set forth in this Section, any failure or delay by a party in the performance of its obligations under this Grant Contract arising from a Force Majeure Event is not a default under this Grant Contract or grounds for termination. The non-performing party will be excused from performing those obligations

directly affected by the Force Majeure Event, and only for as long as the Force Majeure Event continues, provided that the party continues to use diligent, good faith efforts to resume performance without delay. The occurrence of a Force Majeure Event affecting Grantee's representatives, suppliers, subcontractors, customers or business apart from this Grant Contract is not a Force Majeure Event under this Grant Contract. Grantee will promptly notify the State of any delay caused by a Force Majeure Event (to be confirmed in a written notice to the State within one (1) day of the inception of the delay) that a Force Majeure Event has occurred, and will describe in reasonable detail the nature of the Force Majeure Event. If any Force Majeure Event results in a delay in Grantee's performance longer than forty-eight (48) hours, the State may, upon notice to Grantee: (a) cease payment of the fees until Grantee resumes performance of the affected obligations; or (b) immediately terminate this Grant Contract or any purchase order, in whole or in part, without further payment except for fees then due and payable. Grantee will not increase its charges under this Grant Contract or charge the State any fees other than those provided for in this Grant Contract as the result of a Force Majeure Event.

- D.25. Tennessee Department of Revenue Registration. The Grantee shall comply with all applicable registration requirements contained in Tenn. Code Ann. §§ 67-6-601 – 608. Compliance with applicable registration requirements is a material requirement of this Grant Contract.
- D.26. Charges to Service Recipients Prohibited. The Grantee shall not collect any amount in the form of fees or reimbursements from the recipients of any service provided pursuant to this Grant Contract.
- D.27. State Interest in Equipment or Motor Vehicles. The Grantee shall take legal title to all equipment or motor vehicles purchased totally or in part with funds provided under this Grant Contract, subject to the State's equitable interest therein, to the extent of its *pro rata* share, based upon the State's contribution to the purchase price. The term "equipment" shall include any article of nonexpendable, tangible, personal property having a useful life of more than one year and an acquisition cost which equals or exceeds five hundred dollars (\$500.00). The term "motor vehicle" shall include any article of tangible personal property that is required to be registered under the "Tennessee Motor Vehicle Title and Registration Law", Tenn. Code Ann. Title 55, Chapters 1-6.

As authorized by the Tennessee Uniform Commercial Code, Tenn. Code Ann. Title 47, Chapter 9 and the "Tennessee Motor Vehicle Title and Registration Law," Tenn. Code Ann. Title 55, Chapters 1-6, the parties intend this Grant Contract to create a security interest in favor of the State in the equipment or motor vehicles acquired by the Grantee pursuant to the provisions of this Grant Contract. A further intent of this Grant Contract is to acknowledge and continue the security interest in favor of the State in the equipment or motor vehicles acquired by the Grantee pursuant to the provisions of this program's prior year Grant Contracts between the State and the Grantee.

The Grantee grants the State a security interest in all equipment or motor vehicles acquired in whole or in part by the Grantee under this Grant Contract. This Grant Contract is intended to be a security agreement pursuant to the Uniform Commercial Code for any of the equipment or motor vehicles herein specified which, under applicable law, may be subject to a security interest pursuant to the Uniform Commercial Code, and the Grantee hereby grants the State a security interest in said equipment or motor vehicles. The Grantee agrees that the State may file this Grant Contract or a reproduction thereof, in any appropriate office, as a financing statement for any of the equipment herein specified. Any reproduction of this or any other security agreement or financing statement shall be sufficient as a financing statement. In addition, the Grantee agrees to execute and deliver to the State, upon the State's request, any financing statements, as well as extensions, renewals, and amendments thereof, and reproduction of this Grant Contract in such form as the State may require to perfect a security interest with respect to said equipment or motor vehicles. The Grantee shall pay all costs of filing such financing statements and any extensions, renewals, amendments and releases thereof, and shall pay all reasonable costs and expenses of any record searches for financing statements the State may reasonably require. Without the prior written consent of the State, the Grantee shall not create or suffer to be created pursuant to the Uniform Commercial Code any other security interest in said equipment or motor

vehicles, including replacements and additions thereto. Upon the Grantee's breach of any covenant or agreement contained in this Grant Contract, including the covenants to pay when due all sums secured by this Grant Contract, the State shall have the remedies of a secured party under the Uniform Commercial Code and, at the State's option, may also invoke the remedies herein provided.

The Grantee agrees to be responsible for the accountability, maintenance, management, and inventory of all property purchased totally or in part with funds provided under this Grant Contract. The Grantee shall maintain a perpetual inventory system for all equipment or motor vehicles purchased with funds provided under this Grant Contract and shall submit an inventory control report which must include, at a minimum, the following:

- a. Description of the equipment or motor vehicles;
- b. Vehicle identification number;
- c. Manufacturer's serial number or other identification number, when applicable;
- d. Acquisition date, cost, and check number;
- e. Fund source, State grant number, or other applicable fund source identification;
- f. Percentage of state funds applied to the purchase;
- g. Location within the Grantee's operations where the equipment or motor vehicles is used;
- h. Condition of the property or disposition date if Grantee no longer has possession;
- i. Depreciation method, if applicable; and
- j. Monthly depreciation amount, if applicable.

The Grantee shall tag equipment or motor vehicles with an identification number which is cross referenced to the equipment or motor vehicle item on the inventory control report. The Grantee shall inventory equipment or motor vehicles annually. The Grantee must compare the results of the inventory with the inventory control report and investigate any differences. The Grantee must then adjust the inventory control report to reflect the results of the physical inventory and subsequent investigation.

The Grantee shall submit its inventory control report of all equipment or motor vehicles purchased with funding through this Grant Contract within thirty (30) days of its end date and in form and substance acceptable to the State. This inventory control report shall contain, at a minimum, the requirements specified above for inventory control. The Grantee shall notify the State, in writing, of any equipment or motor vehicle loss describing reasons for the loss. Should the equipment or motor vehicles be destroyed, lost, or stolen, the Grantee shall be responsible to the State for the *pro rata* amount of the residual value at the time of loss based upon the State's original contribution to the purchase price.

Upon termination of the Grant Contract, where a further contractual relationship is not entered into, or at another time during the term of the Grant Contract, the Grantee shall request written approval from the State for any proposed disposition of equipment or motor vehicles purchased with Grant funds. All equipment or motor vehicles shall be disposed of in such a manner as parties may agree from among alternatives approved by Tennessee Department of General Services as appropriate and in accordance with any applicable federal laws or regulations.

- D.28. State and Federal Compliance. The Grantee shall comply with all applicable state and federal laws and regulations in the performance of this Grant Contract. The U.S. Office of Management and Budget's Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards is available here: [http://www.ecfr.gov/cgi-bin/text-idx?SID=c6b2f053952359ba94470ad3a7c1a975&tpl=/ecfrbrowse/Title02/2cfr200\\_main\\_02.tpl](http://www.ecfr.gov/cgi-bin/text-idx?SID=c6b2f053952359ba94470ad3a7c1a975&tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl)
- D.29. Governing Law. This Grant Contract shall be governed by and construed in accordance with the laws of the State of Tennessee. The Grantee agrees that it will be subject to the exclusive

jurisdiction of the courts of the State of Tennessee in actions that may arise under this Grant Contract. The Grantee acknowledges and agrees that any rights or claims against the State of Tennessee or its employees hereunder, and any remedies arising there from, shall be subject to and limited to those rights and remedies, if any, available under Tenn. Code Ann. §§ 9-8-101 through 9-8-408.

- D.30. Completeness. This Grant Contract is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions agreed to by the parties. This Grant Contract supersedes any and all prior understandings, representations, negotiations, or agreements between the parties, whether written or oral.
- D.31. Severability. If any terms and conditions of this Grant Contract are held to be invalid or unenforceable as a matter of law, the other terms and conditions shall not be affected and shall remain in full force and effect. To this end, the terms and conditions of this Grant Contract are declared severable.
- D.32. Headings. Section headings are for reference purposes only and shall not be construed as part of this Grant Contract.
- D.33. Iran Divestment Act. The requirements of Tenn. Code Ann. § 12-12-101 et.seq., addressing contracting with persons as defined at T.C.A. §12-12-103(5) that engage in investment activities in Iran, shall be a material provision of this Grant Contract. The Grantee certifies, under penalty of perjury, that to the best of its knowledge and belief that it is not on the list created pursuant to Tenn. Code Ann. § 12-12-106.
- D.34. Debarment and Suspension. The Grantee certifies, to the best of its knowledge and belief, that it, its current and future principals, its current and future subcontractors and their principals:
- a. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal or state department or agency;
  - b. have not within a three (3) year period preceding this Grant Contract been convicted of, or had a civil judgment rendered against them from commission of fraud, or a criminal offence in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or grant under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification, or destruction of records, making false statements, or receiving stolen property;
  - c. are not presently indicted or otherwise criminally or civilly charged by a government entity (federal, state, or local) with commission of any of the offenses detailed in section b. of this certification; and
  - d. have not within a three (3) year period preceding this Grant Contract had one or more public transactions (federal, state, or local) terminated for cause or default.

The Grantee shall provide immediate written notice to the State if at any time it learns that there was an earlier failure to disclose information or that due to changed circumstances, its principals or the principals of its subcontractors are excluded or disqualified, or presently fall under any of the prohibitions of sections a-d.

- D.35. Confidentiality of Records. Strict standards of confidentiality of records and information shall be maintained in accordance with applicable state and federal law. All material and information, regardless of form, medium or method of communication, provided to the Grantee by the State or acquired by the Grantee on behalf of the State that is regarded as confidential under state or federal law shall be regarded as "Confidential Information." Nothing in this Section shall permit Grantee to disclose any Confidential Information, regardless of whether it has been disclosed or

made available to the Grantee due to intentional or negligent actions or inactions of agents of the State or third parties. Confidential Information shall not be disclosed except as required or permitted under state or federal law. Grantee shall take all necessary steps to safeguard the confidentiality of such material or information in conformance with applicable state and federal law.

The obligations set forth in this Section shall survive the termination of this Grant Contract.

**E. SPECIAL TERMS AND CONDITIONS:**

- E.1. Conflicting Terms and Conditions. Should any of these special terms and conditions conflict with any other terms and conditions of this Grant Contract, the special terms and conditions shall be subordinate to the Grant Contract's other terms and conditions.
- E.2. Transfer of Grantee's Obligations.  
The Grantee shall not transfer or restructure its operations related to this Grant Contract without the prior written approval of the State. The Grantee shall immediately notify the State in writing of a proposed transfer or restructuring of its operations related to this Grant Contract. The State reserves the right to request additional information or impose additional terms and conditions before approving a proposed transfer or restructuring.
- E.3. Counterpart Clause. This agreement may be executed in two or more dated counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same effective instrument.
- E.4. Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment. If applicable and as required by 2 CFR 200.216, Grantee is prohibited from obligating or expending loan or grant funds to procure or obtain; extend or renew a contract to procure or obtain; or enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as a critical technology as part of any system. As described in Public Law 115-232, Section 889, "covered telecommunications equipment" is as follows:

- E.5. Federal Funding Accountability and Transparency Act (FFATA).

This Grant Contract requires the Grantee to provide supplies or services that are funded in whole or in part by federal funds that are subject to FFATA. The Grantee is responsible for ensuring that all applicable FFATA requirements, including but not limited to those below, are met and that the Grantee provides information to the State as required.

The Grantee shall comply with the following:

a. Reporting of Total Compensation of the Grantee's Executives.

  - ii. \$25,000,000 or more in annual gross revenues from federal procurement contracts (and subcontracts), and federal financial assistance subject to the Transparency Act (and sub awards); and
  - iii.   - iii. Earnings for services under non-equity incentive plans. This does not include group life, health, hospitalization or medical reimbursement plans that do not discriminate in favor of executives, and are available generally to all salaried employees.
  - iv. Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.
  - v. Above-market earnings on deferred compensation which is not tax qualified.
  - vi. Other compensation, if the aggregate value of all such other compensation (e.g. severance, termination payments, value of life insurance paid on behalf of the employee, perquisites or property) for the executive exceeds \$10,000.

b. The Grantee must report executive total compensation described above to the State by the end of the month during which this Grant Contract is established.

## Scope of Services/Project Narrative

### PSN Middle FFY19

**Implementing Agency: Metropolitan Nashville Police Department**

#### **PROBLEMS FOR INTERVENTION AND NEEDS TO BE IMPROVED**

*Problem Description* – What is the nature and magnitude of the problem(s) to be solved by the proposed funding? This should be based on your agency's own data and/or other relevant sources and describe in detail the most pressing problems in your service/impact area. The problem statement should also identify the needs of the community based on relevant and timely data. This should be light on demographics and geography. (See *Open Solicitation Blurb* for project requirements)

**Gun Violence has impacted the citizens of Nashville and their quality of life over the last several years.**

**2014 was a year where we had the fewest homicides in years (approximately 48) but that total rose to well over 100 in 2017. It decreased slightly to 89 in 2018, and 84 in 2019.**

**In 2015 we began using and tracking NIBIN (National Integrated Ballistic Information Network) data to combat the increase in gun violence. NIBIN utilizes forensic linkages of cartridge casings as leads between related shooting incidents.**

**In tracking this data we see extremely high rates of linked gun crime scenes in multiple zones located within the enforcement areas listed below.**

**As a department we are approaching almost 3000 NIBIN leads. The most current statistics that encompass primarily 2019 and 2020 incidents break down the following numbers of incidents for the project zones: 111 = 18, 211 = 26, 221 = 21, 321 = 16, 325 = 12, 335 = 16, 511 = 36, 611 = 66, 613 = 37, 615 = 15, 621 = 27, 623 = 31, and 721 = 310.**

**These NIBIN related incidents include robberies, shootings of people where victims survived, residential damage, and homicides. In total there were over 800 people affected in these NIBIN related incidents as victims, witnesses and suspects. Of the over 800 people 490 have criminal records with 37 being known gang members. The MNPD gang unit has documented over 1500 confirmed gang members in the greater Nashville area.**

**Across the county, robberies, shootings, damage to property, and homicides account for over half of all of the NIBIN associated incidents.**

**An increase in focus on these NIBIN related investigative leads and the intelligence derived from the data would enable the department to interrupt these shooting cycles, focus investigative efforts on suspects willing to pull the trigger, decrease gun related violence and increase the quality of life for the citizens in these areas most affected.**

**The additional deterrent of having a greater number of these cases receive enhanced prosecution where penalties are more substantial provides even greater impact on the MNPD's ability to effectively reduce these types of violent crimes.**

**GRANT PROJECT NARRATIVE**  
**(Narrative Page 2)**

**ELIGIBILITY**

Eligible subrecipients are limited to the Metropolitan Government of Nashville-Davidson County. Our agency is the Metropolitan Nashville Police Department located in Davidson County, TN. Applicants for this funding must allocate at least 30% of funds to combatting gang attacking, violent crime and firearms offenses. The department is constantly tracking gang activity and membership within the jurisdiction especially as it relates to violent crime and firearms offenses. We will combine the data we already have regarding gang membership and the data included in leads for violent crimes established through the NIBIN and ATF eTrace systems to have an evidence led violence reduction strategy. This will be used to investigate crimes where firearms were used and to investigate potential “straw purchasers” in an attempt to stop guns from being provided to prohibited offenders.

The department already has extensive data tracking mechanisms using the records management system (RMS) that update on a weekly basis at a minimum that will allow us to track frequency and locations of these violent acts. In addition there is data in RMS that allows us to quickly ascertain which established gangs have the highest levels of membership and whether or not those members are related to violent acts.

The department also actively tracks firearms arrests that occur on a daily basis and has a system of communication in place facilitating an almost daily dialogue with federal prosecutors to determine which of those firearms arrests would be best served by prosecution in the federal courts.

The MNPD has recently reorganized the Specialized Investigations Division to create 6 teams referred to as T.I.T.A.N.S. (The Investigative Teams Addressing Neighborhood Shootings) that specifically address violent firearm offenses, gang activity, and sources of firearms to prohibited persons. There are 6 teams with 1 supervisor and 6 investigators allocated for each team for a total of 36 detectives and 6 Sergeants. 1 team is comprised of the personnel that was formerly known as the Crime Gun Unit and 2 teams are from the MNPD's former Gang Unit.

**PURPOSE**

This section should include goals and objectives of the project.

Goals – The goals are the general statement of long range benefits to the client or community that you are seeking to accomplish.

Using NIBIN leads is an effective way to deal with gun crime within a community. This project will enable the department to institutionalize the use and training related to NIBIN leads provided by our crime lab which will enable us to take a precision approach to keeping gun related violence to a sustained minimum.

Objectives – The objectives are the general strategies (not specific activities) to be employed to accomplish the above stated goals.

**Objective 1: Enhance the ability of the T.I.T.A.N.S. (The Investigative Teams Addressing Neighborhood Shootings) working with ATF partners to follow leads and investigate NIBIN related incidents that can be prosecuted at the state and federal level.**

ATTACHMENT A  
APPLICATION FOR FUNDING  
GRANT PROJECT NARRATIVE  
(Narrative Page 3)

**Objective 2:** Provide additional training and opportunities to the MNPD investigators to follow-up on NIBIN related leads.

**Objective 3:** Use the ATF E-trace program to investigate suspicious firearm purchases by prioritizing firearms seized and linked to NIBIN related incidents over other non-linked seized firearms.

**Objective 4:** To purchase protective equipment (non-military), barriers and other equipment to protect personnel in their daily operations to investigate NIBIN related incidents related to the PSN grant only.

## **ACTIVITIES**

Activities are what a project does with the inputs to fulfill its mission. This section should describe the planned activities, major interventions or program elements designed to accomplish the goals of the project. You should describe the activities to be employed by the project to achieve the desired results. For projects requesting multi-year funding, describe and delineate how activities may change over the period of the grant if at all. Link the activities to the stated Objectives listed above. Repeat the section below as necessary.

**Objective 1:** Overtime will be allotted to the members of the TITANS teams to create additional opportunities for Unit detectives to analyze NIBIN data as assistance to the precinct and gain additional investigative leads for cases led by TITANS detectives with a focus of at least 30% of granted funds to be used in NIBIN leads which involve confirmed gang members. We have a statistical tracking mechanism already in place allowing us to determine when funds are used on a criminal case involving gang and non-gang members.

- Activities – Overtime used for investigative follow-up of NIBIN leads

**Objective 2:** Overtime will be allotted to the TITANS teams to follow-up on NIBIN leads after completing at least a 4 hour block of training conducted by Sgt. Joseph Winter and detectives from his former investigative team known as the Crime Gun Unit. This will provide a clear understanding of how to investigate NIBIN leads and familiarity of the minimum investigative follow-up actions to be completed for each lead.

- Activities – Overtime to be used by precinct investigators for investigative follow-up after completing training.

**Objective 3:** Investigative follow-up for suspicious firearm traces that are associated to NIBIN related incidents. This follow-up investigation will be contained to firearms not reported stolen, with low time to crime rates [less than 2 years] and that are forensically linked to NIBIN related incidents.

- Activities - Interviews to be conducted of firearms purchasers meeting these criteria and evaluated for potential prosecution of fraud or “straw purchasing”.

**Objective 4:** Purchasing protective equipment for personnel assigned to investigate NIBIN related cases. These purchases will be tracked through the MNPD Fiscal Unit and reported to the grantor in the prescribed reporting system. This protective equipment will only be assigned to personnel who are working NIBIN related cases related to the PSN grant only.

### **IMPLEMENTATION TIMELINE FOR ACCOMPLISHING KEY GRANT ACTIVITIES**

This section should include a comprehensive timeline with concrete implementation and execution dates. The structure of the timeline should be feasible, and outline the best scenario for achieving goals and objectives. Please add additional lines as necessary.

Activity/ Output	Position of Person Completing	Due Date for Completion
NIBIN lead training for Investigators	Sgt. Joseph Winter and designated detective(s) from "TITANS A"	within 45 days of grant award
Establish min investigative standards for NIBIN follow-up	Already established from previous Crime Gun Unit	within 30 days of grant award
NIBIN lead follow-up	TITANS teams.	minimum standard lead investigations to be completed within 10 working days
Purchasing of protective equipment	Sgt. Joe Winter	within 45 days of grant award

### **INPUTS**

This section should describe the factors your project requires to conduct its activities and to achieve its goals and objectives. For example, an after school program would need to have an evidence based program and appropriate referrals from an outside resource to be able to execute the project effectively. Provide a brief description of grant funded position's responsibilities.

Include special degrees, educational requirements or experience which are requirements of the grant-funded positions. In addition to this grant, what other resources are being offered by your agency? Outline the organizational structure including all who work with the project regardless of whether or not their salaries are grant funded. To what extent would this grant affect the overall project budget? Would this grant fund the entire project or are there other resources that would be leveraged to benefit this project? Give some detail.

**Training provided to the select investigators using grant funds will be required. All investigators will be POST certified police officers assigned to investigative units within the Metro Nashville Police Department with jurisdiction over the affected areas.**

**These types of investigations are already occurring and this grant will give the opportunity to investigate NIBIN related incidents that may be currently "filed" cases or cases suspended prior to the forensic linkage being established.**

**Personnel dedicated to the use of these funds for NIBIN investigations will be:**

- **Up to 36 Detectives (Police Officer II) assigned to the Specialized Investigations Division T.I.T.A.N.S. teams**

**ATTACHMENT A**  
**APPLICATION FOR FUNDING**  
**GRANT PROJECT NARRATIVE**  
**(Narrative Page 5)**

- **6 Sergeants assigned to the SID TITANS teams. Sgt. Joseph Winter of "TITANS A" is designated to oversee administered funds and investigative follow-up.**
- **1 Lieutenant assigned to the Specialized Investigations Division**

**The Specialized Investigations Division is specifically tasked and trained to address violent gun crime, firearms trafficking, and drug tracking with dedicated personnel (36 dedicated detectives and 6 dedicated sergeants to address violent crime alone). In addition almost half of the personnel assigned to TITANS teams were formerly assigned to the MNPD SID Gang Unit giving them unique experience and addressing, tracking and documenting gang activity.**

### **DATA COLLECTION PROCEDURE**

Describe the data collection procedures you will undertake to collect and report the outputs and outcomes of the planned services or interventions. E.g. stakeholder questionnaires, client satisfaction surveys, case records, etc. Describe how you will document your activities and collect the data you will report for the quarterly PMT reports and OCJP Annual Report. Questions to be answered are; who will collect the data as well as how and when. In addition, describe how your agency will use the data collected to evaluate the goals of the project and the work performed and plan accordingly.

**The Sergeant assigned to the SID "TITANS A" team (Sgt. Joseph Winter) will consistently collect and maintain the data related to actions using grant funds. The data collected will record the statistical measures listed below in the intended outputs section along with case tracking involving the following:**

- 1. Which specific NIBIN cases were investigated using grant funds and the number of cases that involved confirmed Gang Members.**
- 2. Number and names of confirmed gang members investigated and arrested as a result of the investigations.**
- 3. Date of NIBIN assignments made along with data case is closed / completed**
- 4. Assigned case detective(s)**

**Checklist of minimum requirements for each NIBIN related incident investigative follow-up will be required with each completed requirement having sufficient documentation of completion along with statistical data section that captures the below statistical data at a minimum.**

### **COLLABORATION ACTIVITIES (REQUIRED)**

Collaboration is defined as a mutually beneficial and well-defined relationship entered into by two or more organizations to achieve results they are more likely to achieve together than alone. Collaboration should describe the ongoing working relationship where ideas are exchanged a common purpose and common goals are planned and attained. **All applicants are strongly encouraged to collaborate with other agencies to achieve similar goals.**

The MNPD personnel assigned to these investigations will work alongside of our ATF and FBI partners along with the Federal and State prosecutors to evaluate investigative progress and the most appropriate prosecution strategies. Currently we have 6 ATF agents, and an assistant US Attorney assigned to work and consult in these investigations. The MNPD is also in the process of establishing Task Force Officers with the ATF to assist in prosecutorial efforts at the federal level.

### **INTENDED OUTPUTS (Products)**

This section should describe the outputs or internal measures of the amount of work done within the project. **Outputs are the direct products of program activities** and usually are measured in terms of the volume of work accomplished. Outputs refer to the completion of tasks you are required to accomplish over the course of the project.

•**Statistical outputs that will be measured and compiled will be:**

- o Number of Interviews for each incident completed
- o Number of arrests made in association with each NIBIN related incident with the number of Gang Members arrested counted as a separate statistic.
- o Number of cases cleared by exception as defined by TIBRS (to be provided if needed).
- o Number of firearms seized during investigation.
- o Number of firearms traffickers identified and prosecuted.
- o Number of search warrants executed as a result of investigation.

### **INTENDED OUTCOMES (Results)**

Outcomes describe the difference the project will make for its participants and/or the community as a whole. The outcomes for a project should be **measurable** based upon a set of defined criteria. Project goals should be set for each criterion. For projects requesting multi-year funding, describe how outcomes may be expected to change over the period of the grant.

- Reduction in year over year homicides by 5% the calendar year 2019 and 10% for calendar year 2020.
- Reduction in aggravated assaults where someone is actually shot by 10% within a year and sustained or lowered in the year that follows.
- Identification and Prosecution of 2 illegal gun traffickers for each of the next 2 years.

### **PROJECT SUMMARY (Mandatory)**

Applicants must provide a project summary that includes the applicant's name, title of project, the goals of the project, type of programs to be implemented, a **brief** description of strategies to be used, major deliverables, and coordination plans. The project summary must not exceed one-half page, or 400-500 words.

**Title of Project: MNPD Enhanced Gun Crime Reduction**

**The goals of the project are to reduce gun related violence in Nashville with specific goals of a 5% to 10% reduction in homicides, 10% reduction in injuries from shootings, and the successful identification and prosecution of 4 illegal gun traffickers in the next 2 years. We will implement intense follow-up investigation and prosecution of subjects using firearms by utilizing NIBIN leads and the ATF E-trace program combined with federal and state prosecutions in coordination with our federal law enforcement partners. The strategy to be used will involve investigators following leads provided by forensic linkages of crime scenes provided by the NIBIN program and E-trace to identify and prosecute the offenders of illegal use and trafficking. We will work directly with ATF and FBI personnel**

## Instructions for Completing the Special Conditions

Each federal grant award received by the Office of Criminal Justice Programs (OCJP) contains a list of special conditions which must be adhered to by both the OCJP and their subrecipients. These special conditions are addressed within the OCJP Grants Manual and more formally listed on the next several pages. Subrecipients must notify OCJP rather than the federal agency when noted in the Special Condition. As an agency receiving federal dollars from OCJP, you are required to acknowledge and comply with these special conditions.

- Read the Special Conditions thoroughly prior to completing the Special Conditions document.
- Identify who will complete the Special Conditions document, the Authorized Official or their Designee:
  - FOR NON-PROFITS: Before a designee can remit any signed documents, a completed Signature Authorization Packet must be received and accepted by OCJP. Please reference the OCJP Grants Manual Chapter II for additional information.
  - When the Designee is completing the Special Conditions, the section of the Special Conditions collecting the Designee's personal information must be completed in full for the Designee.
- The Special Conditions requires the Authorized Official or their designee to check the box indicating they have read the Special Conditions and are fully cognizant of their duties and responsibilities, and then sign and date the last page. Make sure there is a signature and date on the final page and the certification box is checked.
- Agencies should make a copy of the completed Special Conditions and keep them in their Agency Grant file.
- The U.S. Attorney General memorandum dated April, 14, 2021 revised guidance related to the Office of Justice Program Grants (OJP) will no longer apply or enforce the certain conditions placed on awards for fiscal years 2017-2020. The Office of Criminal Justice Programs will similarly no longer apply or monitor for compliance. Please reference the last page of this document for a full listing.

AWARD DATE 09/28/2019

*SPECIAL CONDITIONS*

1. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award. By signing and accepting this award on behalf of the recipient, the authorized recipient official accepts all material requirements of the award, and specifically adopts all such assurances or certifications as if personally executed by the authorized recipient official.

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period - - may result in the Office of Justice Programs ("OJP") taking appropriate action with respect to the recipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award. The U.S. Department of Justice ("DOJ"), including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

2. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this FY 2019 award from OJP.

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this FY 2019 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded during or before December 2014), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this FY 2019 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at <https://ojp.gov/funding/Part200UniformRequirements.htm>.

Record retention and access: Records pertinent to the award that the recipient (and any subrecipient ("subgrantee") at any tier) must retain -- typically for a period of 3 years from the date of submission of the final expenditure report (SF 425), unless a different retention period applies -- and to which the recipient (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.333.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

3. Compliance with DOJ Grants Financial Guide

References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at <https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posted during the period of performance. The recipient agrees to comply with the DOJ Grants Financial Guide.

4. Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified (that is, moved and renumbered) to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

5. Required training for Point of Contact and all Financial Points of Contact

Both the Point of Contact (POC) and all Financial Points of Contact (FPOCs) for this award must have successfully completed an "OJP financial management and grant administration training" by 120 days after the date of the recipient's acceptance of the award. Successful completion of such a training on or after January 1, 2017, will satisfy this condition.

In the event that either the POC or an FPOC for this award changes during the period of performance, the new POC or FPOC must have successfully completed an "OJP financial management and grant administration training" by 120 calendar days after -- (1) the date of OJP's approval of the "Change Grantee Contact" GAN (in the case of a new POC), or (2) the date the POC enters information on the new FPOC in GMS (in the case of a new FPOC). Successful completion of such a training on or after January 1, 2017, will satisfy this condition.

A list of OJP trainings that OJP will consider "OJP financial management and grant administration training" for purposes of this condition is available at <https://www.ojp.gov/training/fmts.htm>. All trainings that satisfy this condition include a session on grant fraud prevention and detection

The recipient should anticipate that OJP will immediately withhold ("freeze") award funds if the recipient fails to comply with this condition. The recipient's failure to comply also may lead OJP to impose additional appropriate conditions on this award.

6. Requirements related to "de minimis" indirect cost rate

A recipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

7. Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.

8. Requirements related to System for Award Management and Universal Identifier Requirements

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The recipient also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <https://ojp.gov/funding/Explore/SAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

E. Nothing in this condition, including in paragraph 4.B., shall be understood to relieve any recipient, any subrecipient at any tier, or any person or other entity, of any obligation otherwise imposed by law, including 8 U.S.C. 1324a(a)(1) and (2).

10. Requirement to report actual or imminent breach of personally identifiable information (PII)

The recipient (and any "subrecipient" at any tier) must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it (or a subrecipient) -- (1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "personally identifiable information (PII)" (2 CFR 200.79) within the scope of an OJP grant-funded program or activity, or (2) uses or operates a "Federal information system" (OMB Circular A-130). The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OJP Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

11. All subawards ("subgrants") must have specific federal authorization

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

12. Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed \$250,000

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$250,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$250,000)), and are incorporated by reference here.

13. Unreasonable restrictions on competition under the award; association with federal government

**SCOPE.** This condition applies with respect to any procurement of property or services that is funded (in whole or in part) by this award, whether by the recipient or by any subrecipient at any tier, and regardless of the dollar amount of the purchase or acquisition, the method of procurement, or the nature of any legal instrument used. The provisions of this condition must be among those included in any subaward (at any tier).

1. No discrimination, in procurement transactions, against associates of the federal government

Consistent with the (DOJ) Part 200 Uniform Requirements -- including as set out at 2 C.F.R. 200.300 (requiring awards to be "manage[d] and administer[ed] in a manner so as to ensure that Federal funding is expended and associated programs are implemented in full accordance with U.S. statutory and public policy requirements") and 200.319(a) (generally requiring "[a]ll procurement transactions [to] be conducted in a manner providing full and open competition" and forbidding practices "restrictive of competition," such as "[p]lacing unreasonable requirements on firms in order for them to qualify to do business" and taking "[a]ny arbitrary action in the procurement process") -- no recipient (or subrecipient, at any tier) may (in any procurement transaction) discriminate against any person or entity on the basis of such person or entity's status as an "associate of the federal government" (or on the basis of such person or entity's status as a parent, affiliate, or subsidiary of such an associate), except as expressly set out in 2 C.F.R. 200.319(a) or as specifically authorized by USDOJ.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

4. Rules of construction

A. The term "associate of the federal government" means any person or entity engaged or employed (in the past or at present) by or on behalf of the federal government -- as an employee, contractor or subcontractor (at any tier), grant recipient or -subrecipient (at any tier), agent, or otherwise -- in undertaking any work, project, or activity for or on behalf of (or in providing goods or services to or on behalf of) the federal government, and includes any applicant for such employment or engagement, and any person or entity committed by legal instrument to undertake any such work, project, or activity (or to provide such goods or services) in future.

B. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

15. Determination of suitability to interact with participating minors

SCOPE. This condition applies to this award if it is indicated -- in the application for the award (as approved by DOJ)(or in the application for any subaward, at any tier), the DOJ funding announcement (solicitation), or an associated federal statute -- that a purpose of some or all of the activities to be carried out under the award (whether by the recipient, or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

The recipient, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

The details of this requirement are posted on the OJP web site at <https://ojp.gov/funding/Explore/Interact-Minors.htm> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

24. Restrictions on "lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

25. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2019)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2019, are set out at <https://ojp.gov/funding/Explore/FY19AppropriationsRestrictions.htm>, and are incorporated by reference here.

Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

26. Reporting potential fraud, waste, and abuse, and similar misconduct

The recipient and any subrecipients ("subgrantees") must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award -- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by--(1) online submission accessible via the OIG webpage at <https://oig.justice.gov/hotline/contact-grants.htm> (select "Submit Report Online"); (2) mail directed to: Office of the Inspector General, U.S. Department of Justice, Investigations Division, 1425 New York Avenue, N.W. Suite 7100, Washington, DC 20530; and/or (3) by facsimile directed to the DOJ OIG Fraud Detection Office (Attn: Grantee Reporting) at (202) 616-9881 (fax).

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the recipient--

a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2. If the recipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--

a. it represents that--

(1) it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

30. Requirement to disclose whether recipient is designated "high risk" by a federal grant-making agency outside of DOJ

If the recipient is designated "high risk" by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the recipient must disclose that fact and certain related information to OJP by email at [OJP.ComplianceReporting@ojp.usdoj.gov](mailto:OJP.ComplianceReporting@ojp.usdoj.gov). For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. 53. Authority to obligate award funds contingent on noninterference (within the funded "program or activity") with federal law enforcement: 8 U.S.C. 1373; unallowable costs; notification
1. If the recipient is a "State," a local government, or a "public" institution of higher education:
- A. The recipient may not obligate award funds if, at the time of the obligation, the "program or activity" of the recipient (or of any subrecipient at any tier that is a State, a local government, or a public institution of higher education) that is funded in whole or in part with award funds is subject to any "information-communication restriction."
- B. In addition, with respect to any project costs it incurs "at risk," the recipient may not obligate award funds to reimburse itself if -- at the time it incurs such costs -- the program or activity of the recipient (or of any subrecipient at any tier that is a State, a local government, or a public institution of higher education) that would be reimbursed in whole or in part with award funds was subject to any information-communication restriction.
- C. Any drawdown of award funds by the recipient shall be considered, for all purposes, to be a material representation by the recipient to OJP that, as of the date the recipient requests the drawdown, the recipient and each subrecipient (regardless of tier) that is a State, local government, or public institution of higher education, is in compliance with the award condition entitled "Noninterference (within the funded 'program or activity') with federal law enforcement: 8 U.S.C. 1373; ongoing compliance."
- D. The recipient must promptly notify OJP (in writing) if the recipient, from its requisite monitoring of compliance with award conditions or otherwise, has credible evidence that indicates that the funded program or activity of the recipient, or of any subrecipient at any tier that is either a State or a local government or a public institution of higher education, may be subject to any information-communication restriction. In addition, any subaward (at any tier) to a subrecipient that is a State, a local government, or a public institution of higher education must require prompt notification to the entity that made the subaward, should the subrecipient have such credible evidence regarding an information-communication restriction.
2. Any subaward (at any tier) to a subrecipient that is a State, a local government, or a public institution of higher education must provide that the subrecipient may not obligate award funds if, at the time of the obligation, the program or activity of the subrecipient (or of any further such subrecipient at any tier) that is funded in whole or in part with award funds is subject to any information-communication restriction.
3. Absent an express written determination by DOJ to the contrary, based upon a finding by DOJ of compelling circumstances (e.g., a small amount of award funds obligated by the recipient at the time of a subrecipient's minor and transitory non-compliance, which was unknown to the recipient despite diligent monitoring), any obligations of award funds that, under this condition, may not be made shall be unallowable costs for purposes of this award. In making any such determination, DOJ will give great weight to evidence submitted by the recipient that demonstrates diligent monitoring of subrecipient compliance with the requirements set out in the "Noninterference ... 8 U.S.C. 1373; ongoing compliance" award condition.
4. Rules of Construction
- A. For purposes of this condition "information-communication restriction" has the meaning set out in the "Noninterference ... 8 U.S.C. 1373; ongoing compliance" condition.
- B. Both the "Rules of Construction" and the "Important Note" set out in the "Noninterference ... 8 U.S.C. 1373; ongoing compliance" condition are incorporated by reference as though set forth here in full.

1. If the recipient is a "State," a local government, or a "public" institution of higher education:

A. The recipient may not obligate award funds if, at the time of the obligation, the "program or activity" of the recipient (or of any subrecipient at any tier that is a State, a local government, or a public institution of higher education) that is funded in whole or in part with award funds is subject to any "information-communication restriction."

B. In addition, with respect to any project costs it incurs "at risk," the recipient may not obligate award funds to reimburse itself if -- at the time it incurs such costs -- the program or activity of the recipient (or of any subrecipient at any tier that is a State, a local government, or a public institution of higher education) that would be reimbursed in whole or in part with award funds was subject to any information-communication restriction.

C. Any drawdown of award funds by the recipient shall be considered, for all purposes, to be a material representation by the recipient to OJP that, as of the date the recipient requests the drawdown, the recipient and each subrecipient (regardless of tier) that is a State, local government, or public institution of higher education, is in compliance with the award condition entitled "No use of funds to interfere with federal law enforcement: 8 U.S.C. 1373; ongoing compliance."

D. The recipient must promptly notify OJP (in writing) if the recipient, from its requisite monitoring of compliance with award conditions or otherwise, has credible evidence that indicates that the funded program or activity of the recipient, or of any subrecipient at any tier that is either a State or a local government or a public institution of higher education, may be subject to any information-communication restriction. In addition, any subaward (at any tier) to a subrecipient that is a State, a local government, or a public institution of higher education must require prompt notification to the entity that made the subaward, should the subrecipient have such credible evidence regarding an information-communication restriction.

2. Any subaward (at any tier) to a subrecipient that is a State, a local government, or a public institution of higher education must provide that the subrecipient may not obligate award funds if, at the time of the obligation, the program or activity of the subrecipient (or of any further such subrecipient at any tier) that is funded in whole or in part with award funds is subject to any information-communication restriction.

3. Absent an express written determination by DOJ to the contrary, based upon a finding by DOJ of compelling circumstances (e.g., a small amount of award funds obligated by the recipient at the time of a subrecipient's minor and transitory non-compliance, which was unknown to the recipient despite diligent monitoring), any obligations of award funds that, under this condition, may not be made shall be unallowable costs for purposes of this award. In making any such determination, DOJ will give great weight to evidence submitted by the recipient that demonstrates diligent monitoring of subrecipient compliance with the requirements set out in the "No use of funds to interfere ... 8 U.S.C. 1373; ongoing compliance" award condition.

4. Rules of Construction. The "Rules of Construction" set out in the "Authority to obligate award funds contingent on noninterference (within the funded "program or activity") with federal law enforcement: 8 U.S.C. 1373; unallowable costs; notification" condition are incorporated by reference as though set forth here in full.

*SPECIAL CONDITIONS*

55. Noninterference (within the funded "program or activity") with federal law enforcement: 8 U.S.C. 1373; ongoing compliance

1. With respect to the "program or activity" funded in whole or part under this award (including any such program or activity of any subrecipient at any tier), throughout the period of performance, no State or local government entity, -agency, or -official may prohibit or in any way restrict-- (1) any government entity or -official from sending or receiving information regarding citizenship or immigration status as described in 8 U.S.C. 1373(a); or (2) a government entity or -agency from sending, requesting or receiving, maintaining, or exchanging information regarding immigration status as described in 8 U.S.C. 1373(b). Any prohibition (or restriction) that violates this condition is an "information-communication restriction" under this award.

2. The recipient's monitoring responsibilities include monitoring of subrecipient compliance with the requirements of this condition.

3. Allowable costs. Compliance with these requirements is an authorized and priority purpose of this award. To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) that the recipient, or any subrecipient at any tier that is a State, a local government, or a public institution of higher education, incurs to implement this condition.

4. Rules of Construction

A. For purposes of this condition:

(1) "State" and "local government" include any agency or other entity thereof, but not any institution of higher education or any Indian tribe.

(2) A "public" institution of higher education is defined as one that is owned, controlled, or directly funded (in whole or in substantial part) by a State or local government. (Such a public institution is considered to be a "government entity," and its officials to be "government officials.")

(3) "Program or activity" means what it means under title VI of the Civil Rights Act of 1964 (see 42 U.S.C. 2000d-4a).

(4) "Immigration status" means what it means under 8 U.S.C. 1373; and terms that are defined in 8 U.S.C. 1101 mean what they mean under that section 1101, except that "State" also includes American Samoa.

(5) Pursuant to the provisions set out at (or referenced in) 8 U.S.C. 1551 note ("Abolition ... and Transfer of Functions"), references to the "Immigration and Naturalization Service" in 8 U.S.C. 1373 are to be read as references to particular components of the Department of Homeland Security (DHS).

B. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, any State or local government, any public institution of higher education, or any other entity (or individual) to violate any federal law, including any applicable civil rights or nondiscrimination law.

**IMPORTANT NOTE:** Any questions about the meaning or scope of this condition should be directed to OJP, before award acceptance.

56. No use of funds to interfere with federal law enforcement: 8 U.S.C. 1373; ongoing compliance

1. Throughout the period of performance, no State or local government entity, -agency, or -official may use funds under this award (including under any subaward, at any tier) to prohibit or in any way restrict-- (1) any government entity or -official from sending or receiving information regarding citizenship or immigration status as described in 8 U.S.C. 1373(a); or (2) a government entity or -agency from sending, requesting or receiving, maintaining, or exchanging information regarding immigration status as described in 8 U.S.C. 1373(b). Any prohibition (or restriction) that violates this condition is an "information-communication restriction" under this award.

2. The recipient's monitoring responsibilities include monitoring of subrecipient compliance with the requirements of this condition.

3. Allowable costs. Compliance with these requirements is an authorized and priority purpose of this award. To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) that the recipient, or any subrecipient at any tier that is a State, a local government, or a public institution of higher education, incurs to implement this condition.

4. Rules of Construction. Both the "Rules of Construction" and the "Important Note" set out in the "Noninterference (within the funded "program or activity") with federal law enforcement: 8 U.S.C. 1373; ongoing compliance" condition are incorporated by reference as though set forth here in full.

57. Requirement to collect certain information from subrecipients

Except as provided in this condition, the recipient may not make a subaward to a State, a local government, or a "public" institution of higher education, unless it first obtains from the proposed subrecipient responses to the questions identified in the program solicitation as "Information regarding Communication with the Department of Homeland Security (DHS) and/or Immigration and Customs Enforcement (ICE)." All subrecipient responses must be collected and maintained by the recipient, consistent with document retention requirements, and must be made available to DOJ upon request. Responses to these questions are not required from subrecipients that are either a tribal government/organization, a nonprofit organization, or a private institution of higher education.

58. Recipient may not obligate, expend, or drawdown funds until the Bureau of Justice Assistance, Office of Justice Programs has reviewed and approved the Budget Narrative portion of the application and has issued a Grant Adjustment Notice (GAN) informing the recipient of the approval.

59. The recipient is authorized to incur obligations, expend, and draw down funds for travel, lodging, and per diem costs only, in an amount not to exceed \$15,000, for the sole purpose of attending a required OJP conference associated with this grant award. The grantee is not authorized to incur any additional obligations, or make any additional expenditures or draw downs until the awarding agency and the Office of the Chief Financial Officer (OCFO) has reviewed and approved the recipient's budget and budget narrative, and a Grant Adjustment Notice (GAN) has been issued to remove this special condition.

60. Withholding - DHS question attachment

The recipient may not obligate, expend or draw down funds until the Office of Justice Programs has received and approved the required application attachment(s) described in the program solicitation as "Information regarding Communication with the Department of Homeland Security (DHS) and/or Immigration and Customs Enforcement (ICE)," and has issued a Grant Adjustment Notice (GAN) releasing this special condition.
