In such a case, the CFE Fund will determine in its sole and absolute discretion the percentage of the Grant to be returned. Scope of Work

1. Banking Access and Financial Empowerment Programming

The Metropolitan Government of Nashville and Davidson County will receive \$25,000 of funding from the CFE Fund to be used from this grant to implement a comprehensive financial empowerment program that provides Summer Youth Employment Program (SYEP) participants with access to safe bank or credit union products meeting the Summer Jobs Connect Banking Priorities found in Exhibit E – Summer Jobs Connect Youth Account Priorities.

The Grantee will provide banking access in their SYEP and administer a Financial Empowerment Program by completing the tasks set forth in Exhibit B – Banking Access and Financial Empowerment. The CFE Fund recognizes program delivery models are subject to change due to the impacts of COVID 19. Given the fluid nature of such changes, the Grantee will regularly update the CFE Fund about proposed changes to the program structure and will additionally document program design in the interim and final reports.

The Grantee will develop a sustainable banking access plan that is built into its SYEP for future program years. This plan will examine ways to continue the financial empowerment activities cultivated through the Summer Jobs Connect program.

2. Evaluation

The Grantee must identify, track, and report on financial empowerment programming funded by the CFE Fund. The Grantee and its vendors will also document progress towards the outcomes as structured in Exhibit D – Reporting

3. Learning Community

The CFE Fund will host a meeting in the fall of 2021. The setting of this meeting will be determined by public health guidance (i.e., in-person or remote). Select partners, including the Grantee, may be invited to join as an expert to share best practices. Additionally, the CFE Fund strongly encourages attendance at virtual learning community events to facilitate sharing of program ideas as cities adapt to the changing environment. The Grantee will respond to requests from CFE Fund to share best practices with other Program Grantees. The CFE Fund reserves the right to hold monthly, one-on-one check-in calls with the Grantee.

4. Media and Public Relations

The Grantee will document the success of the program, focusing on financial empowerment achievements, throughout the year to communicate the progress and impact of SJC. To do so, the CFE Fund will compile data and stories from all cities participating in the Summer Jobs Connect program. To prepare for both planned and ad hoc communication opportunities, the Grantee will be expected to prepare and provide content to the CFE Fund that includes, but is not limited to:

A. Social media campaign: The CFE Fund will execute the national SJC Social Media campaign throughout Summer 2021. The CFE Fund will provide partners with custom social media kits, a social media strategy guide, and flyers with each weekly prompt for the campaign. Partner participation in the campaign includes but is not limited to:

- *City Partner Engagement in SJC Social Media Outreach:* Cities and program partners will be asked to post content; to tweet regularly, and if partners also have Instagram, they can use that channel as well. The CFE Fund will provide a social media calendar with sample tweets, but partners should also be prepared to create and post original content. All posts should use the #SummerJobsConnect hashtag.
- *SJC Participant Engagement in National SJC Social Media Campaign:* Throughout the summer, the CFE Fund will run weekly prompts, including incentivized contests, where youth will be rewarded for sharing what SJC success has meant to them over Twitter and Instagram. City partners are responsible for disseminating CFE Fund information about these contests and regularly encouraging participation in contests; city partners should also ensure that participants understand contests guidelines and requirements. City partners may choose to identify a cohort of Ambassadors who are encouraged to share social media content regularly, both for CFE Fund contests and independently.

B. Communications and Press: The Grantee is expected to participate in and include the CFE Fund and Citi Foundation in all relevant communications and marketing opportunities, including but not limited to press releases, grant announcements, social media posts, launch events, or other program related events where press will be present and/or program funders will be recognized.

- Logos and Collateral Material: Please add the CFE Fund and Citi Foundation logos liberally to materials – mockups or drafts of logo usage should be sent to Katie Plat (kplat@cfefund.org) for approval. **PLEASE NOTE that the Citi Foundation requires that any grant recipient using Citi’s logo on any collateral, including websites, will complete a Logo Consent Form, which will be provided by the CFE Fund.**

	Account opening	Direct Deposit	Financial Ed: Benefits of Banking	Financial Ed: Budgeting	Financial Ed: Savings
Outreach			Enrollment packets will include a flyer explaining the differences between Banks and Credit Unions.	Opportunity NOW SYEP will be conducting tips for budgeting on our social media page.	We are attending session at our cluster high school and have explained saving options during their summer employment.
Application	Opportunity NOW application is completely online. At this time, we are unable to promote information regarding Bank of America or US Community Credit Union because we don't sponsor banking entities. However, we have included in their questionnaire if they currently have a bank account.				America Saves for Young Worker's is a link on our application for them to take their pledge to save during their internship. This will allow them to set a goal and get reminders about it.
Enrollment		At this point, participants will be informed about all required documents that will be needed in order to participate in the program. We will also instruct them on where they can get additional documents if they are unable to locate something. Banking account information will be provided for them to go and open a new account to have during payroll registration.			Reminder of pledge made when completed application and notified that will be reminded by America Saves to keep them on track.
Payroll Registration	As we set up appointments for Opportunity NOW SYEP payroll sessions (Virtually), we are including flyers for Bank of America and US Community Credit Union about opening new accounts before attending payroll session; if they don't already have an account.	During payroll registration, participants who have an account and choose not to open new accounts with BOA or USCCU will be able to provide TB with their documents for them to process their DD payments.			America Saves will be explained to youth that they will be receiving emails about their pledge that they made in order to help them success their savings goal for Summer 2021.
Ongoing training	All youth will have payroll and have the type of accounts they will be using ofr the summer.	During the orientaion week for High School Internship youth will be notified of their DD and explained how it works with their pay checks.		Knowledge Bank will do weekly sessions to create, revise and review budgets for youth to plan ahead for the future. They will also receive weekly budget tips during the seven weeks of the internship.	The importance of savings will be reiterated to the youth all through the program timeframe.
Orientation				Youth are introduced to Knowledge Bank Team and their app that will send them messages regarding Financial Literacy topics. Our younger youth are introduced to videos about Financial Literacy to help introduce money matters for younger youth.	Goals of Savings are set and we talk about them at the end of program to see did they meet their goal and how hard was it to meet. Get feedback from them to see any ideads they may have to make it easier for them to SAVE.
