

AMENDMENT NO. \_\_  
TO  
ORDINANCE NO. BL2026-1256

Madam President –

I hereby move to amend Ordinance No. BL2026-1256 as follows:

I. By amending the second and third recitals as follows:

WHEREAS, a review of landscape architecture programs has demonstrated that ~~certified~~ licensed landscape architects have completed coursework including hydrology/hydraulics and are qualified to prepare and stamp Tier 1 and Tier 2 regulated residential infill development plans; and

WHEREAS, allowing for the preparation and stamping of Tier 1 and Tier 2 projects by licensed landscape architects will be an overall benefit to that process.

II. By amending Section 1 as follows:

Section 1. That Section 15.64.131 of the Metropolitan Code of Laws is amended by deleting Subsection D thereof in its entirety and replacing it with the following:

Prior to the net addition of at least eight hundred to square feet of impervious area or issuance of a building permit, a sufficient development plan and supporting information required by the latest version of the regulated residential infill guidance document shall be submitted to and approved by the metropolitan department of water and sewerage services. Plans for Tier I and II projects can be prepared and stamped by a licensed land surveyor, a professional engineer, or a licensed landscape architect. Tier III plans shall be stamped by a professional engineer.
