Vice Mayor Jim Shulman and Members of Metropolitan Council Metropolitan Council One Public Square, Suite 204 P. O. Box 196300 Nashville, TN. 37219-6300

Dear Vice Mayor Shulman and Members of Metropolitan Council:

I am writing to respectfully request a late file motion on behalf of the Metropolitan Action Commission to increase the agency's ability to provide services to the vulnerable and disconnected youth ages 16-24 years of age.

The Metropolitan Action Commission currently provides services to vulnerable and disconnected youth ages 16-24 years of age throughout Davidson County through its Opportunity NOW program, which is funded in part by the Victims of Crime Act (VOCA) division of the Tennessee Office of Criminal Justice Programs. While services for vulnerable and disconnected are in place, the level of participation can be markedly improved by concerted outreach efforts. Recognizing this need for outreach, the state VOCA office has provided the Metropolitan Action Commission with a \$50,000 grant (\$40,000 state funding/\$10,000 match funding from Kresge Foundation) for such outreach efforts.

It must be noted that this state contract has a May 20, 2021, start date, however, we did not receive an executable contract until May 5, 2021, which is the purpose for this emergency late file.

If you have any additional questions, please do not hesitate to contact me.

Sincerely,

The community action agency for Nashville and Davidson County Breaking the cycle of poverty in our community one child, one person, one family at a time.
