AMENDMENT NO. \_\_\_\_  
TO  
ORDINANCE NO. BL2021-1050

Mr. President –

I hereby move to amend Ordinance No. BL2021-1050 by deleting Section 1 and replacing it with the following:

Section 1. That Section 16.28.230 of the Metropolitan Code of Laws is hereby amended by deleting Subsection B in its entirety and replacing it with the following:

B. A project information sign shall be posted at all project sites, excluding public infrastructure projects, in English and Spanish, for all projects requiring a building permit or a grading permit issued pursuant to Chapter 15.64. The sign shall include a phone number for the project applicant, as well as a phone number to file complaints with the Metropolitan Codes Department. One double-sided 24" (vertical) × 36" (horizontal) sign shall be posted for every fifty feet of site frontage, with no more than three signs required per street frontage containing the appropriate set of information:

1. For project sites located within or adjacent to a residential zone district, excluding permits obtained by the homeowner/resident working on his or her own residence the sign must state "No work is allowed to be performed on this site between the hours of 12:00 midnight Saturday and 12:00 midnight Sunday, except by special permission of the Director of Codes Administration" and must also contain information about the acceptable noise level at a construction site pursuant to Section 9.30.010.
2. For all other project sites, excluding permits obtained by the homeowner/resident working on his or her own residence: "No work is allowed to be performed on this site between the hours of 12:00 midnight Saturday and 12:00 midnight Sunday, except by special permission of the Director of Codes Administration."
