 - i. Grantee must coordinate these testing services with other HIV prevention and testing programs to avoid duplication of efforts;
 - ii. HIV testing paid for by EIS cannot supplant testing efforts paid for by other sources.

- C.9. Cost Allocation. In the event that the funds are not appropriated or are otherwise unavailable, the State reserves the right to terminate this Grant Contract upon written notice to the Grantee. The State's right to terminate this Grant Contract due to lack of funds is not a breach of this Grant Contract by the State. Should such an event occur, the Grantee shall be entitled to compensation for all satisfactory and authorized services completed as of the termination date. Upon such termination, the Grantee shall have no right to recover from the State any actual, general, special, incidental, consequential, or any other damages whatsoever of any description or amount.

- D.12. Public Accountability. If the Grantee is subject to Tenn. Code Ann. § 8-4-401 *et seq.*, or if this Grant Contract involves the provision of services to citizens by the Grantee on behalf of the State, the Grantee agrees to establish a system through which recipients of services may present grievances about the operation of the service program. D.15. Records. The Grantee and any approved subcontractor shall maintain documentation for all charges under this Grant Contract. The books, records, and documents of the Grantee and any approved subcontractor, insofar as they relate to work performed or money received under this Grant Contract, shall be maintained in accordance with applicable Tennessee law. In no case shall the records be maintained for a period of less than five (5) full years from the date of the final payment. The Grantee's records shall be subject to audit at any reasonable time and upon reasonable notice by the Grantor State Agency, the Comptroller of the Treasury, or their duly appointed representatives.

The records shall be maintained in accordance with Governmental Accounting Standards Board (GASB) Accounting Standards or the Financial Accounting Standards Board (FASB) Accounting Standards Codification, as applicable, and any related AICPA Industry Audit and Accounting guides.

At minimum, annual and final reports shall include: (a) the Grantee's name; (b) the Grant Contract's Edison identification number, Term, and total amount; (c) a narrative section that describes the program's goals, outcomes, successes and setbacks, whether the Grantee used benchmarks or indicators to determine progress, and whether any proposed activities were not completed; and (d) other relevant details requested by the Grantor State Agency. Annual and final report documents to be completed by the Grantee shall appear on the Grantor State Agency's website or as Attachment 7 to the Grant Contract.

The Grantee shall be responsible for reimbursing the Comptroller for any costs of an audit prepared by the Comptroller.

All audits shall be performed in accordance with the Comptroller's requirements, as posted on its web site. When a federal single audit is required, the audit shall be performed in accordance with U.S. Office of Management and Budget's *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*.

A copy of the audit report shall be provided to the Comptroller by the licensed, independent public accountant. Audit reports shall be made available to the public. The Grantee shall maintain documentation for the basis of each procurement for which reimbursement is paid pursuant to this Grant Contract. In each instance where it is determined that use of a competitive procurement method is not practical, supporting documentation shall include a written justification for the decision and for use of a non-competitive procurement. If the Grantee is a subrecipient, the Grantee shall comply with 2 C.F.R. §§ 200.317—200.326 when procuring property and services under a federal award.

The Grantee shall obtain prior approval from the State before purchasing any equipment under this Grant Contract.

For purposes of this Grant Contract, the term "equipment" shall include any article of nonexpendable, tangible, personal property having a useful life of more than one year and an acquisition cost which equals or exceeds five thousand dollars (\$5,000.00).

- D.21. Strict Performance. Failure by any party to this Grant Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this Grant Contract is not a waiver or relinquishment of any term, covenant, condition, or provision. No term or condition of this Grant Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties.
- D.22. Independent Contractor. The parties shall not act as employees, partners, joint venturers, or associates of one another in the performance of this Grant Contract. The parties acknowledge that they are independent contracting entities and that nothing in this Grant Contract shall be construed to create a principal/agent relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.
- D.23. Limitation of State's Liability. The State shall have no liability except as specifically provided in this Grant Contract. In no event will the State be liable to the Grantee or any other party for any lost revenues, lost profits, loss of business, loss of grant funding, decrease in the value of any securities or cash position, time, money, goodwill, or any indirect, special, incidental, punitive, exemplary or consequential damages of any nature, whether based on warranty, contract, statute, regulation, tort (including but not limited to negligence), or any other legal theory that may arise under this Grant Contract or otherwise. The State's total liability under this Grant Contract (including any exhibits, schedules, amendments or other attachments to the Contract) or otherwise shall under no circumstances exceed the Maximum Liability originally established in Section C.1 of this Grant Contract. This limitation of liability is cumulative and not per incident.
- D.24. Force Majeure. "Force Majeure Event" means fire, flood, earthquake, elements of nature or acts of God, wars, riots, civil disorders, rebellions or revolutions, acts of terrorism or any other similar cause beyond the reasonable control of the party except to the extent that the non-performing party is at fault in failing to prevent or causing the default or delay, and provided that the default or delay cannot reasonably be circumvented by the non-performing party through the use of alternate sources, workaround plans or other means. A strike, lockout or labor dispute shall not excuse either party from its obligations under this Grant Contract. Except as set forth in this Section, any failure or delay by a party in the performance of its obligations under this Grant Contract arising from a Force Majeure Event is not a default under this Grant Contract or grounds for termination. The non-performing party will be excused from performing those obligations directly affected by the Force Majeure Event, and only for as long as the Force Majeure Event continues, provided that the party continues to use diligent, good faith efforts to resume performance without delay. The occurrence of a Force Majeure Event affecting Grantee's representatives, suppliers, subcontractors, customers or business apart from this Grant Contract is not a Force Majeure Event under this Grant Contract. Grantee will promptly notify the State of any delay caused by a Force Majeure Event (to be confirmed in a written notice to the State within one (1) day of the inception of the delay) that a Force Majeure Event has occurred, and will describe in reasonable detail the nature of the Force Majeure Event. If any Force Majeure Event results in a delay in Grantee's performance longer than forty-eight (48) hours, the State may, upon notice to Grantee: (a) cease payment of the fees until Grantee resumes performance of the affected obligations; or (b) immediately terminate this Grant Contract or any purchase order, in whole or in part, without further payment except for fees then due and payable. Grantee will not increase its charges under this Grant Contract or charge the State any fees other than those provided for in this Grant Contract as the result of a Force Majeure Event.

The Grantee shall provide immediate written notice to the State if at any time it learns that there was an earlier failure to disclose information or that due to changed circumstances, its principals or the principals of its subcontractors are excluded or disqualified, or presently fall under any of the prohibitions of sections a-d.

- D.35. Confidentiality of Records. Strict standards of confidentiality of records and information shall be maintained in accordance with applicable state and federal law. All material and information, regardless of form, medium or method of communication, provided to the Grant Grantee by the State or acquired by the Grant Grantee on behalf of the State that is regarded as confidential under state or federal law shall be regarded as "Confidential Information." **RECONCILIATION BETWEEN TOTAL EXPENSES
AND REIMBURSABLE EXPENSES
SCHEDULE B - (Lines 51 to 59)**

This section, at the bottom of Schedule B, is for subtracting non-reimbursable amounts included in Total Expenses (Line 25, Schedule A and Line 51, Schedule B).

The first line of this section, Line 51, Total Expenses, is brought forward from the last last line of the corresponding Schedule A Total Expense Page.

There are three categories of adjustments for which titled lines are provided:

Line 52 OTHER UNALLOWABLE EXPENSES:

Some program expenses may not be reimbursable under certain grants. This is a matter between the contracting parties, and will vary according to the state agency involved and the type of grant or contract. Consult your contract or the department that funds the program for guidelines.

Line 53 EXCESS ADMINISTRATION:

This adjustment line may be used to deduct allocated Administration and General expenses in excess of an allowable percentage specified in the grant contract. It may also be used to deduct an adjustment resulting from limitations on certain components of Administration and General expenses. Again, the specific guidelines of the department and grant involved are the controlling factor.

Line 54 MATCHING EXPENSES (Equals Schedule B, Line 41)

Since the goal is to arrive at a reimbursable amount, the expenses paid out of other sources

of funding, local support and program user fees for example, will have to be deducted. The amount left should be only that which is to be paid for by the contracting state agency.

**Line 55 REIMBURSABLE EXPENSES (Line 51 less Lines 52, 53, and 54)
(Equals Schedule B, Line 33)**

This is the amount that the contracting state agency will pay for the quarter's operations of the program. The cumulative column is what the grant actually paid to date.

Line 56 TOTAL REIMBURSEMENT-TO-DATE

In the quarter-to-date column, this is the total received for this quarter from filing of the Invoice For Reimbursement. The cumulative column's amount is the total received for the grant year-to-date.

Line 57 DIFFERENCE (Line 55 less Line 56)

This is the portion of Reimbursable Expenses not yet paid.

Line 58 ADVANCES

Any advance payments for a grant should appear on this line.

Line 59 THIS REIMBURSEMENT (Line 57 less Line 58)

The remainder should be the amount due under the grant contract. Actual payments are made through the invoicing process and not through the filing of this report.

POLICY 3 REPORTING REQUIREMENTS - SUMMARY

Policy 3 requires reporting the entire operation of the Grantee agency. This could include numerous programs and contracts. Policy 3 requirements are outlined in each contract and are available on line at: <http://www.state.tn.us/finance/act/policyb.html>

The "Contractor/Grantee" is the agency receiving the state grant.

The "Contracting State Agency" is the state agency that gives the grant.

Reports are normally due 30 days after the close of the Grantee's accounting quarter and year, which may/may not coincide with the State accounting quarter and year end. Exact requirements are in the contract.

Policy 3 reporting requires one report from each contracting agency consisting of Schedules A, B, and C and a Funding Information Summary. Schedules A and B detail each program added to a contract total. Schedules A and B are designed to show 2 programs per page and there would be only one Schedule C per grantee. On Schedules A and B, programs that are not state funded can be rolled into a single program category. The lines on Schedule A for year-to-date information add across all programs/contracts to the corresponding line on the Schedule C - Grant contracts in the first column and non-grant operations in the second column.

The third column of the Schedule C shows Administrative Expenses incurred by the Grantee. Administrative expenses are generally those that benefit programs but are not directly associated with the program/contract. These could include the Executive Director, office operation, accounting staff, and other similar expenses. This column will also show the allocation of Administrative Expenses to the various programs/contracts, if this is done by the Grantee. If allocated, a negative on line 22 is equal to the Administrative Expense allocated to the grant and non-grant programs/contracts. Administrative Expenses may include some items that are not subject to allocation so the amount allocated may/may not equal the total Administrative Expense reported. Allocation of Administrative Expenses requires an approved allocation plan.

The fourth column of the Schedule C shows the total operation of the reporting grantee for the year-to-date. The Policy 3 report should, in total, match the total operation of the Grantee.

The funding Information Summary shows the method of allocating Administrative Expenses. If there is no approved allocation plan and the grantee does not allocate Administrative Expenses, then there is no entry on Schedule C, line 22 and no allocation to the programs/contracts. This form must be submitted with every report.
