REF: **Two Rivers Lane proposed naming**
Map 84 / District 15

The Metro Parks Department has requested that the private roadway that runs from Two Rivers Pkwy to McGavock Pk, between Two Rivers Golf Course and McGavock High School be officially named "**Two Rivers Lane**" through the Mandatory Referral process.

If this private roadway is named, addresses may be assigned to this private street name. The proposed naming would assist citizens and others, especially Emergency Services, in locating buildings along this roadway which currently have McGavock Pk or Two Rivers Pkwy addresses.

Included is a portion of the Property Map showing the location of this private roadway requested to be named.

Please process this request. Let me know if you have any questions regarding the proposed street naming.
