EXHIBIT C
ALS/BLS Software Solutions Master Application Service Provider Agreement

1. Orders. ZOLL Medical Corporation (“**ZOLL**”) shall provide the ASP Services, Implementation Services and Support Services identified in any order or contract (“**Order**”) between ZOLL and another party (“**Customer**”) incorporating this Software Solutions Master Application Service Provider Agreement and Contract Purchase Agreement 449466 (together with each such Order, the “**Agreement**”). ASP Services are further defined in Section 3. Implementation Services are further defined in Section 4. Support Services are further defined in Section 5. The ASP Services, Implementation Services, and Support Services are each, and are collectively, “**Services**”. The terms and conditions set forth in this Agreement shall only apply to ALS/BLS Software Solutions products that are used with ZOLL Medical Corporation defibrillators. For the sake of clarity, these terms and conditions do not apply to any ZOLL patient care reporting software.

2. Payment. Customer shall pay fees to ZOLL for Services as provided in any Order and this Agreement (“**Fees**”). Customer will make reasonable efforts to make payments within 30 days of receipt of invoice but in any event shall make payment within 60 days. The first invoice will be sent after the Deployment Effective Date. “Deployment Date” means the date upon which the deployment of the ASP Services is complete and it is able to function as described in the warranty set forth in this Agreement, regardless of whether Customer actually uses such ASP Services. “Deployment Effective Date” means the earlier of (a) the Deployment Date or (b) 90 days from the date after ZOLL’s shipment of defibrillators that are included on the Order (the “Latest Deployment Date”), unless a delay in the Deployment Date has been caused by ZOLL, in which case the Deployment Effective Date shall be postponed by a number of days equal to the delay that ZOLL has caused. Fees are non-refundable other than as expressly set forth herein. ZOLL may cease providing any or all of the Services if any invoice is not paid in a timely manner, in which event ZOLL will not be liable to Customer for any damages caused by such cessation. Payment terms are subject to ZOLL’s credit approval. Fees exclude all applicable sales, use and other taxes and all applicable export and import fees, customs duties and similar charges (“**Taxes**”). It is understood and acknowledged that the Customer is a tax-exempt governmental entity.

3. ASP Services. “ASP Services” means the hosting and maintenance of ZOLL software, as modified, updated, and enhanced (the “**Underlying Software**”), for remote electronic access and use by Registered Users on the website with a unique URL to be provided by ZOLL to Customer (the “**ZOLL Site**”) in substantial conformity with the instructions for use, documentation and users manuals from time-to-time provided by ZOLL (the “**Documentation**”), as listed in any Order, on and after the Implementation Date (defined below) for such services and before that Order has expired or been terminated in accordance with the Agreement. Customer acknowledges that the ASP Services are only compatible with ZOLL equipment that has been enabled and configured for use with the ASP Services in accordance with the Documentation and only with the browser and other technical environment that supports the use of the ASP Services in accordance with the Documentation.

3.1. Provision of ASP Services. Subject to the terms and conditions of the Agreement, ZOLL will use commercially reasonable efforts to make the ASP Services available to Customer and Customer’s employees, directors, principals, partners, consultants and agents authorized to use ASP Services on behalf of Customer and registered through the ZOLL Site for such use (“**Registered Users**”) through the ZOLL Site over normal network connections in accordance with the Documentation, excepting downtime due to necessary maintenance and troubleshooting. Customer, not ZOLL, shall be responsible for controlling Registered Users and protection of confidentiality of its login identifications and passwords. Customer acknowledges that (i) it is responsible for maintaining its interface and connectivity to the ASP Services and (ii) any facilities used for provision of the ASP Services may be owned or operated by ZOLL, or a ZOLL affiliate or a third party, or any combination of such facilities, as determined by ZOLL. Customer acknowledges that ZOLL may modify and upgrade the ASP Services, on an ongoing basis, to improve or adapt the ASP Services. Without limiting the foregoing, ZOLL will have the right, in its sole discretion, to develop, provide and market new, upgraded or modified ASP Services to Customer, including adding, removing or modifying the functionality or features of the ASP Services accessible by Registered Users. ZOLL will use commercially reasonable efforts to notify Customer within a reasonable period of time prior to the implementation of such changes so that Customer is reasonably informed of alterations to the ASP Services that will affect the ASP Services and Customer’s use of them. Notwithstanding anything to the contrary in the Agreement, ZOLL may cease providing any ASP Services upon at least six months advance notice to Customer.

3.2. Access Software. Subject to the terms and conditions of this Agreement, ZOLL grants to Customer, during the Term, a non-exclusive, non-transferable, non-sublicensable license for Registered Users to access and use the ASP Services using the ZOLL software that Registered Users may download at the ZOLL Site to access the ASP Services, as modified, updated and enhanced (the “**Access Software**”), each as made available to Customer through the ZOLL Site, solely for Customer’s internal business purposes and solely in accordance with the Documentation. Access Software and Underlying Software are, collectively, the “**Software**”.

3.3. Restrictions. Customer shall not, and shall not permit any third party to: (a) use, reproduce, modify, adapt, alter, translate or create derivative works from the ASP Services, Software or Documentation; (b) merge the ASP Services, Software or Documentation with other software or services; (c) sublicense, distribute, sell, use for service bureau use, lease, rent, loan, or otherwise transfer or allow access to the ASP Services, Software or the Documentation to any third party; (d) reverse engineer, decompile, disassemble, or otherwise attempt to alter or derive the Source Code for the ASP Services or Software; (e) remove, alter, cover or obfuscate any copyright notices or other proprietary rights notices included in the ASP Services, Software or Documentation; or (f) otherwise use or copy the ASP Services, Software or Documentation in any manner not expressly permitted by the Agreement. Customer agrees not to use the ASP Services in excess of its authorized login protocols. Customer shall immediately notify ZOLL of any unauthorized use of Customer’s login ID, password or account or other breach of security. If Customer becomes aware of any actual or threatened activity contemplated by the restrictions on use set forth in this section, Customer will, and will cause Registered Users to, immediately take all reasonable measures necessary to stop the activity or threatened activity and to mitigate the effect of such activity including: (i) discontinuing and limiting any improper access to any data; (ii) preventing any use and disclosure of improperly obtained data; (iii) destroying any copies of improperly obtained data that may have been made on their systems; (iv) otherwise attempting to mitigate any harm from such events; and (v) immediately notifying ZOLL of any such event so that ZOLL may also attempt to remedy the problem and prevent its future occurrence.

3.4. Service Level Agreement.

3.4.1. Downtime. “Downtime”, expressed in minutes, is any time the ASP Services are not accessible to Registered Users.

3.4.2. Planned Downtime. “Planned Downtime” is Downtime during which ASP Services may not be available in order for ZOLL to continue to provide commercially reasonable services, features and performance to its customers. Planned Downtime includes, but is not limited to: (a) Standard Maintenance; and (b) Emergency Maintenance. “Standard Maintenance” is performed when upgrades or system updates are desirable. “Emergency Maintenance” is performed when a critical system update must be applied quickly to avoid significant Downtime. Standard Maintenance may be performed weekly on Monday and Wednesday between the hours of 7 p.m. to 11 p.m. in Broomfield, Colorado. ZOLL will provide Customer with notice at least 24 hours in advance of Standard Maintenance.

3.4.3. Excused Downtime. “Excused Downtime” time is Downtime caused by: (a) services, software or hardware provided by anyone or any entity other than ZOLL, (b) software, services or systems operating outside of a ZOLL Site, including any software or systems operating on a

Customer's premises (including ZOLL software); (c) a Force Majeure Event or (d) Customer's failure to comply with its obligations under the Agreement or use of the ASP Services in ways that were not intended.

3.4.4. Unplanned Downtime. Unplanned Downtime in a calendar month is expressed as a percentage calculated as follows:

$$\frac{(\text{Downtime} - (\text{Planned Downtime} + \text{Excused Downtime}))}{\text{Total number of minutes in the calendar month}} \times 100 = x \%, \text{ where "x" is Unplanned Downtime.}$$

3.4.5. Unplanned Downtime Goal. ZOLL shall provide the ASP Services such that there is less than 1% of Unplanned Downtime in a calendar month (the "**Unplanned Downtime Goal**"). The ASP Services covered by the Unplanned Downtime Goal are those for which Customer has paid all Fees when due and is using in the course of carrying out its normal business operations in accordance with the Agreement.

3.4.6. Revocation of Administrative Rights. Notwithstanding anything to the contrary in the Agreement, ZOLL may revoke administrative rights, including database access rights, if the use of any such rights results in Downtime.

3.4.7. Customer Content; Security; Backup.

3.4.7.1. Customer Content. As between ZOLL and Customer, and without limiting the rights of any patient, Customer will retain all right, title and interest in and to all data, information or other content provided by Customer in its use of the ASP Services ("**Customer Content**"); *provided, however*, that ZOLL may de-identify and use Customer Content for any lawful purpose consistent with all applicable law.

3.4.7.2. Security. Subject to Customer's obligations under this Agreement, ZOLL will implement commercially reasonable security measures within the ASP Services in an attempt to prevent unlawful access to Customer Content by third parties. Such measures may include, where appropriate, use of updated firewalls, commercially available virus screening software, logon identification and passwords, encryption, intrusion detection systems, logging of incidents, periodic reporting, and prompt application of current security patches and virus definitions.

3.4.7.3. Backup of Customer Content (Not Applicable to Remote View). Although ZOLL will use commercially reasonable efforts to maintain the integrity of the Customer Content, to back up the Customer Content, and to provide full and ongoing access to the ASP Services, loss of access to the ASP Services and loss of Customer Content may occur. Customer will make provision for additional back-up storage of any critical Customer Content and shall be responsible for compliance with all records retention requirements applicable to Customer. ZOLL will not be responsible for any loss, corruption of or inaccessibility of the Customer Content due to interruption in the ASP Services or otherwise arising out of circumstances not within ZOLL's control.

3.4.7.4. Availability of Customer Content (Not Applicable to Remote View). It is Customer's responsibility to maintain any Customer Content that it requires for archival purposes, ongoing management of its operations and compliance with applicable records retention requirements. Unless specified otherwise in the Agreement, ZOLL will store Customer Content, other than Inactive Customer Content as defined below (the "**Active Customer Content**"), in ZOLL's working data set until the earlier of (i) five years (calculated from the date of creation of such Customer Content, or ZOLL's receipt of such Customer Content, whichever is later) or (ii) the expiration or termination of this Agreement or the Order under which such Active Customer Content was stored (the "**Active Retention Period**"). Upon the expiration of the Active Retention Period, ZOLL will notify Customer in writing and will provide Customer the option, which Customer shall exercise by informing ZOLL in writing, within 30 days of receiving the notice, that either (a) Customer wishes to receive Active Customer Content in a database determined by ZOLL in its sole and absolute discretion (a "**Database**"), or (b) Customer will pay ZOLL, at ZOLL's then-current storage rates and upon ZOLL's then-current terms and conditions, to continue to store the Active Customer Content. If Customer fails to exercise one of the foregoing options within such 30-day period, ZOLL will have the right to destroy the Active Customer Content. During the time ZOLL stores Customer Content for Customer hereunder, ZOLL may periodically identify Customer Content that has had no activity associated with it for at least 180 days ("**Inactive Customer Content**") and will notify Customer in writing of its intent to remove the Inactive Customer Content from ZOLL's working data set and destroy such data, unless Customer requests, in writing, within 30 days of receiving the notice from ZOLL, that either (z) Customer wishes to receive the Inactive Customer Content in a Database, or (y) Customer will pay ZOLL, at ZOLL's then-current storage rates and upon ZOLL's then-current terms and conditions, to continue to store such Inactive Customer Content. If Customer fails to exercise one of the foregoing options within such 30-day period, ZOLL will have the right to destroy the applicable Inactive Customer Content in its possession or under its control. Except for this Section 3.4.7.4, the terms of Section 3.4 (including, without limitation, the Unplanned Downtime Goal) do not apply to Customer's access of Inactive Customer Content. Customer represents, warrants and agrees that it (A) is solely responsible for determining the retention period applicable to it with respect to Customer Content maintained by ZOLL; (B) has consulted with or has had the opportunity to consult with legal, information governance or records management professionals; and (C) is not relying upon ZOLL to assist with determining the records maintenance or retention requirements applicable to it.

3.4.8. Remedies. A "**Service Credit**" means a percentage of the monthly Fee to be credited to Customer (subject to Customer's written request therefor and ZOLL's verification thereof) for any ASP Service for which the Unplanned Downtime Goal is exceeded in a calendar month. For any calendar month where the aggregate total of Unplanned Downtime for any ASP Service exceeds one percent ZOLL will provide a 10% Service Credit towards Customer's monthly Fee for such ASP Service that was affected; *provided, that* Customer (i) requests such Service Credit in writing within 30 days of the end of the calendar month in which such Unplanned Downtime occurred, (ii) includes in such request the nature of, and date and time of such Unplanned Downtime and (iii) such Unplanned Downtime is verified by ZOLL. Such Service Credit will be applied to a future month's invoice for such ASP Services, which typically is two months later. Failure to submit a written request for Service Credit as provided in this Section 3.4.8 shall constitute a waiver of such Service Credit by Customer. Further, Service Credits shall not be issued if Customer is not current on all Fees due and payable. The remedy set forth in this Section 3.4.8 shall be the Customers' sole and exclusive remedy with respect to ZOLL exceeding the Unplanned Downtime Goal.

3.4.9. Modifications. Changes to this Section 3.4 may be made from time to time at ZOLL's sole discretion. Customer will be notified of any such changes that are material.

4. Implementation Services. ZOLL shall provide ASP Services implementation, training and any related services identified in an Order (the "**Implementation Services**"). Customer shall, in a timely manner and at its own expense, cooperate and provide or make available to ZOLL access to the Customer's premises, systems, telephone, terminals and facsimile machines and all relevant information, documentation and staff reasonably required by ZOLL to enable ZOLL to perform the Implementation Services. Customer acknowledges that any time frames or dates for completion of the Implementation Services set out in an Order are estimates only and the ability to meet them is influenced by a range of factors including, without limitation, response times and level of cooperation of Customer. Any obligations as to time are therefore on a "reasonable efforts" basis only and ZOLL shall not be liable for failure to meet time frames or completion dates unless solely due to ZOLL's negligence.

5. Support Services. ZOLL shall provide the following Support Services for ASP Services without any additional Fees, except that ZOLL will have no obligation to provide such Support Services if any Fees for ASP Services are past due.

5.1. Support.

5.1.1. Emergency Support. ZOLL shall provide telephone support to Customer for 24 hours a day, 7 days a week, to address Errors that prevent Customer from using Supported ASP Services for a purpose for which Customer has an immediate and material need. “**Supported ASP Services**” means the ASP Services for which Customer has paid the then-current Fees. “**Supported Environment**” means a browser and other technical environment that supports the use of the ASP Services in accordance with the Documentation. “**Error**” means a reproducible defect in the Supported ASP Services when operated in accordance with the Documentation in a Supported Environment that causes the Supported ASP Services not to operate substantially in accordance with such Documentation.

5.1.2. Technical Support. ZOLL shall provide telephone support to Customer during 6 a.m. to 6 p.m. Eastern Time, Monday to Friday, excluding ZOLL holidays (“**Business Hours**”) to address all other Errors relating to any Supported ASP Services. Such telephone support will include (i) clarification of functions and features of the Supported ASP Services; (ii) clarification of the Documentation; (iii) guidance in operation of the Supported ASP Services; (iv) assistance in identifying and verifying the causes of suspected Errors in the Supported ASP Services; and (v) advice on bypassing identified Errors in the Supported ASP Services, if reasonably possible. Responses to such reporting shall be provided at a minimum within twenty-four (24) hours during Business Hours.

5.1.3. Resolution. ZOLL shall use commercially reasonable efforts to provide a modification or workaround to Supported ASP Services that resolves an Error in all material respects (“**Resolution**”).

5.1.4. Expenses. Support Services provided hereunder shall be provided from Chelmsford, Massachusetts or Broomfield, Colorado, as determined in ZOLL’s sole discretion. Should Customer request that ZOLL send personnel to Customer’s location to resolve any Error in the Supported ASP Services, ZOLL may charge Customer a fee of \$2,500 for each day ZOLL personnel is at Customer’s location.

5.1.5. Exceptions. ZOLL shall have no responsibility under this Agreement to fix any Errors arising out of or related to the following causes: (a) Customer’s modification or combination of the Access Software (in whole or in part), (b) use of the Supported ASP Services in an environment other than a Supported Environment; or (c) accident; unusual physical, electrical or electromagnetic stress; neglect; misuse; failure or fluctuation of electric power, air conditioning or humidity control; failure of media not furnished by ZOLL; excessive heating; fire and smoke damage; operation of the Supported ASP Services with other media and hardware, software or telecommunication interfaces; or causes other than ordinary use. Any corrections performed by ZOLL for such Errors shall be made, in ZOLL’s reasonable discretion, at ZOLL’s then-current time and material charges. ZOLL will provide the Support Services only for the most current release and the one immediately preceding major release of any Access Software. Notwithstanding anything to the contrary in the Agreement, (i) ZOLL may cease providing Support Services for any ASP Services upon at least six (6) months advance notice to Customer of such cessation and (ii) Support Services do not cover Third Party Products or Services (defined below).

5.2. Conditions and Limitations. Customer shall provide ZOLL with access to Customer’s personnel and its equipment. This access must include the ability to remotely access the equipment on which the Supported ASP Services are operating and to obtain the same access to the equipment as those of Customer’s employees having the highest privilege or clearance level. ZOLL will inform Customer of the specifications of the remote access methods available and associated software needed, and Customer will be responsible for the costs and use of said equipment. Fees for third party software and services are set by the owner of such software.

6. Warranties.

6.1. Implementation Services and Support Services. Subject to Customer’s payment of the Fees, ZOLL warrants that any Implementation Services or Support Services provided to Customer will be performed with due care in a professional and workmanlike manner. ZOLL shall, as its sole obligation and Customer’s sole and exclusive remedy for any breach of the warranty set forth in this [Section 6.1](#), perform again the Implementation Services or Support Services that gave rise to the breach or, in the case of Implementation Services, at ZOLL’s option, refund the Fees for such Implementation Services paid by Customer for the Implementation Services which gave rise to the breach. The availability of any remedy for a breach of the warranty set forth in this [Section 6.1](#) is conditioned upon Customer notifying ZOLL in writing of such breach within thirty (30) days following performance of the defective Implementation Services or Support Services, specifying the breach in reasonable detail.

6.2. ASP Services and Access Software. Subject to Customer’s payment of the Fees, ZOLL represents and warrants with respect to any ASP Services that (i) ZOLL has the right to license the Access Software and Documentation and make the ASP Services available to Customer pursuant to this Agreement and (ii) the ASP Services, when used as permitted and in accordance with the Documentation, will materially conform to the Documentation. ZOLL does not warrant that Customer’s use of the ASP Services will be error free or uninterrupted. Customer will notify ZOLL in writing of any breach of this warranty with respect to any ASP Services prior to the expiration or termination of the Order for such ASP Services. If ZOLL is unable to provide a correction or work-around pursuant to the terms governing the provision of the ASP Services after using commercially reasonable efforts, ZOLL may terminate such Order upon written notice to Customer. Any such correction or work-around shall not extend the term of such Order. This [Section 6.2](#) sets forth Customer’s exclusive remedy, and ZOLL’s entire liability, for breach of the warranty for the ASP Services contained herein.

6.3. Warranty Disclaimers. The warranties for the Software and Services are solely and expressly as set forth in [Section 6.1](#) and [Section 6.2](#) and are expressly qualified, in their entirety, by this [Section 6.3](#), EXCEPT AS EXPRESSLY SET FORTH IN [SECTION 6.1](#) AND [SECTION 6.2](#). (A) THE SOFTWARE AND SERVICES ARE PROVIDED STRICTLY “AS IS”, WITHOUT ANY WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY, WRITTEN OR ORAL; (B) ZOLL DOES NOT PROMISE THAT THE SOFTWARE OR SERVICES WILL BE SECURE, UNINTERRUPTED OR ERROR-FREE OR THAT THEY ARE SUITABLE FOR THE PARTICULAR NEEDS OF CUSTOMER, REGISTERED USERS OR ANY THIRD PARTY; AND (C) ZOLL SPECIFICALLY DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, ALL WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON INFRINGEMENT, AND ANY WARRANTIES ARISING FROM COURSE OF DEALING OR COURSE OF PERFORMANCE OR USAGE IN TRADE. CUSTOMER ACKNOWLEDGES THAT IT HAS RELIED ON NO WARRANTIES OTHER THAN THE EXPRESS WARRANTIES IN THIS AGREEMENT, AND THAT NO WARRANTIES ARE MADE BY ANY OF ZOLL’S LICENSORS OR SUPPLIERS WITH RESPECT TO THIRD PARTY PRODUCTS OR SERVICES. Customer acknowledges and agrees that, in entering into this Agreement, it has not relied upon the future availability of any new or enhanced feature or functionality, or any new or enhanced product or service, including, without limitation, updates or upgrades to ZOLL’s existing products and services. ZOLL’s performance obligations hereunder are limited to those expressly enumerated herein, and payment for ZOLL’s performance obligations shall be due as described herein.

7. Confidentiality. Neither party will use any trade secrets, information, or other material, tangible or intangible, that relates to the business or technology of the other party and is marked or identified as confidential or is disclosed in circumstances that would lead a reasonable person to believe such information is confidential (“**Confidential Information**”) for any purpose not expressly permitted by this Agreement, and will further disclose the Confidential Information of the party disclosing it (“**Disclosing Party**”) only to the employees or contractors of the party receiving it (“**Receiving Party**”) who have a need to know such Confidential Information for purposes of this Agreement and who are under a duty of confidentiality no less restrictive than the Receiving Party’s duty hereunder. The Receiving Party will protect the Disclosing Party’s Confidential Information from unauthorized use, access, or disclosure in the same manner as the Receiving Party protects its own confidential or proprietary information of a similar nature and with no less than reasonable care. The ASP Services, Software and Documentation shall be ZOLL’s Confidential Information (including without limitation any routines, subroutines, directories, tools, programs, or any other technology included in the Software),

notwithstanding any failure to mark or identify it as such. The Receiving Party's obligations under this Section 7 with respect to any Confidential Information of the Disclosing Party will terminate when and to the extent the Receiving Party can document that such information: (a) was already lawfully known to the Receiving Party at the time of disclosure by the Disclosing Party; (b) is disclosed to the Receiving Party by a third party who had the right to make such disclosure without any confidentiality restrictions; (c) is, or through no fault of the Receiving Party has become, generally available to the public; or (d) is independently developed by the Receiving Party without access to, or use of, Confidential Information. In addition, the Receiving Party may disclose Confidential Information of the Disclosing Party to the extent that such disclosure is: (i) necessary for the Receiving Party to enforce its rights under this Agreement in connection with a legal proceeding; or (ii) required by law or by the order of a court or similar judicial or administrative body, provided that the Receiving Party notifies the Disclosing Party of such disclosure in writing prior to making such disclosure and cooperates with the Disclosing Party, at the Disclosing Party's reasonable request and expense, in any lawful action to contest or limit the scope of such disclosure.

8. Indemnification.

8.1. By ZOLL. ZOLL will defend, at its own expense, any action against Customer or its or any of its agents, officers, director, or employees ("Customer Parties") brought by a third party alleging that any Software or Services infringe any U.S. patents or any copyrights or misappropriate any trade secrets of a third party, and ZOLL will pay those costs and damages finally awarded against the Customer Parties in any such action that are specifically attributable to such claim or those costs and damages agreed to in a monetary settlement of such action. The foregoing obligations are conditioned on Customer: (a) notifying ZOLL promptly in writing of such claim or action; (b) giving ZOLL sole control of the defense thereof and any related settlement negotiations; and (c) cooperating with ZOLL and, at ZOLL's request and expense, assisting in such defense. If any of the Software or Services become, or in ZOLL's opinion is likely to become, the subject of an infringement claim, ZOLL may, at its sole option and expense, either: (i) procure for Customer the right to continue using such Software or Services; (ii) modify or replace such Software or Services with substantially similar software or services so that such Software or Services becomes non-infringing; or (iii) terminate this Agreement, in whole or in part. Notwithstanding the foregoing, ZOLL will have no obligation under this Section 8.1 or otherwise with respect to any infringement claim based upon: (1) use of any of the Software or Services not in accordance with this Agreement; (2) any use of any Software or Services in combination with products equipment, software, services or data not supplied by ZOLL if such infringement would have been avoided but for the combination with other products, equipment, software, services or data; (3) the failure of Customer to implement any replacements, corrections or modifications made available by ZOLL for any Software or Services including, but not limited to, any use of any release of the Software other than the most current release made commercially available by ZOLL; (4) any Customer Content; or (5) any modification of any Software or Services or use thereof by any person other than ZOLL or its authorized agents or subcontractors. This Section 8 states ZOLL's entire liability and the exclusive remedy for any claims of infringement.

8.2. By Customer. To the extent allowable by law, Customer shall indemnify, defend and hold ZOLL and its agents, officers, directors and employees (the "ZOLL Parties") harmless from and against any and all liabilities, losses, expenses, damages and claims (collectively, "Claims") that arise out of the following except to the extent the Claims are due to the gross negligence, intentional misconduct or breach of this Agreement by the ZOLL Parties: (i) information provided to any of the ZOLL Parties by any of the Customer Parties; (ii) any of the Customer Parties' use or misuse of any of the Software or Services, including without limitation in combination with Customer's software or services or third party software or services; (iii) any modifications made by any of the Customer Parties to any of the Software or Services; (iv) infringement by any of the Customer Parties of any third party intellectual property right; (v) Taxes (other than taxes based on ZOLL's net income) and any related penalties and interest, arising from the payment of the Fees or the delivery of the Software and Services to Customer; and (ix) any violation of laws or regulations, including without limitation applicable export and import control laws and regulations in the use of any of the Software or Services, by any of the Customer Parties. It is understood and acknowledged that laws of the state of Tennessee prevent Customer from indemnifying ZOLL. For the avoidance of doubt, ZOLL is not responsible for any and all liabilities, losses, expenses, damages and claims (collectively, "Claims") that arise out of the following except to the extent the Claims are due to the gross negligence or intentional misconduct by ZOLL: (i) information provided to any of the ZOLL Parties by any of the Customer Parties; (ii) any of the Customer Parties' use or misuse of any of the Software or Services, including without limitation in combination with Customer's software or services or third party software or services; (iii) any modifications made by any of the Customer Parties to any of the Software or Services; (iv) infringement by any of the Customer Parties of any third party intellectual property right; (v) Taxes (other than taxes based on ZOLL's net income) and any related penalties and interest, arising from the payment of the Fees or the delivery of the Software and Services to Customer; and (ix) any violation of laws or regulations, including without limitation applicable export and import control laws and regulations in the use of any of the Software or Services, by any of the Customer Parties.

8.3.

9. Ownership. All right, title and interest, including but not limited to all existing or future copyrights, trademarks, service marks, trade secrets, patents, patent applications, know how, moral rights, contract rights, and proprietary rights, and all registrations, applications, renewals, extensions, and combinations of the foregoing, in and to the following are the exclusive property of ZOLL (or, as the case may be, its subsidiaries, licensors and suppliers): (i) ASP Services, Software, Documentation, and all proprietary technology used by ZOLL to perform its obligations under this Agreement; (ii) all software, tools, routines, programs, designs, technology, ideas, know-how, processes, techniques and inventions that ZOLL makes, develops, conceives or reduces to practice, whether alone or jointly with others, in the course of performing the Services; (iii) the fully compiled version of any of the foregoing software programs that can be executed by a computer and used without further compilation (the "Executable Code"); (iv) the human readable version of any of the foregoing software programs that can be compiled into Executable Code (the "Source Code"); and (v) all enhancements, modifications, improvements and derivative works of each and any of the foregoing (the "ZOLL Property"). If any derivative work is created by Customer from the Software or Services, ZOLL shall own all right, title and interest in and to such derivative work. Any rights not expressly granted to Customer hereunder are reserved by ZOLL (or its licensors and suppliers, as the case may be).

10. Term and Termination.

10.1. Term. Reserved.

10.2. Termination. Either party may terminate this Agreement or any Order without cause on thirty (30) days' prior written notice to the other party. Either party may terminate this Agreement or any Order if the other party materially defaults in the performance of any of its obligations hereunder and fails to cure such default within twenty (20) days after written notice from the non-defaulting party.

10.3. Effects of Termination. Upon expiration or termination of this Agreement or any Order for any reason: (a) all amounts, if any, owed to ZOLL under this Agreement or the Order that has expired or been terminated (the "Expired or Terminated Document") before such termination or expiration will become immediately due and payable; (b) Customer's right to access the ASP Services, and all licensed rights granted, in the Expired or Terminated Document will immediately terminate and cease to exist; and (c) Customer must (i) promptly discontinue all use of any ASP Services provided under the Expired or Terminated Document (ii) erase all copies of Access Software from Customer's computers and the computers of its customers and return to ZOLL or destroy all copies of such Access Software and related Documentation on tangible media in Customer's possession and (iii) return or destroy all copies of the Documentation in Customer's possession or control; (d) each party shall promptly discontinue all use of the other party's Confidential Information disclosed in connection with the Expired or Terminated Document and return to

the other party or, at the other party's option, destroy, all copies of any such Confidential Information in tangible or electronic form. Additionally, if any Order for ASP Services is terminated by ZOLL for a material default or by Customer without cause, then Customer immediately shall pay ZOLL an early termination fee equal to the amount of (x) the Fees for such ASP Services otherwise payable during the initial term of such Order had such Order not been terminated during such term minus (y) the sum of such Fees paid by Customer to ZOLL prior to the date of termination. Upon ZOLL's request, Customer will provide a written certification (in a form acceptable to ZOLL), certifying as to Customer's compliance with its post-termination obligations set forth in this [Section 11.3](#).

11. General Provisions.

11.1. Compliance with Laws. Customer shall comply with all applicable laws and regulations, and obtain required authorizations, concerning its use of the ASP Services, including without limitation if applicable all export and import control laws and regulations. Customer will not use any ASP Services for any purpose in violation of any applicable laws. ZOLL may suspend performance if Customer violated applicable laws or regulations.

11.2. Verification. Upon written request from ZOLL, Customer shall furnish ZOLL with a certificate signed by an officer of Customer stating that the ASP Services are being used strictly in accordance with the terms and conditions of this Agreement. During the Term and for a period of six months following the termination or expiration of this Agreement, upon prior written notice, ZOLL will have the right, during normal business hours, to verify, or have an independent firm verify, Customer's records relating to Customer's use of the ASP Services to ensure it is in compliance with the terms of this Agreement. The costs of the verification will be paid by ZOLL, unless the verification reveals that Customer's underpayment of Fees exceeds five percent. Customer will promptly pay to ZOLL any amounts shown by any such verification to be owing (which shall be calculated at ZOLL's standard, non-discounted rates) as provided in [Section 2](#) above

11.3. Assignments. Customer may not assign or transfer, by operation of law or otherwise (including in connection with a sale of substantially all assets or equity, merger or other change in control transaction), any of its rights under this Agreement or any Order to any third party without ZOLL's prior written consent. Any attempted assignment or transfer in violation of the foregoing will be null and void. ZOLL shall have the right to assign this Agreement or any Order to any affiliate, or to any successor to its business or assets to which this Agreement relates, whether by merger, sale of assets, sale of stock, reorganization or otherwise, and to contract with any third party to provide part of any of the Software and Services, and to delegate performance of this Agreement or any Order to any of its subsidiaries.

11.4. U.S. Government End Users. If Customer is a branch or agency of the United States Government, the following provision applies. The Software and Documentation are composed of "commercial computer software" and "commercial computer software documentation" as such terms are used in 48 C.F.R. 12.212 (SEPT 1995) and are (i) for acquisition by or on behalf of civilian agencies, consistent with the policy set forth in 48 C.F.R. 12.212; or (ii) for acquisition by or on behalf of units of the Department of Defense, consistent with the policies set forth in 48 C.F.R. 227.7202 1 (JUN 1995) and 227.7202 3 (JUN 1995).

11.5. Notices. All notices, consents, and approvals under this Agreement must be delivered in writing by electronic mail, courier, electronic facsimile, or certified or registered mail (postage prepaid and return receipt requested) to the other party at the address set forth in the most recent Order (or to such other address or person as from time to time provided by such party in accordance with this [Section 12.5](#)), and will be effective upon receipt or three (3) business days after being deposited in the mail as required above, whichever occurs sooner.

11.6. Governing Law and Venue; Waiver of Jury Trial. This Agreement will be governed by and interpreted in accordance with the laws of the State of Tennessee without reference to its choice of law rules. The United Nations Convention on Contracts for the International Sale of Goods does not apply to this Agreement. Any action or proceeding arising from or relating to this Agreement shall be brought in a federal or state court in the State of Colorado, and each party irrevocably submits to the jurisdiction and venue of any such court in any such action or proceeding.

11.7. Remedies. Except as otherwise expressly provided in this Agreement, the parties' rights and remedies under this Agreement are cumulative. Customer acknowledges that the Software and Services are built on valuable trade secrets and proprietary information of ZOLL, that any actual or threatened breach hereof will constitute immediate, irreparable harm to ZOLL for which monetary damages would be an inadequate remedy, and that ZOLL will be entitled to injunctive relief for such breach or threatened breach. Customer further agrees to waive and hereby waives any requirement for the security or the posting of any bond in connection with such remedies. Such remedies shall not be considered to be the exclusive remedies for any such breach or threatened breach, but shall be in addition to all other remedies available at law or equity to ZOLL.

11.8. Waivers. Any waiver or failure to enforce any provision of this Agreement on one occasion will not be deemed a waiver of any other provision or of such provision on any other occasion.

11.9. Severability. If any provision of this Agreement is held by a court of competent jurisdiction to be unenforceable, such provision will be changed and interpreted to accomplish the objectives of such provision to the greatest extent possible under applicable law and the remaining provisions of this Agreement will continue in full force and effect. In any event, the unenforceability or invalidity of any provision shall not affect any other provision of this Agreement, and this Agreement shall continue in full force and effect, and be construed and enforced, as if such provision had not been included, or had been modified as above provided, as the case may be.

11.10. Independent Contractors. The parties are entering into, and will perform, this Agreement as independent contractors. Nothing in this Agreement will be construed to make either party the agent of the other for any purpose whatsoever, to authorize either party to enter into any contract or assume any obligation on behalf of the other or to establish a partnership, franchise or joint venture between the parties.

11.11. Third Parties. Customer is solely responsible for, and none of the fees set forth herein shall be deemed to cover, any amounts owed to third parties in connection with the use of the ASP Services. If Customer engages a third-party provider ("**Third Party Provider**") to deliver products or services, including without limitation software, integrated into or receiving data from or accessing the ASP Services ("**Third Party Products or Services**"), Customer represents, warrants and agrees that: (i) ZOLL shall have no liability, and makes no representation, with respect to such Third Party Products or Services; and (ii) the Third Party Provider shall not be an agent of ZOLL. To the extent the ASP Services or Software contains software owned by a third party for which ZOLL has a license agreement with a third party, the ASP Services and Software and all rights granted hereunder are expressly limited by and subject to any license agreements ZOLL may have for such software.

11.12. Force Majeure. Neither party shall be liable for damages for any delay or failure of performance hereunder (other than payment obligation) arising out of causes beyond such party's reasonable control and without such party's fault or negligence, including, but not limited to, failure of its suppliers to timely deliver acceptable parts or services, any act or omission of Customer that interferes with or impedes ZOLL's performance hereunder, acts of God, acts of civil or military authority, fires, riots, wars, embargoes, Internet disruptions, hacker attacks, or communications failures (a "**Force Majeure Event**").

12. HIPAA. This [Section 13](#) applies if and to the extent that ZOLL creates, receives, maintains or transmits, directly or indirectly, any protected health information of Customer ("**PHI**") in the course of providing Software or Services to Customer. Capitalized terms used but not defined in this [Section 13](#) have the meanings assigned to them elsewhere in the Agreement or, if not defined therein, as defined in the Health Insurance Portability and Accountability Act of 1996 (P.L. 104 191), 42 U.S.C. Section 1320d, et seq., and regulations promulgated thereunder, as amended from time to time (such statute and regulations collectively referred to as "**HIPAA**"). "**Covered Entity**" as used herein means Customer. "**Business Associate**" as used herein means ZOLL. The purpose of this [Section 13](#) is to comply with 45 C.F.R. §164.502(e) and §164.504(e), governing PHI and business associates under HIPAA

12.1. Applicability. This Section 13 applies if and to the extent that Business Associate creates, receives, maintains or transmits, directly or indirectly, any PHI in the course of providing Software or Services to Covered Entity.

12.2. Compliance and Agents. Business Associate agrees that, to the extent it has access to PHI, Business Associate will fully comply with the requirements of this Section 13 with respect to such PHI. Business Associate will ensure that every agent, including a subcontractor, of Business Associate to whom it provides PHI received from, or created or received by Business Associate on behalf of, Covered Entity will comply with the same restrictions and conditions as set forth herein.

12.3. Use and Disclosure; Rights. Business Associate agrees that it shall not use or disclose PHI except as permitted under this Agreement, and in compliance with each applicable requirement of 45 CFR Section 164.504(e). Business Associate may use or disclose the PHI received or created by it, (a) to perform its obligations under this Agreement, (b) to perform functions, activities, or services for, or on behalf of, Covered Entity as specified in the Agreement, or (c) to provide data aggregation functions to Covered Entity as permitted by HIPAA. Further, Business Associate may use the PHI received by it in its capacity as Business Associate, if necessary, to properly manage and administer its business or to carry out its legal responsibilities. Business Associate may disclose the PHI received by it in its capacity as Business Associate to properly manage and administer its business or to carry out its legal responsibilities if: (a) the disclosure is required by law, or (b) the Business Associate obtains reasonable assurances from the person to whom the information is disclosed that it will be held confidentially and used or further disclosed only as required by law or for the purpose for which it is disclosed to the person and the person notifies Business Associate of any instances of which it is aware that the confidentiality of the information has been breached. Covered Entity shall not request Business Associate to use or disclose PHI in any manner that would not be permissible under HIPAA if done by Covered Entity.

12.4. Safeguards. Business Associate agrees to develop, document, use, and keep current appropriate procedural, physical, and electronic safeguards, as required in 45 C.F.R. §§164.308 - 164.312, sufficient to prevent any use or disclosure of electronic PHI other than as permitted or required by this Agreement.

12.5. Minimum Necessary. Business Associate will limit any use, disclosure, or request for use or disclosure to the minimum amount necessary to accomplish the intended purpose of the use, disclosure, or request.

12.6. Report of Improper Use or Disclosure. Business Associate shall report to Covered Entity any information of which it becomes aware concerning any use or disclosure of PHI that is not permitted by this Agreement and any security incident of which it becomes aware. Business Associate will, following the discovery of a breach of “**unsecured protected health information**,” as defined in 45 C.F.R. § 164.402, notify Covered Entity of such breach within 15 days. The notice shall include the identification of each individual whose unsecured protected health information has been, or is reasonably believed by Business Associate to have been, accessed, acquired, or disclosed during such breach. Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a use or disclosure of PHI by Business Associate in violation of this Agreement.

12.7. Individual Access. In accordance with an individual’s right to access to his or her own PHI in a designated record set under 45 CFR §164.524 and the individual’s right to copy or amend such records under 45 CFR §164.524 and §164.526, Business Associate shall make available all PHI in a designated record set to Covered Entity to enable the Covered Entity to provide access to the individual to whom that information pertains or such individual’s representative.

12.8. Amendment of and Access to PHI. Business Associate shall make available for amendment PHI in a designated record set and shall incorporate any amendments to PHI in a designated record set in accordance with 45 CFR §164.526 and in accordance with any process mutually agreed to by the parties.

12.9. Accounting. Business Associate agrees to document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to an individual’s request for an accounting of disclosures of their PHI in accordance with 45 CFR §164.528. Business Associate agrees to make available to Covered Entity the information needed to enable Covered Entity to provide the individual with an accounting of disclosures as set forth in 45 CFR §164.528.

12.10. DHHS Access to Books, Records, and Other Information. Business Associate shall make available to the U.S. Department of Health and Human Services (“DHHS”), its internal practices, books, and records relating to the use and disclosure of PHI received from, or created or received by Business Associate on behalf of, Covered Entity for purposes of determining the Covered Entity’s compliance with HIPAA.

12.11. Individual Authorizations; Restrictions. Covered Entity will notify Business Associate of any limitation in its notice of privacy practices, any restriction to the use or disclosure of PHI that Covered Entity has agreed to with an individual and of any changes in or revocation of an authorization or other permission by an individual, to the extent that such limitation, restriction, change, or revocation may affect Business Associate’s use or disclosure of PHI.

12.12. HITECH Act Compliance. Covered Entity and Business Associate agree to comply with the amendments to HIPAA included in the Health Information Technology for Economic and Clinical Health Act (the “HITECH Act”), including all privacy and security regulations issued under the HITECH Act that apply to Business Associate.

12.13. Breach; Termination; Mitigation. If Covered Entity knows of a pattern of activity or practice of Business Associate that constitutes a material breach or violation of Business Associate’s obligations under this Section 13, Covered Entity and Business Associate shall take any steps reasonably necessary to cure such breach and make Business Associate comply, and, if such steps are unsuccessful, Covered Entity may terminate this Agreement. Business Associate shall take reasonable actions available to it to mitigate any detrimental effects of such violation or failure to comply.

12.14. Return of PHI. Business Associate agrees that upon termination of this Agreement, and if feasible, Business Associate shall (a) return or destroy all PHI received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity, that Business Associate has continued to maintain in any form or manner and retain no copies of such information or, (b) if such return or destruction is not feasible, immediately notify Covered Entity of the reasons return or destruction are not feasible, and extend indefinitely the protection of this Section 13 to such PHI and limit further uses and disclosures to those purposes that make the return or destruction of the PHI not feasible.

12.15. De-identified Health Information. Business Associate may de-identify any and all PHI and may create a “**Limited Data Set**” in accordance with 45 C.F.R. § 164.514(b) & (e). Covered Entity acknowledges and agrees that de-identified information is not PHI and that Business Associate may use such de-identified information for any lawful purpose. Use or disclosure of a Limited Data Set must comply with 45 CFR 164.514(e).

12.16. Survival. All representations, covenants, and agreements in or under this Section 13 shall survive the execution, delivery, and performance of this Agreement.

12.17. Further Assurances; Conflicts. Each party shall in good faith execute, acknowledge or verify, and deliver any and all documents which may from time to time be reasonably requested by the other party to carry out the purpose and intent of this Section 13. The terms and conditions of this Section 13 will override and control any expressly conflicting term or condition of the Agreement. All non-conflicting terms and conditions

of the Agreement shall remain in full force and effect. Any ambiguity shall be resolved in a manner that will permit Covered Entity to comply with HIPAA. For the avoidance of doubt, a limitation on liability in the Agreement does not conflict with this [Section 13](#).

12.18. Applicable Law. The parties acknowledge and agree that HIPAA may be amended and additional guidance or regulations implementing HIPAA may be issued after the date of the execution of this Agreement and may affect the parties' obligations hereunder. The parties agree to take such action as is necessary to amend this Agreement from time in order as is necessary for Covered Entity to comply with HIPAA.

ALS/BLS Software Solutions Master Application Service Provider Agreement

1. Orders. ZOLL Medical Corporation (“**ZOLL**”) shall provide the ASP Services, Implementation Services and Support Services identified in any order or contract (“**Order**”) between ZOLL and another party (“**Customer**”) incorporating this Software Solutions Master Application Service Provider Agreement (together with each such Order, the “**Agreement**”). ASP Services are further defined in Section 3. Implementation Services are further defined in Section 4. Support Services are further defined in Section 5. The ASP Services, Implementation Services, and Support Services are each, and are collectively, “**Services**”. The terms and conditions set forth in this Agreement shall only apply to ALS/BLS Software Solutions products that are used with ZOLL Medical Corporation defibrillators. For the sake of clarity, these terms and conditions do not apply to any ZOLL patient care reporting software.

2. Payment. Customer shall pay fees to ZOLL for Services as provided in any Order and this Agreement (“**Fees**”). Unless otherwise provided in the applicable Order, Customer will pay ZOLL all Fees due under this Agreement within thirty (30) days after the date of ZOLL’s invoice. The first invoice will be sent after the Deployment Effective Date. “Deployment Date” means the date upon which the deployment of the ASP Services is complete and it is able to function as described in the warranty set forth in this Agreement, regardless of whether Customer actually uses such ASP Services. “Deployment Effective Date” means the earlier of (a) the Deployment Date or (b) 90 days from the date after ZOLL’s shipment of defibrillators that are included on the Order (the “Latest Deployment Date”), unless a delay in the Deployment Date has been caused by ZOLL, in which case the Deployment Effective Date shall be postponed by a number of days equal to the delay that ZOLL has caused. Fees are non-refundable other than as expressly set forth herein. Amounts not paid when due will accrue interest at the rate of 1.5% per month, or the maximum allowed by law, whichever is less. Customer shall pay all expenses (including reasonable attorney’s fees) incurred by ZOLL in connection with collection of late payments. Any amounts not paid by Customer when due may result in the forfeiture by Customer, in ZOLL’s sole discretion, of any discounts previously offered by ZOLL. In addition, ZOLL may cease providing any or all of the Services if any invoice is not paid in a timely manner, in which event ZOLL will not be liable to Customer for any damages caused by such cessation. Payment terms are subject to ZOLL’s credit approval. Fees exclude all applicable sales, use and other taxes and all applicable export and import fees, customs duties and similar charges (“**Taxes**”).

3. ASP Services. “ASP Services” means the hosting and maintenance of ZOLL software, as modified, updated, and enhanced (the “**Underlying Software**”), for remote electronic access and use by Registered Users on the website with a unique URL to be provided by ZOLL to Customer (the “**ZOLL Site**”) in substantial conformity with the instructions for use, documentation and users manuals from time-to-time provided by ZOLL (the “**Documentation**”), as listed in any Order, on and after the Implementation Date (defined below) for such services and before that Order has expired or been terminated in accordance with the Agreement. Customer acknowledges that the ASP Services are only compatible with ZOLL equipment that has been enabled and configured for use with the ASP Services in accordance with the Documentation and only with the browser and other technical environment that supports the use of the ASP Services in accordance with the Documentation.

3.1. Provision of ASP Services. Subject to the terms and conditions of the Agreement, ZOLL will use commercially reasonable efforts to make the ASP Services available to Customer and Customer’s employees, directors, principals, partners, consultants and agents authorized to use ASP Services on behalf of Customer and registered through the ZOLL Site for such use (“**Registered Users**”) through the ZOLL Site over normal network connections in accordance with the Documentation, excepting downtime due to necessary maintenance and troubleshooting. Customer, not ZOLL, shall be responsible for controlling Registered Users and protection of confidentiality of its login identifications and passwords. Customer acknowledges that (i) it is responsible for maintaining its interface and connectivity to the ASP Services and (ii) any facilities used for provision of the ASP Services may be owned or operated by ZOLL, or a ZOLL affiliate or a third party, or any combination of such facilities, as determined by ZOLL. Customer acknowledges that ZOLL may modify and upgrade the ASP Services, on an ongoing basis, to improve or adapt the ASP Services. Without limiting the foregoing, ZOLL will have the right, in its sole discretion, to develop, provide and market new, upgraded or modified ASP Services to Customer, including adding, removing or modifying the functionality or features of the ASP Services accessible by Registered Users. ZOLL will use commercially reasonable efforts to notify Customer within a reasonable period of time prior to the implementation of such changes so that Customer is reasonably informed of alterations to the ASP Services that will affect the ASP Services and Customer’s use of them. Notwithstanding anything to the contrary in the Agreement, ZOLL may cease providing any ASP Services upon at least six months advance notice to Customer.

3.2. Access Software. Subject to the terms and conditions of this Agreement, ZOLL grants to Customer, during the Term, a non-exclusive, non-transferable, non-sublicensable license for Registered Users to access and use the ASP Services using the ZOLL software that Registered Users may download at the ZOLL Site to access the ASP Services, as modified, updated and enhanced (the “**Access Software**”), each as made available to Customer through the ZOLL Site, solely for Customer’s internal business purposes and solely in accordance with the Documentation. Access Software and Underlying Software are, collectively, the “**Software**”.

3.3. Restrictions. Customer shall not, and shall not permit any third party to: (a) use, reproduce, modify, adapt, alter, translate or create derivative works from the ASP Services, Software or Documentation; (b) merge the ASP Services, Software or Documentation with other software or services; (c) sublicense, distribute, sell, use for service bureau use, lease, rent, loan, or otherwise transfer or allow access to the ASP Services, Software or the Documentation to any third party; (d) reverse engineer, decompile, disassemble, or otherwise attempt to alter or derive the Source Code for the ASP Services or Software; (e) remove, alter, cover or obfuscate any copyright notices or other proprietary rights notices included in the ASP Services, Software or Documentation; or (f) otherwise use or copy the ASP Services, Software or Documentation in any manner not expressly permitted by the Agreement. Customer agrees not to use the ASP Services in excess of its authorized login protocols. Customer shall immediately notify ZOLL of any unauthorized use of Customer’s login ID, password or account or other breach of security. If Customer becomes aware of any actual or threatened activity contemplated by the restrictions on use set forth in this section, Customer will, and will cause Registered Users to, immediately take all reasonable measures necessary to stop the activity or threatened activity and to mitigate the effect of such activity including: (i) discontinuing and limiting any improper access to any data; (ii) preventing any use and disclosure of improperly obtained data; (iii) destroying any copies of improperly obtained data that may have been made on their systems; (iv) otherwise attempting to mitigate any harm from such events; and (v) immediately notifying ZOLL of any such event so that ZOLL may also attempt to remedy the problem and prevent its future occurrence.

3.4. Service Level Agreement.

3.4.1. Downtime. “Downtime”, expressed in minutes, is any time the ASP Services are not accessible to Registered Users.

3.4.2. Planned Downtime. “Planned Downtime” is Downtime during which ASP Services may not be available in order for ZOLL to continue to provide commercially reasonable services, features and performance to its customers. Planned Downtime includes, but is not limited to: (a) Standard Maintenance; and (b) Emergency Maintenance. “Standard Maintenance” is performed when upgrades or system updates are desirable. “Emergency Maintenance” is performed when a critical system update must be applied quickly to avoid significant Downtime. Standard Maintenance may be performed weekly on Monday and Wednesday between the hours of 7 p.m. to 11 p.m. in Broomfield, Colorado. ZOLL will provide Customer with notice at least 24 hours in advance of Standard Maintenance.

3.4.3. Excused Downtime. “Excused Downtime” time is Downtime caused by: (a) services, software or hardware provided by anyone or any entity other than ZOLL, (b) software, services or systems operating outside of a ZOLL Site, including any software or systems operating on a Customer’s premises (including ZOLL software); (c) a Force Majeure Event or (d) Customer’s failure to comply with its obligations under the Agreement or use of the ASP Services in ways that were not intended.

3.4.4. Unplanned Downtime. Unplanned Downtime in a calendar month is expressed as a percentage calculated as follows:

$$\frac{(\text{Downtime} - (\text{Planned Downtime} + \text{Excused Downtime}))}{\text{Total number of minutes in the calendar month}} \times 100 = x\%, \text{ where “x” is Unplanned Downtime.}$$

3.4.5. Unplanned Downtime Goal. ZOLL shall provide the ASP Services such that there is less than 1% of Unplanned Downtime in a calendar month (the “**Unplanned Downtime Goal**”). The ASP Services covered by the Unplanned Downtime Goal are those for which Customer has paid all Fees when due and is using in the course of carrying out its normal business operations in accordance with the Agreement.

3.4.6. Revocation of Administrative Rights. Notwithstanding anything to the contrary in the Agreement, ZOLL may revoke administrative rights, including database access rights, if the use of any such rights results in Downtime.

3.4.7. Customer Content; Security; Backup.

3.4.7.1. Customer Content. As between ZOLL and Customer, and without limiting the rights of any patient, Customer will retain all right, title and interest in and to all data, information or other content provided by Customer in its use of the ASP Services (“**Customer Content**”); *provided, however*, that ZOLL may de-identify and use Customer Content for any lawful purpose consistent with all applicable law.

3.4.7.2. Security. Subject to Customer’s obligations under this Agreement, ZOLL will implement commercially reasonable security measures within the ASP Services in an attempt to prevent unlawful access to Customer Content by third parties. Such measures may include, where appropriate, use of updated firewalls, commercially available virus screening software, logon identification and passwords, encryption, intrusion detection systems, logging of incidents, periodic reporting, and prompt application of current security patches and virus definitions.

3.4.7.3. Backup of Customer Content (Not Applicable to Remote View). Although ZOLL will use commercially reasonable efforts to maintain the integrity of the Customer Content, to back up the Customer Content, and to provide full and ongoing access to the ASP Services, loss of access to the ASP Services and loss of Customer Content may occur. Customer will make provision for additional back-up storage of any critical Customer Content and shall be responsible for compliance with all records retention requirements applicable to Customer. ZOLL will not be responsible for any loss, corruption of or inaccessibility of the Customer Content due to interruption in the ASP Services or otherwise arising out of circumstances not within ZOLL’s control.

3.4.7.4. Availability of Customer Content (Not Applicable to Remote View). It is Customer’s responsibility to maintain any Customer Content that it requires for archival purposes, ongoing management of its operations and compliance with applicable records retention requirements. Unless specified otherwise in the Agreement, ZOLL will store Customer Content, other than Inactive Customer Content as defined below (the “**Active Customer Content**”), in ZOLL’s working data set until the earlier of (i) five years (calculated from the date of creation of such Customer Content, or ZOLL’s receipt of such Customer Content, whichever is later) or (ii) the expiration or termination of this Agreement or the Order under which such Active Customer Content was stored (the “**Active Retention Period**”). Upon the expiration of the Active Retention Period, ZOLL will notify Customer in writing and will provide Customer the option, which Customer shall exercise by informing ZOLL in writing, within 30 days of receiving the notice, that either (a) Customer wishes to receive Active Customer Content in a database determined by ZOLL in its sole and absolute discretion (a “**Database**”), or (b) Customer will pay ZOLL, at ZOLL’s then-current storage rates and upon ZOLL’s then-current terms and conditions, to continue to store the Active Customer Content. If Customer fails to exercise one of the foregoing options within such 30-day period, ZOLL will have the right to destroy the Active Customer Content. During the time ZOLL stores Customer Content for Customer hereunder, ZOLL may periodically identify Customer Content that has had no activity associated with it for at least 180 days (“**Inactive Customer Content**”) and will notify Customer in writing of its intent to remove the Inactive Customer Content from ZOLL’s working data set and destroy such data, unless Customer requests, in writing, within 30 days of receiving the notice from ZOLL, that either (z) Customer wishes to receive the Inactive Customer Content in a Database, or (y) Customer will pay ZOLL, at ZOLL’s then-current storage rates and upon ZOLL’s then-current terms and conditions, to continue to store such Inactive Customer Content. If Customer fails to exercise one of the foregoing options within such 30-day period, ZOLL will have the right to destroy the applicable Inactive Customer Content in its possession or under its control. Except for this [Section 3.4.7.4](#), the terms of [Section 3.4](#) (including, without limitation, the Unplanned Downtime Goal) do not apply to Customer’s access of Inactive Customer Content. Customer represents, warrants and agrees that it (A) is solely responsible for determining the retention period applicable to it with respect to Customer Content maintained by ZOLL; (B) has consulted with or has had the opportunity to consult with legal, information governance or records management professionals; and (C) is not relying upon ZOLL to assist with determining the records maintenance or retention requirements applicable to it.

3.4.8. Remedies. A “**Service Credit**” means a percentage of the monthly Fee to be credited to Customer (subject to Customer’s written request therefor and ZOLL’s verification thereof) for any ASP Service for which the Unplanned Downtime Goal is exceeded in a calendar month. For any calendar month where the aggregate total of Unplanned Downtime for any ASP Service exceeds one percent ZOLL will provide a 10% Service Credit towards Customer’s monthly Fee for such ASP Service that was affected; *provided, that* Customer (i) requests such Service Credit in writing within 30 days of the end of the calendar month in which such Unplanned Downtime occurred, (ii) includes in such request the nature of, and date and time of such Unplanned Downtime and (iii) such Unplanned Downtime is verified by ZOLL. Such Service Credit will be applied to a future month’s invoice for such ASP Services, which typically is two months later. Failure to submit a written request for Service Credit as provided in this [Section 3.4.8](#) shall constitute a waiver of such Service Credit by Customer. Further, Service Credits shall not be issued if Customer is not current on all Fees due and payable. The remedy set forth in this [Section 3.4.8](#) shall be the Customers’ sole and exclusive remedy with respect to ZOLL exceeding the Unplanned Downtime Goal.

3.4.9. Modifications. Changes to this [Section 3.4](#) may be made from time to time at ZOLL’s sole discretion. Customer will be notified of any such changes that are material.

4. Implementation Services. ZOLL shall provide ASP Services implementation, training and any related services identified in an Order (the “**Implementation Services**”). Customer shall, in a timely manner and at its own expense, cooperate and provide or make available to ZOLL access to the Customer’s premises, systems, telephone, terminals and facsimile machines and all relevant information, documentation and staff reasonably required by ZOLL to enable ZOLL to perform the Implementation Services. Customer acknowledges that any time frames or dates for completion of the Implementation Services set out in an Order are estimates only and the ability to meet them is influenced by a range of factors including, without limitation, response times and level of cooperation of Customer. Any obligations as to time are therefore on a “reasonable efforts” basis only and ZOLL shall not be liable for failure to meet time frames or completion dates unless solely due to ZOLL’s negligence.

5. Support Services. ZOLL shall provide the following Support Services for ASP Services without any additional Fees, except that ZOLL will have no obligation to provide such Support Services if any Fees for ASP Services are past due.

5.1. Support.

5.1.1. Emergency Support. ZOLL shall provide telephone support to Customer for 24 hours a day, 7 days a week, to address Errors that prevent Customer from using Supported ASP Services for a purpose for which Customer has an immediate and material need. “**Supported ASP Services**” means the ASP Services for which Customer has paid the then-current Fees. “**Supported Environment**” means a browser and other technical environment that supports the use of the ASP Services in accordance with the Documentation. “**Error**” means a reproducible defect in the Supported ASP Services when operated in accordance with the Documentation in a Supported Environment that causes the Supported ASP Services not to operate substantially in accordance with such Documentation.

5.1.2. Technical Support. ZOLL shall provide telephone support to Customer during 6 a.m. to 6 p.m. Eastern Time, Monday to Friday, excluding ZOLL holidays (“**Business Hours**”) to address all other Errors relating to any Supported ASP Services. Such telephone support will include (i) clarification of functions and features of the Supported ASP Services; (ii) clarification of the Documentation; (iii) guidance in operation of the Supported ASP Services; (iv) assistance in identifying and verifying the causes of suspected Errors in the Supported ASP Services; and (v) advice on bypassing identified Errors in the Supported ASP Services, if reasonably possible. Responses to such reporting shall be provided at a minimum within twenty-four (24) hours during Business Hours.

5.1.3. Resolution. ZOLL shall use commercially reasonable efforts to provide a modification or workaround to Supported ASP Services that resolves an Error in all material respects (“**Resolution**”).

5.1.4. Expenses. Support Services provided hereunder shall be provided from Chelmsford, Massachusetts or Broomfield, Colorado, as determined in ZOLL’s sole discretion. Should Customer request that ZOLL send personnel to Customer’s location to resolve any Error in the Supported ASP Services, ZOLL may charge Customer a fee of \$2,500 for each day ZOLL personnel is at Customer’s location.

5.1.5. Exceptions. ZOLL shall have no responsibility under this Agreement to fix any Errors arising out of or related to the following causes: (a) Customer’s modification or combination of the Access Software (in whole or in part), (b) use of the Supported ASP Services in an environment other than a Supported Environment; or (c) accident; unusual physical, electrical or electromagnetic stress; neglect; misuse; failure or fluctuation of electric power, air conditioning or humidity control; failure of media not furnished by ZOLL; excessive heating; fire and smoke damage; operation of the Supported ASP Services with other media and hardware, software or telecommunication

interfaces; or causes other than ordinary use. Any corrections performed by ZOLL for such Errors shall be made, in ZOLL's reasonable discretion, at ZOLL's then-current time and material charges. ZOLL will provide the Support Services only for the most current release and the one immediately preceding major release of any Access Software. Notwithstanding anything to the contrary in the Agreement, (i) ZOLL may cease providing Support Services for any ASP Services upon at least six (6) months advance notice to Customer of such cessation and (ii) Support Services do not cover Third Party Products or Services (defined below).

5.2. Conditions and Limitations. Customer shall provide ZOLL with access to Customer's personnel and its equipment. This access must include the ability to remotely access the equipment on which the Supported ASP Services are operating and to obtain the same access to the equipment as those of Customer's employees having the highest privilege or clearance level. ZOLL will inform Customer of the specifications of the remote access methods available and associated software needed, and Customer will be responsible for the costs and use of said equipment. Fees for third party software and services are set by the owner of such software.

6. Warranties.

6.1. Implementation Services and Support Services. Subject to Customer's payment of the Fees, ZOLL warrants that any Implementation Services or Support Services provided to Customer will be performed with due care in a professional and workmanlike manner. ZOLL shall, as its sole obligation and Customer's sole and exclusive remedy for any breach of the warranty set forth in this Section 6.1, perform again the Implementation Services or Support Services that gave rise to the breach or, in the case of Implementation Services, at ZOLL's option, refund the Fees for such Implementation Services paid by Customer for the Implementation Services which gave rise to the breach. The availability of any remedy for a breach of the warranty set forth in this Section 6.1 is conditioned upon Customer notifying ZOLL in writing of such breach within thirty (30) days following performance of the defective Implementation Services or Support Services, specifying the breach in reasonable detail.

6.2. ASP Services and Access Software. Subject to Customer's payment of the Fees, ZOLL represents and warrants with respect to any ASP Services that (i) ZOLL has the right to license the Access Software and Documentation and make the ASP Services available to Customer pursuant to this Agreement and (ii) the ASP Services, when used as permitted and in accordance with the Documentation, will materially conform to the Documentation. ZOLL does not warrant that Customer's use of the ASP Services will be error free or uninterrupted. Customer will notify ZOLL in writing of any breach of this warranty with respect to any ASP Services prior to the expiration or termination of the Order for such ASP Services. If ZOLL is unable to provide a correction or work-around pursuant to the terms governing the provision of the ASP Services after using commercially reasonable efforts, ZOLL may terminate such Order upon written notice to Customer. Any such correction or work-around shall not extend the term of such Order. This Section 6.2 sets forth Customer's exclusive remedy, and ZOLL's entire liability, for breach of the warranty for the ASP Services contained herein.

6.3. Warranty Disclaimers. The warranties for the Software and Services are solely and expressly as set forth in Section 6.1 and Section 6.2 and are expressly qualified, in their entirety, by this Section 6.3. EXCEPT AS EXPRESSLY SET FORTH IN SECTION 6.1 AND SECTION 6.2, (A) THE SOFTWARE AND SERVICES ARE PROVIDED STRICTLY "AS IS", WITHOUT ANY WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY, WRITTEN OR ORAL; (B) ZOLL DOES NOT PROMISE THAT THE SOFTWARE OR SERVICES WILL BE SECURE, UNINTERRUPTED OR ERROR-FREE OR THAT THEY ARE SUITABLE FOR THE PARTICULAR NEEDS OF CUSTOMER, REGISTERED USERS OR ANY THIRD PARTY; AND (C) ZOLL SPECIFICALLY DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, ALL WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON INFRINGEMENT, AND ANY WARRANTIES ARISING FROM COURSE OF DEALING OR COURSE OF PERFORMANCE OR USAGE IN TRADE. CUSTOMER ACKNOWLEDGES THAT IT HAS RELIED ON NO WARRANTIES OTHER THAN THE EXPRESS WARRANTIES IN THIS AGREEMENT, AND THAT NO WARRANTIES ARE MADE BY ANY OF ZOLL'S LICENSORS OR SUPPLIERS WITH RESPECT TO THIRD PARTY PRODUCTS OR SERVICES. Customer acknowledges and agrees that, in entering into this Agreement, it has not relied upon the future availability of any new or enhanced feature or functionality, or any new or enhanced product or service, including, without limitation, updates or upgrades to ZOLL's existing products and services. ZOLL's performance obligations hereunder are limited to those expressly enumerated herein, and payment for ZOLL's performance obligations shall be due as described herein.

7. Confidentiality. Neither party will use any trade secrets, information, or other material, tangible or intangible, that relates to the business or technology of the other party and is marked or identified as confidential or is disclosed in circumstances that would lead a reasonable person to believe such information is confidential ("Confidential Information") for any purpose not expressly permitted by this Agreement, and will further disclose the Confidential Information of the party disclosing it ("Disclosing Party") only to the employees or contractors of the party receiving it ("Receiving Party") who have a need to know such Confidential Information for purposes of this Agreement and who are under a duty of confidentiality no less restrictive than the Receiving Party's duty hereunder. The Receiving Party will protect the Disclosing Party's Confidential Information from unauthorized use, access, or disclosure in the same manner as the Receiving Party protects its own confidential or proprietary information of a similar nature and with no less than reasonable care. The ASP Services, Software and Documentation shall be ZOLL's Confidential Information (including without limitation any routines, subroutines, directories, tools, programs, or any other technology included in the Software), notwithstanding any failure to mark or identify it as such. The Receiving Party's obligations under this Section 7 with respect to any Confidential Information of the Disclosing Party will terminate when and to the extent the Receiving Party can document that such information: (a) was already lawfully known to the Receiving Party at the time of disclosure by the Disclosing Party; (b) is disclosed to the Receiving Party by a third party who had the right to make such disclosure without any confidentiality restrictions; (c) is, or through no fault of the Receiving Party has become, generally available to the public; or (d) is independently developed by the Receiving Party without access to, or use of, Confidential Information. In addition, the Receiving Party may disclose Confidential Information of the Disclosing Party to the extent that such disclosure is: (i) necessary for the Receiving Party to enforce its rights under this Agreement in connection with a legal proceeding; or (ii) required by law or by the order of a court or similar judicial or administrative body, provided that the Receiving Party notifies the Disclosing Party of such disclosure in writing prior to making such disclosure and cooperates with the Disclosing Party, at the Disclosing Party's reasonable request and expense, in any lawful action to contest or limit the scope of such disclosure.

8. Indemnification.

8.1. By ZOLL. ZOLL will defend, at its own expense, any action against Customer or its or any of its agents, officers, director, or employees ("Customer Parties") brought by a third party alleging that any Software or Services infringe any U.S. patents or any copyrights or misappropriate any trade secrets of a third party, and ZOLL will pay those costs and damages finally awarded against the Customer Parties in any such action that are specifically attributable to such claim or those costs and damages agreed to in a monetary settlement of such action. The foregoing obligations are conditioned on Customer: (a) notifying ZOLL promptly in writing of such claim or action; (b) giving ZOLL sole control of the defense thereof and any related settlement negotiations; and (c) cooperating with ZOLL and, at ZOLL's request and expense, assisting in such defense. If any of the Software or Services become, or in ZOLL's opinion is likely to become, the subject of an infringement claim, ZOLL may, at its sole option and expense, either: (i) procure for Customer the right to continue using such Software or Services; (ii) modify or replace such Software or Services with substantially similar software or services so that such Software or Services becomes non-infringing; or (iii) terminate this Agreement, in whole or in part. Notwithstanding the foregoing, ZOLL will have no obligation under this Section 8.1 or otherwise with respect to any infringement claim based upon: (1) use of any of the Software or Services not in accordance with this Agreement; (2) any use of any Software or Services in combination with products equipment, software, services or data not supplied by ZOLL if such infringement would have been avoided but for the combination with other products, equipment, software, services or data; (3) the failure of Customer to implement any replacements, corrections or modifications made available by ZOLL for any Software or Services including, but not limited to, any use of any release of the Software other than the most current release made commercially available by ZOLL; (4) any Customer Content; or (5) any modification of any Software or Services or use thereof by any person other than ZOLL or its authorized agents or subcontractors. This Section 8 states ZOLL's entire liability and the exclusive remedy for any claims of infringement.

8.2. By Customer. Customer shall indemnify, defend and hold ZOLL and its agents, officers, directors and employees (the "ZOLL Parties") harmless from and against any and all liabilities, losses, expenses, damages and claims (collectively, "Claims") that arise out of the following except to the extent the Claims are due to the gross negligence, intentional misconduct or breach of this Agreement by the ZOLL Parties: (i) information provided to any of the ZOLL Parties by any of the Customer Parties; (ii) any of the Customer Parties' use or misuse of any of the Software or Services, including without limitation in combination with Customer's software or services or third party software or services; (iii) any modifications made by any of the Customer Parties to any of the Software or Services; (iv) infringement by any of the Customer

Parties of any third party intellectual property right; (v) Taxes (other than taxes based on ZOLL's net income) and any related penalties and interest, arising from the payment of the Fees or the delivery of the Software and Services to Customer; and (ix) any violation of laws or regulations, including without limitation applicable export and import control laws and regulations in the use of any of the Software or Services, by any of the Customer Parties.

9. Limitation of Liability. NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, IN NO EVENT WILL ZOLL OR ITS AFFILIATES, SUBCONTRACTORS OR SUPPLIERS, OR ANY OF THEIR OFFICERS OR DIRECTORS, BE LIABLE, EVEN IF ADVISED OF THE POSSIBILITY, FOR: (i) SPECIAL, INCIDENTAL, INDIRECT, PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES OF ANY KIND, HOWEVER CAUSED AND ON ANY THEORY OF LIABILITY (INCLUDING, BUT NOT LIMITED TO, NEGLIGENCE), (ii) LOSS OF PROFIT, DATA, BUSINESS OR GOODWILL, COSTS OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES OR (iii) ANY LOSSES, COSTS OR DAMAGES ASSOCIATED WITH CUSTOMER'S PRODUCTS OR OTHER ELEMENTS INCORPORATED OR USED THEREWITH WHICH WERE NOT PROVIDED BY ZOLL OR WITH RESPECT TO ANY MODIFICATIONS MADE TO THE SOFTWARE OR SERVICES OR MISUSE OF THE SOFTWARE OR SERVICES. ZOLL'S TOTAL CUMULATIVE LIABILITY IN CONNECTION WITH THIS AGREEMENT, WHETHER IN CONTRACT OR TORT OR OTHERWISE, WILL NOT EXCEED THE AMOUNT PAID TO ZOLL BY CUSTOMER FOR THE SOFTWARE AND SERVICES PROVIDED UNDER THIS AGREEMENT DURING THE 12-MONTH PERIOD PRECEDING THE EVENTS GIVING RISE TO SUCH LIABILITY. Customer acknowledges that these limitations reflect the allocation of risk set forth in this Agreement and that ZOLL would not enter into this Agreement without these limitations on its liability. Customer agrees that these limitations shall apply notwithstanding any failure of essential purpose of any limited remedy. The remedies in this Agreement are Customer's sole and exclusive remedies. In addition, ZOLL disclaims all liability of any kind of ZOLL's licensors and suppliers, for third party products or services, and for the actions or omissions of Customer's representatives.

10. Ownership. All right, title and interest, including but not limited to all existing or future copyrights, trademarks, service marks, trade secrets, patents, patent applications, know how, moral rights, contract rights, and proprietary rights, and all registrations, applications, renewals, extensions, and combinations of the foregoing, in and to the following are the exclusive property of ZOLL (or, as the case may be, its subsidiaries, licensors and suppliers): (i) ASP Services, Software, Documentation, and all proprietary technology used by ZOLL to perform its obligations under this Agreement; (ii) all software, tools, routines, programs, designs, technology, ideas, know-how, processes, techniques and inventions that ZOLL makes, develops, conceives or reduces to practice, whether alone or jointly with others, in the course of performing the Services; (iii) the fully compiled version of any of the foregoing software programs that can be executed by a computer and used without further compilation (the "**Executable Code**"); (iv) the human readable version of any of the foregoing software programs that can be compiled into Executable Code (the "**Source Code**"); and (v) all enhancements, modifications, improvements and derivative works of each and any of the foregoing (the "**ZOLL Property**"). If any derivative work is created by Customer from the Software or Services, ZOLL shall own all right, title and interest in and to such derivative work. Any rights not expressly granted to Customer hereunder are reserved by ZOLL (or its licensors and suppliers, as the case may be).

11. Term and Termination.

11.1. Term. The term of this Agreement ("**Term**") begins on the effective date of the first Order incorporating this Agreement and continues until it is terminated. The term of each Order begins on the effective date of such Order and continues until it expires or is terminated; *provided, however*, that such term (and any extension thereof) shall automatically renew for an equivalent period at ZOLL's then current list pricing unless either party notifies the other party in writing of an intent to not renew such term at least ninety (90) days prior to the expiration of such term. "**Implementation Date**" for any ASP Services means the earlier of (a) the date upon which the activation of such ASP Services is complete and such ASP Services are able to function as described in the warranty for such ASP Services, regardless of whether Customer uses such ASP Services or (b) one hundred eighty (180) days following the shipment of the monitor/defibrillators in connection with which such ASP Services are to be used, unless a delay in the activation of such ASP Services is caused by ZOLL, in which case the Implementation Date shall be postponed by a number of days equal to the delay that ZOLL has caused; or (c) if Customer does not use Implementation Services to activate such ASP Services, the date of the Order for such ASP Services.

11.2. Termination. Either party may terminate this Agreement or any Order without cause on thirty (30) days' prior written notice to the other party. Either party may terminate this Agreement or any Order if the other party materially defaults in the performance of any of its obligations hereunder and fails to cure such default within twenty (20) days after written notice from the non-defaulting party.

11.3. Effects of Termination. Upon expiration or termination of this Agreement or any Order for any reason: (a) all amounts, if any, owed to ZOLL under this Agreement or the Order that has expired or been terminated (the "**Expired or Terminated Document**") before such termination or expiration will become immediately due and payable; (b) Customer's right to access the ASP Services, and all licensed rights granted, in the Expired or Terminated Document will immediately terminate and cease to exist; and (c) Customer must (i) promptly discontinue all use of any ASP Services provided under the Expired or Terminated Document (ii) erase all copies of Access Software from Customer's computers and the computers of its customers and return to ZOLL or destroy all copies of such Access Software and related Documentation on tangible media in Customer's possession and (iii) return or destroy all copies of the Documentation in Customer's possession or control; (d) each party shall promptly discontinue all use of the other party's Confidential Information disclosed in connection with the Expired or Terminated Document and return to the other party or, at the other party's option, destroy, all copies of any such Confidential Information in tangible or electronic form. Additionally, if any Order for ASP Services is terminated by ZOLL for a material default or by Customer without cause, then Customer immediately shall pay ZOLL an early termination fee equal to the amount of (x) the Fees for such ASP Services otherwise payable during the initial term of such Order had such Order not been terminated during such term minus (y) the sum of such Fees paid by Customer to ZOLL prior to the date of termination. Upon ZOLL's request, Customer will provide a written certification (in a form acceptable to ZOLL), certifying as to Customer's compliance with its post-termination obligations set forth in this [Section 11.3](#).

12. General Provisions.

12.1. Compliance with Laws. Customer shall comply with all applicable laws and regulations, and obtain required authorizations, concerning its use of the ASP Services, including without limitation if applicable all export and import control laws and regulations. Customer will not use any ASP Services for any purpose in violation of any applicable laws. ZOLL may suspend performance if Customer violated applicable laws or regulations.

12.2. Audits and Inspections. Upon written request from ZOLL, Customer shall furnish ZOLL with a certificate signed by an officer of Customer stating that the ASP Services are being used strictly in accordance with the terms and conditions of this Agreement. During the Term and for a period of six months following the termination or expiration of this Agreement, upon prior written notice, ZOLL will have the right, during normal business hours, to inspect, or have an independent audit firm inspect, Customer's records relating to Customer's use of the ASP Services to ensure it is in compliance with the terms of this Agreement. The costs of the audit will be paid by ZOLL, unless the audit reveals that Customer's underpayment of Fees exceeds five percent. Customer will promptly pay to ZOLL any amounts shown by any such audit to be owing (which shall be calculated at ZOLL's standard, non-discounted rates) plus interest as provided in [Section 2](#) above.

12.3. Assignments. Customer may not assign or transfer, by operation of law or otherwise (including in connection with a sale of substantially all assets or equity, merger or other change in control transaction), any of its rights under this Agreement or any Order to any third party without ZOLL's prior written consent. Any attempted assignment or transfer in violation of the foregoing will be null and void. ZOLL shall have the right to assign this Agreement or any Order to any affiliate, or to any successor to its business or assets to which this Agreement relates, whether by merger, sale of assets, sale of stock, reorganization or otherwise, and to contract with any third party to provide part of any of the Software and Services, and to delegate performance of this Agreement or any Order to any of its subsidiaries.

12.4. U.S. Government End Users. If Customer is a branch or agency of the United States Government, the following provision applies. The Software and Documentation are composed of "commercial computer software" and "commercial computer software documentation" as such terms are used in 48 C.F.R. 12.212 (SEPT 1995) and are (i) for acquisition by or on behalf of civilian agencies, consistent with the policy set forth in 48 C.F.R. 12.212; or (ii) for acquisition by or on behalf of units of the Department of Defense, consistent with the policies set forth in 48 C.F.R. 227.7202 1 (JUN 1995) and 227.7202 3 (JUN 1995).

12.5. Notices. All notices, consents, and approvals under this Agreement must be delivered in writing by electronic mail, courier, electronic facsimile, or certified or registered mail (postage prepaid and return receipt requested) to the other party at the address set forth in the most recent Order (or to such other address or person as from time to time provided by such party in accordance with this [Section 12.5](#)), and will be effective upon receipt or three (3) business days after being deposited in the mail as required above, whichever occurs sooner.

12.6. Governing Law and Venue; Waiver of Jury Trial. This Agreement will be governed by and interpreted in accordance with the laws of the State of Colorado without reference to its choice of law rules. The United Nations Convention on Contracts for the International Sale of Goods does not apply to this Agreement. Any action or proceeding arising from or relating to this Agreement shall be brought in a federal or state court in the State of Colorado, and each party irrevocably submits to the jurisdiction and venue of any such court in any such action or proceeding. EACH PARTY HEREBY KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT.

12.7. Remedies. Except as otherwise expressly provided in this Agreement, the parties' rights and remedies under this Agreement are cumulative. Customer acknowledges that the Software and Services are built on valuable trade secrets and proprietary information of ZOLL, that any actual or threatened breach hereof will constitute immediate, irreparable harm to ZOLL for which monetary damages would be an inadequate remedy, and that ZOLL will be entitled to injunctive relief for such breach or threatened breach. Customer further agrees to waive and hereby waives any requirement for the security or the posting of any bond in connection with such remedies. Such remedies shall not be considered to be the exclusive remedies for any such breach or threatened breach, but shall be in addition to all other remedies available at law or equity to ZOLL.

12.8. Waivers. Any waiver or failure to enforce any provision of this Agreement on one occasion will not be deemed a waiver of any other provision or of such provision on any other occasion.

12.9. Severability. If any provision of this Agreement is held by a court of competent jurisdiction to be unenforceable, such provision will be changed and interpreted to accomplish the objectives of such provision to the greatest extent possible under applicable law and the remaining provisions of this Agreement will continue in full force and effect. In any event, the unenforceability or invalidity of any provision shall not affect any other provision of this Agreement, and this Agreement shall continue in full force and effect, and be construed and enforced, as if such provision had not been included, or had been modified as above provided, as the case may be.

12.10. Independent Contractors. The parties are entering into, and will perform, this Agreement as independent contractors. Nothing in this Agreement will be construed to make either party the agent of the other for any purpose whatsoever, to authorize either party to enter into any contract or assume any obligation on behalf of the other or to establish a partnership, franchise or joint venture between the parties.

12.11. Third Parties. Customer is solely responsible for, and none of the fees set forth herein shall be deemed to cover, any amounts owed to third parties in connection with the use of the ASP Services. If Customer engages a third-party provider ("**Third Party Provider**") to deliver products or services, including without limitation software, integrated into or receiving data from or accessing the ASP Services ("**Third Party Products or Services**"), Customer represents, warrants and agrees that: (i) ZOLL shall have no liability, and makes no representation, with respect to such Third Party Products or Services; and (ii) the Third Party Provider shall not be an agent of ZOLL. To the extent the ASP Services or Software contains software owned by a third party for which ZOLL has a license agreement with a third party, the ASP Services and Software and all rights granted hereunder are expressly limited by and subject to any license agreements ZOLL may have for such software.

12.12. Force Majeure. Neither party shall be liable for damages for any delay or failure of performance hereunder (other than payment obligation) arising out of causes beyond such party's reasonable control and without such party's fault or negligence, including, but not limited to, failure of its suppliers to timely deliver acceptable parts or services, any act or omission of Customer that interferes with or impedes ZOLL's performance hereunder, acts of God, acts of civil or military authority, fires, riots, wars, embargoes, Internet disruptions, hacker attacks, or communications failures (a "**Force Majeure Event**").

12.13. Entire Agreement; Amendment; No Third Party Beneficiaries; Survival. This Agreement, which may be accepted by performance, constitutes the entire agreement between the parties regarding the subject hereof and supersedes all prior or contemporaneous agreements, understandings, and communication, whether written or oral, except agreements at zollonline.com. Any other representation or agreement, whether written or oral, including but not limited to any purchase order issued by Customer, shall be wholly inapplicable to the Software and Services and shall not be binding in any way on ZOLL. This Agreement may not be amended or changed or any provision hereof waived except in writing signed by both parties. Any different or additional terms in any purchase order, confirmation or similar form issued or otherwise provided by Customer but not signed by an authorized representative of ZOLL shall have no force or effect. There are no third party beneficiaries of this Agreement. Those provisions of this Agreement that may be reasonably interpreted as surviving termination of this Agreement or the survival of which is necessary for the interpretation or enforcement of this Agreement shall continue in full force and effect in accordance with their terms notwithstanding the termination hereof including, but not limited to, Section 7 (Confidentiality), Section 8 (Indemnification), Section 9 (Limitation on Liability), Section 10 (Ownership), Section 11.3 (Effects of Termination) and Section 12 (General Provisions). This Agreement may be executed in counterparts, each of which will be considered an original, but all of which together will constitute the same instrument.

13. HIPAA. This Section 13 applies if and to the extent that ZOLL creates, receives, maintains or transmits, directly or indirectly, any protected health information of Customer ("**PHI**") in the course of providing Software or Services to Customer. Capitalized terms used but not defined in this Section 13 have the meanings assigned to them elsewhere in the Agreement or, if not defined therein, as defined in the Health Insurance Portability and Accountability Act of 1996 (P.L. 104 191), 42 U.S.C. Section 1320d, et seq., and regulations promulgated thereunder, as amended from time to time (such statute and regulations collectively referred to as "**HIPAA**"). "**Covered Entity**" as used herein means Customer. "**Business Associate**" as used herein means ZOLL. The purpose of this Section 13 is to comply with 45 C.F.R. §164.502(e) and §164.504(e), governing PHI and business associates under HIPAA.

13.1. Applicability. This Section 13 applies if and to the extent that Business Associate creates, receives, maintains or transmits, directly or indirectly, any PHI in the course of providing Software or Services to Covered Entity.

13.2. Compliance and Agents. Business Associate agrees that, to the extent it has access to PHI, Business Associate will fully comply with the requirements of this Section 13 with respect to such PHI. Business Associate will ensure that every agent, including a subcontractor, of Business Associate to whom it provides PHI received from, or created or received by Business Associate on behalf of, Covered Entity will comply with the same restrictions and conditions as set forth herein.

13.3. Use and Disclosure; Rights. Business Associate agrees that it shall not use or disclose PHI except as permitted under this Agreement, and in compliance with each applicable requirement of 45 CFR Section 164.504(e). Business Associate may use or disclose the PHI received or created by it, (a) to perform its obligations under this Agreement, (b) to perform functions, activities, or services for, or on behalf of, Covered Entity as specified in the Agreement, or (c) to provide data aggregation functions to Covered Entity as permitted by HIPAA. Further, Business Associate may use the PHI received by it in its capacity as Business Associate, if necessary, to properly manage and administer its business or to carry out its legal responsibilities. The notice shall include the identification of each individual whose unsecured protected health information has been, or is reasonably believed by Business Associate to have been, accessed,

acquired, or disclosed during such breach. Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a use or disclosure of PHI by Business Associate in violation of this Agreement.

13.7. Individual Access. In accordance with an individual's right to access to his or her own PHI in a designated record set under 45 CFR §164.524 and the individual's right to copy or amend such records under 45 CFR §164.524 and §164.526, Business Associate shall make available all PHI in a designated record set to Covered Entity to enable the Covered Entity to provide access to the individual to whom that information pertains or such individual's representative.

13.8. Amendment of and Access to PHI. Business Associate shall make available for amendment PHI in a designated record set and shall incorporate any amendments to PHI in a designated record set in accordance with 45 CFR §164.526 and in accordance with any process mutually agreed to by the parties.

13.11. Individual Authorizations; Restrictions. Covered Entity will notify Business Associate of any limitation in its notice of privacy practices, any restriction to the use or disclosure of PHI that Covered Entity has agreed to with an individual and of any changes in or revocation of an authorization or other permission by an individual, to the extent that such limitation, restriction, change, or revocation may affect Business Associate's use or disclosure of PHI.

13.12. HITECH Act Compliance. Covered Entity and Business Associate agree to comply with the amendments to HIPAA included in the Health Information Technology for Economic and Clinical Health Act (the "**HITECH Act**"), including all privacy and security regulations issued under the HITECH Act that apply to Business Associate.

13.13. Breach; Termination; Mitigation. If Covered Entity knows of a pattern of activity or practice of Business Associate that constitutes a material breach or violation of Business Associate's obligations under this Section 13, Covered Entity and Business Associate shall take any steps reasonably necessary to cure such breach and make Business Associate comply, and, if such steps are unsuccessful, Covered Entity may terminate this Agreement. Business Associate shall take reasonable actions available to it to mitigate any detrimental effects of such violation or failure to comply.

13.14. Return of PHI. Business Associate agrees that upon termination of this Agreement, and if feasible, Business Associate shall (a) return or destroy all PHI received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity, that Business Associate has continued to maintain in any form or manner and retain no copies of such information or, (b) if such return or destruction is not feasible, immediately notify Covered Entity of the reasons return or destruction are not feasible, and extend indefinitely the protection of this Section 13 to such PHI and limit further uses and disclosures to those purposes that make the return or destruction of the PHI not feasible.

13.15. De-identified Health Information. Business Associate may de-identify any and all PHI and may create a "**Limited Data Set**" in accordance with 45 C.F.R. § 164.514(b) & (e). Covered Entity acknowledges and agrees that de-identified information is not PHI and that Business Associate may use such de-identified information for any lawful purpose. Use or disclosure of a Limited Data Set must comply with 45 CFR 164.514(e).

13.16. Survival. All representations, covenants, and agreements in or under this Section 13 shall survive the execution, delivery, and performance of this Agreement.

13.17. Further Assurances; Conflicts. Each party shall in good faith execute, acknowledge or verify, and deliver any and all documents which may from time to time be reasonably requested by the other party to carry out the purpose and intent of this Section 13. The terms and conditions of this Section 13 will override and control any expressly conflicting term or condition of the Agreement. All non-conflicting terms and conditions of the Agreement shall remain in full force and effect. Any ambiguity shall be resolved in a manner that will permit Covered Entity to comply with HIPAA. For the avoidance of doubt, a limitation on liability in the Agreement does not conflict with this Section 13.

13.18. Applicable Law. The parties acknowledge and agree that HIPAA may be amended and additional guidance or regulations implementing HIPAA may be issued after the date of the execution of this Agreement and may affect the parties' obligations hereunder. The parties agree to take such action as is necessary to amend this Agreement from time in order as is necessary for Covered Entity to comply with HIPAA.

I noticed that Zoll sent this to Ryn instead of PRG. NFD is ok with adding the additional models to the existing contract.

Hello Ryn and Leigh Anne,

ZOLL launched a new monitor in January called the X Series Advanced. With the new device we have new part #'s that we want to get added to your contract. See the attached amendment. Please sign and send back so that we can have these items added for future purchase opportunity. Let me know if you have any questions. I'm more than happy to review the newly FDA approved advancements to the monitor.

Hope all is well in Nashville. Take care,

Lynn Isaacs

CONTRACTOR shall further indemnify and hold harmless METRO against any award of damages and costs made against METRO by a final judgment of a court of last resort in any such suit. METRO shall provide CONTRACTOR immediate notice in writing of the existence of such claim and full right and opportunity to conduct the defense thereof, together with all available information and reasonable cooperation, assistance and authority to enable CONTRACTOR to do so. No costs or expenses shall be incurred for the account of CONTRACTOR without its written consent. METRO reserves the right to participate in the defense of any such action. CONTRACTOR shall have the right to enter into negotiations for and the right to effect settlement or compromise of any such action, but no such settlement or compromise shall be binding upon METRO unless approved by the METRO Department of Law Settlement Committee and, where required, the METRO Council.

If the products or services furnished under this Contract are likely to, or do become, the subject of such a claim of infringement, then without diminishing CONTRACTOR's obligation to satisfy the final award, CONTRACTOR may at its option and expense:

- Procure for METRO the right to continue using the products or services
- Replace or modify the alleged infringing products or services with other equally suitable products or services that are satisfactory to METRO, so that they become non-infringing
- Remove the products or discontinue the services and cancel any future charges pertaining thereto

Provided; however, that CONTRACTOR will not exercise the Remove option above until CONTRACTOR and METRO have determined that the Procure and/or Replace options are impractical. CONTRACTOR shall have no liability to METRO; however, if any such infringement or claim thereof is based upon or arises out of:

- The use of the products or services in combination with apparatus or devices not supplied or else approved by CONTRACTOR;
- The use of the products or services in a manner for which the products or services were neither designated nor contemplated; or,
- The claimed infringement in which METRO has any direct or indirect interest by license or otherwise, separate from that granted herein.

The books, records, and documents of CONTRACTOR, insofar as they relate to work performed or money received under this Contract, shall be maintained for a period of three (3) full years from the date of final payment and will be subject to audit once annually, upon reasonable notice by METRO or its duly appointed representatives. METRO shall have the option of reviewing and performing a security assessment of the information security management practices of CONTRACTOR. METRO shall have the right, once annually, at its expense, during normal business hours and with reasonable advance notice, to evaluate, test, and review at CONTRACTOR's premises the Products and/or Services to ensure compliance with the terms and conditions of this Contract. METRO shall have the right to conduct such audits by use of its own employees and internal audit staff, or by use of outside consultants and auditors.

8.11. METRO Property

Any METRO property, including but not limited to books, records, and equipment that is in CONTRACTOR's possession shall be maintained by CONTRACTOR in good condition and repair, and shall be returned to METRO by CONTRACTOR upon termination of this Contract.

Except as to Contracts involving sensitive information, CONTRACTOR may keep one (1) copy of the aforementioned documents upon completion of this Contract; provided, however, that in no event shall CONTRACTOR use, or permit to be used, any portion of the documents on other projects without METRO's prior written authorization. CONTRACTOR shall maintain sensitive information securely and if required by METRO, provide secured destruction of said information. Distribution and/or reproduction of METRO sensitive information outside of the intended and approved use are strictly prohibited unless permission in writing is first received from the METRO Chief Information Security Officer. The storage of METRO sensitive information to third-party hosted network storage areas, such as Microsoft Skydrive, Google Docs, Dropbox, or other cloud storage mechanisms, shall not be allowed without first receiving permission in writing from the METRO Chief Information Security Officer.

None of the Parties hereto shall hold itself out in a manner contrary to the terms of this paragraph. No Party shall become liable for any representation, act, or omission of any other Party contrary to the terms of this Contract.

TECHNICAL SUPPORT AND ON-SITE SERVICE

ZOLL Medical Corporation provides technical assistance through our Technical Support Department. Should the ZOLL equipment require service, contact the Technical Support Department directly.

Technical Support Hours of Coverage

Technical Support is available to all ZOLL Customers free of charge through our Technical Support Help Desk by calling **1-800-348-9011**, Monday through Friday from **8:30 AM to 6:00 PM EST**.

The Technical Support Representative will require the following pertinent information to open a Service Request:

- Unit Serial Number
- Description of the complaint
- Department where the equipment is being used
- Patient information if applicable
- ECG strips if available
- Purchase Order number if the device is out of warranty

This information will assist us in performing a full evaluation when the product is received at our Depot. You will be given an RMA number to track the return of your product.

Emergency Service

Outside the coverage identified above, Technical Support is available to all ZOLL Customers on an emergency basis 7 days a week. Emergency Support is available by calling **1-800-348-9011, option 8** to reach our off hours dispatch system. During weekends and evenings, our on call Technical Support Representative will return the call within 4 hours.

Response Time

The Technical Support Help Desk answers support inquiries in real time. If the caller prefers to leave a voicemail, the tech support team will return the call within 1 hour (during business hours). The caller will work with the Technical Support Representative to troubleshoot the issue.

Technical Support Help Desk may dispatch a service loaner to your facility. A Service Loaner is available at no charge during the repair analysis process and is shipped to arrive before 10 AM the next business day.

On-Site Service

If the inquiry is not resolved during the phone call, a local field support technician may be dispatched. ZOLL On-Site is specifically designed for customers that require an on-site service plan. In addition to our standard free service,

ZOLL On-Site provides the expertise of our factory trained ZOLL Field Support Technicians.

Terms

Within 48 hours of contact to Technical Support, a Field Support Representative will be on-site during normal business hours to respond to the customer's needs.

If the On-Site contract covers multiple devices, located in multiple stations, you must provide one or two primary centrally located stations. In the event of a device problem, the device should be made available to the ZOLL Field Support Technician during the scheduled on-site visit at one of the two centrally located stations.

A primary and back-up contact must be provided to the ZOLL Field Support Technician for all communication.

Only closed box repairs can be completed on-site (i.e. software updates, software reloading, handle replacement, external cable replacement).

Service Provided by On-Site Service

The following services will be provided by a ZOLL field technician during the scheduled on-site visit:

- Troubleshoot device(s) and/or accessories under contract.
- Place calls with the Technical Support Help Desk to open Service Requests and obtain a Return Authorization Number for devices requiring ZOLL Depot repair/evaluation.

- Provide answers or guidance to assure that any issues or questions you or your staff may have are addressed.
- Provide product training as required.
- Perform device software updates with the permission of the customer.
- Review battery chargers and battery management. Cycle batteries as required.

Depot Repairs

Repairs are performed in the Service Depot located at ZOLL Corporate in Chelmsford, MA.

ZOLL Service Technicians are highly skilled individuals that are trained in accordance with the Technical Service Standard Operating Procedures. Training is required to be completed prior to evaluating and repairing any device. Technicians are also required to be trained on any updates to these procedures as they occur.

Training requirements, procedures and records are retained electronically in the ZOLL Training System (ZTS) database. ZOLL is committed to providing the highest level of quality in the servicing of all ZOLL products.

All repaired products go through an integral recertification process prior to being returned to you. This includes devices that undergo a repair or an evaluation which determines that a repair is not required, as the evaluation may include disassembly of the product. This process recertifies your device for clinical use.

On-Site Service for Preventive Maintenance

ZOLL recommends that Preventive Maintenance be performed on most devices (refer to the devices Operator's Manual). A Preventive Maintenance program through ZOLL verifies that your ZOLL defibrillators are operating to specification.

A ZOLL factory trained PM and Deployment Technician will be scheduled to provide annual on-site preventive maintenance at one or two centrally located stations. A primary and back-up PM contact must be provided to the ZOLL Field Support Technician for all communication and scheduling. ZOLL will work with a PM Contact provided to coordinate the Preventive Maintenance.

Battery Replacement Program

- Batteries must be maintained per ZOLL's recommended maintenance program.
- Batteries will be replaced, one for one, throughout the Extended Warranty period on an as needed basis, should the SurePower battery or SurePower Charger display a fault.

- Battery replacement program only applies to batteries included with the original shipment of the devices.
- Batteries must be returned to the ZOLL Depot for evaluation and confirmation of failure.
