THIS "EASEMENT" is made and granted as of this ____ day of _____, 2022, from **METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY ("Grantor"**, whether one or more), to **PIEDMONT NATURAL GAS COMPANY, INC.**, a North Carolina corporation ("**Piedmont**").

WHEREAS, Grantor is the owner of, or has an interest in, that property situated in the County of Davidson, Tennessee, as more particularly described in the instrument recorded in Deed Book 1318, Page 674, Davidson County Registry (the "**Property**").

NOW, THEREFORE, Grantor for and in consideration of the sum of Thirty-Nine Thousand Dollars (\$39,000.00), the receipt and legal sufficiency of which is hereby acknowledged, hereby grants, bargains, sells, and conveys unto Piedmont, its successors and assigns the following easement(s) and right(s) of way under, upon, over, through, and across the Property, as shown on the survey attached hereto as **Exhibit A** and incorporated herein by reference (the "**Survey**").

Pipeline Easement. A perpetual easement under, upon, over, through, and across that portion of the Property, generally 50 feet wide, designated "Pipeline Easement" on the Survey (the "**Pipeline Easement Area**") for purposes of constructing, installing, maintaining, operating, repairing, altering, replacing, removing, relocating, inspecting, upgrading, and protecting one or more pipelines (which pipelines shall be underground) and appurtenant facilities (including, without limitation: at or below grade valves and anode beds; and above ground markers, cathodic protection equipment, bollards) for the transportation of natural gas.

For purposes of this EASEMENT, the term "**Easements**" shall refer collectively to all easements described above and as depicted on the Survey and the term "**Easement Areas**" shall refer collectively to all the easement areas described above and as depicted on the Survey.

Piedmont's Use. Piedmont shall have all rights necessary or convenient for the full use and enjoyment of the Easement(s) herein granted, including, without limitation: (1) reasonable access across the Property to and from the Easement Areas, and (2) the right, but not the obligation, to clear and keep the Easement Areas cleared of vegetation, undergrowth, trees (including overhanging limbs and foliage), buildings, structures, installations, and any other obstructions which unreasonably interfere with the rights granted herein (collectively, "**Obstructions**"). Some or all of the natural gas pipelines and appurtenant facilities (collectively, as described and permitted in the Easements granted herein, the "**Facilities**") may be installed now and/or in the future. All Facilities shall be and remain the property of Piedmont and may be removed by it at any time and from time to time.

Grantor's Reservation of Rights. Grantor reserves the right to use the Property and Easement Areas for all purposes that do not unreasonably interfere with the rights granted herein and that are not inconsistent with any applicable federal, state, or local law, rule, or regulation. Grantor may change the use of the Easement Areas or install certain Obstructions within the Easement Areas if Grantor has obtained prior written approval from Piedmont, which approval shall not be unreasonably withheld, conditioned or delayed. Anything to the contrary herein notwithstanding, Grantor shall not: (1) unreasonably interfere with Piedmont's access to or maintenance of the Facilities or the Easement Areas; (2) endanger the safety of Grantor, Piedmont, the general public, private or personal property, or the Facilities; or (3) install or maintain, or permit to be installed or maintained, any Obstructions within the Easement Areas except as approved in writing by Piedmont.

Damages. Piedmont shall be responsible for actual physical damage to (1) the land within the Property and Easement Areas and (2) improvements and annual crops located on the Property that are not in violation of the terms hereof, to the extent caused by Piedmont in exercising the rights granted herein, provided that a claim is made by Grantor within one hundred and twenty (120) days after such damages are sustained. Piedmont shall restore and level the surface of the Easement Areas to a condition which is reasonably close to the condition existing immediately prior to Piedmont's use of the Easement Area, excepting those permanent alterations which may be permitted in connection with each Easement above, if any, and earthen water bars to prevent erosion. Piedmont shall not be liable for any damage caused to Obstructions or improvements installed in violation of the terms hereof and may remove them at Grantor's expense without Grantor's prior approval or permission.

No Waiver or Additional Representations. The failure by Piedmont to exercise and/or enforce any of the rights, privileges, and Easements herein described shall not be construed as a waiver or abandonment of any such rights, privileges and Easements, and Piedmont thereafter may exercise and/or enforce, at any time and from time to time, any or all of them. It is understood and acknowledged by Grantor that only terms expressly stated herein will be binding on Piedmont.

Ownership of the Property. Grantor represents, warrants and covenants that it is the lawful owner of the Property and has the right to convey the rights set forth herein and that the Property is free from all encumbrances, except for encumbrances of record. Grantor represents it has obtained any necessary approvals from any applicable tenant interests.

To have and to hold said rights, privileges, and Easements unto Piedmont, its affiliates, successors, and assigns. Piedmont, its successors and assigns, shall have the right to assign, license, lease, or otherwise transfer, in whole or in part, this EASEMENT, or any rights granted herein, to any person or entity, including but not limited to, any affiliated parent or subsidiary entity of Piedmont, for the uses and purposes expressly stated herein. This EASEMENT shall run with the land and inure to the benefit of and be binding upon Grantor, Piedmont and their respective heirs, successors and assigns.
