On behalf of the Metropolitan Planning Commission, the following item, referred to the Commission as required by the Metro Charter, has been recommended for *approval* to the Metropolitan Council:

*An ordinance authorizing the granting of permanent and temporary construction easements to Piedmont Natural Gas Co. on certain property owned by the Metropolitan Government (Proposal No. 2022M-170ES-001).*

The relevant Metro agencies (Metro Parks, Metro Public Works, Metro Water Services, Metro Emergency Communications, the Nashville Electric Service, Metro Finance – Public Property and the Metro Historical Commission) have reviewed the proposal and concur in the recommendation for approval. This request must be approved by the Metro Council to become effective. A sketch showing the location of the request is attached to this letter.

**Conditions that apply to this approval: none**

This recommendation for approval is given as set forth in the Metropolitan Planning Commission Rules and Procedures. If you have any questions about this matter, please contact Delilah Rhodes at [delilah.rhodes@nashville.gov](mailto:delilah.rhodes@nashville.gov) or 615-862-7208.

Sincerely,

PROJECT NO. #0220338

PARCEL ID #: 049-00-0-308.00

THIS "EASEMENT" is made and granted as of this \_\_\_\_ day of \_\_\_\_\_, 20\_\_, from **Metropolitan Government of Nashville and Davidson County, Tennessee** ("Grantor", whether one or more), to **PIEDMONT NATURAL GAS COMPANY, INC.**, a North Carolina corporation ("Piedmont").

WHEREAS, Grantor is the owner of, or has an interest in, that property situated in the County of Davidson, Tennessee, as more particularly described in the instrument recorded in Instrument #20120828-0077491, Davidson County Registry (the "Property").

NOW, THEREFORE, Grantor for and in consideration of the sum of Nine Thousand Four Hundred and No/100 Dollars (\$9,400.00), the receipt and legal sufficiency of which is hereby acknowledged, hereby grants, bargains, sells, and conveys unto Piedmont, its successors and assigns the following easement(s) and right(s) of way under, upon, over, through, and across the Property, as shown on the survey attached hereto as **Exhibit A** and incorporated herein by reference (the "Survey").

**Permanent Easement.** A perpetual easement under, upon, over, through, and across that portion of the Property, generally 50 feet wide, designated "Permanent Easement" on the Survey (the "**Permanent Easement Area**") for purposes of constructing, installing, maintaining, operating, repairing, altering, replacing, removing, relocating, inspecting, upgrading, and protecting one or more pipelines (which pipelines shall be underground) and appurtenant facilities (including, without limitation: at or below grade valves and anode beds; and above ground markers, cathodic protection equipment, bollards) for the transportation of natural gas.

**Temporary Construction Easement ("TCE").** A temporary right to use the area designated "TCE" on the Survey (the "**TCE Area**") for the purposes of performing construction activities and laying, storing, erecting, parking, and/or protecting any equipment, vehicles, materials, fill, components, parts, and tools associated with the construction of Piedmont's natural gas pipelines and appurtenant facilities for which this TCE is given, which may or may not be located on the Property. Piedmont shall have the right, but not the obligation, to install temporary fencing around the TCE Area and to exclude all persons, including Grantor, from any fenced portions of the TCE Area.

Following all facilities for which this TCE is given being placed in service, the TCE shall terminate upon (1) Piedmont's restoration of the TCE Area pursuant to the restoration requirements described in the Damages section below and (2) when any permits have been issued for construction and/or erosion and sediment control measures are present, the release of Piedmont from its obligations under all permits and the removal of all temporary erosion and sediment control measures from the Property. The TCE does not grant Piedmont the right to place any permanent natural gas pipelines or appurtenant facilities in the TCE Area.

For purposes of this EASEMENT, the term "**Easements**" shall refer collectively to all easements described above and as depicted on the Survey and the term "**Easement Areas**" shall refer collectively to all the easement areas described above and as depicted on the Survey.

**Piedmont's Use.** Piedmont shall have all rights necessary or convenient for the full use and enjoyment of the rights herein granted, including, without limitation: (1) reasonable access across the Property to and from the Easement Areas, and (2) the right, but not the obligation, to clear and keep the Easement Areas cleared of vegetation, undergrowth, trees (including overhanging limbs and foliage), buildings, structures, installations, and any other obstructions which unreasonably interfere with the rights granted herein (collectively, "**Obstructions**"). Some or all of the natural gas pipelines and appurtenant facilities (collectively, as described and permitted in the Easements granted herein, the "**Facilities**") may be installed now and/or in the future. All Facilities shall be and remain the property of Piedmont and may be removed by it at any time and from time to time.

**Grantor's Reservation of Rights.** Grantor reserves the right to use the Property and Easement Areas for all purposes that do not unreasonably interfere with the rights granted herein and that are not inconsistent with any applicable federal, state, or local law, rule, or regulation. Grantor may change the use of the Easement Areas or install certain Obstructions within the Easement Areas if Grantor has obtained prior written approval from Piedmont, which approval shall not be unreasonably withheld, conditioned or delayed. Anything to the contrary herein notwithstanding, Grantor shall not: (1) unreasonably interfere with Piedmont's access to or maintenance of the Facilities or the Easement Areas; (2) endanger the safety of

Grantor, Piedmont, the general public, private or personal property, or the Facilities; or (3) install or maintain, or permit to be installed or maintained, any Obstructions within the Easement Areas except as approved in writing by Piedmont.

**Damages.** Piedmont shall be responsible for actual physical damage to (1) the land within the Property and Easement Areas and (2) improvements and annual crops located on the Property that are not in violation of the terms hereof, to the extent caused by Piedmont in exercising the rights granted herein, provided that a claim is made by Grantor within one hundred and twenty (120) days after such damages are sustained. Piedmont shall restore and level the surface of the Easement Areas to a condition which is reasonably close to the condition existing immediately prior to Piedmont's use of the Easement Area, excepting those permanent alterations which may be permitted in connection with each Easement above, if any, and earthen water bars to prevent erosion. Piedmont shall not be liable for any damage caused to Obstructions or improvements installed in violation of the terms hereof and may remove them at Grantor's expense without Grantor's prior approval or permission.

**No Waiver or Additional Representations.** The failure by Piedmont to exercise and/or enforce any of the rights, privileges, and Easements herein described shall not be construed as a waiver or abandonment of any such rights, privileges and Easements, and Piedmont thereafter may exercise and/or enforce, at any time and from time to time, any or all of them. It is understood and acknowledged by the undersigned that the person securing this grant on behalf of Piedmont is without authority to make any agreement with regard to the subject matter hereof which is not expressed herein, and that no such agreement will be binding on Piedmont.

**Ownership of the Property.** Grantor represents, warrants and covenants that it is the lawful owner of the Property and has the right to convey the rights set forth herein and that the Property is free from all encumbrances, except for encumbrances of record. Grantor represents it has obtained any necessary approvals from any applicable tenant interests.

To have and to hold said rights, privileges, and Easements unto Piedmont, its affiliates, successors, and assigns. Piedmont, its successors and assigns, shall have the right to assign, license, lease, or otherwise transfer, in whole or in part, this EASEMENT, or any rights granted herein, to any person or entity, including but not limited to, any affiliated parent or subsidiary entity of Piedmont, for the uses and purposes expressly stated herein. This EASEMENT shall run with the land and inure to the benefit of and be binding upon Grantor, Piedmont and their respective heirs, successors and assigns.

## RIGHT OF ENTRY

That for and in consideration of the mutual covenants and agreements contained herein, the payment of \$10.00, and other good and valuable consideration, the receipt and sufficiency of which is hereby duly acknowledged, the Metropolitan Government of Nashville and Davidson County ("Metro"), upon approval from FEMA, hereby grants to Piedmont Natural Gas Company, Inc. ("Piedmont") permission for its employees, representatives, agents, contractors and consultants to enter upon the parcels of property identified in Exhibit A (the "Property") for the purpose of preparing said Property for the construction of permanent improvements, said work to include travel lane/temporary access to temporary work space ("TWS"), clearing trees and vegetation in TWS (collectively, the "Operations").

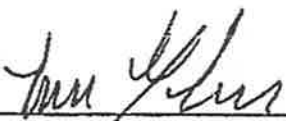

Piedmont agrees that:

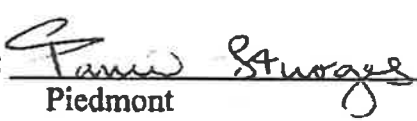

1. This Right of Entry conveys no rights other than those specifically described herein.
2. Piedmont will conduct the Operations with as little disturbance to the Property as is reasonably possible.
3. Piedmont will promptly repair any damage to the Property caused by the Operations. Piedmont does not consider clearing activities to be damages.
4. Piedmont will indemnify Metro, its officers, agents and employees against any claims, suits, damages and causes of action arising from or relating to the Operations.
5. Piedmont will provide and keep in force policies of commercial general liability insurance having limits not less than three million dollars (\$3,000,000) for each occurrence and five million dollars (\$5,000,000) in aggregate coverage for bodily injury and property damage occurring as a result of or relating to the Operations. Such policies shall name the Metropolitan Government as an additional insured.

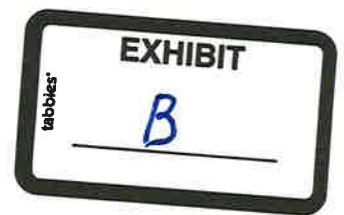

Evidence of coverage as required by this paragraph shall be provided to Metro prior to the commencement of any Operations. Policies contemplated by this paragraph shall be issued by a company or companies authorized to do business in Tennessee and approved by Metro. Metro acknowledges that Piedmont self-insures all coverages.

6. Piedmont will advise the Director of the Metropolitan Department of General Services and any other persons the Director may designate prior to any entry upon the Property to undertake the Operations.
7. Piedmont understands and agrees that it will not commence any Operations unless and until FEMA has reviewed and approved Piedmont's project for the installation of the pipeline.
8. This Right of Entry is not exclusive, and the Metropolitan Government retains the right to use the Property for any and all purposes at any time which do not unreasonably interfere with Piedmont's rights granted herein.
9. Either party may cancel this agreement upon thirty (30) days' written notice to the other party.

- 10. This agreement shall commence upon receipt of the final approval from FEMA of Piedmont's Natural Gas Line 431 Phase 2 project, Whites Creek Pike and West Hamilton Avenue.
- 11. This agreement shall automatically terminate upon passage of an ordinance by the Metropolitan Council granting Piedmont permanent easements for the construction of Piedmont's Natural Gas Line 431 Phase 2 project; provided that the agreement shall only terminate as to those parcels for which Metro has granted permanent easements if not all permanent easements are granted simultaneously.

THIS "EASEMENT" is made and granted as of this \_\_\_\_ day of \_\_\_\_\_, 20\_\_, from **Metropolitan Government of Nashville and Davidson County, Tennessee ("Grantor"**, whether one or more), to **PIEDMONT NATURAL GAS COMPANY, INC.**, a North Carolina corporation ("**Piedmont**").

WHEREAS, Grantor is the owner of, or has an interest in, that property situated in the County of Davidson, Tennessee, as more particularly described in the instrument recorded in Instrument #20120828-0077475, Davidson County Registry (the "**Property**").

NOW, THEREFORE, Grantor for and in consideration of the sum of Four Thousand Two Hundred and No/100 Dollars (\$4,200.00), the receipt and legal sufficiency of which is hereby acknowledged, hereby grants, bargains, sells, and conveys unto Piedmont, its successors and assigns the following easement(s) and right(s) of way under, upon, over, through, and across the Property, as shown on the survey attached hereto as **Exhibit A** and incorporated herein by reference (the "**Survey**").

**Permanent Easement.** A perpetual easement under, upon, over, through, and across that portion of the Property, generally 50 feet wide, designated "Permanent Easement" on the Survey (the "**Permanent Easement Area**") for purposes of constructing, installing, maintaining, operating, repairing, altering, replacing, removing, relocating, inspecting, upgrading, and protecting one or more pipelines (which pipelines shall be underground) and appurtenant facilities (including, without limitation: at or below grade valves and anode beds; and above ground markers, cathodic protection equipment, bollards) for the transportation of natural gas.

**Temporary Construction Easement ("TCE").** A temporary right to use the area designated "TCE" on the Survey (the "**TCE Area**") for the purposes of performing construction activities and laying, storing, erecting, parking, and/or protecting any equipment, vehicles, materials, fill, components, parts, and tools associated with the construction of Piedmont's natural gas pipelines and appurtenant facilities for which this TCE is given, which may or may not be located on the Property. Piedmont shall have the right, but not the obligation, to install temporary fencing around the TCE Area and to exclude all persons, including Grantor, from any fenced portions of the TCE Area.

Following all facilities for which this TCE is given being placed in service, the TCE shall terminate upon (1) Piedmont's restoration of the TCE Area pursuant to the restoration requirements described in the Damages section below and (2) when any permits have been issued for construction and/or erosion and sediment control measures are present, the release of Piedmont from its obligations under all permits and the removal of all temporary erosion and sediment control measures from the Property. The TCE does not grant Piedmont the right to place any permanent natural gas pipelines or appurtenant facilities in the TCE Area.

For purposes of this EASEMENT, the term "**Easements**" shall refer collectively to all easements described above and as depicted on the Survey and the term "**Easement Areas**" shall refer collectively to all the easement areas described above and as depicted on the Survey.

**Piedmont's Use.** Piedmont shall have all rights necessary or convenient for the full use and enjoyment of the rights herein granted, including, without limitation: (1) reasonable access across the Property to and from the Easement Areas, and (2) the right, but not the obligation, to clear and keep the Easement Areas cleared of vegetation, undergrowth, trees (including overhanging limbs and foliage), buildings, structures, installations, and any other obstructions which unreasonably interfere with the rights granted herein (collectively, "**Obstructions**"). Some or all of the natural gas pipelines and appurtenant facilities (collectively, as described and permitted in the Easements granted herein, the "**Facilities**") may be installed now and/or in the future. All Facilities shall be and remain the property of Piedmont and may be removed by it at any time and from time to time.

**Grantor's Reservation of Rights.** Grantor reserves the right to use the Property and Easement Areas for all purposes that do not unreasonably interfere with the rights granted herein and that are not inconsistent with any applicable federal, state, or local law, rule, or regulation. Grantor may change the use of the Easement Areas or install certain Obstructions within the Easement Areas if Grantor has obtained prior written approval from Piedmont, which approval shall not be unreasonably withheld, conditioned or delayed. Anything to the contrary herein notwithstanding, Grantor shall not: (1) unreasonably interfere with Piedmont's access to or maintenance of the Facilities or the Easement Areas; (2) endanger the safety of

Grantor, Piedmont, the general public, private or personal property, or the Facilities; or (3) install or maintain, or permit to be installed or maintained, any Obstructions within the Easement Areas except as approved in writing by Piedmont.

**Damages.** Piedmont shall be responsible for actual physical damage to (1) the land within the Property and Easement Areas and (2) improvements and annual crops located on the Property that are not in violation of the terms hereof, to the extent caused by Piedmont in exercising the rights granted herein, provided that a claim is made by Grantor within one hundred and twenty (120) days after such damages are sustained. Piedmont shall not be liable for any damage caused to Obstructions or improvements installed in violation of the terms hereof and may remove them at Grantor's expense without Grantor's prior approval or permission.

**No Waiver or Additional Representations.** The failure by Piedmont to exercise and/or enforce any of the rights, privileges, and Easements herein described shall not be construed as a waiver or abandonment of any such rights, privileges and Easements, and Piedmont thereafter may exercise and/or enforce, at any time and from time to time, any or all of them. It is understood and acknowledged by the undersigned that the person securing this grant on behalf of Piedmont is without authority to make any agreement with regard to the subject matter hereof which is not expressed herein, and that no such agreement will be binding on Piedmont.

**Ownership of the Property.** Grantor represents, warrants and covenants that it is the lawful owner of the Property and has the right to convey the rights set forth herein and that the Property is free from all encumbrances, except for encumbrances of record. Grantor represents it has obtained any necessary approvals from any applicable tenant interests.

To have and to hold said rights, privileges, and Easements unto Piedmont, its affiliates, successors, and assigns. Piedmont, its successors and assigns, shall have the right to assign, license, lease, or otherwise transfer, in whole or in part, this EASEMENT, or any rights granted herein, to any person or entity, including but not limited to, any affiliated parent or subsidiary entity of Piedmont, for the uses and purposes expressly stated herein. ## RIGHT OF ENTRY

That for and in consideration of the mutual covenants and agreements contained herein, the payment of \$10.00, and other good and valuable consideration, the receipt and sufficiency of which is hereby duly acknowledged, the Metropolitan Government of Nashville and Davidson County ("Metro"), upon approval from FEMA, hereby grants to Piedmont Natural Gas Company, Inc. ("Piedmont") permission for its employees, representatives, agents, contractors and consultants to enter upon the parcels of property identified in Exhibit A (the "Property") for the purpose of preparing said Property for the construction of permanent improvements, said work to include travel lane/temporary access to temporary work space ("TWS"), clearing trees and vegetation in TWS (collectively, the "Operations").

Piedmont agrees that:

1. This Right of Entry conveys no rights other than those specifically described herein.
2. Piedmont will conduct the Operations with as little disturbance to the Property as is reasonably possible.
3. Piedmont will promptly repair any damage to the Property caused by the Operations. Piedmont does not consider clearing activities to be damages.
4. Piedmont will indemnify Metro, its officers, agents and employees against any claims, suits, damages and causes of action arising from or relating to the Operations.
5. Piedmont will provide and keep in force policies of commercial general liability insurance having limits not less than three million dollars (\$3,000,000) for each occurrence and five million dollars (\$5,000,000) in aggregate coverage for bodily injury and property damage occurring as a result of or relating to the Operations. Such policies shall name the Metropolitan Government as an additional insured.

Evidence of coverage as required by this paragraph shall be provided to Metro prior to the commencement of any Operations. Policies contemplated by this paragraph shall be issued by a company or companies authorized to do business in Tennessee and approved by Metro. Metro acknowledges that Piedmont self-insures all coverages.

6. Piedmont will advise the Director of the Metropolitan Department of General Services and any other persons the Director may designate prior to any entry upon the Property to undertake the Operations.
7. Piedmont understands and agrees that it will not commence any Operations unless and until FEMA has reviewed and approved Piedmont's project for the installation of the pipeline.
8. This Right of Entry is not exclusive, and the Metropolitan Government retains the right to use the Property for any and all purposes at any time which do not unreasonably interfere with Piedmont's rights granted herein.
9. Either party may cancel this agreement upon thirty (30) days' written notice to the other party.

- 10. This agreement shall commence upon receipt of the final approval from FEMA of Piedmont's Natural Gas Line 431 Phase 2 project, Whites Creek Pike and West Hamilton Avenue.
- 11. This agreement shall automatically terminate upon passage of an ordinance by the Metropolitan Council granting Piedmont permanent easements for the construction of Piedmont's Natural Gas Line 431 Phase 2 project; provided that the agreement shall only terminate as to those parcels for which Metro has granted permanent easements if not all permanent easements are granted simultaneously.

THIS "EASEMENT" is made and granted as of this \_\_\_\_ day of \_\_\_\_\_, 20\_\_, from **Metropolitan Government of Nashville and Davidson County, Tennessee ("Grantor"**, whether one or more), to **PIEDMONT NATURAL GAS COMPANY, INC.**, a North Carolina corporation ("**Piedmont**").

WHEREAS, Grantor is the owner of, or has an interest in, that property situated in the County of Davidson, Tennessee, as more particularly described in the instrument recorded in Instrument #20120828-0077471, Davidson County Registry (the "**Property**").

NOW, THEREFORE, Grantor for and in consideration of the sum of Four Thousand and No/100 Dollars (\$4,000.00), the receipt and legal sufficiency of which is hereby acknowledged, hereby grants, bargains, sells, and conveys unto Piedmont, its successors and assigns the following easement(s) and right(s) of way under, upon, over, through, and across the Property, as shown on the survey attached hereto as **Exhibit A** and incorporated herein by reference (the "**Survey**").

**Permanent Easement.** A perpetual easement under, upon, over, through, and across that portion of the Property, generally 50 feet wide, designated "Permanent Easement" on the Survey (the "**Permanent Easement Area**") for purposes of constructing, installing, maintaining, operating, repairing, altering, replacing, removing, relocating, inspecting, upgrading, and protecting one or more pipelines (which pipelines shall be underground) and appurtenant facilities (including, without limitation: at or below grade valves and anode beds; and above ground markers, cathodic protection equipment, bollards) for the transportation of natural gas.

**Temporary Construction Easement ("TCE").** A temporary right to use the area designated "TCE" on the Survey (the "**TCE Area**") for the purposes of performing construction activities and laying, storing, erecting, parking, and/or protecting any equipment, vehicles, materials, fill, components, parts, and tools associated with the construction of Piedmont's natural gas pipelines and appurtenant facilities for which this TCE is given, which may or may not be located on the Property. Piedmont shall have the right, but not the obligation, to install temporary fencing around the TCE Area and to exclude all persons, including Grantor, from any fenced portions of the TCE Area.

Following all facilities for which this TCE is given being placed in service, the TCE shall terminate upon (1) Piedmont's restoration of the TCE Area pursuant to the restoration requirements described in the Damages section below and (2) when any permits have been issued for construction and/or erosion and sediment control measures are present, the release of Piedmont from its obligations under all permits and the removal of all temporary erosion and sediment control measures from the Property. The TCE does not grant Piedmont the right to place any permanent natural gas pipelines or appurtenant facilities in the TCE Area.

For purposes of this EASEMENT, the term "**Easements**" shall refer collectively to all easements described above and as depicted on the Survey and the term "**Easement Areas**" shall refer collectively to all the easement areas described above and as depicted on the Survey.

**Piedmont's Use.** Piedmont shall have all rights necessary or convenient for the full use and enjoyment of the rights herein granted, including, without limitation: (1) reasonable access across the Property to and from the Easement Areas, and (2) the right, but not the obligation, to clear and keep the Easement Areas cleared of vegetation, undergrowth, trees (including overhanging limbs and foliage), buildings, structures, installations, and any other obstructions which unreasonably interfere with the rights granted herein (collectively, "**Obstructions**"). Some or all of the natural gas pipelines and appurtenant facilities (collectively, as described and permitted in the Easements granted herein, the "**Facilities**") may be installed now and/or in the future. All Facilities shall be and remain the property of Piedmont and may be removed by it at any time and from time to time.

**Grantor's Reservation of Rights.** Grantor reserves the right to use the Property and Easement Areas for all purposes that do not unreasonably interfere with the rights granted herein and that are not inconsistent with any applicable federal, state, or local law, rule, or regulation. Grantor may change the use of the Easement Areas or install certain Obstructions within the Easement Areas if Grantor has obtained prior written approval from Piedmont, which approval shall not be unreasonably withheld, conditioned or delayed. Anything to the contrary herein notwithstanding, Grantor shall not: (1) unreasonably interfere with Piedmont's access to or maintenance of the Facilities or the Easement Areas; (2) endanger the safety of

Grantor, Piedmont, the general public, private or personal property, or the Facilities; or (3) install or maintain, or permit to be installed or maintained, any Obstructions within the Easement Areas except as approved in writing by Piedmont.

**Damages.** Piedmont shall be responsible for actual physical damage to (1) the land within the Property and Easement Areas and (2) improvements and annual crops located on the Property that are not in violation of the terms hereof, to the extent caused by Piedmont in exercising the rights granted herein, provided that a claim is made by Grantor within one hundred and twenty (120) days after such damages are sustained. Piedmont shall restore and level the surface of the Easement Areas to a condition which is reasonably close to the condition existing immediately prior to Piedmont's use of the Easement Area, excepting those permanent alterations which may be permitted in connection with each Easement above, if any, and earthen water bars to prevent erosion. Piedmont shall not be liable for any damage caused to Obstructions or improvements installed in violation of the terms hereof and may remove them at Grantor's expense without Grantor's prior approval or permission.

**No Waiver or Additional Representations.** The failure by Piedmont to exercise and/or enforce any of the rights, privileges, and Easements herein described shall not be construed as a waiver or abandonment of any such rights, privileges and Easements, and Piedmont thereafter may exercise and/or enforce, at any time and from time to time, any or all of them. It is understood and acknowledged by the undersigned that the person securing this grant on behalf of Piedmont is without authority to make any agreement with regard to the subject matter hereof which is not expressed herein, and that no such agreement will be binding on Piedmont.

**Ownership of the Property.** Grantor represents, warrants and covenants that it is the lawful owner of the Property and has the right to convey the rights set forth herein and that the Property is free from all encumbrances, except for encumbrances of record. Grantor represents it has obtained any necessary approvals from any applicable tenant interests.

To have and to hold said rights, privileges, and Easements unto Piedmont, its affiliates, successors, and assigns. Piedmont, its successors and assigns, shall have the right to assign, license, lease, or otherwise transfer, in whole or in part, this EASEMENT, or any rights granted herein, to any person or entity, including but not limited to, any affiliated parent or subsidiary entity of Piedmont, for the uses and purposes expressly stated herein. This EASEMENT shall run with the land and inure to the benefit of and be binding upon Grantor, Piedmont and their respective heirs, successors and assigns.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, this EASEMENT has been signed under seal by Grantor, as of the date first above written.

## RIGHT OF ENTRY

That for and in consideration of the mutual covenants and agreements contained herein, the payment of \$10.00, and other good and valuable consideration, the receipt and sufficiency of which is hereby duly acknowledged, the Metropolitan Government of Nashville and Davidson County ("Metro"), upon approval from FEMA, hereby grants to Piedmont Natural Gas Company, Inc. ("Piedmont") permission for its employees, representatives, agents, contractors and consultants to enter upon the parcels of property identified in Exhibit A (the "Property") for the purpose of preparing said Property for the construction of permanent improvements, said work to include travel lane/temporary access to temporary work space ("TWS"), clearing trees and vegetation in TWS (collectively, the "Operations").

Piedmont agrees that:

1. This Right of Entry conveys no rights other than those specifically described herein.
2. Piedmont will conduct the Operations with as little disturbance to the Property as is reasonably possible.
3. Piedmont will promptly repair any damage to the Property caused by the Operations. Piedmont does not consider clearing activities to be damages.
4. Piedmont will indemnify Metro, its officers, agents and employees against any claims, suits, damages and causes of action arising from or relating to the Operations.
5. Piedmont will provide and keep in force policies of commercial general liability insurance having limits not less than three million dollars (\$3,000,000) for each occurrence and five million dollars (\$5,000,000) in aggregate coverage for bodily injury and property damage occurring as a result of or relating to the Operations. Such policies shall name the Metropolitan Government as an additional insured.

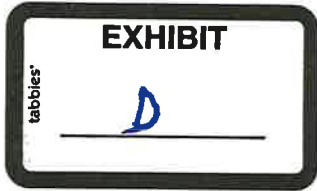

Evidence of coverage as required by this paragraph shall be provided to Metro prior to the commencement of any Operations. Policies contemplated by this paragraph shall be issued by a company or companies authorized to do business in Tennessee and approved by Metro. Metro acknowledges that Piedmont self-insures all coverages.

6. Piedmont will advise the Director of the Metropolitan Department of General Services and any other persons the Director may designate prior to any entry upon the Property to undertake the Operations.
7. Piedmont understands and agrees that it will not commence any Operations unless and until FEMA has reviewed and approved Piedmont's project for the installation of the pipeline.
8. This Right of Entry is not exclusive, and the Metropolitan Government retains the right to use the Property for any and all purposes at any time which do not unreasonably interfere with Piedmont's rights granted herein.
9. Either party may cancel this agreement upon thirty (30) days' written notice to the other party.

- 10. This agreement shall commence upon receipt of the final approval from FEMA of Piedmont's Natural Gas Line 431 Phase 2 project, Whites Creek Pike and West Hamilton Avenue.
- 11. This agreement shall automatically terminate upon passage of an ordinance by the Metropolitan Council granting Piedmont permanent easements for the construction of Piedmont's Natural Gas Line 431 Phase 2 project; provided that the agreement shall only terminate as to those parcels for which Metro has granted permanent easements if not all permanent easements are granted simultaneously.

PARCEL ID #: 049-00-0-307.00

THIS "EASEMENT" is made and granted as of this \_\_\_\_ day of \_\_\_\_\_, 20\_\_, from Metropolitan Government of Nashville and Davidson County, Tennessee ("Grantor", whether one or more), to PIEDMONT NATURAL GAS COMPANY, INC., a North Carolina corporation ("Piedmont").

WHEREAS, Grantor is the owner of, or has an interest in, that property situated in the County of Davidson, Tennessee, as more particularly described in the instrument recorded in Instrument #20120830-0078352, Davidson County Registry (the "Property").

NOW, THEREFORE, Grantor for and in consideration of the sum of Four Thousand and No/100 Dollars (\$4,000.00), the receipt and legal sufficiency of which is hereby acknowledged, hereby grants, bargains, sells, and conveys unto Piedmont, its successors and assigns the following easement(s) and right(s) of way under, upon, over, through, and across the Property, as shown on the survey attached hereto as Exhibit A and incorporated herein by reference (the "Survey").

**Permanent Easement.** A perpetual easement under, upon, over, through, and across that portion of the Property, generally 50 feet wide, designated "Permanent Easement" on the Survey (the "Permanent Easement Area") for purposes of constructing, installing, maintaining, operating, repairing, altering, replacing, removing, relocating, inspecting, upgrading, and protecting one or more pipelines (which pipelines shall be underground) and appurtenant facilities (including, without limitation: at or below grade valves and anode beds; and above ground markers, cathodic protection equipment, bollards) for the transportation of natural gas.

**Temporary Construction Easement ("TCE").** A temporary right to use the area designated "TCE" on the Survey (the "TCE Area") for the purposes of performing construction activities and laying, storing, erecting, parking, and/or protecting any equipment, vehicles, materials, fill, components, parts, and tools associated with the construction of Piedmont's natural gas pipelines and appurtenant facilities for which this TCE is given, which may or may not be located on the Property. Piedmont shall have the right, but not the obligation, to install temporary fencing around the TCE Area and to exclude all persons, including Grantor, from any fenced portions of the TCE Area.

Following all facilities for which this TCE is given being placed in service, the TCE shall terminate upon (1) Piedmont's restoration of the TCE Area pursuant to the restoration requirements described in the Damages section below and (2) when any permits have been issued for construction and/or erosion and sediment control measures are present, the release of Piedmont from its obligations under all permits and the removal of all temporary erosion and sediment control measures from the Property. The TCE does not grant Piedmont the right to place any permanent natural gas pipelines or appurtenant facilities in the TCE Area.

For purposes of this EASEMENT, the term "Easements" shall refer collectively to all easements described above and as depicted on the Survey and the term "Easement Areas" shall refer collectively to all the easement areas described above and as depicted on the Survey.

**Piedmont's Use.** Piedmont shall have all rights necessary or convenient for the full use and enjoyment of the rights herein granted, including, without limitation: (1) reasonable access across the Property to and from the Easement Areas, and (2) the right, but not the obligation, to clear and keep the Easement Areas cleared of vegetation, undergrowth, trees (including overhanging limbs and foliage), buildings, structures, installations, and any other obstructions which unreasonably interfere with the rights granted herein (collectively, "Obstructions"). Some or all of the natural gas pipelines and appurtenant facilities (collectively, as described and permitted in the Easements granted herein, the "Facilities") may be installed now and/or in the future. All Facilities shall be and remain the property of Piedmont and may be removed by it at any time and from time to time.

**Grantor's Reservation of Rights.** Grantor reserves the right to use the Property and Easement Areas for all purposes that do not unreasonably interfere with the rights granted herein and that are not inconsistent with any applicable federal, state, or local law, rule, or regulation. Grantor may change the use of the Easement Areas or install certain Obstructions within the Easement Areas if Grantor has obtained prior written approval from Piedmont, which approval shall not be unreasonably withheld, conditioned or delayed. Anything to the contrary herein notwithstanding, Grantor shall not: (1) unreasonably interfere with Piedmont's access to or maintenance of the Facilities or the Easement Areas; (2) endanger the safety of

Grantor, Piedmont, the general public, private or personal property, or the Facilities; or (3) install or maintain, or permit to be installed or maintained, any Obstructions within the Easement Areas except as approved in writing by Piedmont.

**Damages.** Piedmont shall be responsible for actual physical damage to (1) the land within the Property and Easement Areas and (2) improvements and annual crops located on the Property that are not in violation of the terms hereof, to the extent caused by Piedmont in exercising the rights granted herein, provided that a claim is made by Grantor within one hundred and twenty (120) days after such damages are sustained. Piedmont shall restore and level the surface of the Easement Areas to a condition which is reasonably close to the condition existing immediately prior to Piedmont's use of the Easement Area, excepting those permanent alterations which may be permitted in connection with each Easement above, if any, and earthen water bars to prevent erosion. Piedmont shall not be liable for any damage caused to Obstructions or improvements installed in violation of the terms hereof and may remove them at Grantor's expense without Grantor's prior approval or permission.

**No Waiver or Additional Representations.** The failure by Piedmont to exercise and/or enforce any of the rights, privileges, and Easements herein described shall not be construed as a waiver or abandonment of any such rights, privileges and Easements, and Piedmont thereafter may exercise and/or enforce, at any time and from time to time, any or all of them. It is understood and acknowledged by the undersigned that the person securing this grant on behalf of Piedmont is without authority to make any agreement with regard to the subject matter hereof which is not expressed herein, and that no such agreement will be binding on Piedmont.

**Ownership of the Property.** Grantor represents, warrants and covenants that it is the lawful owner of the Property and has the right to convey the rights set forth herein and that the Property is free from all encumbrances, except for encumbrances of record. Grantor represents it has obtained any necessary approvals from any applicable tenant interests.

To have and to hold said rights, privileges, and Easements unto Piedmont, its affiliates, successors, and assigns. Piedmont, its successors and assigns, shall have the right to assign, license, lease, or otherwise transfer, in whole or in part, this EASEMENT, or any rights granted herein, to any person or entity, including but not limited to, any affiliated parent or subsidiary entity of Piedmont, for the uses and purposes expressly stated herein. This EASEMENT shall run with the land and inure to the benefit of and be binding upon Grantor, Piedmont and their respective heirs, successors and assigns.

## RIGHT OF ENTRY

That for and in consideration of the mutual covenants and agreements contained herein, the payment of \$10.00, and other good and valuable consideration, the receipt and sufficiency of which is hereby duly acknowledged, the Metropolitan Government of Nashville and Davidson County ("Metro"), upon approval from FEMA, hereby grants to Piedmont Natural Gas Company, Inc. ("Piedmont") permission for its employees, representatives, agents, contractors and consultants to enter upon the parcels of property identified in Exhibit A (the "Property") for the purpose of preparing said Property for the construction of permanent improvements, said work to include travel lane/temporary access to temporary work space ("TWS"), clearing trees and vegetation in TWS (collectively, the "Operations").

Piedmont agrees that:

1. This Right of Entry conveys no rights other than those specifically described herein.
2. Piedmont will conduct the Operations with as little disturbance to the Property as is reasonably possible.
3. Piedmont will promptly repair any damage to the Property caused by the Operations. Piedmont does not consider clearing activities to be damages.
4. Piedmont will indemnify Metro, its officers, agents and employees against any claims, suits, damages and causes of action arising from or relating to the Operations.
5. Piedmont will provide and keep in force policies of commercial general liability insurance having limits not less than three million dollars (\$3,000,000) for each occurrence and five million dollars (\$5,000,000) in aggregate coverage for bodily injury and property damage occurring as a result of or relating to the Operations. Such policies shall name the Metropolitan Government as an additional insured.

Evidence of coverage as required by this paragraph shall be provided to Metro prior to the commencement of any Operations. Policies contemplated by this paragraph shall be issued by a company or companies authorized to do business in Tennessee and approved by Metro. Metro acknowledges that Piedmont self-insures all coverages.

6. Piedmont will advise the Director of the Metropolitan Department of General Services and any other persons the Director may designate prior to any entry upon the Property to undertake the Operations.
7. Piedmont understands and agrees that it will not commence any Operations unless and until FEMA has reviewed and approved Piedmont's project for the installation of the pipeline.
8. This Right of Entry is not exclusive, and the Metropolitan Government retains the right to use the Property for any and all purposes at any time which do not unreasonably interfere with Piedmont's rights granted herein.
9. Either party may cancel this agreement upon thirty (30) days' written notice to the other party.

- 10. This agreement shall commence upon receipt of the final approval from FEMA of Piedmont's Natural Gas Line 431 Phase 2 project, Whites Creek Pike and West Hamilton Avenue.
- 11. This agreement shall automatically terminate upon passage of an ordinance by the Metropolitan Council granting Piedmont permanent easements for the construction of Piedmont's Natural Gas Line 431 Phase 2 project; provided that the agreement shall only terminate as to those parcels for which Metro has granted permanent easements if not all permanent easements are granted simultaneously.

THIS "EASEMENT" is made and granted as of this \_\_\_\_ day of \_\_\_\_\_, 20\_\_, from **Metropolitan Government of Nashville and Davidson County, Tennessee ("Grantor"**, whether one or more), to **PIEDMONT NATURAL GAS COMPANY, INC.**, a North Carolina corporation ("**Piedmont**").

WHEREAS, Grantor is the owner of, or has an interest in, that property situated in the County of Davidson, Tennessee, as more particularly described in the instrument recorded in Instrument #20151119-0117436, Davidson County Registry (the "**Property**").

NOW, THEREFORE, Grantor for and in consideration of the sum of Forty-Seven Thousand Five Hundred and No/100 Dollars (\$47,500.00), the receipt and legal sufficiency of which is hereby acknowledged, hereby grants, bargains, sells, and conveys unto Piedmont, its successors and assigns the following easement(s) and right(s) of way under, upon, over, through, and across the Property, as shown on the survey attached hereto as **Exhibit A** and incorporated herein by reference (the "**Survey**").

**Permanent Easement.** A perpetual easement under, upon, over, through, and across that portion of the Property, generally 50 feet wide, designated "Permanent Easement" on the Survey (the "**Permanent Easement Area**") for purposes of constructing, installing, maintaining, operating, repairing, altering, replacing, removing, relocating, inspecting, upgrading, and protecting one or more pipelines (which pipelines shall be underground) and appurtenant facilities (including, without limitation: at or below grade valves and anode beds; and above ground markers, cathodic protection equipment, bollards) for the transportation of natural gas.

**Temporary Construction Easement ("TCE").** A temporary right to use the area designated "TCE" on the Survey (the "**TCE Area**") for the purposes of performing construction activities and laying, storing, erecting, parking, and/or protecting any equipment, vehicles, materials, fill, components, parts, and tools associated with the construction of Piedmont's natural gas pipelines and appurtenant facilities for which this TCE is given, which may or may not be located on the Property. Piedmont shall have the right, but not the obligation, to install temporary fencing around the TCE Area and to exclude all persons, including Grantor, from any fenced portions of the TCE Area.

Following all facilities for which this TCE is given being placed in service, the TCE shall terminate upon (1) Piedmont's restoration of the TCE Area pursuant to the restoration requirements described in the Damages section below and (2) when any permits have been issued for construction and/or erosion and sediment control measures are present, the release of Piedmont from its obligations under all permits and the removal of all temporary erosion and sediment control measures from the Property. The TCE does not grant Piedmont the right to place any permanent natural gas pipelines or appurtenant facilities in the TCE Area.

**Permanent Access Easement.** A perpetual access easement upon, over, and across that portion of the Property designated "Permanent Access" on the Survey (the "**Permanent Access Area**") for the purposes of ingress, egress, and regress. Piedmont shall have the right, but not the obligation, to construct, reconstruct, maintain, repair, improve, and/or use roads or driveways within the Permanent Access Area (including, without limitation, grading, graveling, and installing culverts). Either party may install gates within the Permanent Access Area with the prior written approval of the other party, which shall not be unreasonably withheld, provided that both parties have reasonable means of using any locked gates. Grantor shall assume all risk in connection with Grantor's use, maintenance, and/or improvement of any roads, driveways, or gates within the Permanent Access Area.

Grantor reserves the right to relocate the Permanent Access Area at Grantor's expense to such location as Grantor shall reasonably select; provided that Grantor shall at all times continue to provide Piedmont similar and substantially equal access to the easement(s) and/or facilities for which this permanent access easement is given. Prior to any planned relocation of the Permanent Access Area, Grantor must submit a plan for the proposed alternative access to Piedmont for approval, which approval shall not be unreasonably withheld. Upon Piedmont's approval, Piedmont and Grantor will execute such documentation as Piedmont deems necessary to indicate the new location of the Permanent Access Area.

For purposes of this EASEMENT, the term "**Easements**" shall refer collectively to all easements described above and as depicted on the Survey and the term "**Easement Areas**" shall refer collectively to all the easement areas described above and as depicted on the Survey.

**Piedmont's Use.** Piedmont shall have all rights necessary or convenient for the full use and enjoyment of the rights herein granted, including, without limitation: (1) reasonable access across the Property to and from the Easement Areas; and (2) the right, but not the obligation, to clear and keep the Easement Areas cleared of vegetation, undergrowth, trees (including overhanging limbs and foliage), buildings, structures, installations, and any other obstructions which unreasonably interfere with the rights granted herein (collectively, "**Obstructions**"). Some or all of the natural gas pipelines and appurtenant facilities (collectively, as described and permitted in the Easements granted herein, the "**Facilities**") may be installed now and/or in the future. All Facilities shall be and remain the property of Piedmont and may be removed by it at any time and from time to time.

**Grantor's Reservation of Rights.** Grantor reserves the right to use the Property and Easement Areas for all purposes that do not unreasonably interfere with the rights granted herein and that are not inconsistent with any applicable federal, state, or local law, rule, or regulation. Grantor may change the use of the Easement Areas or install certain Obstructions within the Easement Areas if Grantor has obtained prior written approval from Piedmont, which approval shall not be unreasonably withheld, conditioned or delayed. Anything to the contrary herein notwithstanding, Grantor shall not: (1) unreasonably interfere with Piedmont's access to or maintenance of the Facilities or the Easement Areas; (2) endanger the safety of Grantor, Piedmont, the general public, private or personal property, or the Facilities; or (3) install or maintain, or permit to be installed or maintained, any Obstructions within the Easement Areas except as approved in writing by Piedmont.

**Damages.** Piedmont shall be responsible for actual physical damage to (1) the land within the Property and Easement Areas and (2) improvements and annual crops located on the Property that are not in violation of the terms hereof, to the extent caused by Piedmont in exercising the rights granted herein, provided that a claim is made by Grantor within one hundred and twenty (120) days after such damages are sustained. Piedmont shall restore and level the surface of the Easement Areas to a condition which is reasonably close to the condition existing immediately prior to Piedmont's use of the Easement Area, excepting those permanent alterations which may be permitted in connection with each Easement above, if any, and earthen water bars to prevent erosion. Piedmont shall not be liable for any damage caused to Obstructions or improvements installed in violation of the terms hereof and may remove them at Grantor's expense without Grantor's prior approval or permission.

**No Waiver or Additional Representations.** The failure by Piedmont to exercise and/or enforce any of the rights, privileges, and Easements herein described shall not be construed as a waiver or abandonment of any such rights, privileges and Easements, and Piedmont thereafter may exercise and/or enforce, at any time and from time to time, any or all of them. It is understood and acknowledged by the undersigned that the person securing this grant on behalf of Piedmont is without authority to make any agreement with regard to the subject matter hereof which is not expressed herein, and that no such agreement will be binding on Piedmont.

**Ownership of the Property.** Grantor represents, warrants and covenants that it is the lawful owner of the Property and has the right to convey the rights set forth herein and that the Property is free from all encumbrances, except for encumbrances of record. Grantor represents it has obtained any necessary approvals from any applicable tenant interests.

To have and to hold said rights, privileges, and Easements unto Piedmont, its affiliates, successors, and assigns. Piedmont, its successors and assigns, shall have the right to assign, license, lease, or otherwise transfer, in whole or in part, this EASEMENT, or any rights granted herein, to any person or entity, including but not limited to, any affiliated parent or subsidiary entity of Piedmont, for the uses and purposes expressly stated herein. This EASEMENT shall run with the land and inure to the benefit of and be binding upon Grantor, Piedmont and their respective heirs, successors and assigns.

## RIGHT OF ENTRY

That for and in consideration of the mutual covenants and agreements contained herein, the payment of \$10.00, and other good and valuable consideration, the receipt and sufficiency of which is hereby duly acknowledged, the Metropolitan Government of Nashville and Davidson County ("Metro"), upon approval from FEMA, hereby grants to Piedmont Natural Gas Company, Inc. ("Piedmont") permission for its employees, representatives, agents, contractors and consultants to enter upon the parcels of property identified in Exhibit A (the "Property") for the purpose of preparing said Property for the construction of permanent improvements, said work to include travel lane/temporary access to temporary work space ("TWS"), clearing trees and vegetation in TWS (collectively, the "Operations").

Piedmont agrees that:

1. This Right of Entry conveys no rights other than those specifically described herein.
2. Piedmont will conduct the Operations with as little disturbance to the Property as is reasonably possible.
3. Piedmont will promptly repair any damage to the Property caused by the Operations. Piedmont does not consider clearing activities to be damages.
4. Piedmont will indemnify Metro, its officers, agents and employees against any claims, suits, damages and causes of action arising from or relating to the Operations.
5. Piedmont will provide and keep in force policies of commercial general liability insurance having limits not less than three million dollars (\$3,000,000) for each occurrence and five million dollars (\$5,000,000) in aggregate coverage for bodily injury and property damage occurring as a result of or relating to the Operations. Such policies shall name the Metropolitan Government as an additional insured.

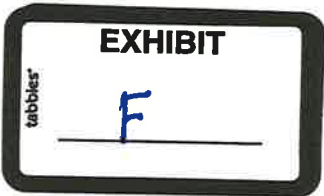

Evidence of coverage as required by this paragraph shall be provided to Metro prior to the commencement of any Operations. Policies contemplated by this paragraph shall be issued by a company or companies authorized to do business in Tennessee and approved by Metro. Metro acknowledges that Piedmont self-insures all coverages.

6. Piedmont will advise the Director of the Metropolitan Department of General Services and any other persons the Director may designate prior to any entry upon the Property to undertake the Operations.
7. Piedmont understands and agrees that it will not commence any Operations unless and until FEMA has reviewed and approved Piedmont's project for the installation of the pipeline.
8. This Right of Entry is not exclusive, and the Metropolitan Government retains the right to use the Property for any and all purposes at any time which do not unreasonably interfere with Piedmont's rights granted herein.
9. Either party may cancel this agreement upon thirty (30) days' written notice to the other party.

- 10. This agreement shall commence upon receipt of the final approval from FEMA of Piedmont's Natural Gas Line 431 Phase 2 project, Whites Creek Pike and West Hamilton Avenue.
- 11. This agreement shall automatically terminate upon passage of an ordinance by the Metropolitan Council granting Piedmont permanent easements for the construction of Piedmont's Natural Gas Line 431 Phase 2 project; provided that the agreement shall only terminate as to those parcels for which Metro has granted permanent easements if not all permanent easements are granted simultaneously.

PROJECT TRACT NO. 69  
PROJECT NO. #0220338

THIS "EASEMENT" is made and granted as of this \_\_\_\_ day of \_\_\_\_\_, 20\_\_, from **Metropolitan Government of Nashville and Davidson County, Tennessee** ("Grantor", whether one or more), to **PIEDMONT NATURAL GAS COMPANY, INC.**, a North Carolina corporation ("**Piedmont**").

WHEREAS, Grantor is the owner of, or has an interest in, that property situated in the County of Davidson, Tennessee, as more particularly described in the instrument recorded in Deed Book 1198 Page 664, Davidson County Registry (the "**Property**").

NOW, THEREFORE, Grantor for and in consideration of the sum of Sixteen Thousand Eight Hundred and No/100 Dollars (\$16,800.00), the receipt and legal sufficiency of which is hereby acknowledged, hereby grants, bargains, sells, and conveys unto Piedmont, its successors and assigns the following easement(s) and right(s) of way under, upon, over, through, and across the Property, as shown on the survey attached hereto as **Exhibit A** and incorporated herein by reference (the "**Survey**").

**Permanent Easement.** A perpetual easement under, upon, over, through, and across that portion of the Property, generally 50 feet wide, designated "Permanent Easement" on the Survey (the "**Permanent Easement Area**") for purposes of constructing, installing, maintaining, operating, repairing, altering, replacing, removing, relocating, inspecting, upgrading, and protecting one or more pipelines (which pipelines shall be underground) and appurtenant facilities (including, without limitation: at or below grade valves and anode beds; and above ground markers, cathodic protection equipment, bollards) for the transportation of natural gas.

**Temporary Construction Easement ("TCE").** A temporary right to use the area designated "TCE" on the Survey (the "**TCE Area**") for the purposes of performing construction activities and laying, storing, erecting, parking, and/or protecting any equipment, vehicles, materials, fill, components, parts, and tools associated with the construction of Piedmont's natural gas pipelines and appurtenant facilities for which this TCE is given, which may or may not be located on the Property. Piedmont shall have the right, but not the obligation, to install temporary fencing around the TCE Area and to exclude all persons, including Grantor, from any fenced portions of the TCE Area.

Following all facilities for which this TCE is given being placed in service, the TCE shall terminate upon (1) Piedmont's restoration of the TCE Area pursuant to the restoration requirements described in the Damages section below and (2) when any permits have been issued for construction and/or erosion and sediment control measures are present, the release of Piedmont from its obligations under all permits and the removal of all temporary erosion and sediment control measures from the Property. The TCE does not grant Piedmont the right to place any permanent natural gas pipelines or appurtenant facilities in the TCE Area.

**Utility Station Site Easement.** A perpetual easement under, upon, over, through, and across that portion of the Property designated "USSE" of the Survey (the "**USSE Area**") for the purposes of erecting, constructing, maintaining, operating, altering, relocating, repairing, upgrading, replacing, removing, inspecting, grading, and protecting one or more utility stations or sites and appurtenant facilities used in connection therewith (including, without limitation, pipelines, meter stations, valves, launchers and/or receivers, regulator stations, and electrical and telecommunication equipment) for the transportation and/or control of natural gas. Piedmont shall have all rights necessary for the full use and enjoyment of the USSE Area, including, those rights set forth below and without limitation the right, but not the obligation, to: (1) install fencing within or around all or portions of the USSE Area; (2) exclude all persons, including Grantor, from any fenced portions of the USSE Area; and (3) install landscaping within or around the USSE Area to screen the USSE Area as may be desired by Piedmont or required by any governmental authority. Grantor represents and agrees that it shall grant and convey such reasonable easements and rights of way to third party utility services providers as Piedmont may deem necessary or desirable to serve its facilities.

**Permanent Access Easement.** A perpetual access easement upon, over, and across that portion of the Property designated "Permanent Access" on the Survey (the "**Permanent Access Area**") for the purposes of ingress, egress, and regress. Piedmont shall have the right, but not the obligation, to construct, reconstruct, maintain, repair, improve, and/or use roads or driveways within the Permanent Access Area (including, without limitation, grading, graveling, and installing culverts). Either party may install gates within the Permanent Access Area with the prior written approval of the other party, which shall not be unreasonably withheld, provided that both parties have reasonable means of using any locked gates.

Grantor shall assume all risk in connection with Grantor's use, maintenance, and/or improvement of any roads, driveways, or gates within the Permanent Access Area.

Grantor reserves the right to relocate the Permanent Access Area at Grantor's expense to such location as Grantor shall reasonably select; provided that Grantor shall at all times continue to provide Piedmont similar and substantially equal access to the easement(s) and/or facilities for which this permanent access easement is given. Prior to any planned relocation of the Permanent Access Area, Grantor must submit a plan for the proposed alternative access to Piedmont for approval, which approval shall not be unreasonably withheld. Upon Piedmont's approval, Piedmont and Grantor will execute such documentation as Piedmont deems necessary to indicate the new location of the Permanent Access Area.

**Temporary Access Easement.** A temporary access easement upon, over, and across that portion of the Property designated "Temporary Access" on the Survey (the "**Temporary Access Area**") for the purposes of ingress, egress, and regress, upon, over, and across that portion of the Property designated "Temporary Access" on the Survey (the "**Temporary Access Easement Area**"). Piedmont shall have the right, but not the obligation, to construct, reconstruct, maintain, repair, improve, and/or use roads or driveways within the Temporary Access Area (including, without limitation, grading, graveling, and installing culverts). Either party may install gates within the Temporary Access Area with the prior written approval of the other party, which shall not be unreasonably withheld, provided that both parties have reasonable means of using any locked gates. Grantor shall assume all risk in connection with Grantor's use, maintenance, and/or improvement of any roads, driveways, or gates within the Temporary Access Area.

Following all facilities for which this temporary access easement is given being placed in service, the temporary access easement shall terminate upon (1) Piedmont's restoration of the Temporary Access Area pursuant to the restoration requirements described in the Damages section below and (2) when any permits have been issued for construction and/or erosion and sediment control measures are present, the release of Piedmont from its obligations under all permits and the removal of all temporary erosion and sediment control measures from the Property.

For purposes of this EASEMENT, the term "**Easements**" shall refer collectively to all easements described above and as depicted on the Survey and the term "**Easement Areas**" shall refer collectively to all the easement areas described above and as depicted on the Survey.

**Piedmont's Use.** Piedmont shall have all rights necessary or convenient for the full use and enjoyment of the rights herein granted, including, without limitation: (1) reasonable access across the Property to and from the Easement Areas, and (2) the right, but not the obligation, to clear and keep the Easement Areas cleared of vegetation, undergrowth, trees (including overhanging limbs and foliage), buildings, structures, installations, and any other obstructions which unreasonably interfere with the rights granted herein (collectively, "**Obstructions**"). Some or all of the natural gas pipelines and appurtenant facilities (collectively, as described and permitted in the Easements granted herein, the "**Facilities**") may be installed now and/or in the future. All Facilities shall be and remain the property of Piedmont and may be removed by it at any time and from time to time.

**Grantor's Reservation of Rights.** Grantor reserves the right to use the Property and Easement Areas for all purposes that do not unreasonably interfere with the rights granted herein and that are not inconsistent with any applicable federal, state, or local law, rule, or regulation. Grantor may change the use of the Easement Areas or install certain Obstructions within the Easement Areas if Grantor has obtained prior written approval from Piedmont, which approval shall not be unreasonably withheld, conditioned or delayed. Anything to the contrary herein notwithstanding, Grantor shall not: (1) unreasonably interfere with Piedmont's access to or maintenance of the Facilities or the Easement Areas; (2) endanger the safety of Grantor, Piedmont, the general public, private or personal property, or the Facilities; or (3) install or maintain, or permit to be installed or maintained, any Obstructions within the Easement Areas except as approved in writing by Piedmont.

**Damages.** Piedmont shall be responsible for actual physical damage to (1) the land within the Property and Easement Areas and (2) improvements and annual crops located on the Property that are not in violation of the terms hereof, to the extent caused by Piedmont in exercising the rights granted herein, provided that a claim is made by Grantor within one hundred and twenty (120) days after such damages are sustained. Piedmont shall restore and level the surface of the Easement Areas to a condition which is reasonably close to the condition existing immediately prior to Piedmont's use of the Easement Area, excepting those permanent alterations which may be permitted in connection with each Easement above, if any, and earthen water bars to prevent erosion. Piedmont shall not be liable for any damage caused to Obstructions or improvements installed in violation of the terms hereof and may remove them at Grantor's expense without Grantor's prior approval or permission.

**No Waiver or Additional Representations.** The failure by Piedmont to exercise and/or enforce any of the rights, privileges, and Easements herein described shall not be construed as a waiver or abandonment of any such rights, privileges and Easements, and Piedmont thereafter may exercise and/or enforce, at any time and from time to time, any or all of them. It is understood and acknowledged by the undersigned that the person securing this grant on behalf of Piedmont is without authority to make any agreement with regard to the subject matter hereof which is not expressed herein, and that no such agreement will be binding on Piedmont.

**Ownership of the Property.** Grantor represents, warrants and covenants that it is the lawful owner of the Property and has the right to convey the rights set forth herein and that the Property is free from all encumbrances, except for encumbrances of record. Grantor represents it has obtained any necessary approvals from any applicable tenant interests.

To have and to hold said rights, privileges, and Easements unto Piedmont, its affiliates, successors, and assigns. Piedmont, its successors and assigns, shall have the right to assign, license, lease, or otherwise transfer, in whole or in part, this EASEMENT, or any rights granted herein, to any person or entity, including but not limited to, any affiliated parent or subsidiary entity of Piedmont, for the uses and purposes expressly stated herein. This EASEMENT shall run with the land and inure to the benefit of and be binding upon Grantor, Piedmont and their respective heirs, successors and assigns.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

## RIGHT OF ENTRY

That for and in consideration of the mutual covenants and agreements contained herein, the payment of \$10.00, and other good and valuable consideration, the receipt and sufficiency of which is hereby duly acknowledged, the Metropolitan Government of Nashville and Davidson County ("Metro"), upon approval from FEMA, hereby grants to Piedmont Natural Gas Company, Inc. ("Piedmont") permission for its employees, representatives, agents, contractors and consultants to enter upon the parcels of property identified in Exhibit A (the "Property") for the purpose of preparing said Property for the construction of permanent improvements, said work to include travel lane/temporary access to temporary work space ("TWS"), clearing trees and vegetation in TWS (collectively, the "Operations").

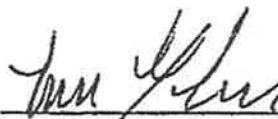

Piedmont agrees that:

1. This Right of Entry conveys no rights other than those specifically described herein.
2. Piedmont will conduct the Operations with as little disturbance to the Property as is reasonably possible.
3. Piedmont will promptly repair any damage to the Property caused by the Operations. Piedmont does not consider clearing activities to be damages.
4. Piedmont will indemnify Metro, its officers, agents and employees against any claims, suits, damages and causes of action arising from or relating to the Operations.
5. Piedmont will provide and keep in force policies of commercial general liability insurance having limits not less than three million dollars (\$3,000,000) for each occurrence and five million dollars (\$5,000,000) in aggregate coverage for bodily injury and property damage occurring as a result of or relating to the Operations. Such policies shall name the Metropolitan Government as an additional insured.

Evidence of coverage as required by this paragraph shall be provided to Metro prior to the commencement of any Operations. Policies contemplated by this paragraph shall be issued by a company or companies authorized to do business in Tennessee and approved by Metro. Metro acknowledges that Piedmont self-insures all coverages.

6. Piedmont will advise the Director of the Metropolitan Department of General Services and any other persons the Director may designate prior to any entry upon the Property to undertake the Operations.
7. Piedmont understands and agrees that it will not commence any Operations unless and until FEMA has reviewed and approved Piedmont's project for the installation of the pipeline.
8. This Right of Entry is not exclusive, and the Metropolitan Government retains the right to use the Property for any and all purposes at any time which do not unreasonably interfere with Piedmont's rights granted herein.
9. Either party may cancel this agreement upon thirty (30) days' written notice to the other party.

10. This agreement shall commence upon receipt of the final approval from FEMA of Piedmont's Natural Gas Line 431 Phase 2 project, Whites Creek Pike and West Hamilton Avenue.
11. This agreement shall automatically terminate upon passage of an ordinance by the Metropolitan Council granting Piedmont permanent easements for the construction of Piedmont's Natural Gas Line 431 Phase 2 project; provided that the agreement shall only terminate as to those parcels for which Metro has granted permanent easements if not all permanent easements are granted simultaneously.

PROJECT TRACT NO. 78

PROJECT NO. #0220338

PARCEL ID #: 059-09-0-077.00

THIS "EASEMENT" is made and granted as of this \_\_\_\_ day of \_\_\_\_\_, 20\_\_, from **Davidson County Board of Education ("Grantor"**, whether one or more), to **PIEDMONT NATURAL GAS COMPANY, INC.**, a North Carolina corporation ("**Piedmont**").

WHEREAS, Grantor is the owner of, or has an interest in, that property situated in the County of Davidson, Tennessee, as more particularly described in the instrument recorded in Deed Book 3249 Page 336, Davidson County Registry (the "**Property**").

NOW, THEREFORE, Grantor for and in consideration of the sum of Four Hundred and No/100 Dollars (\$400.00), the receipt and legal sufficiency of which is hereby acknowledged, hereby grants, bargains, sells, and conveys unto Piedmont, its successors and assigns the following easement(s) and right(s) of way under, upon, over, through, and across the Property, as shown on the survey attached hereto as **Exhibit A** and incorporated herein by reference (the "**Survey**").

**Temporary Construction Easement ("TCE").** A temporary right to use the area designated "TCE" on the Survey (the "TCE Area") for the purposes of performing construction activities and laying, storing, erecting, parking, and/or protecting any equipment, vehicles, materials, fill, components, parts, and tools associated with the construction of Piedmont's natural gas pipelines and appurtenant facilities for which this TCE is given, which may or may not be located on the Property. Piedmont shall have the right, but not the obligation, to install temporary fencing around the TCE Area and to exclude all persons, including Grantor, from any fenced portions of the TCE Area.

Following all facilities for which this TCE is given being placed in service, the TCE shall terminate upon (1) Piedmont's restoration of the TCE Area pursuant to the restoration requirements described in the Damages section below and (2) when any permits have been issued for construction and/or erosion and sediment control measures are present, the release of Piedmont from its obligations under all permits and the removal of all temporary erosion and sediment control measures from the Property. The TCE does not grant Piedmont the right to place any permanent natural gas pipelines or appurtenant facilities in the TCE Area.

For purposes of this EASEMENT, the term "**Easements**" shall refer collectively to all easements described above and as depicted on the Survey and the term "**Easement Areas**" shall refer collectively to all the easement areas described above and as depicted on the Survey.

**Piedmont's Use.** Piedmont shall have all rights necessary or convenient for the full use and enjoyment of the rights herein granted, including, without limitation: (1) reasonable access across the Property to and from the Easement Areas, and (2) the right, but not the obligation, to clear and keep the Easement Areas cleared of vegetation, undergrowth, trees (including overhanging limbs and foliage), buildings, structures, installations, and any other obstructions which unreasonably interfere with the rights granted herein (collectively, "**Obstructions**"). Some or all of the natural gas pipelines and appurtenant facilities (collectively, as described and permitted in the Easements granted herein, the "**Facilities**") may be installed now and/or in the future. All Facilities shall be and remain the property of Piedmont and may be removed by it at any time and from time to time.

**Grantor's Reservation of Rights.** Grantor reserves the right to use the Property and Easement Areas for all purposes that do not unreasonably interfere with the rights granted herein and that are not inconsistent with any applicable federal, state, or local law, rule, or regulation. Grantor may change the use of the Easement Areas or install certain Obstructions within the Easement Areas if Grantor has obtained prior written approval from Piedmont, which approval shall not be unreasonably withheld, conditioned or delayed. Anything to the contrary herein notwithstanding, Grantor shall not: (1) unreasonably interfere with Piedmont's access to or maintenance of the Facilities or the Easement Areas; (2) endanger the safety of Grantor, Piedmont, the general public, private or personal property, or the Facilities; or (3) install or maintain, or permit to be installed or maintained, any Obstructions within the Easement Areas except as approved in writing by Piedmont.

**Damages.** Piedmont shall be responsible for actual physical damage to (1) the land within the Property and Easement Areas and (2) improvements and annual crops located on the Property that are not in violation of the terms hereof, to the extent caused by Piedmont in exercising the rights granted herein, provided that a claim is made by Grantor within one hundred and twenty (120) days after such damages are sustained. Piedmont shall restore and level the surface of the Easement Areas to a condition which is reasonably close to the condition existing immediately prior to Piedmont's use of

the Easement Area, excepting those permanent alterations which may be permitted in connection with each Easement above, if any, and earthen water bars to prevent erosion. Piedmont shall not be liable for any damage caused to Obstructions or improvements installed in violation of the terms hereof and may remove them at Grantor's expense without Grantor's prior approval or permission.

**No Waiver or Additional Representations.** The failure by Piedmont to exercise and/or enforce any of the rights, privileges, and Easements herein described shall not be construed as a waiver or abandonment of any such rights, privileges and Easements, and Piedmont thereafter may exercise and/or enforce, at any time and from time to time, any or all of them. It is understood and acknowledged by the undersigned that the person securing this grant on behalf of Piedmont is without authority to make any agreement with regard to the subject matter hereof which is not expressed herein, and that no such agreement will be binding on Piedmont.

**Ownership of the Property.** Grantor represents, warrants and covenants that it is the lawful owner of the Property and has the right to convey the rights set forth herein and that the Property is free from all encumbrances, except for encumbrances of record. Grantor represents it has obtained any necessary approvals from any applicable tenant interests.

To have and to hold said rights, privileges, and Easements unto Piedmont, its affiliates, successors, and assigns. Piedmont, its successors and assigns, shall have the right to assign, license, lease, or otherwise transfer, in whole or in part, this EASEMENT, or any rights granted herein, to any person or entity, including but not limited to, any affiliated parent or subsidiary entity of Piedmont, for the uses and purposes expressly stated herein. This EASEMENT shall run with the land and inure to the benefit of and be binding upon Grantor, Piedmont and their respective heirs, successors and assigns.

## RIGHT OF ENTRY

That for and in consideration of the mutual covenants and agreements contained herein, the payment of \$10.00, and other good and valuable consideration, the receipt and sufficiency of which is hereby duly acknowledged, the Metropolitan Government of Nashville and Davidson County ("Metro"), upon approval from FEMA, hereby grants to Piedmont Natural Gas Company, Inc. ("Piedmont") permission for its employees, representatives, agents, contractors and consultants to enter upon the parcels of property identified in Exhibit A (the "Property") for the purpose of preparing said Property for the construction of permanent improvements, said work to include travel lane/temporary access to temporary work space ("TWS"), clearing trees and vegetation in TWS (collectively, the "Operations").

Piedmont agrees that:

1. This Right of Entry conveys no rights other than those specifically described herein.
2. Piedmont will conduct the Operations with as little disturbance to the Property as is reasonably possible.
3. Piedmont will promptly repair any damage to the Property caused by the Operations. Piedmont does not consider clearing activities to be damages.
4. Piedmont will indemnify Metro, its officers, agents and employees against any claims, suits, damages and causes of action arising from or relating to the Operations.
5. Piedmont will provide and keep in force policies of commercial general liability insurance having limits not less than three million dollars (\$3,000,000) for each occurrence and five million dollars (\$5,000,000) in aggregate coverage for bodily injury and property damage occurring as a result of or relating to the Operations. Such policies shall name the Metropolitan Government as an additional insured.

Evidence of coverage as required by this paragraph shall be provided to Metro prior to the commencement of any Operations. Policies contemplated by this paragraph shall be issued by a company or companies authorized to do business in Tennessee and approved by Metro. Metro acknowledges that Piedmont self-insures all coverages.

6. Piedmont will advise the Director of the Metropolitan Department of General Services and any other persons the Director may designate prior to any entry upon the Property to undertake the Operations.
7. Piedmont understands and agrees that it will not commence any Operations unless and until FEMA has reviewed and approved Piedmont's project for the installation of the pipeline.
8. This Right of Entry is not exclusive, and the Metropolitan Government retains the right to use the Property for any and all purposes at any time which do not unreasonably interfere with Piedmont's rights granted herein.
9. Either party may cancel this agreement upon thirty (30) days' written notice to the other party.

10. This agreement shall commence upon receipt of the final approval from FEMA of Piedmont's Natural Gas Line 431 Phase 2 project, Whites Creek Pike and West Hamilton Avenue.
11. This agreement shall automatically terminate upon passage of an ordinance by the Metropolitan Council granting Piedmont permanent easements for the construction of Piedmont's Natural Gas Line 431 Phase 2 project; provided that the agreement shall only terminate as to those parcels for which Metro has granted permanent easements if not all permanent easements are granted simultaneously.
