Planning Commission Mandatory Referral # 2023M-035ES-001  
Council District #18 Tom Cash, Council Member**

On behalf of the Metropolitan Planning Commission, the following item, referred to the Commission as required by the Metro Charter, has been recommended for *approval* to the Metropolitan Council:

*A request for the abandonment of approximately 262 linear feet of 6-inch water main (DIP), 326 linear feet of 16-inch water main (DIP) and one fire hydrant assembly and the acceptance of approximately 296 linear feet of 16-inch water main (DIP) to serve the Vanderbilt University Basketball Facility development.*

The relevant Metro agencies (Metro Parks, Metro Public Works, Metro Water Services, Metro Emergency Communications, the Nashville Electric Service, Metro Finance – Public Property and the Metro Historical Commission) have reviewed the proposal and concur in the recommendation for approval. This request must be approved by the Metro Council to become effective. A sketch showing the location of the request is attached to this letter.

**Conditions that apply to this approval: Fire hydrant locations shall maintain maximum 100' from fire department standpipe connections (FDC).**

This recommendation for approval is given as set forth in the Metropolitan Planning Commission Rules and Procedures. If you have any questions about this matter, please contact Delilah Rhodes at [delilah.rhodes@nashville.gov](mailto:delilah.rhodes@nashville.gov) or 615-862-7208.

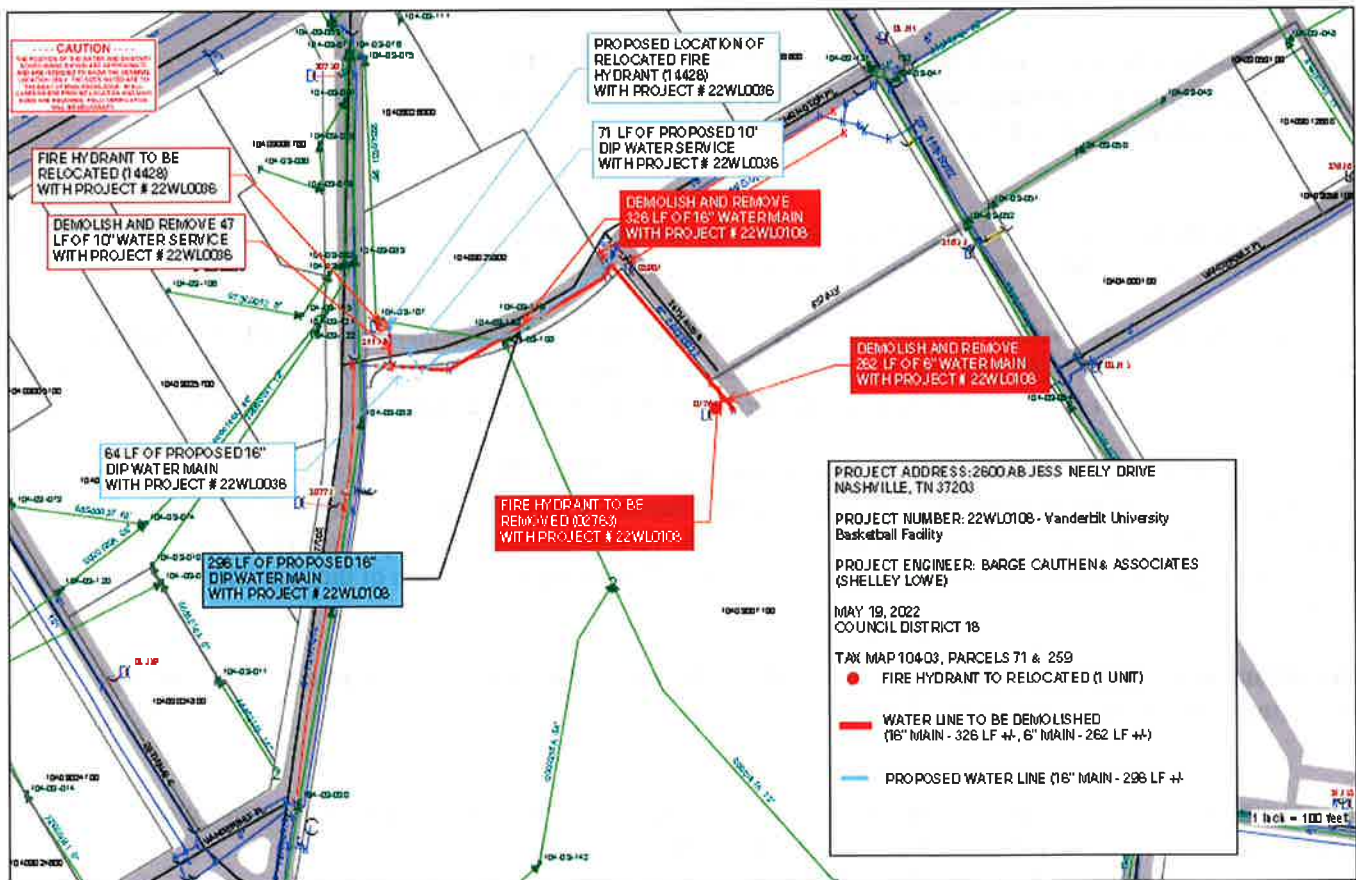

Sincerely,
